Dear Class of 2027 and BBP Families,

I hope you are enjoying your summer and finding time to relax with family and friends. It is hard to believe that the start of your senior year is almost here. I have had the privilege of getting to know many of you, whether through your accomplishments in the classroom, on the athletic fields, on the stage, in our clubs and activities, or simply through the conversations we've shared in the hallways. It has been an honor to watch you grow as individuals and as a class.

Reaching your senior year is an accomplishment that should never be taken for granted. It represents years of hard work, resilience, and perseverance. Along the way, you've met challenges, celebrated successes, learned from setbacks, and continued to move forward.

The Class of 2027 has already left its mark on Bayport-Blue Point High School. As you begin your final year, I encourage you to embrace every opportunity that comes your way. Challenge yourself academically, become even more involved, celebrate the traditions that make senior year special, and continue to be role models for the students who will follow in your footsteps.

Our theme for the 2026–2027 school year is **Choose Great**. Greatness is not about being perfect; it is about making intentional choices every day. As seniors, you have the opportunity to set the standard for our school community. Choose great effort in your studies. Choose great character in your interactions with others. Choose great leadership by lifting up those around you. The choices you make this year will not only define your senior experience but will also leave a lasting legacy for future Phantoms.

Senior year moves quickly. Make time to create lasting memories, strengthen friendships, thank the people who have supported you, and enjoy every milestone along the way. Before you know it, you'll be walking across the graduation stage ready to begin your next chapter.

Below you will find important resources to help you prepare for the year ahead:

- Description of Important Senior Activities
- Senior Summer College Checklist – Class of 2027
- Parent/Person in Parental Relations Letter of Recommendation

I look forward to welcoming you back in September and celebrating an incredible senior year together. Let's make this a year to remember by choosing greatness in everything we do.

Have a wonderful rest of your summer, and I'll see you soon.
