Clubs and Activities

9th to 12th Grade Class Clubs work collaboratively throughout the year to raise funds for and participate in various class events such as prom planning , float building and homecoming. The funds raised go toward events such as Prom and Senior Field Day. They elect officers and work as a team to make decisions about future goals and wishes that represent the student body.
Advisors:
Freshman Class Mr. Zachary Campanelli/Mr. Michael Plugues
Sophomore Class Ms. Kelly Petrosino/Ms. Heather Trifiletti
Junior Class Mr. Jared Solero/Ms. Ava Eriksen
Senior Class Ms. Stacie Pintar/Ms. Denise Kelly

GSA The Gay Straight Alliance Club is a coalition of gay, lesbian, bisexual, transgender and straight individuals offering education, support, and awareness in a safe environment. The Gay Straight Alliance Club's goal is to provide empowerment, education and information to the population of Bayport-Blue Point High school and its community for whom sexual orientation and gender identity are an issue. **Advisor:** Dr. Matthew Slavin

The Yearbook Committee is a great club for any student interested in digital photography, journalism, graphic design and writing. The Yearbook Committee is also responsible for marketing and distributing the yearbook when it arrives in June. **Advisors:** Mr. Frank Salino/Ms. Rosetta Arpino

Mathletes is composed of a group of mathematically talented students who compete in several math contests per year with extremely challenging questions. The top five scores are reported and their total becomes a team score. **Advisor:** Ms. Lisa Haas

Science Olympiad is a team competition that requires knowledge of various science topics and engineering ability. There are many events and competitions throughout the year. The club meets one time per week from October until late winter. Students also meet on an as-needed basis before and after school to work on events. **Advisors:** Mr. Steven Roach/Ms. Denise Kelly

Student Council is an organization that gives students the opportunity to develop initiative and to undertake leadership roles within the school community. They participate in the "habitat build" and raise money for many worthy causes. All students in grades 9-12 can participate in Student Council which meets approximately 5 times per year. **Advisor:** Ms. Toni McKinnon

National Honor Society (NHS) is an organization established to recognize outstanding high school students. More than just an honor roll, NHS demonstrates excellence in the areas of scholarship, leadership, service, and character. The organization is involved in several events throughout the year and typically meets on a monthly basis, with additional meetings for executive board members as well as for event planning. **Advisor:** Ms. Krista Peterson

Interact is a community service-based club that does volunteer work and fundraisers for many different causes such as the Walk to Cure JDRF, and the Cystic Fibrosis Telethon. Interact meets once a week (or as needed) after school.
Advisors: Ms. Nikki Restivo/Mr. Steven Roach

The Ecology Club, which meets bi-weekly, engages students in nature through positive learning experiences that benefit the environment and wildlife in our community. Students participate in exciting projects like community and beach clean-ups, recycling drives and fundraising activities. They will tackle issues like climate change and pollution.
Advisor: Ms. Kim Corrie

Clubs and Activities—Cont'd

H.S. Drama Club is a place to practice, explore, and enjoy all aspects of theatre arts in a supportive environment through workshop style meetings, our One Act Play Festival (rehearsal & performances), as well as a field trip.
Advisor: Ms. Stephanie Eberhard-Holgerson

The Debate Club is devoted to exploring avenues to participate in debating activities. The Debate Club holds internal debates on topics chosen by its members. The officers arrange meetings, outings and fundraising activities. **Advisors**: Mr. John Limperatos/Mr. Anthony Curran

The Fashion Club brings students who are interested in fashion together to collaborate, share, and explore the world of fashion which includes design, skills (such as sewing), careers, and colleges, and creating collaborative projects. We will visit our local and metro-area fashion world locations (such as the Fashion District, FIT, and other institutions in the industry).
Advisor: Ms. Tina Nadeem

The Chess Club - Whether you are a beginner or extremely skilled, the Chess Club is open to anyone who is interested in chess. Students will learn the game and compete against students of similar skill levels throughout the course of the school year. **Advisor:** Mr. John Limperatos

School Store The School Store is a student run business that provides students with authentic, hands-on experience in entrepreneurship and business management. Working in partnership with the Enterprise Club, students are involved in all aspects of operating the business, including product and apparel design, marketing, accounting and budgeting, inventory and logistics, sales and public relations. The club provides a real world learning environment where students can apply classroom concepts while developing valuable skills. **Advisor:** Mr. Tom Oswald
