October 2025

Dear Parent/Guardian,

We wanted to take a moment to update you regarding the [Suffolk Community College \(SCCC\) Beacon Program](#). Over the past several weeks, we have been working closely with SCCC to address credentialing and portal errors that occurred as part of our efforts to expand and strengthen our dual-credit offerings. These issues have now been resolved, and we are pleased to share that SCCC has extended the Beacon registration deadline for **Bayport-Blue Point families to October 24, 2025**. While SCCC continues to recommend that students register by **October 17**, this extension ensures that all families have the time needed to complete the registration process successfully.

Once again, we are proud to partner with Suffolk County Community College to offer our students an opportunity to earn college credits while in high school.

If your child is enrolled in one or more Bayport-Blue Point High School courses that are part of the SCCC Beacon Program, the information below explains the registration process. A list of eligible courses is available on the next page.

To address some commonly asked questions, please review the information provided below:

- [The Beacon Program](#) is a concurrent enrollment opportunity that allows students to earn both high school and college credits for select SCCC courses they complete at their high school. These are also referred to as “Dual Enrollment Courses.”
- College credits earned with a grade of **C or better** are accepted by a wide range of colleges across the country, including **State University of New York (SUNY)** institutions.
- Students are encouraged to research the **transfer credit policy** of any college to which they intend to apply.
- Students are **not eligible to transfer both AP and SCCC credits** earned for the same course.
- Step-by-step instructions can be found at [Welcome to the Beacon Program and the Beacon Portal](#).
- Participating students must request an **official SCCC academic transcript** be sent to the college they plan to attend.
- Beacon tuition for the **2025–26 academic year** is **\$70 per credit** (3 credits = \$210).
- Please visit [Beacon FAQ](#) for answers to many other common questions.
- To register and make payment, please visit [Beacon registration](#). Payment is due at the time of registration and serves as **parental consent**.

If you have any additional questions about the program, please reach out to your child’s classroom teacher.

Thank you for your patience and continued support as we work to enhance the dual-credit experience for all Bayport-Blue Point students.

Sincerely,

Jamal Walcott Principal
