Your Way

Our NEW after school opportunity is a flexible experience created for girls in grades 1-3 with busy families on the go!

This program will help girls discover their potential, inspire curiosity, and build life-long skills, in a curated compact session that works with their schedule.

Program Highlights:

- Three sessions to choose from: Each has different themes with weekly take-home projects and a celebration pizza party at the final meeting, all guided by a council program facilitator.
- Girls will get a FREE custom t-shirt, a 1-year Girl Scout membership and *one FREE additional council program during the Girl Scout year.

See back to learn more about each session.

Cost: \$155 per session and a one-time annual membership fee of \$70.
