District Priority Areas

Community Connection

The School District will enhance communication between school and home to create greater opportunities for students both in and out of the classroom.

Academic Excellence

In order to prepare students for multiple pathways, the School District will ensure that the programs provided at all levels demonstrate a commitment to providing challenging and diverse experiences tailored to their individual needs and interest.

The Student Experience

The School District will provide students with opportunities to explore vocations while being given sufficient mental/social health supports and real world experiences.

Where you BELONG • Where we BELIEVE in you • Where anything is POSSIBLE!
