BBP App - Rooms

Step by Step Guide

Step 1: Download the App

- Have an Apple device? Click here to download the app.
- Have an Android device? Click here to download the app.

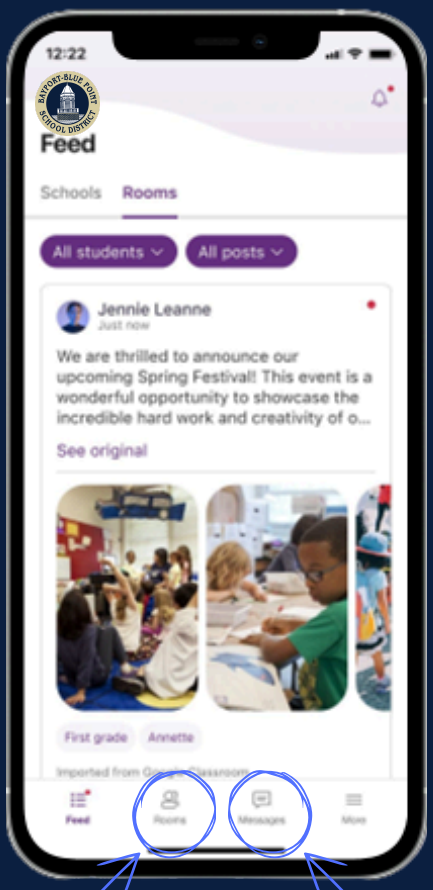

Step 2: Log in

- Use your e-mail or phone number to log in.
- Create a password.

**You will only need to log in the first time you use the app.*

Step 3: You're In! Now What?

- Once logged in, you will be at the home page, or "Feed". This is where you will see District news.
- On the bottom of your screen you will see "Feed", "Rooms", "Messages", "More".
- Click on "Rooms". This will bring you to your child's room where you can see class announcements and updates shared by the teacher.
- Click on "Messages" to see messages sent by the teacher. You can also message the teacher using this feature.

Questions? Need Support?

One place for all every conversation.

Rooms is BBP's official communication tool, built to make it easy to stay informed and connected.

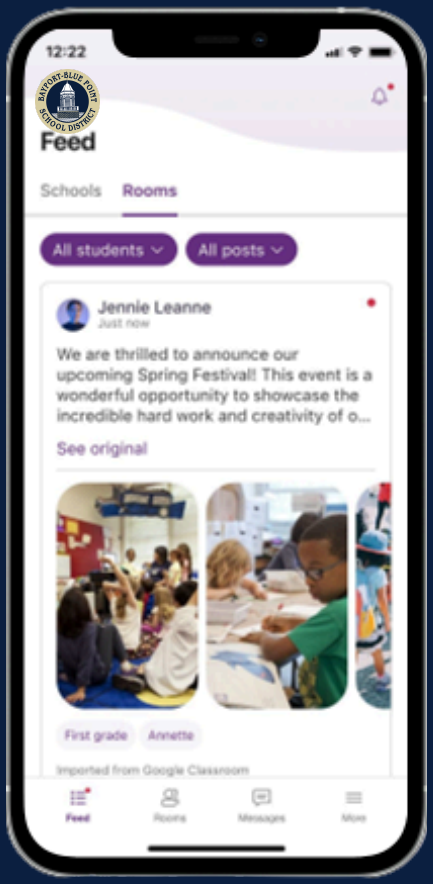

Message Teachers and Staff

Once in the app, click "**Messages**" on the bottom of the screen to see messages sent from the teacher. You can also send your child's teacher a message from this spot. It's treated the same as a text message.

Never miss an announcement

Once in the app, click "**Rooms**" on the bottom of the screen to see your child's Room. This is where the teacher will share announcements such as reminders, upcoming events, daily recap, and even pictures from the day. Some teachers may even post materials such as study guides or homework in the "Material" section of the Room.

How do I get notified?

You will automatically get a text message when a new announcement has been posted or a message has been sent your way. You can either tap the link in the text you receive or open the app to see the news.

Safeguards in Place

Rooms includes built-in safety and moderation tools that helps ensure all communication stays safe and secure.
