PRA ACTIVITIES & ATHLETICS GIVING

FUND YOUR FAVORITE PRA THING WITH YOUR TIME & WHERE YOU SHOP

The PRA Board Fundraising Committee developed the Activities and Athletics group to address the specific needs of our clubs and teams.

Create a fundraiser, get specific sponsorships and/or advertising. Each club who needs additional funds will provide means to sponsor. Specific funds are saved in the Activities and Athletics fund by team or club and the funds are carried over year to year.

PRA Spirit Gear: All PRA swag for spirit wear outside of team merchandise will go to the PRA athletic and activities fund with its balance carried over year over year.

There are multiple opportunities to get involved and help fundraise for your students' success outside of academics. You can help support the team, band, theater, group, or club outside of what PRA budgets for each group such as banquets, state, nationals or international competitions. For large donations, contact the fundraising team directly to help facilitate your vision to support PRA.

As a donor, you can restrict your donation to give to a specific team, club or extracurricular program.

Funds are allocated to specific clubs, teams or extracurricular programs that you decide. If there is ever more donation dollars than the program needs, funds can be used for the next best purpose.

ACTIVITIES & ATHLETICS SPONSORSHIP

Each year, our students excel in and outside of the classroom. Our students are competing in state tournaments, regional competitions, traveling to Japan, and going to Nationals. These activities do not happen every year so it is difficult for the school to budget each individual team's success. That is why it is so important to have local support from businesses and families.
