

KCCC's 2026-2027 Online Forms

Knox County Career Center is partnering with FinalForms for all of our online forms for the 2026-2027 school year. This partnership should create a user-friendly approach to completing online forms.

Please read through the information below carefully prior to completing FinalForms.

FinalForms need to be completed by each student's parent or guardian by the first day of school. However, in order for students to pick up their schedule, each student's parent or guardian will need to complete FinalForms. FinalForms can be completed at KCCC on Schedule Pick-Up Day, but we encourage parents or guardians to complete them prior to Schedule Pick-Up Day if at all possible.

Below, we have provided information that will help you complete your FinalForms. We are happy to assist you should you have any questions along the way. Please contact us at App@knoxcc.org.

Items of note:

Parents/Guardians

- You will receive an email (See FinalForms Instructions PDF) from FinalForms. Please click the link and create your password.
- After completing your password, the next page will ask you to verify your student's activities. Do not do anything with this. Scroll down and click "Skip, not a student-athlete", which is in green.
- From there, you'll be able to start completing your FinalForms.

Returning Students

- You will not receive an email from FinalForms until your parent/guardian completes their portion of FinalForms.
- Once your parent/guardian completes their forms, you will receive an email through your Knox County Career Center school email that prompts you to complete your FinalForms. You will use the same username and password you created during the previous year.

New Students

- You will not receive an email from FinalForms until your parent/guardian completes their portion of FinalForms.
- Once your parent/guardian completes their forms, you will receive an email through the email you provided when you applied for the Knox County Career Center.
- Next, you will be prompted to create a password and then complete your FinalForms.

IMPORTANT: If you DO NOT receive an email from FinalForms (see sample in the FinalForms Instructions PDF), please contact us at App@knoxccc.org.

****Knox County Career Center's FinalForms are not connected to your associate school's FinalForms for school and/or athletics.****

Documentation needed to complete FinalForms:

- Medical information (medications, injuries, past & ongoing health conditions, etc.)
- 3 emergency contacts & their cell phone numbers
- Physician & Dentist & their contact information
- Hospital preference & their contact information
- Parking Permit Information (driver's license number, license plate, make, model, color, insurance company, contact information, and policy number)
- Free & Reduced form (government required information)
