

A.Z. Kelsey Academy (AZK) was built in 1955 and serves students in grades 9 through 12. A.Z. Kelsey Academy is a non-traditional school with traditional educational values. AZK serves high school students working toward graduation who may be behind academically or who may wish to attend high school in a non-traditional setting.

ACCOMPLISHMENTS:

- AZK has sustained a three-year average graduation rate of 90%.
- AZK has increased engagement in Dual Enrollment and Work-Based Learning, supporting college and career readiness.
- AZK Teacher Dr. Baskins was named a finalist for America's Favorite Teacher.
- AZK Teachers secured over \$6,000 in competitive grant funding to support innovative classroom initiatives.
