

CRESTWOOD SCHOOL DISTRICT
JUNE 08, 2026
SUPERINTENDENT'S REPORT

TO: Board of Education
FROM: Dr. Youssef Mosallam, Superintendent
RE: **ACTION ITEMS; INFORMATIONAL ITEMS**

A. ACTION ITEM

a. Board Policy Updates 2nd Reading and Approval

The first reading of Phase 40-1 and Phase 40-2 was on May 18, 2026. This is the second reading. We are asking the Board to approve Phase 40-1 and Phase 40-2 as presented.

Recommended Action: That the Crestwood Board of Education approve Board Policy Updates as listed in Attachment 7A.

B. INFORMATIONAL ITEMS

a. Superintendent's Message

- i. Crestwood High School is proud to partner with Vision To Learn to support our students' success. After initial screenings, 443 students were identified for follow-up care. From April 20th–28th, Vision To Learn hosted clinics at CHS, providing eye exams and free glasses to students. We are grateful for this incredible partnership and the positive impact it brings to our students!
- ii. Congratulations to our Valedictorians and Salutatorians for 2026
 1. Valedictorian - Rama Alhabbal
 2. Salutatorians - Yasmin Abu Alaywa, Hassan Boussi, Houda Chahine
- iii. Congratulations to the parents, staff and students of the Class of 2026 as they have been offered over \$17 million in scholarships through their hard work, dedication, and achievements.
- iv. Congratulations to the Class of 2026 for their Senior Honors
 1. AP Scholar - 22
 2. AP Scholar with Honor - 3
 3. AP Scholar with Distinction - 13
 4. Summa Cum Laude (unweighted overall GPA of 3.9 or higher) - 22
 5. Magna Cum Laude (unweighted overall GPA of 3.75-3.89) - 21
 6. Cum Laude (unweighted overall GPA of 3.5-3.74) - 32
 7. Above a 4.0 overall GPA (Weighted) - 46
- v. Congratulations to the RMS and CHS Band as they had a wonderful and successful concert on May 12th at CHS
- vi. Congratulations to the staff and students who put together the RMS Community Bazaar on May 15th. Students worked as vendors gaining valuable insight in the area of entrepreneurialism and community service. All proceeds were donated to the Amity Foundation.
- vii. Congratulations to CHS Drama as they were nominated for 53 DATA Awards, which is the highest that they have ever received. The DATA Awards were held on Tuesday, May 19th. CHS Drama received 17 awards, three scholarships, and two Gypsy Rope Honorees.

- viii.** Congratulations to Fouad Ashkar who has signed to golf at The University of Michigan - Dearborn.
- ix.** Congratulations to Crestwood High School teachers Christina Petricca and Lina Abbas on being recognized by Wayne County Commissioner David Knezek as Teachers of the Month! We are proud of their dedication, passion, and commitment to helping students succeed both inside and outside the classroom. Thank you for making a difference every day!

Replacement Policy - Vol. 40, No. 1

1422 - NONDISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITY, AND ANTI-HARASSMENT

The Board of Education does not discriminate on the basis of race, color, national origin, sex (including pregnancy, childbirth, and related medical conditions; sexual orientation; and gender identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category (collectively, Protected Classes) in its programs and activities, including employment opportunities.

The Board is committed to providing a work environment that is free from Prohibited Conduct, responding promptly and effectively when it has knowledge of conduct that reasonably may constitute Prohibited Conduct, and addressing Prohibited Conduct in its education programs or activities. This commitment applies to all District operations and this policy applies to Prohibited Conduct occurring within or as a part of the District's education programs and activities, whether on school property or at another location during an activity sponsored by the Board.

Persons who commit Prohibited Conduct are subject to the full range of disciplinary sanctions set forth in this policy.

The Board will provide persons who have experienced Prohibited Conduct with ongoing remedies as reasonably necessary to restore or preserve access to the District's education programs or activities.

All school employees share responsibility for avoiding, discouraging, and reporting any form of Prohibited Conduct.

The Board will take immediate action to address the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging Prohibited Conduct, or has participated in the below-described grievance procedures.
- B. Filing a malicious or knowingly false report or complaint of Prohibited Conduct.
- C. Disregarding, failing to appropriately address, or delaying action to appropriately address allegations of Prohibited Conduct when responsibility for reporting and/or investigating such charges comprises part of one's administrative/supervisory duties.

Definitions:

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Bullying means: any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult, that is sufficiently severe or pervasive to create an intimidating, hostile, or offensive work environment; or unreasonably interfere with the individual's work performance or participation. It may involve: (a) threats; (b) intimidation; (c) stalking; (d) cyberstalking; (e) cyberbullying; (f) physical violence; (g) theft; (h) sexual, religious, or racial harassment; (i) public humiliation; or (j) destruction of property. Bullying rises to the level of unlawful harassment when one (1) or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more employees, and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal and/or State civil rights laws. Ordinary teasing, horseplay, arguments, and peer conflict do not constitute bullying for purposes of this policy.

Complainant means: an employee who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or a person, other than an employee, who is alleged to have been subjected to conduct that could constitute Prohibited Conduct and who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

Complaint means: an oral or written request to the District that objectively can be understood as a request for the District to investigate and make a determination about alleged Prohibited Conduct.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., days that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Disciplinary sanctions means: consequences imposed on a respondent following a determination that the respondent engaged in Prohibited Conduct.

Education programs or activities refer to: all the District's operations including, but not limited to, in-person and online/remote educational instruction, employment, extracurricular activities, athletics, performances, and community engagement and outreach programs. The term applies to all programs and activities operated by the Board on school grounds or on other property owned or occupied by the Board. It also includes events and circumstances that take place off school property/grounds but over which the District asserts disciplinary authority (e.g., at off-campus activities sponsored by the Board).

Exculpatory evidence means: evidence that is favorable to a respondent because it helps excuse, justify, or absolve a respondent of alleged wrongdoing and tends to establish that a respondent did not engage in Prohibited Conduct.

Genetic information means: Information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

Harassment means: any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal, or physical conduct directed against an employee that (a) places the employee in reasonable fear of harm to their person or damage to their property; (b) has the effect of substantially interfering with the employee's work performance; or (c) has the effect of substantially disrupting the orderly operation of a school. Each of the following types of harassment involves unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's protected characteristic(s) and has the purpose or effect of interfering with the individual's work performance or creating an intimidating, hostile, or offensive work environment.

- A. **Age Harassment** means: harassment based on negative perceptions about older workers. It also includes harassment based on stereotypes about older workers, even if they are not motivated by animus, such as pressuring an older employee to transfer to a job that is less technology-focused because of the perception that older workers are not well-suited to such work or encouraging an older employee to retire.
- B. **Disability Harassment** means: harassment based upon a person's disability and includes harassment based upon stereotypes about individuals with disabilities in general or about an individual's particular disability. It also includes harassment based on traits or characteristics linked to an individual's disability, such as how the person speaks, looks, or moves. For example, negative comments about an individual's speech patterns, movement, physical impairments, or defects/appearances, or the like. Disability-based harassment includes: (a) harassment because an individual requests or receives reasonable accommodation; (b) harassment because an individual is regarded as having an impairment, even if the individual does not have an actual disability, or a record of disability; (c) harassment because an individual has a record of a disability, even if the individual currently does not have a disability; and (d) harassment based on the disability of an individual with whom the employee is associated. Finally, disability-based harassment may occur where conduct is directed at or pertains to a person's genetic information.
- C. **National Origin/Ancestry Harassment** means: harassment due to a person's (or their ancestor's) place of origin. Such harassing conduct can include ethnic slurs or epithets, derogatory comments about individuals of a particular nationality, and use of stereotypes about a person's national origin. Additionally, it can include harassment regarding traits or characteristics linked to an individual's national origin, such as physical characteristics, ethnic or cultural characteristics or customs (e.g., surnames, attire, or diet), or linguistic characteristics (e.g., a person's manner of speaking, non-English language accent, or a lack of fluency in English).
- D. **Race/Color Harassment** means: unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's race or color and has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive work environment. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.
- E. **Religious (Creed) Harassment** means: harassment based on a person's surname, religion (including atheism or lack of religious belief), religious traditions and practices, or religious dress/clothing, and includes making offensive comments about the same. It also includes religious slurs or epithets, harassing conduct based on religious stereotypes, and harassment associated with a person's request for and/or receipt of religious accommodation. Religious harassment also involves explicitly or implicitly coercing an employee to engage in religious practices at work.
- F. **Sexual Harassment** means (for purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964): unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when: (a) submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment; (b) submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (c) such conduct has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive working environment. Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

1. Sexual Harassment covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.
2. Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- a. Conduct of a sexualized nature, such as unwanted conduct expressing sexual attraction or involving sexual activity (e.g., unwelcome sexual propositions, invitations, solicitations, and flirtations; unwanted physical and/or sexual contact, including unwelcome and inappropriate touching, patting, or pinching (X)); and obscene gestures [END OF OPTION].
- b. Sexual attention or sexual coercion, such as demands or pressure for sexual favors (e.g., threats or insinuations that a person's employment, wages, or other conditions of employment may be adversely affected by not submitting to sexual advances; giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship; leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin).
- c. Rape, sexual assault, or other acts of sexual violence.
- d. Discussing or displaying visual depictions of sex acts or sexual remarks (e.g., unwelcome verbal expressions of a sexual nature, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, texts, etc.; sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings or literature placed in the work environment; asking or telling about sexual fantasies, sexual preferences, or sexual activities; speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history).
- e. A consensual sexual relationship where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
- f. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.
- g. Non-sexual conduct based on sex, such as sex-based epithets; sexist comments (such as remarks that women do not belong in management or that men do not belong in the nursing profession); or facially sex-neutral offensive conduct motivated by sex (such as bullying directed toward employees of one sex).
- h. Harassment based on pregnancy, childbirth, or related medical condition, which may include issues pertaining to lactation, using or not using contraception, or deciding whether to have, or not to have, an abortion.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be objectively offensive (a reasonable person would find it hostile or abusive), subjectively offensive (the complainant actually perceived it as abusive), and either sufficiently severe (a single extremely serious incident) or pervasive (a pattern of behavior), such that it adversely affects, limits, or denies an individual's employment, or creates a hostile or abusive employment environment.

Inculpatory evidence means: evidence that links a respondent to alleged wrongdoing and tends to establish a respondent engaged in Prohibited Conduct (i.e., has culpability).

Military status means: a person's past, current, or future membership, service, or obligation in a uniformed service (e.g., Army, Marine Corps, Navy, Air Force, Space Force, Coast Guard, Public Health Service Commissioned Corps, and National Oceanic and Atmospheric Administration Commissioned Officer Corps). Service in the uniformed services also means the performance of duty, on a voluntary basis, or involuntary basis, in a uniformed service, under competent authority, and includes active duty, active duty for training, initial active duty for training, inactive duty for training, and full-time National Guard duty. It further includes the period of time for which a person is absent from employment for the purpose of an examination to determine the fitness of the person to perform any such duty as listed above.

Party means: a complainant or respondent.

Pregnancy, childbirth, or related medical conditions means:

- A. "Pregnancy" and "childbirth" refer to the pregnancy or childbirth of a specific employee and include, but are not limited to, current pregnancy; past pregnancy; potential or intended pregnancy (which can include infertility, fertility treatment, and the use of contraception); labor; and childbirth (including vaginal and cesarean delivery).

B. "Related medical conditions" are medical conditions relating to the pregnancy or childbirth of a specific employee, and may include termination of pregnancy, including via miscarriage, stillbirth, or abortion; ectopic pregnancy; preterm labor; pelvic prolapse; nerve injuries; cesarean or perineal wound infection; maternal cardiometabolic disease; gestational diabetes; preeclampsia; HELLP (hemolysis, elevated liver enzymes and low platelets) syndrome; hyperemesis gravidarum; anemia; endometriosis; sciatica; lumbar lordosis; carpal tunnel syndrome; chronic migraines; dehydration; hemorrhoids; nausea or vomiting; edema of the legs, ankles, feet, or fingers; high blood pressure; infection; antenatal (during pregnancy) anxiety, depression, or psychosis; postpartum depression, anxiety, or psychosis; frequent urination; incontinence; loss of balance; vision changes; varicose veins; changes in hormone levels; vaginal bleeding; menstruation; and lactation and conditions related to lactation, such as low milk supply, engorgement, plugged ducts, mastitis, or fungal infections. The preceding list of related medical conditions is not exhaustive.

Prohibited Conduct means: unlawful discrimination or harassment based on a person's Protected Class(es) or retaliation. Such misconduct involves a violation of Federal and/or State civil rights laws.

Relevant means: related to the allegations of Prohibited Conduct under investigation as part of the Board's grievance procedures. Questions are relevant when they seek evidence that may aid in showing whether the alleged Prohibited Conduct occurred, and evidence is relevant when it may aid a decisionmaker in determining whether the alleged Prohibited Conduct occurred.

Remedies means: measures provided, as appropriate, to a complainant or any other person the District identifies as having had their equal access to the District's education programs or activities limited or denied by Prohibited Conduct. These measures are provided to restore or preserve that person's access to the District's education program or activity after the District determines that Prohibited Conduct occurred.

Respondent means: a person who is alleged to have engaged in Prohibited Conduct.

Retaliation means: intimidation, threats, coercion, or discrimination against any person by the District, a student, a Board employee, or any other person authorized by the Board to provide aid, benefit, or service under the District's education programs or activities, for the purpose of interfering with any right or privilege secured by Federal or State law, or because the person has reported information, made a complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under applicable Federal or State laws or regulations.

School District community means: students and Board employees (i.e., administrators and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Supportive measures means: non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, without fee or charge to the complainant or the respondent before or after making a report or filing a complaint. Such measures are designed to restore or preserve that party's access to the District's education programs or activities without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment or deter Prohibited Conduct. Supportive measures may include modifications of work schedules, mutual restrictions of contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain work settings; training related to Prohibited Conduct, ~~(*) referral to Employee Assistance Program, **END OF OPTIONS**~~ and other similar measures.

Third Parties means: guests and/or visitors on District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Pregnancy, Childbirth, and Related Medical Conditions

The Board will not discriminate against an employee based on the person's current pregnancy, potential or intent to become pregnant, past pregnancy, or medical condition related to pregnancy or childbirth, or because the person uses birth control, or has had or not had an abortion.

Additionally, the Board will provide a reasonable accommodation to an employee's known limitation related to pregnancy, childbirth, or a related medical condition, unless the accommodation will cause the District undue hardship.

The Board will treat pregnancy, childbirth, and related medical conditions as any other temporary medical conditions for all job-related purposes, including commencement, duration, and extensions of leave; accrual of seniority and any other benefit or service; reinstatement; and under any fringe benefit offered to employees by virtue of employment.

The Board will provide reasonable break time for an employee to express breast milk while at work for the first year after the employee's child's birth. The Board will provide the employee with a space, other than a bathroom, that is clean, shielded from view, free from intrusion from coworkers and the public, and which the employee can use as needed to express breast milk. See Board Policy 6700 – Fair Labor Standards Act.

Nondiscrimination Based on Employee's Genetic Information

The Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of the individual's genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

In accordance with the Genetic Information Nondiscrimination Act ("GINA"), the Board shall not request, require, or purchase genetic information of employees, their family members, or applicants for employment. Further, in compliance with GINA, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave, when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application process.

] The District recognizes that genetic information may be acquired through commercially and publicly available documents like newspapers, books, magazines, periodicals, television shows, or the Internet. The District prohibits, however, its employees from searching such sources with the intent of finding or obtaining genetic information or accessing sources from which they are likely to acquire genetic information. **[END OF OPTION]**

If the District either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider, it shall be treated as a confidential medical record in accordance with law.

The District Compliance Officer (see below) shall be responsible for overseeing the District's compliance with applicable Federal regulations and promptly dealing with any inquiries or complaints. The District Compliance Officer or designee shall also verify that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members, and that all District requests for health-related information (e.g., to support an employee's request for reasonable accommodation under the Americans with Disabilities Act ("ADA") or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:

The Genetic Information Nondiscrimination Act of 2008 ("GINA") prohibits employers and other entities covered by GINA Title II, including the Board of Education, from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law. To comply with this law, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

~~[] The District offers health services (), including a wellness program **[END OF INTERNAL OPTION]**. Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to the person's health services providers, but only genetic information in aggregate form will be provided to the Board. **[END OF OPTION]**~~

District Compliance Officer(s)

[DRAFTING NOTES:

- 1. Neola suggests the Board appoint both a male and a female to serve as the District Compliance Officers. By appointing two (2) District Compliance Officers, there should always be a District Compliance Officer available to address a claim that pertains to the other District Compliance Officer. If, however, the Board appoints more than one (1) District Compliance Officer, Neola recommends that it designate one**

(1) of the District Compliance Officers to retain ultimate oversight over the assigned responsibilities and ensure the Board's consistent compliance with its responsibilities under applicable Federal and State laws that prohibit unlawful discrimination/harassment based on protected classes and retaliation. Alternatively, the Board could appoint a District Compliance Officer and one (1) or more persons to assist the District Compliance Officer with performance of the responsibilities identified in this policy and its accompanying administrative guidelines. Often the person(s) designated to assist a District Compliance Officer is/are called Deputy or Assistant Compliance Officer(s). If the Board elects this alternative approach, it would designate a District Compliance Officer for purposes of this policy, and then designate the other position(s) through its AG. The person(s) in the alternative support role(s) will need to be trained in the same manner as the District Compliance Officer (see AG 1422).

2. The Board must list in this policy either the Name(s) or Title(s) of the District Compliance Officer(s); while the Board may list both the Name(s) and Title(s), Neola suggests that the Board only list the Title(s) in this policy (so the Board does not need to revise/amend the policy whenever there is a change in the actual person(s) holding the designated position(s)), but list both the Name(s) and Title(s) in the requisite notices/postings (e.g., website) and publications (e.g., handbooks). The District will also need to decide whether to list the Name(s) and Title(s), or just the Title(s), in Administrative Guideline 1422 if the District elects to identify the District Compliance Officer in the AG (see DRAFTING NOTE in the AG; again, if the District lists the Name(s) and Title(s), it will need to remember to update the AG whenever there is a change in the actual person(s) holding the designated position(s). No matter what, the Board will need to amend its policy and update its AG, requisite notices/postings, and publications, whenever it changes the Title of the position(s) designated to serve as the District Compliance Officer(s).
3. **Reminder: Whenever a new person begins to serve as the District Compliance Officer (or in a support role to the District Compliance Officer), the District needs to make sure the new person is appropriately trained, in a timely manner, to fulfill the responsibilities of the position to which the person is assigned.]**

[END OF DRAFTING NOTES]

The Board designates and authorizes the following individual(s) to coordinate its efforts to comply with the Board's responsibilities under Federal and State laws that prohibit discrimination, including harassment, based on Protected Classes and retaliation (also known as "Civil Rights Coordinator(s)" or "Anti-Harassment Compliance Officer(s)") (hereinafter referred to as the "District Compliance Officer(s)" or "CO(s)");

[DRAFTING NOTE: The District may want to create a static (i.e., fixed) District Compliance Officer -specific email address and phone number that will not change when the person(s) and/or position(s) designated to be the CO(s) change(s) – e.g., CO4CivilRights@(insert District's domain) – which the Technology Director/Department can program to be forwarded to the actual individual(s) serving as the District Compliance Officer(s) at any given time. Likewise, the District may want to establish a static Telephone Number for the position of District Compliance Officer that can be forwarded to, and accessed by, the actual person(s) serving in the CO position(s) at any given time. These two (2) steps will help reduce the information that needs to be updated in policy, AG, and/or the requisite notices/postings and publications when changes

The Board designates Superintendent [DRAFTING NOTE: Insert Name and/or Title of the District Compliance Officer who is ultimately responsible for the District's compliance with its responsibilities under Federal and State laws that prohibit discrimination/harassment based on Protected Classes and retaliation as the individual who is ultimately responsible for oversight over the Board's compliance with applicable Federal and State laws and regulations that prohibit discrimination based on the basis of Protected Classes and retaliation. [END OF OPTION]

Questions about this policy ~~() and AG 1422 [END OF OPTION]~~ should be directed to the District Compliance Officer(s).

The CO(s) is/are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination, harassment, retaliation, or denial of equal opportunity/access. The CO(s) shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), Genetic Information Nondiscrimination Act (GINA), and the Age Discrimination in Employment Act of 1975 is provided to staff members and the general public. ~~() Any sections of the District's collective bargaining agreements dealing with hiring, promotion, demotion, discipline, and tenure~~

Need to contain a statement of nondiscrimination similar to that in the Board's statement set forth above. **[END OF OPTION]** ~~]~~ In addition, as practiced, gender-specific terms should be eliminated from such contracts. **[END OF OPTION]** Copies of the laws and regulations listed above are available upon request from the CO(s).

The CO(s) will be available during regular work hours to discuss concerns related to Prohibited Conduct, to assist employees, other members of the District community, and third parties who seek support or advice when informing another individual about Prohibited Conduct, including unwelcome conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

The CO(s) shall monitor the District's education programs and activities for barriers to reporting information about conduct that reasonably may constitute Prohibited Conduct pursuant to Federal and/or State laws that prohibit discrimination/harassment based on the basis of a Protected Class/Category and retaliation, and take steps reasonably calculated to address such barriers.

Notice of Nondiscrimination

The Superintendent shall provide a notice of nondiscrimination to students, parents, guardians, or other authorized legal representatives of elementary and secondary students; employees; applicants for admission and employment; and all unions and professional organizations holding collective bargaining or professional agreements with the Board. Specifically, the Superintendent shall post the notice of nondiscrimination on the District's website and in each handbook, catalog, announcement, bulletin, and application form that it makes available to the persons listed above, or which are otherwise used in connection with the recruitment of employees. ~~() See AC 1422 and Form 14221 - Notice and Statement of Nondiscrimination. **[END OF OPTION]**~~

NOTIFICATION/REPORTS OF PROHIBITED CONDUCT

Any person may provide information to the CO(s) concerning conduct that reasonably may constitute Prohibited Conduct. Such information may be submitted in person, by mail, by telephone, or by electronic mail using the CO's(s') published contact information, or by any other means (oral or written) that results in the CO(s) receiving the information. Information may be provided at any time (including during non-work hours). ~~() Anonymous reports may be submitted using () the online reporting form posted at [\[insert the web address for the reporting form, or insert a hyperlink tied to the phrase "online reporting form"\]](#) (or () the hotline reporting number () [\[insert phone number\]](#). **[END OF OPTION]**~~

All Board employees are required to notify the CO(s) of conduct that reasonably may constitute Prohibited Conduct. For the Board to fulfill its responsibilities under applicable Federal and/or State laws, if a Board employee has knowledge of conduct that reasonably may constitute Prohibited Conduct, the Board employee must notify the/a CO within two (2) days of learning the information or receiving the report. **[DRAFTING NOTE: The applicable statutes and regulations do not specify within how many days the Board employee must notify the CO of receiving notification/a report of Prohibited Conduct; Neola suggests "two (2) days". Alternatively, the Board could make this language more open-ended - e.g., "** * * must immediately/promptly notify the/a CO of such information or report."]** The Board employee must also comply with mandatory reporting responsibilities pursuant to Policy 8462 - Student Abuse and Neglect, if applicable. If the Board employee's knowledge about the alleged Prohibited Conduct is based on another individual bringing the information to the Board employee's attention, and the reporting individual submitted a written notification/report or complaint to the Board employee, the Board employee must provide the written notification/report or complaint to the CO.

Notification can be provided orally or in writing and should be as specific as possible. The person making the notification/report should, to the extent known, identify the alleged victim(s), perpetrator(s), and witness(es), and describe in detail what occurred, including date(s), time(s), and location(s).

If a notification/report or complaint involves allegations of Prohibited Conduct by or involving the CO, the person making the report (i.e., providing the notification or filing the complaint) should submit it to the Superintendent or another Board employee who, in turn, will notify the Superintendent of the report/complaint. The Superintendent will then serve in place of the CO for purposes of addressing that report of Prohibited Conduct. **[DRAFTING NOTE: If the Superintendent is the CO, substitute "Board President" in place of "Superintendent."]**

When a Board employee notifies the CO of suspected Prohibited Conduct, the employee is required to report all known details about the alleged Prohibited Conduct including: (1) the name of the alleged respondent(s); (2) the person who experienced the alleged Prohibited Conduct (i.e., the complainant); (3) other persons involved in the alleged Prohibited Conduct (e.g., witnesses); and (4) any other relevant facts, such as date, time, and location. Failure to provide such notification may result in discipline, up to and including suspension or termination of employment.

Any allegations of misconduct not involving Prohibited Conduct as defined in this policy will be addressed through the procedures outlined in other Board policies ~~() and/or administrative guidelines [END OF OPTION]~~, the applicable Student Code of Conduct, applicable collective bargaining agreement, and/or Employee/Administrator Handbook.

When a notification/report or complaint of Prohibited Conduct is made, the CO shall promptly (i.e., within two (2) days **[DRAFTING NOTE: The applicable laws and/or regulations do not define "promptly" or otherwise specify within how many days the contact has to be made; Neola suggests "two (2) days."]** of the CO's receipt of the notification/report or complaint of Prohibited Conduct) contact the purported complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a complaint, and explain to the complainant the process for filing a complaint. The CO is responsible for coordinating the effective implementation of supportive measures. Any supportive measures provided to the complainant or respondent shall be maintained as confidential, to the extent that maintaining such confidentiality will not impair the ability of the District to provide the supportive measures.

GRIEVANCE PROCEDURES

Overview:

The Board adopts the following grievance procedures to provide for the prompt, effective, and equitable resolution of complaints made by employees, applicants, or other individuals who are participating or attempting to participate in the District's education programs or activities (i.e., members of the School District community and Third Parties), or by the CO alleging any act of Prohibited Conduct.

These grievance procedures shall be used for all complaints of Prohibited Conduct unless it involves conduct involving a student, in which case the grievance procedures set forth in Policy 2260 or Policy 5517.01 shall apply. These grievance procedures set forth the means for investigating and resolving claims involving such Prohibited Conduct; in particular, the procedures provide a method for assessing – in a prompt, effective, and equitable manner – whether an applicable Federal or State law was violated and, if it was, how best to end the Prohibited Conduct, prevent its recurrence, and remedy its effects.

Due to the sensitivity surrounding complaints of Prohibited Conduct, timelines are flexible for initiating the grievance procedures; however, individuals are encouraged to file a complaint within thirty (30) days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner.

[DRAFTING NOTE: Title VII of the Civil Rights Act of 1964 ("Title VII") prohibits discrimination in employment. Specifically, it prohibits employment discrimination based on race, color, religion, sex, or national origin, and applies to employers with fifteen (15) or more employees. Title IX, on the other hand, specifically prohibits discrimination based on sex in education programs and activities that receive Federal financial assistance, including employment within those institutions. Title IX is addressed by Board Policy 2266 and AG 2266. While both laws aim to prevent sex-based discrimination in the workplace, Title VII applies more broadly to various types of employers, whereas Title IX is limited to educational institutions receiving Federal funds. Ultimately, both laws aim to ensure equal employment opportunities and protect individuals from discrimination. When a District Compliance Officer receives a complaint or notification of alleged misconduct involving sex discrimination (in particular, sexual harassment) that involves an employee complainant and an employee respondent, the District Compliance Officer should consult with the Title IX Coordinator and/or the Board's Legal Counsel concerning which law – it may be both – the District will need to comply with when investigating the allegations.]

Under all circumstances, the CO shall offer and coordinate supportive measures, as appropriate, in accordance with this policy ~~() and AC 1220 [END OF OPTION]~~.

Complaints:

The following people may make a complaint of Prohibited Conduct – i.e., request that the District investigate and determine whether Prohibited Conduct occurred:

A. a "complainant," which includes:

1. an employee of the District who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or
2. a person other than an employee of the District who is alleged to have been subjected to conduct that could constitute Prohibited Conduct at a time when that individual was participating or attempting to participate in

the District's education programs or activities;

B. an authorized legal representative with the legal right to act on behalf of a complainant;

C. the District Compliance Officer.

A person is entitled to make a complaint of unlawful harassment only if they themselves are alleged to have been subjected to the unlawful harassment, or if the CO inflates a complaint.

[DRAFTING NOTE: This paragraph emphasizes that in order for a person to file a complaint of unlawful harassment, the person has to have been subjected to the alleged misconduct directly or be a person who has a legal right to act on behalf of the person who was subjected to the alleged misconduct. This is consistent with the prior paragraph, where the complainant is identified as an employee who was "subjected to conduct that could constitute Prohibited Conduct." The following paragraph, on the other hand, expands who can file a complaint - when the alleged Prohibited Conduct does not involve unlawful harassment, or the complaint involves allegations of retaliation - to persons who are aware of the alleged Prohibited Conduct, even if that person was not directly affected by or subject to the alleged Prohibited Conduct.]

With respect to complaints of Prohibited Conduct other than unlawful harassment, or complaints involving allegations of retaliation, in addition to the people listed above, the following persons have a right to make a complaint:

A. any employee of the District; or

B. any person other than an employee who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

The District may consolidate complaints of Prohibited Conduct against more than one (1) respondent, or by more than one (1) complainant against one (1) or more respondents, or by one (1) party against another party, when the allegations of Prohibited Conduct arise out of the same facts or circumstances. When more than one (1) complainant or more than one (1) respondent is involved, references below to a party, complainant, or respondent include the plural, as applicable.

A person may file criminal charges simultaneously with filing a complaint. A person does not need to wait until the District's internal grievance procedures are completed before filing a criminal complaint. Likewise, questions or complaints relating to alleged violations of applicable Federal or State laws may be filed with the U.S. Department of Education's Office for Civil Rights, the U.S. Department of Justice's Civil Rights Division, the U.S. Equal Employment Opportunity Commission, or the Michigan Department of Civil Rights, at any time based on the underlying statutory basis for the complaint.

Basic Requirements:

The District will treat complainants and respondents equitably.

All persons involved with implementing the grievance procedures and any other aspects of this Policy, including the District Compliance Officer, the investigator, the decisionmaker, and the appeal decisionmaker, and the facilitator of the informal resolution process, **[END OF OPTION]** shall be free from any conflicts of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

The CO may serve simultaneously as an investigator and/or a decisionmaker. **[END OF OPTION]** **[DRAFTING NOTE: Neola recommends the Board select this OPTION; note it is "may" (i.e., optional) so the CO can decide when to serve in both roles and when to designate one or more persons to perform these responsibilities in a given case.]**

If the CO does not intend to serve as the investigator/decisionmaker in a specific case, the CO shall designate one (1) or more administrators who are appropriately trained to serve in the role.

In circumstances when the CO and trained administrators do not have time/capacity to serve, or are prevented due to a conflict of interest, bias, or partiality, or other reasons impair the CO and other trained administrators from serving as an investigator/decisionmaker in a specific case, the CO shall ~~() in consultation with~~ and approval of **[END OF OPTION]** the Superintendent or ~~() Board~~ Board President (as appropriate), **[END OF OPTION]** secure one (1) or more independent third parties to serve as the investigator and/or decisionmaker.

The District presumes that the respondent is not responsible for the alleged Prohibited Conduct until a determination is made at the conclusion of its grievance procedures.

Under ordinary circumstances, the Board expects to complete the major stages of the grievance procedures within the timeframe specified below:

- A. **Evaluation** – The District Compliance Officer will determine whether to dismiss a complaint or investigate it within ten (10) [INSERT AMOUNT] days of receiving the complaint. **[DRAFTING NOTE: Neola recommends that the evaluation stage be completed within ten (10) days of the CO receiving notice of the complaint.]**
- B. **Investigation** – The CO, or designated investigator/decisionmaker, shall ordinarily complete the investigation (i.e., collect relevant evidence that is not otherwise impermissible) and issue a Determination (i.e., consider the relevant and not otherwise impermissible evidence and decide whether Prohibited Conduct occurred) within twenty (20) [INSERT AMOUNT] days of the CO determining the charges require investigation. **[DRAFTING NOTE: Recognizing that it is important for investigations to be completed and Determinations issued in a prompt and equitable manner, Neola recommends that a school district typically complete an investigation and issue a Determination within twenty (20) days.]**

[DRAFTING NOTE: If the investigator/decisionmaker is someone other than the CO, upon written request from the investigator/decisionmaker, the CO should be permitted to approve a reasonable extension of time for the investigation to be completed and the Determination issued. If the CO is the investigator/decisionmaker: upon written request from the CO, the Superintendent should be permitted to approve a reasonable extension of time for the investigation to be completed and the Determination issued. In either situation, the administrator granting the extension should communicate to the parties the new deadline along with a rationale for the extension.]

If, however, the CO, or designated investigator/decisionmaker, determines that the investigation is going to take longer, the CO will so notify the parties () and the Superintendent **[END OF OPTION]** and will thereafter keep the parties () and the Superintendent **[END OF OPTION]** informed of the status of the matter on a regular basis [INSERT TIME PERIOD – E.G., BIWEEKLY OR REGULAR] basis.

- C. **Appeal** – A party filing an appeal of the CO's decision to dismiss a complaint () or the Determination, **[END OF OPTION]** must do so within five (-5) [INSERT AMOUNT] days of receiving the Dismissal () or Determination **[END OF OPTION]**. **[DRAFTING NOTE: Neola recommends the Board allow limited appeals based on the Determination. See DRAFTING NOTE below in the appeal section.]**

The CO, or the Superintendent if the CO is the individual requesting an extension, may approve reasonable extensions of the preceding timeframes on a case-by-case basis for good cause with notice to the parties.

The District will take reasonable steps to protect the privacy of the parties and witnesses. These steps will not restrict the ability of the parties to present evidence or otherwise participate in the grievance procedures. **[END OF OPTION]** The parties shall not engage in retaliation, including against witnesses.

The CO, or designated investigator/decisionmaker, shall objectively evaluate all evidence that is relevant and not otherwise impermissible — including both inculpatory and exculpatory evidence. Credibility determinations shall not be based on a person's status as a complainant, respondent, or witness.

The following types of evidence, and questions seeking such evidence, are impermissible (i.e., will not be accessed or considered, except by the District to determine whether one of the exceptions listed below applies; will not be disclosed; and will not otherwise be used), regardless of whether they are relevant:

- A. evidence that is protected under a privilege recognized by Federal or State law, unless the person to whom the privilege or confidentiality is owed voluntarily waived the privilege or confidentiality; and
- B. a party's or witness's records that are made or maintained by a physician, psychologist, or other recognized professional or paraprofessional in connection with the provision of treatment to the party or witness, unless the District obtains that party's or witness's voluntary, written consent for use in its grievance procedures.

Notice of Allegations:

Upon initiation of the Board's grievance procedures, the District Compliance Officer shall notify the parties of the following:

- A. the Board's grievance procedures () and informal resolution process **[END OF OPTION]** associated with claims involving Prohibited Conduct; **[DRAFTING NOTE: Neola encourages the Board to include an informal resolution process.]**

- B. sufficient information available at the time to allow the parties to respond to the allegations, including the identities of the parties involved in the incident(s), the conduct alleged to constitute Prohibited Conduct, and the date(s) and location(s) of the alleged incident(s); and
- C. retaliation is prohibited.

Should the CO decide, at any point, to investigate allegations that are materially beyond the scope of the initial written notice, the CO will provide a supplemental written notice describing the additional allegations to be investigated.

Dismissal of a Complaint:

The CO may dismiss a complaint of Prohibited Conduct if:

- A. the District is unable to identify the respondent after taking reasonable steps to do so;
- B. the respondent is not participating in the District's education program or activity and is not employed by the Board;
- C. the complainant voluntarily withdraws any or all the allegations in the complaint, the CO declines to initiate a complaint, and the District determines that, without the complainant's withdrawn allegations, the conduct that remains alleged in the complaint, if any, would not constitute Prohibited Conduct even if proven; or
- D. the District determines the conduct alleged in the complaint, even if proven, would not constitute Prohibited Conduct. Before dismissing the complaint, the CO will make reasonable efforts to clarify the allegations with the complainant.

Upon dismissal, the CO will promptly notify, in writing, the complainant of the basis for the dismissal. If the dismissal occurs after the respondent has been notified of the allegations, the CO will also simultaneously notify, in writing, the respondent of the dismissal and the basis for the dismissal.

The CO will further notify the complainant that a dismissal may be appealed and will provide the complainant with an opportunity to appeal the dismissal of the complaint. If the dismissal occurs after the respondent has been notified of the allegations, then the CO will also notify the respondent that the dismissal may be appealed.

Dismissals may be appealed on the following bases:

- A. procedural irregularity that would change the outcome;
- B. new evidence that would change the outcome and that was not reasonably available when the dismissal was made; and
- C. the CO had a conflict of interest or bias for or against complainants or respondents generally, or the individual complainant or respondent, that would change the outcome.

If the dismissal is appealed, the CO will:

- A. notify the parties of any appeal, including notice of the allegations, if notice was not previously provided to the respondent;
- B. implement appeal procedures equally for the parties;
- C. ensure that the appeal decisionmaker did not take part in the original dismissal of the complaint;
- D. ensure that the appeal decisionmaker has been trained consistent with this Policy () and AG 1428. **END OF OPTION 1;**
- E. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the outcome; and
- F. notify the parties of the result of the appeal and the rationale for the result.

When a complaint is dismissed, the CO will, at a minimum:

- A. offer supportive measures to the complainant as appropriate;

- B. If the respondent has been notified of the allegations, offer supportive measures to the respondent as appropriate; and
- C. take other prompt and effective steps, as appropriate, to ensure that Prohibited Conduct does not continue or recur within the District's education programs or activities.

[DRAFTING NOTE: Neola encourages the Board to select the following option so the CO can choose, in appropriate circumstances, to offer the parties the opportunity to participate in an informal resolution process, or to honor the parties' request to use an informal resolution process, to end the Prohibited Conduct, prevent its recurrence, and remedy its effects.]

[X] [OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]

Informal Resolution Process:

In lieu of resolving a complaint through the Board's formal grievance procedures, the parties may instead elect to participate in an informal resolution process. The District will not offer Informal resolution to resolve a complaint when such a process would conflict with Federal, State, or local law.

[END OF OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]

Adding Allegations and/or Consolidating Complaints:

If, in the course of an investigation, the District decides to investigate additional allegations of Prohibited Conduct by the respondent toward the complainant that are not included in the original Notice of Allegations or to consolidate charges raised in a different complaint involving the same respondent, the CO will notify the parties of the additional allegations.

Investigation:

The District will provide for an adequate, reliable, and impartial investigation of complaints.

The burden is on the District — not on the parties — to conduct an investigation that gathers sufficient evidence to determine whether Prohibited Conduct occurred.

The CO, or the designated investigator/decisionmaker, will provide an equal opportunity for the parties to present fact witnesses and other inculpatory and exculpatory evidence that are relevant and not otherwise impermissible.

The CO, or the designated investigator/decisionmaker, will review all evidence gathered through the investigation and determine what evidence is relevant and what evidence is impermissible, regardless of relevance.

Determination of Whether Prohibited Conduct Occurred:

Following an investigation and evaluation of all relevant and not otherwise impermissible evidence, the CO or designated investigator/decisionmaker will:

- A. Use the preponderance of the evidence standard of proof to determine whether Prohibited Conduct occurred. This standard of proof requires the decisionmaker to evaluate relevant and not otherwise impermissible evidence for its persuasiveness. If the decisionmaker, applying the applicable standard, is not persuaded by the relevant and not otherwise impermissible evidence that Prohibited Conduct occurred, regardless of the quantity of the evidence, the decisionmaker will not determine that Prohibited Conduct occurred. **[DRAFTING NOTE: While a board of education could elect to use the "clear and convincing" evidence standard of proof, Neola does not recommend it. If a board does select the "clear and convincing" standard, it should use it in all other comparable proceedings. Neola expects it will be a rare situation when a board chooses to use a clear and convincing standard of proof.]**
- B. Notify the parties, in writing, of the determination whether Prohibited Conduct occurred, including the rationale for such determination (), and the procedures and permissible bases for the complainant and respondent to appeal. **[END OF OPTION]**
- C. Not impose discipline on a respondent for Prohibited Conduct unless there is a determination at the conclusion of the grievance procedures that the respondent engaged in Prohibited Conduct.
- D. If there is a determination that Prohibited Conduct occurred, the CO will, as appropriate:

1. coordinate the provision and implementation of remedies to a complainant and other people the District identifies as having had equal access to the District's education programs or activities limited or denied by the Prohibited Conduct;
2. coordinate the imposition of any disciplinary sanctions on a respondent (), including notification to the complainant of any such disciplinary sanctions [END OF OPTION]; and
3. take other appropriate prompt and effective steps to ensure that the Prohibited Conduct does not continue or recur within the District's education programs or activities.

E. Comply with the grievance procedures before the Imposition of any disciplinary sanctions against a respondent.

F. Not discipline a party, witness, or others participating in the grievance procedures for making a false statement based solely on the determination of whether Prohibited Conduct occurred.

[DRAFTING NOTE: If the CO dismisses a complaint in the Evaluation stage (i.e., prior to commencing an investigation), the complainant may appeal as set forth above. Neola also recommends the Board include an appeal process related to the Determination.]

[X] [OPTIONAL LANGUAGE - APPEAL OF DETERMINATION]

Appeal of Determinations:

If a party disagrees with the decisionmaker's determination as to whether Prohibited Conduct occurred, the party may file an appeal. Appeals must be submitted, in writing, within 30 (30) (INSERT AMOUNT) days of the appealing party's receipt of the Determination.

A party may appeal a Determination on the following bases:

- A. procedural irregularity that would change the outcome;
- B. new evidence that would change the outcome and that was not reasonably available when the investigation occurred and the Determination was made; and
- C. the CO, or the designated investigator/decisionmaker, had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that would change the outcome;

[DRAFTING NOTE: The Board may insert additional grounds on which an appeal may be filed.]

- D. () the recommended remedies (including disciplinary sanctions, consequences, etc.) are unreasonable in light of the findings of fact (i.e., the nature and severity of the Prohibited Conduct);
- E. () OTHER: _____

[X] The complainant may not challenge the ultimate disciplinary sanction/consequence that is imposed. [END OF OPTION]

[DRAFTING NOTE: The following options are offered in case the Board wants the Superintendent to serve as the appeal decisionmaker or the Board wants to nominally be identified as the appeal decisionmaker but will be delegating the responsibility to a person who is properly trained. Neola does not recommend that the Board itself be named as the appeal decisionmaker because of the preference for the decisionmaker to be trained to render a decision. If the Board wants to serve as the appeal decisionmaker, it should discuss this issue with its Legal Counsel. Select OPTION 1 or OPTION 2 below.]

[] [OPTION 1]

The CO will designate an appeal decisionmaker who will be a person who did not conduct the investigation and render the Determination, and is appropriately trained () as set forth in AC 1422 [END OF INTERNAL OPTION]

The CO has authority () in consultation with () and approval of [END OF OPTION] the Superintendent or () Board () Board President (as appropriate) [END OF OPTIONS] to secure an independent Third Party to serve as the appeal decisionmaker.

~~[] In designating an appeal decisionmaker, the CO will work with the Board to identify and appoint an independent Third Party to serve as the appeal decisionmaker—this individual shall be considered to be the Board's designee and will submit the appeal decision to the Board who will promptly adopt it as written and forward it to the CO who will send it simultaneously to the parties. [END OF OPTIONAL SENTENCE]~~

~~[END OF OPTION 1]~~

[OPTION 2]

The Superintendent shall serve as the appeal decisionmaker, provided the Superintendent has not been otherwise involved in the grievance procedures (i.e., did not serve as the investigator/decisionmaker or informal resolution process facilitator) and is appropriately trained. If the Superintendent is not eligible to serve as the appeal decisionmaker, the CO will designate an appeal decisionmaker, who will be a person who did not conduct the Investigation and render the Determination, and is appropriately trained (~~()~~, as set forth in AG 1422 [END OF INTERNAL OPTION]).

[END OF OPTION 2]

[END OF OPTIONS]

If a party appeals the Determination, the CO will:

- A. notify the parties of the appeal;
- B. implement appeal procedures equally for the parties;
- C. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the Determination;
- D. provide the appeal decisionmaker with the relevant and not otherwise impermissible evidence and the Determination; and
- E. notify the parties, in writing, of the result of the appeal and the appeal decisionmaker's rationale for the outcome.

Parties Provided a Reasonable and Equal Opportunity to Make a Statement in Support of, or Challenging, the Dismissal () or Determination [END OF OPTION]

When a party files an appeal, the party must set forth the reason(s)/basis/bases for the appeal, and the other party will have five (5) [INSERT AMOUNT] days to provide the appeal decisionmaker with a statement in support of their position. Once the decisionmaker receives the statement (or the deadline for filing such a statement expires), the appeal decisionmaker will have ten (10) [INSERT AMOUNT] days to issue a decision on the appeal.

[DRAFTING NOTE: Neola suggests any appeals should be filed within five (5) days of the parties receiving written notice of the Determination. Neola further suggests that the timeline for the other party submitting a statement be equivalent to the timeframe in which an appeal has to be filed. Finally, Neola suggests the appeal decisionmaker have ten (10) days from receipt of the statements to issue a decision.]

While a party appealing a Determination may argue the reason/basis for the appeal is that new evidence has been discovered/obtained that would change the outcome and that said new evidence was not reasonably available when the Determination was originally made, the party may not submit the new or additional evidence during the appeal process. Rather, the party appealing should identify/describe in detail the evidence, including how and when it was discovered/obtained, and explain why it was not reasonably available during the Investigation (i.e., prior to the Determination). If the appeal decisionmaker accepts the proffered explanation, the appeal decisionmaker should remand the case back to the investigator/decisionmaker (i.e., reopen the investigation) so the new evidence may be submitted and considered by the other party and the investigator/decisionmaker.

The appeal decisionmaker shall determine the outcome of the appeal based on the appeal decisionmaker's independent review of the record (i.e., the relevant and not otherwise impermissible evidence and the written determination) and the appeal decisionmaker's application of the law and Board policy to the facts in the record. The appeal decisionmaker must give due deference and due weight to the decisionmaker's factual findings and credibility determinations and should not overturn them unless non-testimonial extrinsic evidence in the record justifies a contrary conclusion or unless the record read in its entirety compels a contrary conclusion. Generally, the appeal decisionmaker is expected to uphold the original Determination unless the appeal decisionmaker concludes the original Determination is unlawful, unreasonable, or against the manifest weight of the evidence. Every reasonable presumption must be made in favor of the original Determination.

The appeal decisionmaker shall

[DRAFTING NOTE: The Board must select either OPTION 1 or OPTION 2 unless the Board appointed an independent Third Party to serve as the Board's appeal decisionmaker, in which case the Board should select OPTION 3.]

[OPTION 1]

simultaneously notify the parties, in writing, of the result of the appeal and the rationale for the outcome.

~~END OF OPTION 1]~~

~~FOR]~~

[OPTION 2]

notify the CO, in writing, of the result of the appeal and the rationale for the outcome. The CO will then simultaneously notify the parties, in writing, of the result of the appeal and the appeal decisionmaker's rationale for the outcome.

~~END OF OPTION 2]~~

~~FOR]~~

[OPTION 3]

submit the appeal decision to the Board, who will promptly adopt it as written and forward it to the CO, who will send it simultaneously to the parties. The appeal decision shall set forth the result of the appeal and the appeal decisionmaker's rationale for the outcome.

~~END OF OPTION 3]~~

The appeal decisionmaker's ~~() Board's~~ ~~END OF OPTION 3]~~ decision shall be final.

[END OF OPTIONAL LANGUAGE - APPEAL OF DETERMINATION]

Supportive Measures:

The District will offer and coordinate supportive measures as appropriate for the complainant and/or respondent to restore or preserve that person's access to the District's education programs or activities or provide support during the grievance procedures and/or during the Informal resolution process. For allegations of Prohibited Conduct other than prohibited harassment or retaliation, the District's provision of support measures does not require the District, Board employees, or any other person authorized to provide aid, benefit, or service on the District's behalf to alter the alleged discriminatory/relatutory conduct for the purpose of providing a supportive measure.

The CO shall determine appropriate supportive measures on a case-by-case basis. Supportive measures may vary depending on what the CO deems to be reasonably available. Supportive measures may include, but are not limited to: modifications of work schedules; mutual restrictions on contact between the parties; changes in work locations; leaves of absence; increased security and monitoring of certain work settings; training related to Prohibited Conduct; ~~() referred to Employee Assistance Program~~ ~~END OF OPTION 3]~~ and other similar measures.

Supportive measures must not unreasonably burden either party and must be designed to protect the safety of the parties and/or the District's educational environment, or to provide support during the Board's grievance procedures or the informal resolution process.

The District will not impose such measures for punitive or disciplinary reasons.

The CO may, as appropriate, modify or terminate supportive measures at the conclusion of the grievance procedures, or at the conclusion of the Informal resolution process, or the District may continue them beyond that point.

A party may seek additional modification or termination of a supportive measure applicable to them if circumstances change materially.

The District will not disclose information about any supportive measures to persons other than the person to whom they apply, including informing one party of supportive measures provided to another party, unless necessary to provide the

supportive measure or restore or preserve a party's access to the District's education programs or activities, or as otherwise permitted under existing law and/or policy.

The Superintendent may place an employee respondent on administrative leave from employment responsibilities during the pendency of the Board's grievance procedures.

Disciplinary Sanctions and Remedies:

Following a determination that Prohibited Conduct occurred, the District may impose disciplinary sanctions, which may include:

- A. oral or written warning;
- B. written reprimands;
- C. required counselling;
- D. required training or education;
- E. demotion;
- F. suspension with pay;

[END OF OPTIONS]

- G. suspension without pay;
- H. termination; and
- I. any other sanction authorized by any applicable Board policy, Employee/Administrator Handbook, and/or collective bargaining agreement.

The District may also provide remedies, which may include disciplinary sanctions/consequences. The CO will notify the Superintendent of the recommended remedies, so an authorized administrator can consider the recommendation and implement appropriate remedies in compliance with applicable due process procedures, whether statutory or contractual.

[DRAFTING NOTE: The Board should review applicable policy(ies)/administrative guidelines/employee handbooks to determine whether changes are needed to establish timelines associated with imposition of discipline as a result of possible delays caused by the Board implementing the preceding grievance procedures; likewise, the Board may need to discuss with union representatives how implementation of the grievance procedures may impact any disciplinary provisions contained in applicable collective bargaining (e.g., timelines, permitted attendees at investigative interviews, etc.).]

Discipline of an employee will be implemented in accordance with Federal and State law, Board policy, and applicable provisions of any relevant collective bargaining agreement.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging Prohibited Conduct or retaliation, or participates in an investigation, is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by the U.S. Constitution, the Michigan Constitution, Federal or State law, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including inflating a disciplinary process against a person for a code of conduct violation that does not involve Prohibited Conduct but arises out of the same facts and circumstances as a complaint or information reported about possible Prohibited Conduct, for the purpose of interfering with the exercise of any right or privilege secured by Federal or State law constitutes retaliation. Retaliation against a person for making a complaint or participating in an investigation is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Complaints alleging retaliation may be filed according to the grievance procedures set forth above. The District shall initiate its grievance procedures upon receiving any complaint alleging retaliation.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation

prohibited under this policy.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination that Prohibited Conduct occurred, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Privacy/Confidentiality

The District will employ all reasonable efforts to protect the rights of the complainant, the respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. The District will keep confidential the identity of any individual who has made a complaint of Prohibited Conduct, any complainant, any individual who has been reported to be the perpetrator of Prohibited Conduct, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of relevant Federal or State law or regulations, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the District's obligation to maintain confidentiality shall not impair or otherwise affect the complainant's and respondent's receipt of the information to which they are entitled related to the investigation and determination of whether Prohibited Conduct occurred). All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the respondent must be provided the complainant's identity.

During an investigation, the CO or designated investigator/decisionmaker will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to other members of the School District Community or Third Parties any information that is learned or provided during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against Prohibited Conduct by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter. In those cases where Prohibited Conduct is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects.

Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution (1) and the principles of academic freedom as set forth in the applicable collective bargaining agreement. [END OF OPTION] In no case will a respondent be found to have committed Prohibited Conduct based on expressive conduct that is protected by the First Amendment (1) and/or the principles of academic freedom specified in the Board's collective bargaining agreement with its teachers. [END OF OPTION]

Training

All employees, investigators, decisionmakers, facilitators of informal resolution process, the District Compliance Officer(s), and other persons who are responsible for implementing the Board's grievance procedures or have the authority to modify or terminate supportive measures shall receive training related to their duties under applicable Federal and State laws and this policy. (1) The training shall be provided promptly upon hiring or a change of position that alters their duties under this policy, and annually thereafter. [END OF OPTIONAL SENTENCE] The training shall not rely on stereotypes involving Protected Classes. (1)

☒] Training materials will be made available for inspection upon request by members of the public. [END OF OPTION]

Recordkeeping (Including retention of investigatory records and materials)

The District Compliance Officer(s) is/are responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy must retain all information, documents, electronically stored information, and electronic media (as defined in Policy 8315) created and received as part of an investigation. Records and materials associated with the implementation of this policy shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for the period set forth below, unless required to be maintained for a longer period pursuant to the District's records retention schedule.

[DRAFTING NOTE: For purposes of uniformity, Neola recommends that the Board use the same seven (7) year period for recordkeeping that is required by the 2020 Title IX regulations - see Board Policy 2266; if the Board selects a different timeframe for maintaining the below specified records, it should verify the time period selected is consistent with and/or reflected in its record retention schedule - see AG 8310.]

The District shall maintain for a period of seven (7) calendar years the following records:

- A. for each complaint of Prohibited Conduct, records documenting the Informal resolution process and/or the grievance procedures followed and the resulting outcome;
- B. for each notification that the District Compliance Officer receives of information about conduct that reasonably may constitute Prohibited Conduct, records documenting the actions the District took to implement this policy; and
- C. all materials used to provide the training referenced above ~~() and in AG 1422 [END OF OPTION]~~.

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records, medical records).

Outside Appointments, Dual Appointments, and Delegations

The Board retains discretion to appoint suitably qualified persons who are not Board employees to fulfill any function of the Board under this policy including, but not limited to, District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, or facilitator of the Informal resolution process.

The Board also retains discretion to appoint two (2) or more persons to jointly fulfill the role of District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, and facilitator of the Informal resolution process.

The Superintendent may delegate functions assigned to a specific Board employee under this policy including, but not limited to, the functions assigned to the District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process to any suitably qualified individual, and such delegation may be rescinded by the Superintendent at any time.

[DRAFTING NOTE: The following option expressly sets forth authority that the Board has, regardless of whether it is included in this policy, but is offered for those boards of education that may want to affirmatively communicate to/address these issues for readers of this policy.]

§] Discretion in Application

The Board retains discretion to interpret and apply this policy in a manner that is not clearly unreasonable, even if the Board's interpretation or application differs from the interpretation of any specific complainant and/or respondent.

Despite the Board's reasonable efforts to anticipate all eventualities in drafting this policy, it is possible that unanticipated or extraordinary circumstances may not be specifically or reasonably addressed by the express policy language, in which case the Board retains discretion to respond to the unanticipated or extraordinary circumstance in a way that is not clearly unreasonable.

The provisions of this policy are not contractual in nature, whether in their own right or as part of any other express or implied contract. Accordingly, the Board retains discretion to revise this policy at any time and for any reason. The Board may apply policy revisions to an active case provided that doing so is not clearly unreasonable.

Rescind Policy - Vol. 40, No. 1

1422.02 - NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE

The Board of Education prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of his/her genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

In accordance with the Genetic Information Nondiscrimination Act ("GINA"), the Board shall not request, require, or purchase genetic information of employees, their family members, or applicants for employment. Further, in compliance with this Act, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application process.

[] The District recognizes that genetic information may be acquired through commercially and publicly available documents like newspapers, books, magazines, periodicals, television shows, or the Internet. The District prohibits, however, its employees from searching such sources with the intent of finding or obtaining genetic information or accessing sources from which they are likely to acquire genetic information.

"Genetic information," as defined by GINA, means information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

If the District either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider, it shall be treated as a confidential medical record in accordance with law.

The Superintendent shall appoint a compliance officer who shall be responsible for overseeing the District's compliance with Federal regulations and promptly dealing with any inquiries or complaints. S/He shall also verify that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members and that all District requests for health-related information (e.g., to support an employee's request for reasonable accommodation under the ADA or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information.

The warning shall read as follows:

The Genetic Information Nondiscrimination Act of 2008 ("GINA") prohibits employers and other entities covered by GINA Title II, including the Board of Education, from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law. To comply with this law, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information" as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

[] The District offers health services () including a wellness program. **[END OF OPTION]** Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the services/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to his/her health services providers, but only genetic information in aggregate form will be provided to the Board. **[END OF OPTIONAL SENTENCE]**

Legal	29 C.F.R. Part 1630 29 U.S.C. 794, Section 504 Rehabilitation Act of 1973, as amended 34 C.F.R. Part 104 42 U.S.C. 12101 et seq., Americans with Disabilities Act of 1990, as amended
Adopted	October 16, 2023

Address Update

1623 - SECTION 504/ADA PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT

The Board of Education prohibits discrimination against any employee or applicant based upon his/her disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement, or discharge of employees, employee compensation, job training, or other terms, conditions, and privileges of employment. The Board further will not limit, segregate or classify applicants or employees in any way that adversely affects their opportunities or status because of disability. Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

"An individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one (1) or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or "auxiliary aids or services," learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

A qualified person with a disability means the individual satisfies the requisite skill, experience, education, and other job-related requirements of the employment position such individual holds or desires and, with or without reasonable accommodation, can perform the essential functions of the job in question.

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability unless the accommodation would impose an undue hardship on the operation of the District's program and/or activities. A reasonable accommodation is not required for an individual who is merely regarded as having a disability.

Compliance Officer(s)

The Board designates the following individual(s) to serve as the District's 504 Compliance Officer(s)/ADA Coordinator(s) (hereinafter referred to as the "District Compliance Officer(s)"):

Student Services Specialist
~~27235 Joy Road~~ 1045 N. Gulley Rd
Dearborn Heights, MI 48127

* Director of Special Services
~~27235 Joy Road~~ 1045 N. Gulley Rd
Dearborn Heights, MI 48127

The name(s), title(s), and contact information of this/these individual(s) will be published annually on the School District's website.

The District Compliance Officer(s) are responsible for coordinating the District's efforts to comply with and fulfill its responsibilities under Section 504 and Title II of the Americans with Disabilities Act, as amended ("ADA"). A copy of Section 504 and the ADA, including copies of their implementing regulations, may be obtained from the District Compliance Officer(s).

The District Compliance Officer(s) will oversee the investigation of any complaints of discrimination based on disability, which may be filed pursuant to the Board's adopted internal complaint procedure, and will attempt to resolve such complaints. The Board will provide for the prompt and equitable resolution of complaints alleging violations of Section 504/ADA. See below.

Training

The District Compliance Officer(s) will also oversee the training of employees in the District so that all employees understand their rights and responsibilities under Section 504 and the ADA, and are informed of the Board's policies, administrative guidelines and practices with respect to fully implementing and complying with the requirements of Section 504/ADA.

The Board will provide in-service training and consultation to staff responsible for the education of persons with disabilities, as necessary and appropriate.

Facilities

No qualified person with a disability will, because the District's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies.

For facilities constructed or altered after June 3, 1977, the District will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the District is committed to operating its programs and activities so that they are readily accessible to persons with disabilities.

Notice

Notice of the Board's policy on nondiscrimination in employment practices and the identity of the District's Compliance Officer(s) will be published on the District's website, posted throughout the District, and included in the District's recruitment statements or general information publications.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

© Neola 2021

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), employees will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation, or misapplication of Section 504. In addition, employees will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights.

Internal complaints must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint, and offer possible solutions to the dispute. The complaint must be filed with a District Compliance Officer within the time limits specified below. The District's Compliance Officer is available to assist individuals in filing a complaint.

Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday - Friday, excluding State-recognized holidays).

Internal Complaint Procedure

The following internal complaint procedure is available to employees for the prompt and equitable resolution of complaints alleging discrimination based upon disability. This complaint procedure is not available to unsuccessful applicants. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights.

- A. An employee with a complaint based on alleged discrimination on the basis of disability may first discuss the problem with the District Compliance Officer.
- B. If the informal discussion does not resolve the matter, or if the employee skips Step A, the individual may file a formal written complaint with the District Compliance Officer. The written complaint must contain the name and address of the individual or representative filing the complaint, be signed by the complainant or someone authorized to sign for the complainant, describe the alleged discriminatory action in sufficient detail to inform the District Compliance Officer of the nature and date of the alleged violation, and propose a resolution. The complaint must be filed within thirty (30) days of the circumstances or event giving rise to the complaint unless the time for filing is extended by the District Compliance Officer for good cause.
- C. The District Compliance Officer will conduct an independent investigation of the matter (which may or may not include a hearing). This complaint procedure contemplates informal, but thorough investigations, affording all interested persons and their representatives, if any, an opportunity to present witnesses and other evidence relevant to the complaint. The District Compliance Officer will provide the complainant with a written disposition of the complaint within ten (10) days. If no decision is rendered within ten (10) days, or the decision is unsatisfactory in the opinion of the complainant, the employee may file, in writing, an appeal with the Superintendent. The District Compliance Officer shall maintain the District's files and records relating to the complaint.
- D. The Superintendent will, within ten (10) days of receiving the written appeal, conduct a hearing with all parties involved in an attempt to resolve the complaint.

The Superintendent will render his/her decision within ten (10) days of the hearing.
- E. The employee may be represented, at his/her own cost, at any of the above-described meetings/hearings.
- F. The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

If it is determined that the Complainant was subjected to unlawful discrimination, the CO must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

OCR Complaint

At any time, if an employee believes that s/he has been subjected to discrimination based upon his/her disability in violation of Section 504 or the ADA, the individual may file a complaint with the U.S. Department of Education's Office for Civil Rights ("OCR"). The OCR can be reached at:

~~1662 - ANTI-HARASSMENT~~

Now in 1422

General Policy Statement

It is the policy of the Board of Education to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will vigorously enforce its prohibition against discriminatory harassment based on race, color, national origin, sex (including sexual orientation and gender identity), disability, age, religion, ancestry, or genetic information (collectively, Protected Classes) that are protected by federal civil rights laws (hereinafter referred to as unlawful harassment) and encourages those within the School District community, as well as Third Parties, who feel aggrieved to seek assistance to rectify such problems. The Board will investigate all allegations of harassment and in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment, prevent its recurrence, and remedy its effects. Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.

[] The District will offer counseling services to any person found to have been subjected to unlawful harassment, and where appropriate, the person(s) who committed the unlawful harassment.

Other Violations of the Anti-Harassment Policy

The Board will also take immediate steps to impose disciplinary action on individuals engaging in any of the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging unlawful harassment, or who has participated as a witness in a harassment investigation;
- B. Filing a malicious or knowingly false report or complaint of unlawful harassment;
- C. Disregarding, failing to investigate adequately, or delaying investigation of allegations of harassment, when responsibility for reporting and/or investigating unlawful harassment charges comprises part of one's supervisory duties;

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Complainant is the individual who alleges, or is alleged, to have been subjected to unlawful harassment, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged harassment.

Respondent is the individual who has been alleged to have engaged in unlawful harassment, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged harassment.

School District community means students and Board employees (i.e., administrators and professional and support staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with or seeking to do business with the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday — Friday, excluding State-recognized holidays).

Bullying

Bullying rises to the level of unlawful harassment when one (1) or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more students or employees and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student that is severe or pervasive enough to create an intimidating, hostile, or offensive educational or work environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school or work performance or participation; and may involve:

- A. teasing;
- B. threats;
- C. intimidation;
- D. stalking;
- E. cyberstalking;
- F. cyberbullying;

- G. physical violence;
- H. theft;
- I. sexual, religious, or racial harassment;
- J. public humiliation; or
- K. destruction of property;

Harassment means any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal, or physical conduct directed against a student or school employee that:

- A. places a student or school employee in reasonable fear of harm to his/her person or damage to his/her property;
- B. has the effect of substantially interfering with a student's educational performance, opportunities, or benefits, or an employee's work performance; or
- C. has the effect of substantially disrupting the orderly operation of a school.

Sexual Harassment

For purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964, sexual harassment is defined as:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- A. Submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment, or status in a class, educational program, or activity;
- B. Submission or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting such individual;
- C. Such conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working, and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity.

Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

Sexual Harassment covered by Policy 2266 – Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.

Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- A. Unwelcome sexual propositions, invitations, solicitations, and flirtations;
- B. Unwanted physical and/or sexual contact;
- C. Threats or insinuations that a person's employment, wages, academic grade, promotion, classroom work or assignments, academic status, participation in athletics or extra-curricular programs, activities, or events, or other conditions of employment or education may be adversely affected by not submitting to sexual advances;
- D. Unwelcome verbal expressions, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes, or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls;
- E. Sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings, or literature placed in the work or educational environment that may reasonably embarrass or offend individuals;
- F. Unwelcome and inappropriate touching, patting, or pinching; obscene gestures;
- G. Asking about, or telling about, sexual fantasies, sexual preferences, or sexual activities.

- H. Speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history.
- I. Giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship.
- J. Leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin.
- K. A pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another.
- L. In the context of employees, consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
- M. Inappropriate boundary invasions by a District employee or other adult member of the School District community into a student's personal space and personal life.
- N. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex stereotyping that does not involve conduct of a sexual nature.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be sufficiently severe, pervasive, and persistent such that it adversely affects, limits, or denies an individual's employment or education, or such that it creates a hostile or abusive employment or educational environment.

[DRAFTING NOTE: Sexual conduct/relationships with students by District employees or any other adult member of the School District community is prohibited, and any teacher, administrator, coach, or other school authority who engages in sexual conduct with a student may also be guilty of the criminal charge of sexual battery. The issue of consent is irrelevant in regard to such criminal charge and/or with respect to the application of this policy to District employees or other adult members of the School District community.]

Race/Color Harassment

Prohibited racial harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race or color and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working, and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

National Origin/Ancestry Harassment

Prohibited national origin/ancestry harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin or ancestry and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's national origin or ancestry, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where

conduct is directed at the characteristics of a person's disability, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

Anti-Harassment Compliance Officers

The following individual(s) shall serve as the District's Anti-Harassment Compliance Officer(s) (hereinafter, "the Compliance Officer(s)"):

[DRAFTING NOTE: Neola suggests the Board appoint both a male and a female Compliance Officer in order to provide Complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. The same individual(s) assigned to serve as Compliance Officer(s) may also be assigned to serve as the District's Section 504 Compliance Officer(s) / ADA Coordinator(s) and/or Title IX Coordinator(s). Additionally, by appointing two (2) Compliance Officers, there should also be a Compliance Officer available to investigate a claim of harassment that pertains to the other Compliance Officer.]

- E. () _____.

The Compliance Officer(s) () is () are **[END OF OPTION]** responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding harassment.

The Compliance Officer(s) will be available during regular school/work hours to discuss concerns related to unlawful harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about unwelcome conduct or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

The Compliance Officers shall accept reports of unlawful harassment directly from any member of the School District community or a Third Party or receive reports that are initially filed with an administrator, supervisor, or other District level official. Upon receipt of a report of alleged harassment, one (1) of the Compliance Officer(s) will contact the Complainant and begin either an informal or formal complaint process (depending on the request of the Complainant or the nature of the alleged harassment) or the Compliance Officer(s) will designate a specific individual to conduct such a process. The Compliance Officer(s) will provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the Compliance Officer(s) will prepare recommendations for the Superintendent or will execute the preparation of such recommendations by a designee. All Board employees must report incidents of harassment that are reported to them to one (1) of the Compliance Officer(s) within two (2) days of learning of the incident.

Any Board employee who directly observes unlawful harassment is obligated, in accordance with this policy, to report such observations to one (1) of the Compliance Officer(s) within two (2) days. Additionally, any Board employee who observed an act of unlawful harassment is expected to intervene to stop the harassment, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, a Compliance Officer or designee must contact the Complainant if age eighteen (18) or older, or the Complainant's parents/guardian if the Complainant is under the age of eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

Reports and Complaints of Harassing Conduct

Members of the School District community, along with Third Parties, are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor, or other School District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a report shall file it with one (1) of the Compliance Officer(s) within two (2) days of receiving the report of harassment.

Members of the School District community and Third Parties who believe they have been unlawfully harassed by another member of the School District community or a Third Party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints of harassment under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior, and/or harassment in accordance with Policy 5517.01, Bullying and Other Forms of Aggressive Behavior, the Principal believes that the reported individual may have created a hostile work environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the Principal shall report the act of bullying, aggressive behavior, and/or harassment to a Compliance Officer who shall investigate the allegation in accordance with this policy. If the alleged harassment involves sexual harassment as defined by Policy 2266, the matter will be handled in accordance with the grievance process and procedures outlined in Policy 2266. While the Compliance Officer investigates the allegation, or the matter is being addressed pursuant to Policy 2266, the Principal shall suspend the Policy 5517.01 investigation to await the Compliance Officer's written report of the determination of responsibility pursuant to Policy 2856. The Compliance Officer shall keep the Principal informed of the status of the Policy 1003 investigation and provide the Principal with a copy of the resulting written report. Likewise, the Title IX Coordinator will provide the Principal with the determination of responsibility that results from the Policy 2266 grievance process.

Investigation and Complaint Procedure (See Form 1662-F1)

Except for Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, any employee or other member of the School District community or Third Party (e.g., visitor to the District) who believes that they have been subjected to unlawful harassment or retaliation may seek resolution of the complaint through either the procedures described below. The formal complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful harassment or retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is

begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education Office for Civil Rights and/or Equal Employment Opportunity Commission (EEOC).

Informal Complaint Procedure

The goal of the informal complaint procedure is to promptly stop inappropriate behavior and to facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student, other member of the School District community, or Third Party who alleges unlawful harassment or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee, any other adult member of the School District community, or a Third Party and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe in doing so, the individual should tell or otherwise inform the Respondent that the allegedly harassing conduct is unwelcome and must stop. The Complainant should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officer(s) are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant if requested to do so. A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the allegedly inappropriate conduct may file an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.

A Complainant may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator; 2) directly to one (1) of the Compliance Officer(s); and/or 3) to the Superintendent or other District level employee.

All informal complaints must be reported to one (1) of the Compliance Officer(s) who will either facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The Board's informal complaint procedure is designed to provide employees, other members of the School District community, or third parties who believe they are being unlawfully harassed with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve, but not be limited to, one (1) or more of the following:

- A. Advising the Complainant about how to communicate the unwelcome nature of the behavior to the Respondent;
- B. Distributing a copy of this policy as a reminder to the individuals in the school building or office where the Respondent works or attends;
- C. If both parties agree, the Compliance Officer may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the Compliance Officer/designee is directed to attempt to resolve all informal complaints within fifteen (15) days of receiving the informal complaint. If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint and, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or the Complainant, from the outset, elects to file a formal complaint, or the CO determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

The Complainant may file a formal complaint, either orally or in writing, with a teacher, Principal, Compliance Officer, Superintendent, or other District official. Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, Principal, Superintendent, or other District official, either orally or in writing, about any complaint of harassment or retaliation, that employee must report such information to a Compliance Officer/designee within two (2) business days.

Throughout the course of the process, the Compliance Officer should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement, including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the Compliance Officer should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the Compliance Officer may still take whatever actions deemed appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the Compliance Officer/designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/harassment/retaliation. The Principal will not conduct an investigation unless directed to do so by the Compliance Officer.

Simultaneously, the Compliance Officer will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including the Board's Anti Harassment Policy. The Respondent must also be informed of the opportunity to submit a written response to the formal complaint within five (5) days.

Although certain cases may require additional time, the Compliance Officer/designee will attempt to complete an investigation into the allegations of harassment/retaliation within fifteen (15) days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the Compliance Officer/designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Respondent engaged in unlawful harassment/retaliation of the Complainant. The Compliance Officer's recommendations must be based upon the totality of the circumstances. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used. The Compliance Officer may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer/designee, the Superintendent must either issue a written decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a final written decision as described above.

[] The decision of the Superintendent shall be final.

OR

[] A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of the party's receipt of the Superintendent's decision.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representative within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each party within ten (10) business days of this meeting. The decision of the Board will be final.

[END OF OPTIONS]

The Board reserves the right to investigate and receive a complaint or report of unlawful harassment/retaliation regardless of whether the member of the School District community or Third Party alleges the unlawful harassment/retaliation pursuant to the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

[] The parties may be represented, at their own cost, at any of the above described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by that person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, take appropriate action, and conform with any discovery or disclosure obligations. All records generated under the terms of this policy and related administrative guidelines shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided with the Complainant's identity.

During the course of a formal investigation, the Compliance Officer or designee will instruct all members of the School District community and Third Parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action, up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and redress its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to

participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy;

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct

State law requires any school teacher or school employee who knows or suspects that a child with a disability under the age of twenty one (21) or that a child under the age of eighteen (18) has suffered or faces a threat of suffering a physical or mental wound, disability or condition of a nature that reasonably indicates abuse or neglect of a child to immediately report that knowledge or suspicion to the county children's services agency. If, during the course of a harassment investigation, the Compliance Officer or a designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant, a report of such knowledge must be made in accordance with State law and Board Policy.

Any reports made to a county children's services agency or to local law enforcement shall not terminate the Compliance Officer's or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies without good cause after consultation with the Superintendent.

Education and Training

In support of this Anti Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information provided regarding the Board's policy and harassment in general, will be age and content appropriate.

Retention of Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing the retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information (ESI), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation which may include, but not be limited to:

- A. all written reports/allegations/complaints/grievances/statements/responses pertaining to an alleged violation of this policy;
- B. any narratives that memorialize oral reports/allegations/complaints/grievances/statements/responses pertaining to an alleged violation of this policy;
- C. any documentation that memorializes the actions taken by District personnel or individuals contracted or appointed by the Board to fulfill its responsibilities related to the investigation and/or the District's response to the alleged violation of this policy;
- D. written witness statements;
- E. narratives, notes from, or audio, video, or digital recordings of witness interviews/statements;
- F. e-mails, texts, or social media posts that directly relate to or constitute evidence pertaining to an alleged violation of this policy (i.e., not after the fact commentary about or media coverage of the incident);
- G. notes or summaries prepared contemporaneously by the investigator in whatever form made (e.g., handwritten, keyed into a computer or tablet, etc.), but not including transitory notes whose content is otherwise memorialized in other documents;

- H. ~~written disciplinary sanctions issued to students or employees and other documentation that memorializes oral disciplinary sanctions issued to students or employees for violations of this policy;~~
- I. ~~dated written determinations/reports (including summaries of relevant exculpatory and inculpatory evidence) and other documentation that memorializes oral notifications to the parties concerning the outcome of the investigation, including any consequences imposed as a result of a violation of this policy;~~
- J. ~~documentation of any supportive measures offered and/or provided to the Complainant and/or the Respondent, including no contact orders issued to both parties, the dates the no contact orders were issued, and the dates the parties acknowledged receipt of the no contact orders;~~
- K. ~~documentation of all actions taken, both individual and systemic, to stop the discrimination or harassment, prevent its recurrence, eliminate any hostile environment, and remedy its discriminatory effects;~~
- L. ~~copies of the Board policy and/or procedures/guidelines used by the District to conduct the investigation, and any documents used by the District at the time of the alleged violation to communicate the Board's expectations to students and staff with respect to the subject of this policy (e.g., Student Code of Conduct and/or Employee Handbooks);~~
- M. ~~copies of any documentation that memorializes any formal or informal resolutions to the alleged discrimination or harassment;~~

[DRAFTING NOTE: The following options should be selected if the District concludes that the following items are not adequately encompassed in the preceding paragraphs.]

- N. ~~documentation of any training provided to District personnel related to this policy including, but not limited to, notification of the prohibitions and expectations of staff set forth in this policy and the role and responsibility of all District personnel involved in enforcing this policy, including their duty to report alleged violations of this policy and/or conducting an investigation of an alleged violation of this policy. [REMINDER: Documentation of training should be maintained regardless of whether there is an investigation of an alleged violation of this policy. It is best practice to maintain a log of all staff members who participate in a training, along with the date, time and location of the training, and a copy of the materials reviewed and/or presented during the training.]~~
- O. ~~documentation that any rights or opportunities that the District made available to one party during the investigation were made available to the other party on equal terms;~~
- P. ~~copies of any notices sent to the alleged perpetrator/responding party of the allegations constituting a potential violation of this policy;~~
- Q. ~~copies of any notices sent to the Complainant and the Respondent in advance of any interview, meeting, or hearing;~~
- R. ~~copies of any documentation or evidence used during informal and formal disciplinary meetings and hearings, including the investigation report, and any written responses submitted by the Complainant or the Respondent;~~

~~The documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal (e.g., FERPA, ADA) and/or State law — e.g., student records and confidential medical records.~~

~~The documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for not less than three (3) years, but longer if required by the District's records retention schedule.~~

2210 - CURRICULUM DEVELOPMENT - APPROVED COURSES

The Board of Education recognizes its responsibility for the quality of the educational program of the schools. To this end, the curriculum shall be developed, evaluated, and adopted on a continuing basis and in accordance with a plan for curriculum growth established by the Superintendent.

For purposes of this policy and consistent communication throughout the District, curriculum shall be defined as:

- A. the courses of study, subjects, classes, and organized activities provided by the school;
- B. the plan for learning necessary to accomplish the educational goals of the District.

The Board directs that the curriculum of this District:

- A. provides grade-appropriate instruction on career development in each grade level from kindergarten through 12th;
- B. provides instruction in courses required by statute and State Department of Education regulations;
- C. ensures, to the extent feasible, that special learning needs of students are provided for in the context of the regular program or classroom and provides for effective coordination with programs or agencies that are needed to meet those needs that cannot be dealt with in the regular program or classroom;
- D. be consistent with the District's philosophy and goals and ensure the possibility of their achievement;
- E. incorporate State-recommended performance standards for students as the basis for determining how well each student is achieving the academic outcomes for each area of the District's core curriculum;
- F. allows for the development of individual talents and interests as well as recognizes that learning styles of students may differ;
- G. provides a strategy for continuous and cumulative learning through effective articulation at all levels, particularly of those skills identified as essential and life-role skills;
- H. utilizes a variety of learning resources to accomplish the educational goals;
- I. encourages students to utilize guidance and counseling services in their academic and career planning;
- J. provides for multi-cultural education by including, at each level, courses or units which help students understand the culture and contributions of various ethnic groups comprising American society, including, but not limited to Euro-Americans, African-Americans, Asian-Americans, Hispanic-Americans, and Native-Americans.

As educational leader of the District, the Superintendent shall be responsible to the Board for the development and evaluation of curriculum and the preparation of courses of study.

The Superintendent shall make progress reports to the Board annually.

The Superintendent may conduct such innovative programs as are deemed to be necessary to the continuing growth of the instructional program and to better ensure accomplishment of the District's educational goals.

The Superintendent shall report each such innovative program to the Board along with its objectives, evaluative criteria, and costs.

Unless the Board disapproves, the Superintendent may proceed to conduct the program.

The Board encourages, where it is feasible and in the best interests of the District, participation in programs of educational research.

The Board directs the Superintendent to pursue actively State and Federal aid in support of the District's innovative activities.

Approved Courses

The Board shall adopt a list of the individual courses that have been approved per recommendation of the Superintendent. The list shall include courses offered by the District for credit or grade promotion and shall be used when determining which courses may be included in membership for State aid purposes and for auditing purposes when examining the membership counted for State school aid on the count days. The list of approved courses shall include traditional offerings and courses offered through other means, such as experiential learning courses, online courses, and all courses offered in shared time programs under appropriate provisions of the State School Aid Act. (M.C.L. 388.1766b). The list of approved courses shall include all extended learning opportunities associated with each course and a description of each such opportunity. The list shall also include a description of the content of each approved course, and documentation related to course approval (including the list of approved courses for membership purposes), and documentation related to the calculation of instructional time for each approved course..

Address Change

2260 - NONDISCRIMINATION AND ACCESS TO EQUAL EDUCATIONAL OPPORTUNITY

Any form of discrimination or harassment can be devastating to an individual's academic progress, social relationship, and/or personal sense of self-worth.

As such, the Board of Education does not discriminate on the basis of race, color, national origin, sex (including sexual orientation or gender identity), disability, age (except as authorized by law), religion, military status, ancestry, or genetic information (collectively, Protected Classes) in its educational programs or activities.

The Board also does not discriminate on the basis of Protected Classes in its employment policies and practices as they relate to students, and does not tolerate harassment of any kind.

Equal educational opportunities shall be available to all students, without regard to the Protected Classes, age (unless age is a factor necessary to the normal operation or the achievement of any legitimate objective of the program/activity), place of residence within the boundaries of the District, or social or economic background, to learn through the curriculum offered in this District. Educational programs shall be designed to meet the varying needs of all students.

In order to achieve the aforesaid goal, the Superintendent shall:

A. Curriculum Content

review current and proposed courses of study and textbooks to detect any bias based upon Protected Classes, ascertaining whether or not supplemental materials, singly or taken as a whole, fairly depict the contribution of both

genders, various races, ethnic groups, etc. toward the development of human society;

B. Staff Training

develop an ongoing program of in-service training for school personnel designed to identify and solve problems of bias based upon Protected Classes in all aspects of the program;

C. Student Access

1. review current and proposed programs, activities, facilities, and practices to ensure that all students have equal access thereto and are not segregated on the basis of the Protected Classes in any duty, work, play, classroom, or school practice, except as may be permitted under State regulations;
2. verify that facilities are made available, in accordance with Board Policy 7510 - Use of School Facilities, for non-curricular student activities that are initiated by parents or other members of the community including, but not limited to, any group affiliated with the Boy Scouts of America or any other youth group listed in Title 36 of the United States Code as a patriotic society;

This language does not prohibit the District from establishing and maintaining a single-gender school, class, or program within a school if a comparable school, class, or program is made available to students of each gender.

D. District Support

verify that like aspects of the District program receive like support as to staff size and compensation, purchase and maintenance of facilities and equipment, access to such facilities and equipment, and related matters;

E. Student Evaluation

verify that tests, procedures, or guidance and counseling materials, which are designed to evaluate student progress, rate aptitudes, analyze personality, or in any manner establish or tend to establish a category by which a student may be judged, are not differentiated or stereotyped on the basis of Protected Classes.

Definitions:

Words used in this policy shall have those meanings defined herein: words not defined shall be construed according to their plain and ordinary meanings.

Complainant is the individual who alleges or is alleged to have been subjected to unlawful discrimination/retaliation, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged discrimination/retaliation.

Respondent is the individual who has been alleged to have engaged in unlawful discrimination/retaliation, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged discrimination/retaliation.

School District community means students and Board employees (i.e., administrators and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with or seeking to do business with the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Day(s): Unless expressly stated otherwise, the term day or days as used in this policy means a business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday - Friday, excluding State-recognized holidays).

District Compliance Officer(s)

The Board designates the following individual(s) to serve as the District's Compliance Officer(s) (also known as Civil Rights Coordinator(s)) (hereinafter referred to as the CO(s)):

Student Services Specialist

27235 Joy Road 1045 N. Gulley Rd

Dearborn Heights, MI 48127

Associate Superintendent

27235 Joy Road 1045 N. Gulley Rd
Dearborn Heights, MI 48127

The name(s), title(s), and contact information of this/these individual(s) will be published annually on the School District's website.

The District will accommodate the use of certified service animals when there is an established need for such supportive aid in the school environment. Certain restrictions may be applied when necessary due to allergies, health, safety, disability, or other issues of those in the classroom or school environment. The goal shall be to provide all students with the same access and participation opportunities provided to other students in school. Confirmation of disability, need for a service animal to access the school programming, and current certification/training of the service animal may be required.

The COs are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination, retaliation, or denial of equal access. The COs shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), and the Age Discrimination Act of 1975 is provided to students, their parents, staff members, and the general public. A copy of each of the Acts and regulations on which this notice is based may be found in the CO's office.

The Superintendent shall annually attempt to identify children with disabilities, ages 0-25, who reside in the District but do not receive public education.

The Board is committed to educating (or providing for the education of) each qualified person with a disability with persons who are not disabled to the maximum extent appropriate. Generally, the District will place a person with a disability in the regular educational environment unless it is demonstrated that the education of the person in the regular environment, even with the use of supplementary aids and services cannot be achieved satisfactorily. If the Board operates a separate class or facility that is identifiable as being for persons with disabilities, the facility, program, and activities and services must be comparable to the facilities, programs, and activities and services offered to students without a disability.

In addition, the Superintendent shall establish procedures to identify students who are Limited English Proficient (LEP), including immigrant children and youth, to assess their ability to participate in District programs, and develop and administer a program that meets the English language and academic needs of these students. This program shall include procedures for student placement, services, evaluation and exit guidelines and shall be designed to provide students with effective instruction that leads to academic achievement and timely acquisition of proficiency in English. As a part of this program, the District will evaluate the progress of students in achieving English language proficiency in the areas of listening, speaking, reading, and writing on an annual basis (also see Policy 2225). The Superintendent is responsible for verifying that a concentration of students who are Limited English Proficient (LEP) in one (1) or more programs is not the result of discrimination.

Reports and Complaints of Unlawful Discrimination and Retaliation

Students and Board employees are required, and all other members of the School District community and Third Parties are encouraged, to promptly report incidents of unlawful discrimination and/or retaliation to a teacher, administrator, supervisor, or other District official so that the Board may address the conduct. Any teacher, administrator, supervisor, or other District employee or official who receives such a complaint shall file it with one (1) of the COs within two (2) days.

Members of the School District community, which includes students and Third Parties, who believe they have been unlawfully discriminated/retaliated against are entitled to utilize the complaint process set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior, and/or harassment in accordance with Policy 5517.01 – Bullying and Other Forms of Aggressive Behavior, the Principal believes that the reported misconduct may constitute unlawful discrimination based on a Protected Class, the Principal shall report the act to one (1) of the COs who shall investigate the allegation in accordance with this policy. While the CO investigates the allegation, the Principal shall suspend the Policy 5517.01 investigation to await the CO's written report. The CO shall keep the Principal informed of the status of the Policy 2260 investigation and provide the Principal with a copy of the resulting written report.

The COs will be available during regular school/work hours to discuss concerns related to unlawful discrimination/retaliation. The COs shall accept reports of unlawful discrimination/retaliation directly from any member of the School District community or a Third Party or receive reports that are initially filed with another Board employee. Upon receipt of a report of alleged discrimination/retaliation, one (1) of the COs will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged discrimination/retaliation) or will designate a specific individual to conduct such a process. The CO will provide a copy of this policy to the Complainant and the Respondent. In the case of a formal complaint, the CO will prepare recommendations for the Superintendent or oversee the preparation of such recommendations by a designee. All members of the School District community must report incidents of discrimination/retaliation that are reported to them to one (1) of the COs within two (2) days of learning of the incident/conduct.

Any Board employee who directly observes unlawful discrimination/retaliation of a student is obligated, in accordance with this policy, to report such observations to one (1) of the COs within two (2) business days. Additionally, any Board employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, a CO/designee must contact the Complainant if age eighteen (18) or older, or the Complainant's parents/guardian if the Complainant is under the age of eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

Investigation and Complaint Procedure

Except for sex discrimination and/or Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, any student who alleges to have been subjected to unlawful discrimination or retaliation may seek resolution of the complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims of discrimination/retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged to file a complaint within thirty (30) days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of a student to pursue a complaint of unlawful discrimination or retaliation with the ~~United States Department of Education Office for Civil Rights (OCR). The Cleveland Office of the OCR can be reached at 1350 Euclid Avenue, Suite 325, Cleveland, Ohio 44115; Telephone: (216) 522-4970; Fax: (216) 522-2573; TDD: (216) 522-4944; E-mail: ocr.cleveland@ed.gov; Web: http://www.ed.gov/ocr.~~ U.S. Department of Education, Office for Civil Rights, Lyndon Baines Johnson Department of Education Building, 400 Maryland Ave., SW, Washington, DC 20202-1100, Telephone: (800) 421-3481, FAX: (202) 453-6012, TDD: 800-877-8339, E-mail: OCR@ed.gov, Web: http://www.ed.gov/ocr.

Informal Complaint Procedure

The goal of the informal complaint procedure is to promptly stop inappropriate behavior and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student who alleges unlawful discrimination or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint.

The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process and individuals who participate in the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee or any other adult member of the School District community and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe doing so, the individual should tell or otherwise inform the Respondent that the allegedly discriminatory/retaliatory conduct is inappropriate and must stop. The Complainant should address the alleged misconduct as soon after it occurs as possible. The COs are available to support and counsel the Complainant when taking this initial step or to intervene on behalf of the individual if requested to do so. A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the inappropriate conduct may file an informal or a formal complaint. In addition, with regard to certain types of unlawful discrimination (e.g., sex discrimination), the CO may advise against the use of the informal complaint process.

A Complainant who alleges unlawful discrimination/retaliation may make an Informal complaint, either orally or in writing: (1) to a teacher, other employee, or building administrator in the school the student attends; (2) to the Superintendent or other District-level employee; and/or (3) directly to one (1) of the COs.

All Informal complaints must be reported to one (1) of the COs who will either facilitate an informal resolution as described below or appoint another individual to facilitate an Informal resolution.

The School District's informal complaint procedure is designed to provide the Complainant with a range of options aimed at bringing about a prompt resolution of their concerns. Depending upon the nature of the complaint and the Complainant's wishes, Informal resolution may involve, but not be limited to, one (1) or more of the following:

- A. Advising the Complainant about how to communicate concerns to the Respondent.
- B. Distributing a copy of Policy 2260 – Nondiscrimination and Access to Equal Educational Opportunity to the individuals in the school building or office where the Respondent works or attends.
- C. If both parties agree, the CO may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee is directed to attempt to resolve all informal complaints within fifteen (15) days of receiving the informal complaint. If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint and, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

If a complaint is not resolved through the Informal complaint process, if one (1) of the parties requested that the Informal complaint process be terminated to move to the formal complaint process, or if the Complainant, from the outset, elects to file a formal complaint, or the Compliance Officer(s) determines the allegations are not appropriate for resolution through the Informal process, the formal complaint process shall be implemented.

The Complainant may file a formal complaint, either orally or in writing, with a teacher, Principal, or other District official at the student's school, a CO, the Superintendent, or another District official who works at another school or at the District level. Due to the sensitivity surrounding complaints of unlawful discrimination, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) days after the conduct occurs. If a Complainant informs a teacher, Principal, or other District official at the student's school, Superintendent, or other District employee, either orally or in writing, about any complaint of discrimination/retaliation, that employee must report such information to one (1) of the COs/designee within two (2) days.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the Investigatory phase to protect the Complainant from further discrimination or retaliation including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions deemed appropriate in consultation with the Superintendent.

Within two (2) days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation. The Principal will not conduct an investigation unless directed to do so by the CO.

Simultaneously, the CO will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 2260 - Nondiscrimination and Access to Equal Educational Opportunity. The Respondent must:

also be informed of the opportunity to submit a written response to the formal complaint within five (5) days.

Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO/designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Respondent has engaged in unlawful discrimination/retaliation of the Complainant. The CO's recommendations must be based upon the totality of the circumstances. In determining if unlawful discrimination or retaliation occurred, a preponderance of evidence standard will be used. The CO may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or designee, the Superintendent must either issue a written decision regarding whether the charges have been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) days. At the conclusion of the additional investigation, the Superintendent shall issue a final written decision as described above.

If the Superintendent determines the Respondent engaged in unlawful discrimination/retaliation toward the Complainant, the Superintendent must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) days of the party's receipt of the Superintendent's decision.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representatives within twenty (20) days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) days of this meeting. The decision of the Board will be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the student alleging the unlawful discrimination/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties may be represented, at their own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, take appropriate action, and conform with any discovery or disclosure obligations. All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided with the Complainant's identity.

During the course of a formal investigation, the CO or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to Third Parties any information that is learned or provided during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful discrimination/retaliation by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action, up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information provided regarding the Board's policy and discrimination in general, will be age and content appropriate.

The District will endeavor to assist the student and/or his/her parents in their access to District programs by providing notices to the parents and students in a language and format that they are likely to understand.

Materials approved by the State Department of Education describing the benefits of instruction in Braille reading and writing shall be provided to each blind student's individualized planning committee. The District shall not deny a student the opportunity for instruction in Braille, reading, and writing solely because the student has some remaining vision.

Retention of Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing the retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy must retain all information, documents, electronically stored information, and electronic media (as defined in Policy 8315) created and received as part of an investigation which may include, but not be limited to:

- A. all written reports/allegations/complaints/grievances/ statements/responses pertaining to an alleged violation of this policy;

- B. any narratives that memorialize oral reports/allegations/ complaints/grievances/statements/responses pertaining to an alleged violation of this policy;
- C. any documentation that memorializes the actions taken by District personnel or individuals contracted or appointed by the Board to fulfill its responsibilities related to the investigation and/or the District's response to the alleged violation of this policy;
- D. written witness statements;
- E. narratives, notes from, or audio, video, or digital recordings of witness interviews/statements;
- F. e-mails, texts, or social media posts that directly relate to or constitute evidence pertaining to an alleged violation of this policy (i.e., not after-the-fact commentary about or media coverage of the incident);
- G. notes or summaries prepared contemporaneously by the Investigator in whatever form made (e.g., handwritten, keyed into a computer or tablet, etc.), but not including transitory notes whose content is otherwise memorialized in other documents;
- H. written disciplinary sanctions issued to students or employees and other documentation that memorializes oral disciplinary sanctions issued to students or employees for violations of this policy;
- I. dated written determinations/reports (including summaries of relevant exculpatory and inculpatory evidence) and other documentation that memorializes oral notifications to the parties concerning the outcome of the investigation, including any consequences imposed as a result of a violation of this policy;
- J. documentation of any supportive measures offered and/or provided to the Complainant and/or the Respondent including no contact orders issued to both parties, the dates the no contact orders were issued, and the dates the parties acknowledged receipt of the no contact orders;
- K. documentation of all actions taken, both individual and systemic, to stop the discrimination or harassment, prevent its recurrence, eliminate any hostile environment, and remedy its discriminatory effects;
- L. copies of the Board policy and/or procedures/guidelines used by the District to conduct the investigation, and any documents used by the District at the time of the alleged violation to communicate the Board's expectations to students and staff with respect to the subject of this policy (e.g., Student Code of Conduct and/or Employee Handbooks);
- M. copies of any documentation that memorializes any formal or informal resolutions to the alleged discrimination or harassment.

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).

These investigative records and materials created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for not less than three (3) years, but longer if required by the District's records retention schedule.

Adopted	October 16, 2023

Change Address

2260.01 - SECTION 504/ADA PROHIBITION AGAINST DISCRIMINATION BASED ON DISABILITY

Pursuant to Section 504 of the Rehabilitation Act of 1973 ("Section 504"), the Americans with Disabilities Act of 1990, as amended ("ADA") and the implementing regulations (collectively "Section 504/ADA"), no otherwise qualified individual with a disability shall, solely by reason of his/her disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. The Board of Education does not discriminate in admission or access to, or participation or treatment in its programs or activities. As such, the Board's policies and practices will not discriminate against students with disabilities and the Board will make its facilities, programs, and activities accessible to qualified individuals with disabilities. No discrimination will be knowingly permitted against any individual with a disability on the sole basis of that disability in any of the programs, activities, policies, and/or practices in the District.

"An individual with a disability" means a person who has, had a record of, or is regarded as having a physical or mental impairment that substantially limits one (1) or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aids and cochlear implants or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, assistive technology, reasonable accommodations or auxiliary aids or services, or learned behavioral or adaptive neurological modifications.

With respect to public preschool, elementary, and secondary educational services, a qualified person with a disability means a disabled person:

- A. who is of an age during which nondisabled persons are provided educational services;
- B. who is of any age during which it is mandatory under Michigan law to provide educational services to disabled persons; or
- C. to whom the State is required to provide a free appropriate public education pursuant to the Individuals with Disabilities Education Improvement Act (IDEIA).

With respect to vocational education services, a qualified person with a disability means a person with a disability who meets the academic and technical standards requisite to admission or participation in the vocational program or activity. The Board will not deny a student with disabilities access to its vocational education programs or courses due to architectural and/or equipment barriers, or because the student needs related aids or services to receive an appropriate education.

Compliance Officer(s)

The Board designates the following individual(s) to serve as the District's 504 Compliance Officer(s)/ADA Coordinator(s) (hereinafter referred to as the "District Compliance Officer(s)");

Director of Special Services
27235 Joy Road 1045 N. Gulley Rd
Dearborn Heights, MI 48127

In the event that the complaint is against the compliant officer, the complaint shall be directed to the Superintendent.

The name(s), title(s), and contact information of this/these individual(s) will be published annually on the School District's website.

Building Principals shall serve as Building Section 504/ADA Compliance Officer(s) ("Building Compliance Officers").

The District Compliance Officer(s) is responsible for coordinating the District's efforts to comply with and fulfill its responsibilities under Section 504 and Title II of the ADA. A copy of Section 504 and the ADA, including copies of the implementing regulations, may be obtained from the District Compliance Officer(s).

The District Compliance Officer(s) will oversee the investigation of any complaints of discrimination based on disability, which may be filed pursuant to the Board's adopted internal complaint procedure, and will attempt to resolve such complaints.

The Board will provide for the prompt and equitable resolution of complaints alleging violations of Section 504/ADA. See below. The Board will further establish and implement a system of procedural safeguards in accordance with Section 504, including the right to an impartial due process hearing. ~~See AG 2260.01B.~~

Training

The District Compliance Officer(s) will also oversee the training of employees in the District so that all employees understand their rights and responsibilities under Section 504 and the ADA, and are informed of the Board's policies, administrative guidelines, and practices with respect to fully implementing and complying with the requirements of Section 504/ADA.

The Board will provide in-service training and consultation to staff responsible for the education of persons with disabilities, as necessary and appropriate.

Facilities

No qualified person with a disability will, because the District's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies.

For facilities constructed or altered after June 3, 1977, the District will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the District is committed to operating its programs and activities so that they are readily accessible to persons with disabilities. This includes, but is not limited to, providing accommodations to parents with disabilities who desire access to their child's educational program or meetings pertinent thereto. Programs and activities will be designed and scheduled so that the location and nature of the facility or area will not deny a student with a disability the opportunity to participate on the same basis as students without disabilities.

Education

The Board is committed to identifying, evaluating, and providing a free appropriate public education (FAPE) to students within its jurisdiction who have a physical or mental impairment that substantially limits one (1) or more major life activities, regardless of the nature or severity of their disabilities.

An appropriate education may include regular or special education and related aids and services to accommodate the unique needs of students with disabilities. For students with disabilities who are not eligible for specially designed instruction under the IDEA, the special education and related aids and services (including accommodations/modifications/interventions) they need in order to have their needs met as adequately as the needs of nondisabled students are met, shall be delineated, along with their placement, in a Section 504 Plan (Form 2260-DIA-F13). Parents/guardians/custodians ("parents") are invited and encouraged to participate fully in the evaluation process and development of a Section 504 Plan. The quality of education services provided to students with disabilities will be equal to the quality of services provided to students without disabilities.

The Board is committed to educating (or providing for the education of) each qualified person with a disability who resides within the District with persons who are not disabled to the maximum extent appropriate. Generally, the District will place a person with a disability in the regular educational environment unless it is demonstrated that the education of the person in the regular environment, even with the use of supplementary aids and services cannot be achieved satisfactorily. If the District places a person in a setting other than the regular educational environment, it shall take into account the proximity of the alternate setting to the person's home. If the Board operates a separate class or facility that is identifiable as being for persons with disabilities, the facility, program, and activities and services must be comparable to the facilities, programs, and activities and services offered to students without a disability.

The District will provide non-academic extracurricular services and activities in such a manner as is necessary to afford qualified persons with disabilities an equal opportunity for participation in such services and activities. Non-academic and extracurricular services and activities may include counseling services, physical recreational athletics, transportation, health services, recreational activities, special interests groups or clubs sponsored by the District, referrals to agencies that provide assistance to persons with disabilities, and employment of students. In providing or arranging for the provision of meals and recess periods, and non-academic and extracurricular services and activities, including those listed above, the District will verify that persons with disabilities participate with persons without disabilities in such services and activities to the maximum extent appropriate.

Notice

Notice of the Board's policy on nondiscrimination in education practices and the identity of the District's Compliance Officer(s) will be published on the District's website, posted throughout the District, and included in the District's recruitment statements or general information publications.

Complaint Procedures

If a person believes that s/he has been discriminated against on the basis of his/her disability, the person may utilize the following complaint procedures as a means of reaching, at the lowest possible administrative level, a prompt and equitable resolution of the matter:

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), parents and students will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation, or misapplication of Section 504. In addition, students and their parents will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights. Finally, students and parents will be advised of their right to request a due process hearing before an Impartial Hearing Officer (IHO) regarding the identification, evaluation, or educational placement of persons with disabilities, including the right to participation by the student's parents or guardian and representation of counsel, and their right to examine relevant education records.

Internal complaints and requests for due process hearings must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint or the request for a hearing, and offer possible solutions to the dispute. The complaint or request for due process hearing must be filed with a District Compliance Officer within specified time limits. The District's Compliance Officer(s) is available to assist individuals in filing a complaint or request.

Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday - Friday, excluding State-recognized holidays).

Internal Complaint Procedures

An internal complaint may be filed by a student and/or parent. A student and/or parent may initiate the internal complaint procedure when s/he/they believe that a violation, misapplication, or misinterpretation of Section 504 has occurred. Additionally, the following procedure may be used for any disagreement with respect to actions regarding the identification, evaluation, or educational program or placement of students who are identified as disabled or believed to be disabled pursuant to Section 504 and are not eligible under the IDEA, except in the case of disciplinary actions where the provisions

of the Student Code of Conduct apply. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights or requesting a due process hearing.

Step 1

Investigation by the Building Compliance Officer: A student or parent may initiate an investigation by filing a written internal complaint with the Building Compliance Officer. The complaint should fully describe the circumstances giving rise to the dispute and how the child is adversely affected. The complaint must be filed as soon as possible, but not longer than thirty (30) days after disclosure of the facts giving rise to the complaint. The Building Compliance Officer shall conduct an impartial investigation of the complaint. As part of the investigation, the Building Compliance Officer shall permit the complainant to present witnesses and other evidence in support of the complaint. The investigation shall be completed within fifteen (15) days of the written complaint being filed. The Building Compliance Officer will notify the complainant in writing of his/her decision.

Step 2

Appeal to the District Compliance Officer: If the complaint is not resolved satisfactorily at Step 1, the student or parent may appeal the Building Compliance Officer's decision in writing to the District Compliance Officer. The appeal must be made within five (5) days following receipt of the Building Compliance Officer's decision. The District Compliance Officer will review the case, may conduct an informal hearing, and will notify all parties in writing of his/her decision within ten (10) days of receiving the appeal.

Step 3

If the complaint is not resolved satisfactorily at Step 2, the student or parent may request a due process hearing, provided the complaint involves an issue related to the identification, evaluation, or placement of the student.

If it is determined that the Complainant was subjected to unlawful discrimination, the Building and District Compliance Officers must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

OCR Complaint

At any time, if a student or parent believes that s/he has been subjected to discrimination based upon his/her disability in violation of Section 504 or the ADA, the individual may file a complaint with the U.S. Department of Education's Office for Civil Rights ("OCR"). The OCR can be reached at:

Except in extraordinary circumstances, the OCR does not review the result of individual placement and other educational decisions, so long as the District complies with the "process" requirements of Subpart D of Section 504.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by Section 504 or the ADA, or because that individual made a report, formal complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

2266 - NONDISCRIMINATION ON THE BASIS OF SEX IN EDUCATION PROGRAMS OR ACTIVITIES

Introduction

The Board of Education of the Crestwood School District (hereinafter referred to as "the Board" or "the District") does not discriminate on the basis of sex (including sexual orientation or gender identity), in its education programs or activities, and is required by Title IX of the Education Amendments Act of 1972, and its implementing regulations, not to discriminate in such a manner. The requirement not to discriminate in its education program or activity extends to admission and employment. The Board is committed to maintaining an education and work environment that is free from discrimination based on sex, including sexual harassment.

The Board prohibits Sexual Harassment that occurs within its education programs and activities. When the District has actual knowledge of Sexual Harassment in its education program or activity against a person in the United States, it shall promptly respond in a manner that is not deliberately indifferent.

Pursuant to its Title IX obligations, the Board is committed to eliminating Sexual Harassment and will take appropriate action when an individual is determined responsible for violating this policy. Board employees, students, Third Party vendors and contractors, guests, and other members of the School District community who commit Sexual Harassment are subject to the full range of disciplinary sanctions set forth in this policy. The Board will provide persons who have experienced Sexual Harassment ongoing remedies as reasonably necessary to restore or preserve access to the District's education programs and activities.

Coverage

This policy applies to Sexual Harassment that occurs within the District's education programs and activities and that is committed by a member of the School District community or a Third Party.

This policy does not apply to Sexual Harassment that occurs off school grounds, in a private setting, and outside the scope of the District's education programs and activities; such Sexual Misconduct/Sexual Activity may be prohibited by the Student Code of Conduct if committed by a student, or by Board policies and administrative guidelines, applicable State and/or Federal laws, and/or Employee/Administrator Handbook(s) if committed by a Board employee.

Consistent with the U.S. Department of Education's implementing regulations for Title IX, this policy does not apply to Sexual Harassment that occurs outside the geographic boundaries of the United States, even if the Sexual Harassment occurs in the District's education programs or activities. Sexual Harassment that occurs outside the geographic boundaries of the United States is governed by the Student Code of Conduct if committed by a student, or by Board policies and administrative guidelines, applicable State and/or Federal laws, and/or Employee/Administrator Handbook(s) if committed by a Board employee.

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Sexual Harassment: "Sexual Harassment" means conduct on the basis of sex that satisfies one (1) or more of the following:

- A. A Board employee conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct (often called "*quid pro quo*" harassment);
- B. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, **and** objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
- C. "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)A(v), or "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30).

"Sexual assault" means any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent, and the "nonforcible" sex offenses of Incest and Statutory Rape. Sexual assault includes rape, sodomy, sexual assault with an object, **fondling criminal sexual contact (f.k.a. fondling)**, incest, and statutory rape.

1. *Rape* is the carnal knowledge of a person (i.e., penetration, no matter how slight, of the genital or anal opening of a person), without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.
2. *Sodomy* is oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.
3. *Sexual Assault with an Object* is using an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. An "object" or "instrument" is anything used by the offender other than the offender's genitalia.
4. **Fondling is the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. Incest is sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by State law. Criminal Sexual Contact (f.k.a. Fondling) is the intentional touching of the clothed or unclothed body parts, without consent, of the victim for the purpose of sexual degradation, sexual gratification, or sexual humiliation; or the forced touching by the victim of the other individual's clothed or unclothed body parts, without consent of the victim, for the purpose of sexual degradation, sexual gratification, or sexual humiliation. This includes instances where the victim is incapable of giving consent because of age or incapacity due to temporary or permanent mental or physical impairment or intoxication for the purpose of sexual degradation, sexual gratification, or sexual humiliation.**
5. *Statutory Rape* is sexual intercourse with a person who is under the statutory age of consent as defined by State law.

6. *Consent* refers to words or actions that a reasonable person would understand as agreement to engage in the sexual conduct at issue. A person may be incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. A person who is incapacitated is not capable of giving consent.
7. *Incapacitated* refers to the state where a person does not understand and/or appreciate the nature or fact of sexual activity due to the effect of drugs or alcohol consumption, medical condition, disability, or due to a state of unconsciousness or sleep.

D. "Domestic violence" includes felony or misdemeanor crimes of violence committed by:

1. a current or former spouse or intimate partner of the victim;
2. a person with whom the victim shares a child in common;
3. a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner;
4. a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime occurred; or
5. any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime occurred.

E. "Dating violence" means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

F. "Stalking" means engaging in a course of conduct directed at a specific person that would cause a reasonable person to – (1) fear for the person's safety or the safety of others; or (2) suffer substantial emotional distress.

Complainant: "Complainant" means an individual who is alleged to be the victim of conduct that could constitute Sexual Harassment.

Respondent: "Respondent" means an individual who has been reported to be the perpetrator of conduct that could constitute Sexual Harassment.

Formal Complaint: "Formal Complaint" means a document filed by a Complainant or signed by the Title IX Coordinator alleging Sexual Harassment against a Respondent and requesting that the District investigate the allegation(s) of Sexual Harassment. At the time of filing a Formal Complaint with the District, a Complainant must be participating in or attempting to participate in the District's education program or activity. A "document filed by a complainant" means a document or electronic submission (such as by electronic mail or through an online portal that the Board provides for this purpose) that contains the Complainant's physical or digital signature, or otherwise indicates that the Complainant is the person filing the Formal Complaint. Where the Title IX Coordinator signs a Formal Complaint, the Title IX Coordinator is not a Complainant or a party to the Formal Complaint and must not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

Actual Knowledge: "Actual knowledge" means notice of Sexual Harassment or allegations of Sexual Harassment to the District's Title IX Coordinator, or any District official who has the authority to institute corrective measures on behalf of the Board, or any Board employee. The mere ability or obligation to report Sexual Harassment or to inform a student about how to report Sexual Harassment, or having been trained to do so, does not qualify an individual as one who has the authority to institute corrective measures on behalf of the District. "Notice" includes, but is not limited to, a report of Sexual Harassment to the Title IX Coordinator. This standard is not met when the only District official with actual knowledge is the Respondent.

Supportive Measures: "Supportive measures" means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or the Respondent before or after the filing of a Formal Complaint or where no Formal Complaint has been filed. Such measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment or deter Sexual Harassment. Supportive measures may include counselling, extensions of deadlines or other course-related adjustments,

modifications of work or class schedules, school/campus escort services, mutual restrictions of contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus (including school buildings and facilities), and other similar measures.

Education Program or Activity: "Education program or activity" refers to all operations of the District, including but not limited to in-person and online educational instruction, employment, extracurricular activities, athletics, performances, and community engagement and outreach programs. The term applies to all activity that occurs on school grounds or on other property owned or occupied by the Board. It also includes locations, events, and circumstances that take place off-school property/grounds over which the Board exercises substantial control over both the Respondent and the context in which the Sexual Harassment occurs.

School District community: "School District community" refers to students and Board employees (i.e., administrators, and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties: "Third Parties" include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Inculpatory Evidence: "Inculpatory evidence" is evidence that tends to establish a Respondent's responsibility for alleged Sexual Harassment.

Exculpatory Evidence: "Exculpatory evidence" is evidence that tends to clear or excuse a Respondent from allegations of Sexual Harassment.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Eligible Student: "Eligible Student" means a student who has reached eighteen (18) years of age or is attending an institution of postsecondary education.

Title IX Coordinator(s)

The Board of Education designates and authorizes the following individual(s) to oversee and coordinate its efforts to comply with Title IX and its implementing regulations:

Student Services Specialist
~~27235 Joy Road~~ 1045 N. Gulley Rd
Dearborn Heights, MI 48127

Coordinator of Policy & Student Accounting
~~27235 Joy Road~~ 1045 N. Gulley Rd
Dearborn Heights, MI 48127

The Title IX Coordinator shall report directly to the Superintendent. Questions about this policy should be directed to the Title IX Coordinator.

The Superintendent shall notify applicants for admission and employment, students, parents or legal guardians of elementary and secondary school students, Board employees, and all unions or professional organizations holding collective bargaining or professional agreements with the Board of the following information:

The Board of Education of the Crestwood School District does not discriminate on the basis of sex in its education program or activity and is required by Title IX and its implementing regulations not to discriminate in such a manner. The requirement not to discriminate in its education program or activity extends to admission and employment. The District's Title IX Coordinator(s) is/are:

Student Services Specialist
~~27235 Joy Road~~ 1045 N. Gulley Rd
Dearborn Heights, MI 48127

Coordinator of Policy & Student Accounting
~~27235 Joy Road~~ 1045 N. Gulley Rd
Dearborn Heights, MI 48127

Any inquiries about the application of Title IX and its implementing regulations to the District may be referred to the Title IX Coordinator(s), the Assistant Secretary for the U.S. Department of Education's Office for Civil Rights, or both.

The Board has adopted a grievance process that provides for the prompt and equitable resolution of student and employee complaints alleging any action that is prohibited by Title IX and/or its implementing regulations. The grievance process is included in Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, which is available at: www.csdm.k12.mi.us. The grievance process specifically addresses how to report or file a complaint of sex discrimination, how to report or file a formal complaint of Sexual Harassment, and how the District will respond.

The Superintendent shall also prominently display the Title IX Coordinator's(s') contact information - including name(s) and/or title(s), phone number(s), office address(es), and e-mail address(es) - and this policy on the District's website and in each handbook or catalog that the Board makes available to applicants for admission and employment, students, parents or legal guardians of elementary and secondary school students, Board employees, and all unions or professional organizations holding collective bargaining or professional agreements.

Grievance Process

The Board is committed to promptly and equitably resolving student and employee complaints alleging Sexual Harassment. The District's response to allegations of Sexual Harassment will treat Complainants and Respondents equitably, including providing supportive measures to the Complainant and Respondent, as appropriate, and following this Grievance Process before imposition of any disciplinary sanctions or other actions, other than supportive measures, against the Respondent.

The Title IX Coordinator(s), along with any investigator(s), decision-maker(s), or any person(s) designated to facilitate an informal resolution process, shall not have a conflict of interest or bias for or against Complainants or Respondents generally or an Individual Complainant or Respondent.

If a determination of responsibility for Sexual Harassment is made against the Respondent, the Board will provide remedies to the Complainant. The remedies will be designed to restore or preserve equal access to the District's education program or activity. Potential remedies include, but are not limited to, individualized services that constitute supportive measures. Remedies may also be disciplinary or punitive in nature and may burden the Respondent.

Report of Sexual Discrimination/Harassment

Any person may report sex discrimination, including Sexual Harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or Sexual Harassment), in person, by mail, by telephone, or by electronic mail, using the Title IX Coordinator's(s') contact information listed above, or by any other means that results in the Title IX Coordinator receiving the person's oral or written report. Reports may be made at any time (including during non-business hours), by using the telephone number(s) or electronic mail address(es), or by mail to the office address(es), listed for the Title IX Coordinator(s).

Students, Board members, and Board employees are required, and other members of the School District community and Third Parties are encouraged, to report allegations of sex discrimination or Sexual Harassment promptly to the/a Title IX Coordinator or to any Board employee, who will, in turn, notify the/a Title IX Coordinator. Reports can be made orally or in writing and should be as specific as possible. The person making the report should, to the extent known, identify the alleged victim(s), perpetrator(s), and witness(es), and describe in detail what occurred, including date(s), time(s), and location(s).

If a report involves allegations of Sexual Harassment by or involving the Title IX Coordinator, the person making the report should submit it to the Superintendent, or another Board employee who, in turn, will notify the Superintendent of the report. The Superintendent will then serve in place of the Title IX Coordinator for purposes of addressing that report of Sexual Harassment.

The Board does business with various vendors, contractors, and other Third Parties who are not students or employees of the Board. Notwithstanding any rights that a given vendor, contractor, or Third Party Respondent may have under this policy, the Board retains the right to limit any vendor's, contractor's, or Third Party's access to school grounds for any reason. The Board further retains all rights it enjoys by contract or law to terminate its relationship with any vendor, contractor, or Third Party irrespective of any process or outcome under this policy.

A person may file criminal charges simultaneously with filing a Formal Complaint. A person does not need to wait until the Title IX investigation is completed before filing a criminal complaint. Likewise, questions or complaints relating to Title IX may be filed with the U.S. Department of Education's Office for Civil Rights at any time.

Any allegations of Sexual Misconduct/Sexual Activity not involving Sexual Harassment will be addressed through the procedures outlined in Board policies and/or administrative guidelines, the applicable Student Code of Conduct, applicable collective bargaining agreement, and/or Employee/Administrator Handbook.

Because the Board is considered to have actual knowledge of Sexual Harassment or allegations of Sexual Harassment if any Board employee has such knowledge, and because the Board must take specific actions when it has notice of Sexual Harassment or allegations of Sexual Harassment, a Board employee who has independent knowledge of or receives a report involving allegations of sex discrimination and/or Sexual Harassment must notify the/a Title IX Coordinator within two (2) days of learning the information or receiving the report. The Board employee must also comply with mandatory reporting responsibilities pursuant to M.C.L. 722.623 and Policy 8462 – Student Abuse and Neglect, if applicable. If the Board employee's knowledge is based on another individual bringing the information to the Board employee's attention and the reporting individual submitted a written complaint to the Board employee, the Board employee must provide the written complaint to the Title IX Coordinator.

If a Board employee fails to report an incident of Sexual Harassment of which the Board employee is aware, the Board employee may be subject to disciplinary action, up to and including termination.

When a report of Sexual Harassment is made, the Title IX Coordinator shall promptly within five (5) days of the Title IX Coordinator's receipt of the report of Sexual Harassment) contact the Complainant (including the parent/guardian if the Complainant is under eighteen (18) years of age or under guardianship) to discuss the availability of supportive measures, consider the Complainant's wishes with respect to supportive measures, inform the Complainant of the availability of supportive measures with or without the filing of a Formal Complaint, and explain to the Complainant the process for filing a Formal Complaint. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures. Any supportive measures provided to the Complainant or Respondent shall be maintained as confidential, to the extent that maintaining such confidentiality will not impair the ability of the District to provide the supportive measures.

Emergency Removal: Subject to limitations and/or procedures imposed by State and/or Federal law, the District may remove a student Respondent from its education program or activity on an emergency basis after conducting an individualized safety and risk analysis. The purpose of the individualized safety and risk analysis is to determine whether the student Respondent poses an immediate threat to the physical health or safety of any student or other individual arising from the allegations of Sexual Harassment that justifies removal. If the District determines the student Respondent poses such a threat, it will so notify the student Respondent and the student Respondent will have an opportunity to challenge the decision immediately following the removal. See Policy 5610 – Emergency Removal, Suspension, and Expulsion of Students and Policy 5611 – Due Process Rights.

If the Respondent is a non-student employee, the District may place the Respondent on administrative leave during the pendency of the grievance process.

For all other Respondents, including other members of the School District community and Third Parties, the Board retains broad discretion to prohibit such persons from entering onto its school grounds and other properties at any time and for any reason, whether after receiving a report of Sexual Harassment or otherwise.

Formal Complaint of Sexual Harassment

A Formal Complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information set forth above. If a Formal Complaint involves allegations of Sexual Harassment by or involving the Title IX Coordinator, the Complainant should submit the Formal Complaint to the Superintendent, who will designate another person to serve in place of the Title IX Coordinator for the limited purpose of implementing the grievance process with respect to that Formal Complaint.

When the Title IX Coordinator receives a Formal Complaint or signs a Formal Complaint, the District will follow its Grievance Process, as set forth herein. Specifically, the District will undertake an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations will not be based on a person's status as a Complainant, Respondent, or witness.

It is a violation of this policy for a Complainant(s), Respondent(s), and/or witness(es) to knowingly make false statements or knowingly submit false information during the grievance process, including intentionally making a false report of Sexual Harassment or submitting a false Formal Complaint. The Board will not tolerate such conduct, which is a violation of the Student Code of Conduct and the Employee/Administrator Handbook.

The Respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

Complainant can also fill out online form on www.csdmi.org under Title IX Tab.

Timeline

The District will seek to conclude the grievance process, including resolving any appeals, within sixty (60) days of receipt of the Formal Complaint.

If the Title IX Coordinator offers informal resolution processes, the informal resolution processes may not be used by the Complainant or Respondent to unduly delay the investigation and determination of responsibility. The timeline, however, may be subject to a temporary delay of the grievance process or a limited extension for good cause with written notice to the Complainant and the Respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; and the need for language assistance or accommodation of disabilities.

Upon receipt of a Formal Complaint, the Title IX Coordinator will provide written notice of the following to the parties who are known:

- A. Notice of the Board's grievance process, including any informal resolution processes;
- B. Notice of the allegations of misconduct that potentially constitutes Sexual Harassment as defined in this policy, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting Sexual Harassment, and the date and location of the alleged incident, if known. The written notice must:
 1. include a statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility will be made at the conclusion of the grievance process;
 2. inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence;
 3. inform the parties of any provision in the Student Code of Conduct, this policy, and/or Employee/Administrator Handbook that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If, during the course of the investigation, the investigator becomes aware of allegations about the Complainant or Respondent that are not included in the original notice provided to the parties, the investigator will notify the Title IX Coordinator and the Title IX Coordinator will decide whether the investigator should investigate the additional allegations; if the Title IX Coordinator decides to include the new allegations as part of the investigation, the Title IX Coordinator will provide notice of the additional allegations to the parties whose identities are known.

Dismissal of a Formal Complaint

The District shall investigate the allegations in a Formal Complaint, *unless* the conduct alleged in the Formal Complaint:

- A. would not constitute Sexual Harassment (as defined in this policy) even if proved;
- B. did not occur in the District's education program or activity; or
- C. did not occur against a person in the United States.

If one (1) of the preceding circumstances exist, the Title IX Coordinator *shall* dismiss the Formal Complaint. If the Title IX Coordinator dismisses the Formal Complaint due to one (1) of the preceding reasons, the District may still investigate and take action with respect to such alleged misconduct pursuant to another provision of an applicable code of conduct, Board policy, and/or Employee/Administrator Handbook.

The Title IX Coordinator *may* dismiss a Formal Complaint, or any allegations therein, if at any time during the investigation:

- A. a Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the Formal Complaint or any allegations therein;
- B. the Respondent is no longer enrolled in the District or employed by the Board; or
- C. specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the Formal Complaint or allegations therein.

If the Title IX Coordinator dismisses a Formal Complaint or allegations therein, the Title IX Coordinator must promptly send written notice of the dismissal and the reason(s) therefor simultaneously to the parties.

Consolidation of Formal Complaints

The Title IX Coordinator may consolidate Formal Complaints as to allegations of Sexual Harassment against more than one (1) Respondent, or by more than one (1) Complainant against one (1) or more Respondents, or by one (1) party against the other party, where the allegations of Sexual Harassment arise out of the same facts or circumstances.

Where a grievance process involves more than one (1) Complainant or more than one (1) Respondent, references in this policy to the singular "party," "Complainant," or "Respondent" include the plural, as applicable.

Informal Resolution Process

Under no circumstances shall a Complainant be required as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, to waive any right to an investigation and adjudication of a Formal Complaint of Sexual Harassment. Similarly, no party shall be required to participate in an informal resolution process.

If a Formal Complaint is filed, the Title IX Coordinator may offer to the parties an informal resolution process. If the parties mutually agree to participate in the informal resolution process, the Title IX Coordinator shall designate a trained individual to facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication. The informal resolution process may be used at any time prior to the decision-maker(s) reaching a determination regarding responsibility.

If the Title IX Coordinator is going to propose an informal resolution process, the Title IX Coordinator shall provide to the parties a written notice disclosing:

- A. the allegations;
- B. the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a Formal Complaint arising from the same allegations; and
- C. any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

Any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the Formal Complaint.

Before commencing the informal resolution process, the Title IX Coordinator shall obtain from the parties their voluntary, written consent to the informal resolution process.

During the pendency of the informal resolution process, the investigation and adjudication processes that would otherwise occur have stayed and all related deadlines are suspended.

The informal resolution process is not available to resolve allegations that a Board employee or another adult member of the School District community or Third Party sexually harassed a student.

The informal resolution process is not available to resolve allegations involving a sexual assault involving a student Complainant and a student Respondent.

Investigation of a Formal Complaint of Sexual Harassment

In conducting the investigation of a Formal Complaint and throughout the grievance process, the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility is on the District, not the parties.

In making the determination of responsibility, the decision-maker(s) is/are directed to use the preponderance of the evidence standard. The decision-maker(s) is charged with considering the totality of all available evidence from all relevant sources.

The District is not permitted to access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity or assisting in that capacity, and which are made and maintained in connection with the

provision of treatment to the party, unless the party provides the District with voluntary, written consent to do so; if a student party is not an Eligible Student, the District must obtain the voluntary, written consent of a parent.

Similarly, the investigator(s) and decision-maker(s) may not require, allow, rely upon or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege in writing.

As part of the investigation, the parties have the right to:

- A. present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence; and
- B. have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney. The District may not limit the choice or presence of an advisor for either the Complainant or Respondent in any meeting or grievance proceeding.

Neither party shall be restricted in their ability to discuss the allegations under investigation or to gather and present relevant evidence.

The District will provide to a party whose participation is invited or expected written notice of the date, time, location, participants, and purpose of all investigative interviews, or other meetings, with sufficient time for the party to prepare to participate. The investigator(s) and decision-maker(s) must provide a minimum of three (3) days' notice with respect to investigative interviews and other meetings and one (1) day's notice with respect to hearings.

Both parties shall have an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the Formal Complaint, including the evidence upon which the District does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation.

Prior to completion of the investigative report, the Title IX Coordinator will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have at least ten (10) calendar days to submit a written response, which the investigator will consider prior to completion of the investigative report. The District will make all such evidence subject to the parties' inspection and review available at any hearing to give each party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination.

At the conclusion of the investigation, the investigator shall create an investigative report that fairly summarizes relevant evidence and send the report to each party and the party's advisor, if any, for their review and written response. The investigator will send the investigative report in an electronic format or a hard copy, at least ten (10) calendar days prior to the decision-maker(s) issuing a determination regarding responsibility.

Determination of Responsibility

The Title IX Coordinator shall appoint a decision-maker(s) to issue a determination of responsibility. The decision-maker(s) cannot be the same person(s) as the Title IX Coordinator(s) or the investigator(s).

After the investigator sends the investigative report to the parties and the decision-maker(s), and before the decision-maker(s) reaches a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant.

Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant.

If the decision-maker(s) decides not to conduct a hearing, the decision-maker(s) will state in writing the reason for not conducting a hearing and provide that explanation to the parties. Additionally, before the decision-maker(s) reaches a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written,

relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant.

If the decision-maker(s) elects to conduct a hearing, the hearing will proceed as follows:

At the hearing, the decision-maker(s) will allow each party or each party's advisor to submit relevant questions to the decision-maker(s) who will ask the questions to the other party and any witnesses. Before a Complainant, Respondent, or witness answers a cross-examination or other question, the decision-maker(s) must first determine whether the question is relevant and explain any decision to exclude a question as not relevant. Only relevant cross-examination and other questions, including follow-up questions and questions challenging credibility, will be permitted. Such cross-examination and questioning at the live hearing shall be conducted orally and in real time.

Determination regarding responsibility: The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker(s) must apply the preponderance of the evidence standard.

The written determination will include the following content:

- A. Identification of the allegations potentially constituting Sexual Harassment pursuant to this policy;
- B. a description of the procedural steps taken from the receipt of the Formal Complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, [and] methods used to gather other evidence;
- C. findings of fact supporting the determination;
- D. conclusions regarding the application of the applicable code of conduct to the facts;
- E. a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the decision-maker(s) is recommending that the District impose on the Respondent(s), and whether remedies designed to restore or preserve equal access to the District's education program or activity should be provided by the District to the Complainant(s); and
- F. the procedures and permissible bases for the Complainant(s) and Respondent(s) to appeal.

The following disciplinary sanctions/consequences may be imposed on a student Respondent who is determined responsible for violating this policy (i.e., engaging in Sexual Harassment):

A. Informal Discipline

1. changing of seating or location;
2. pre-school, lunchtime, after-school detention;
3. in-school discipline.

B. Formal Discipline

1. suspension of bus riding/transportation privileges;
2. removal from co-curricular and/or extra-curricular activity(ies), including athletics;
3. emergency removal;
4. suspension for up to ten (10) school days;
5. long-term suspension or expulsion;
6. any other sanction authorized by the Student Code of Conduct.

If the decision-maker(s) determines the student Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including disciplinary sanctions/consequences. The Title IX Coordinator will notify the Superintendent of the recommended remedies, so an authorized administrator can consider the recommendation(s) and implement an appropriate remedy(ies) in compliance with Policy 5600 – Student

Discipline, Policy 5605 – Suspension/Expulsion of Students with Disabilities, Policy 5610 – Emergency Removal, Suspension, and Expulsion of Students, Policy 5610.02 - In-School Discipline, and Policy 5611 – Due Process Rights. Discipline of a student Respondent must comply with the applicable provisions of the Individuals with Disabilities Education Improvement Act (IDEA) and/or Section 504 of the Rehabilitation Act of 1972, and their respective implementing regulations.

The following disciplinary sanctions/consequences may be imposed on an employee Respondent who is determined responsible for violating this policy (i.e., engaging in Sexual Harassment):

- A. written reprimands;
- B. performance improvement plan;
- C. required counseling;
- D. required training or education;
- E. suspension without pay;
- F. termination, and any other sanction authorized by any applicable Employee/Administrator Handbook and/or collective bargaining agreement.

If the decision-maker(s) determines the employee Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including disciplinary sanctions/consequences. The Title IX Coordinator will notify the Superintendent of the recommended remedies, so an authorized administrator can consider the recommendation(s) and implement an appropriate remedy(ies) in compliance with applicable due process procedures, whether statutory or contractual.

Discipline of an employee will be implemented in accordance with Federal and State law, Board policy, and applicable provisions of any relevant collective bargaining agreement.

The following disciplinary sanctions/consequences may be imposed on a non-student/non-employee member of the School District community or Third Party who is determined responsible for violating this policy (i.e., engaging in Sexual Harassment):

- A. suspension or termination/cancellation of the Board's contract with the Third Party vendor or contractor;
- B. restriction/prohibition on the Third Party ability to be on school property; and
- C. any combination of the same.

If the decision-maker(s) determines the Third Party Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including the imposition of sanctions. The Title IX Coordinator will notify the Superintendent of the recommended remedies, so appropriate action can be taken.

The decision-maker(s) will provide the written determination to the Title IX Coordinator who will provide the written determination to the parties simultaneously.

In ultimately imposing a disciplinary sanction/consequence, the Superintendent will consider the severity of the incident, previous disciplinary violations (if any), and any mitigating circumstances.

The District's resolution of a Formal Complaint ordinarily will not be impacted by the fact that criminal charges involving the same incident have been filed or that charges have been dismissed or reduced.

At any point in the grievance process, the Superintendent may involve local law enforcement and/or file criminal charges related to allegations of Sexual Harassment that involve a sexual assault.

The Title IX Coordinator is responsible for the effective implementation of any remedies.

Appeal

Both parties have the right to file an appeal from a determination regarding responsibility, or from the Title IX Coordinator's dismissal of a Formal Complaint or any allegations therein, on the following bases:

- A. Procedural irregularity that affected the outcome of the matter (e.g., material deviation from established procedures);
- B. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
- C. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against Complainants or Respondents generally or the Individual Complainant(s) or Respondent(s) that affected the outcome of the matter.
- D. The recommended remedies (including disciplinary sanctions/consequences) are unreasonable in light of the findings of fact (i.e., the nature and severity of the Sexual Harassment).

Any party wishing to appeal the decision-maker's(s') determination of responsibility, or the Title IX Coordinator's dismissal of a Formal Complaint or any allegations therein, must submit a written appeal to the Title IX Coordinator within three (3) days after receipt of the decision-maker's(s') determination of responsibility or the Title IX Coordinator's dismissal of a Formal Complaint or any allegations therein.

Nothing herein shall prevent the Superintendent from implementing appropriate remedies, however, excluding disciplinary sanction, while the appeal is pending.

As to all appeals, the Title IX Coordinator will notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties.

The decision-maker(s) for the appeal shall not be the same person(s) as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the Investigator(s), or the Title IX Coordinator(s). The decision-maker(s) for the appeal shall not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant(s) or Respondent(s) and shall receive the same training as required of other decision-makers.

Both parties shall have a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome.

The parties' written statements in support of, or challenging, the determination of responsibility must be submitted within five (5) days after the Title IX Coordinator provides notice to the non-appealing party of the appeal.

The decision-maker(s) for the appeal shall issue a written decision describing the result of the appeal and the rationale for the result. The original decision-maker's(s') determination of responsibility will stand if the appeal request is not filed in a timely manner or the appealing party fails to show clear error and/or a compelling rationale for overturning or modifying the original determination. The written decision will be provided to the Title IX Coordinator who will provide it simultaneously to both parties. The written decision will be issued within five (5) days of when the parties' written statements were submitted.

The determination of responsibility associated with a Formal Complaint, including any recommendations for remedies/disciplinary sanctions, becomes final when the time for filing an appeal has passed or, if an appeal is filed, at the point when the decision-maker(s) for the appeal's decision is delivered to the Complainant and the Respondent.

Retaliation

Neither the Board nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or Sexual Harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or Formal Complaint of Sexual Harassment, for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, constitutes retaliation. Retaliation against a person for making a report of Sexual Harassment, filing a Formal Complaint, or participating in an investigation and/or hearing is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Complaints alleging retaliation may be filed according to the grievance process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Confidentiality

The District will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a Formal Complaint of Sexual Harassment, any Complainant, any individual who has been reported to be the perpetrator of sex discrimination, any Respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the District's obligation to maintain confidentiality shall not impair or otherwise affect the Complainant's and Respondent's receipt of the information to which they are entitled related to the investigative record and determination of responsibility).

Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution. In no case will a Respondent be found to have committed Sexual Harassment based on expressive conduct that is protected by the First Amendment.

Training

The District's Title IX Coordinator, along with any Investigator(s), decision-maker(s), or person(s) designated to facilitate an informal resolution process, must receive training on:

- A. the definition of Sexual Harassment (as that term is used in this policy);
- B. the scope of the District's education program or activity;
- C. how to conduct an investigation and implement the grievance process, appeals, and informal resolution processes, as applicable; and
- D. how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interests, and bias.

All Board employees will be trained concerning their legal obligation to report Sexual Harassment to the Title IX Coordinator. This training will include practical information about how to identify and report Sexual Harassment.

Recordkeeping

As part of its response to alleged violations of this policy, the District shall create, and maintain for a period of seven (7) calendar years, records of any actions, including any supportive measures, taken in response to a report or Formal Complaint of Sexual Harassment. In each instance, the District shall document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the District's education program or activity. If the District does not provide a Complainant with supportive measures, then the District will document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the District in the future from providing additional explanations or detailing additional measures taken.

The District shall maintain for a period of seven (7) calendar years the following records:

- A. each Sexual Harassment investigation including any determination regarding responsibility, any disciplinary sanctions recommended and/or imposed on the Respondent(s), and any remedies provided to the Complainant(s) designed to restore or preserve equal access to the District's education program or activity;
- B. any appeal and the result therefrom;
- C. any informal resolution and the result therefrom; and
- D. all materials used to train Title IX Coordinators, Investigators, decision-makers, and any person who facilitates an informal resolution process.

The District will make its training materials publicly available on its website. If a person is unable to access the District's website, the Title IX Coordinator will make the training materials available upon request for inspection by members of the public.

Outside Appointments, Dual Appointments, and Delegations

The Board retains discretion to appoint suitably qualified persons who are not Board employees to fulfill any function of the Board under this policy, including, but not limited to, Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor.

The Board also retains discretion to appoint two (2) or more persons to jointly fulfill the role of Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor.

The Superintendent may delegate functions assigned to a specific Board employee under this policy including, but not limited to, the functions assigned to the Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor to any suitably qualified individual and such delegation may be rescinded by the Superintendent at any time.

Discretion in Application

The Board retains discretion to interpret and apply this policy in a manner that is not clearly unreasonable, even if the Board's interpretation or application differs from the interpretation of any specific Complainant and/or Respondent.

Despite the Board's reasonable efforts to anticipate all eventualities in drafting this policy, it is possible unanticipated or extraordinary circumstances may not be specifically or reasonably addressed by the express policy language, in which case the Board retains discretion to respond to the unanticipated or extraordinary circumstance in a way that is not clearly unreasonable.

The provisions of this policy are not contractual in nature, whether in their own right, or as part of any other express or implied contract. Accordingly, the Board retains discretion to revise this policy at any time, and for any reason. The Board may apply policy revisions to an active case provided that doing so is not clearly unreasonable.

2412 - HOMEBOUND INSTRUCTION PROGRAM

The Board of Education shall provide, pursuant to requirements of the State Board of Education, individual instruction to students of legal school age who are not able to attend classes because of a physical or emotional disability.

~~Applications for individual instruction shall be made by a physician or physician's assistant (licensed to practice in this State), parent, student, or other care giver. A physician or physician's assistant must~~ A physician, psychiatrist, hospital (e.g. psychiatric hospitals), or licensed treatment facility (e.g. substance abuse centers) must certify the student as homebound or hospitalized. Psychologists, chiropractors, or other professionals may not certify a student as eligible. The certification must state:

- A. ~~certify the nature and existence of a medical condition;~~
- B. ~~state the probable duration of the confinement;~~
- C. ~~request such instruction;~~
- D. ~~present evidence of the student's ability to participate in an educational program;~~
- E. the medical condition requires the student to be confined to home or hospitalized during regular school hours;
- F. the home or hospital confinement will last for a period longer than five (5) consecutive school days; and
- G. must bear the signature of an M.D. or a D.O. if the student was seen by a physician's assistant or nurse practitioner.

Applications must be approved by the Director of Special Services or Designee.

~~The District will provide homebound instruction only for those confinements expected to last at least five (5) days.~~

The District shall recommend that the instruction begin within three (3) days from the date of notification for nonspecial-education students. In the case of students under an IEP, the instruction is to begin within fifteen (15) days after notification in order to arrange for a meeting of an I.E.P.C., if necessary.

The program of homebound or hospitalized instruction given each student shall be in accordance with regulations of the State Board of Education with such exceptions as may be recommended by the physician. Teachers of homebound special education students shall hold a Michigan teaching certificate appropriate for the level of instruction for which the assignment is made or for the type of instruction called for by an I.E.P.C. Teachers of nondisabled students must hold a valid teaching certificate.

The District reserves the right to withhold recommendation for homebound instruction when:

- A. the instructor's presence in the place of a student's confinement presents a hazard to the health of the teacher;

B. a parent or other adult in authority is not at home with the student during the hours of instruction;

C. the condition of the student is such as to preclude his/her benefit from such instruction.

Streamlined Policy

Replacement Policy - Vol. 40, No. 1

40-1-22 - NONDISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITY, AND ANTI-HARASSMENT

The Board of Education does not discriminate on the basis of race, color, national origin, sex (including pregnancy, childbirth, and related medical conditions; sexual orientation; and gender identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category (collectively, Protected Classes) in its programs and activities, including employment opportunities.

The Board is committed to providing a work environment that is free from Prohibited Conduct, responding promptly and effectively when it has knowledge of conduct that reasonably may constitute Prohibited Conduct, and addressing Prohibited Conduct in its education programs or activities. This commitment applies to all District operations and this policy applies to Prohibited Conduct occurring within or as a part of the District's education programs and activities, whether on school property or at another location during an activity sponsored by the Board.

Persons who commit Prohibited Conduct are subject to the full range of disciplinary sanctions set forth in this policy.

The Board will provide persons who have experienced Prohibited Conduct with ongoing remedies as reasonably necessary to restore or preserve access to the District's education programs or activities.

All school employees share responsibility for avoiding, discouraging, and reporting any form of Prohibited Conduct.

The Board will take immediate action to address the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging Prohibited Conduct, or has participated in the below-described grievance procedures.
- B. Filing a malicious or knowingly false report or complaint of Prohibited Conduct.
- C. Disregarding, failing to appropriately address, or delaying action to appropriately address allegations of Prohibited Conduct when responsibility for reporting and/or investigating such charges comprises part of one's administrative/supervisory duties.

Definitions:

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Bullying means: any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult, that is sufficiently severe or pervasive to create an intimidating, hostile, or offensive work environment; or unreasonably interfere with the individual's work performance or participation. It may involve: (a) threats; (b) intimidation; (c) stalking; (d) cyberstalking; (e) cyberbullying; (f) physical violence; (g) theft; (h) sexual, religious, or racial harassment; (i) public humiliation; or (j) destruction of property. Bullying rises to the level of unlawful harassment when one (1) or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more employees, and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal and/or State civil rights laws. Ordinary teasing, horseplay, arguments, and peer conflict do not constitute bullying for purposes of this policy.

Complainant means: an employee who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or a person, other than an employee, who is alleged to have been subjected to conduct that could constitute Prohibited Conduct and who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

Complaint means: an oral or written request to the District that objectively can be understood as a request for the District to investigate and make a determination about alleged Prohibited Conduct.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., days that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Disciplinary sanctions means: consequences imposed on a respondent following a determination that the respondent engaged in Prohibited Conduct.

Education programs or activities refer to: all the District's operations including, but not limited to, in-person and online/remote educational instruction, employment, extracurricular activities, athletics, performances, and community engagement and outreach programs. The term applies to all programs and activities operated by the Board on school grounds or on other property owned or occupied by the Board. It also includes events and circumstances that take place off school property/grounds but over which the District asserts disciplinary authority (e.g., at off-campus activities sponsored by the Board).

Exculpatory evidence means: evidence that is favorable to a respondent because it helps excuse, justify, or absolve a respondent of alleged wrongdoing and tends to establish that a respondent did not engage in Prohibited Conduct.

Genetic information means: information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

Harassment means: any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal, or physical conduct directed against an employee that (a) places the employee in reasonable fear of harm to their person or damage to their property; (b) has the effect of substantially interfering with the employee's work performance; or (c) has the effect of substantially disrupting the orderly operation of a school. Each of the following types of harassment involves unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's protected characteristic(s) and has the purpose or effect of interfering with the individual's work performance or creating an intimidating, hostile, or offensive work environment.

- A. **Age Harassment** means: harassment based on negative perceptions about older workers. It also includes harassment based on stereotypes about older workers, even if they are not motivated by animus, such as pressuring an older employee to transfer to a job that is less technology-focused because of the perception that older workers are not well-suited to such work or encouraging an older employee to retire.
- B. **Disability Harassment** means: harassment based upon a person's disability and includes harassment based upon stereotypes about individuals with disabilities in general or about an individual's particular disability. It also includes harassment based on traits or characteristics linked to an individual's disability, such as how the person speaks, looks, or moves. For example, negative comments about an individual's speech patterns, movement, physical impairments, or defects/appearances, or the like. Disability-based harassment includes: (a) harassment because an individual requests or receives reasonable accommodation; (b) harassment because an individual is regarded as having an impairment, even if the individual does not have an actual disability, or a record of disability; (c) harassment because an individual has a record of a disability, even if the individual currently does not have a disability; and (d) harassment based on the disability of an individual with whom the employee is associated. Finally, disability-based harassment may occur where conduct is directed at or pertains to a person's genetic information.
- C. **National Origin/Ancestry Harassment** means: harassment due to a person's (or their ancestor's) place of origin. Such harassing conduct can include ethnic slurs or epithets, derogatory comments about individuals of a particular nationality, and use of stereotypes about a person's national origin. Additionally, it can include harassment regarding traits or characteristics linked to an individual's national origin, such as physical characteristics, ethnic or cultural characteristics or customs (e.g., surnames, attire, or diet), or linguistic characteristics (e.g., a person's manner of speaking, non-English language accent, or a lack of fluency in English).
- D. **Race/Color Harassment** means: unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's race or color and has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive work environment. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.
- E. **Religious (Creed) Harassment** means: harassment based on a person's surname, religion (including atheism or lack of religious belief), religious traditions and practices, or religious dress/clothing, and includes making offensive comments about the same. It also includes religious slurs or epithets, harassing conduct based on religious stereotypes, and harassment associated with a person's request for and/or receipt of religious accommodation. Religious harassment also involves explicitly or implicitly coercing an employee to engage in religious practices at work.
- F. **Sexual Harassment** means (for purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964): unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when: (a) submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment; (b) submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (c) such conduct has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive working environment. Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

1. Sexual Harassment covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.
2. Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- a. Conduct of a sexualized nature, such as unwanted conduct expressing sexual attraction or involving sexual activity (e.g., unwelcome sexual propositions, invitations, solicitations, and flirtations; unwanted physical and/or sexual contact, including unwelcome and inappropriate touching, patting, or pinching (✖)); and obscene gestures [END OF OPTION].
- b. Sexual attention or sexual coercion, such as demands or pressure for sexual favors (e.g., threats or insinuations that a person's employment, wages, or other conditions of employment may be adversely affected by not submitting to sexual advances; giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship; leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin).
- c. Rape, sexual assault, or other acts of sexual violence.
- d. Discussing or displaying visual depictions of sex acts or sexual remarks (e.g., unwelcome verbal expressions of a sexual nature, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, texts, etc.; sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings or literature placed in the work environment; asking or telling about sexual fantasies, sexual preferences, or sexual activities; speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history).
- e. A consensual sexual relationship where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
- f. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.
- g. Non-sexual conduct based on sex, such as sex-based epithets; sexist comments (such as remarks that women do not belong in management or that men do not belong in the nursing profession); or facially sex-neutral offensive conduct motivated by sex (such as bullying directed toward employees of one sex).
- h. Harassment based on pregnancy, childbirth, or related medical condition, which may include issues pertaining to lactation, using or not using contraception, or deciding whether to have, or not to have, an abortion.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be objectively offensive (a reasonable person would find it hostile or abusive), subjectively offensive (the complainant actually perceived it as abusive), and either sufficiently severe (a single extremely serious incident) or pervasive (a pattern of behavior), such that it adversely affects, limits, or denies an individual's employment, or creates a hostile or abusive employment environment.

Inculpatory evidence means: evidence that links a respondent to alleged wrongdoing and tends to establish a respondent engaged in Prohibited Conduct (i.e., has culpability).

Military status means: a person's past, current, or future membership, service, or obligation in a uniformed service (e.g., Army, Marine Corps, Navy, Air Force, Space Force, Coast Guard, Public Health Service Commissioned Corps, and National Oceanic and Atmospheric Administration Commissioned Officer Corps). Service in the uniformed services also means the performance of duty, on a voluntary basis, or involuntary basis, in a uniformed service, under competent authority, and includes active duty, active duty for training, initial active duty for training, inactive duty for training, and full-time National Guard duty. It further includes the period of time for which a person is absent from employment for the purpose of an examination to determine the fitness of the person to perform any such duty as listed above.

Party means: a complainant or respondent.

Pregnancy, childbirth, or related medical conditions means:

- A. "Pregnancy" and "childbirth" refer to the pregnancy or childbirth of a specific employee and include, but are not limited to, current pregnancy; past pregnancy; potential or intended pregnancy (which can include infertility, fertility treatment, and the use of contraception); labor; and childbirth (including vaginal and cesarean delivery).

- B. "Related medical conditions" are medical conditions relating to the pregnancy or childbirth of a specific employee, and may include termination of pregnancy, including via miscarriage, stillbirth, or abortion; ectopic pregnancy; preterm labor; pelvic prolapse; nerve injuries; cesarean or perineal wound infection; maternal cardiometabolic disease; gestational diabetes; preeclampsia; HELLP (hemolysis, elevated liver enzymes and low platelets) syndrome; hyperemesis gravidarum; anemia; endometriosis; sciatica; lumbar lordosis; carpal tunnel syndrome; chronic migraines; dehydration; hemorrhoids; nausea or vomiting; edema of the legs, ankles, feet, or fingers; high blood pressure; infection; antenatal (during pregnancy) anxiety, depression, or psychosis; postpartum depression, anxiety, or psychosis; frequent urination; incontinence; loss of balance; vision changes; varicose veins; changes in hormone levels; vaginal bleeding; menstruation; and lactation and conditions related to lactation, such as low milk supply, engorgement, plugged ducts, mastitis, or fungal infections. The preceding list of related medical conditions is not exhaustive.

Prohibited Conduct means: unlawful discrimination or harassment based on a person's Protected Class(es) or retaliation. Such misconduct involves a violation of Federal and/or State civil rights laws.

Relevant means: related to the allegations of Prohibited Conduct under investigation as part of the Board's grievance procedures. Questions are relevant when they seek evidence that may aid in showing whether the alleged Prohibited Conduct occurred, and evidence is relevant when it may aid a decisionmaker in determining whether the alleged Prohibited Conduct occurred.

Remedies means: measures provided, as appropriate, to a complainant or any other person the District identifies as having had their equal access to the District's education programs or activities limited or denied by Prohibited Conduct. These measures are provided to restore or preserve that person's access to the District's education program or activity after the District determines that Prohibited Conduct occurred.

Respondent means: a person who is alleged to have engaged in Prohibited Conduct.

Retaliation means: intimidation, threats, coercion, or discrimination against any person by the District, a student, a Board employee, or any other person authorized by the Board to provide aid, benefit, or service under the District's education programs or activities, for the purpose of interfering with any right or privilege secured by Federal or State law, or because the person has reported information, made a complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under applicable Federal or State laws or regulations.

School District community means: students and Board employees (i.e., administrators and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Supportive measures means: non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, without fee or charge to the complainant or the respondent before or after making a report or filing a complaint. Such measures are designed to restore or preserve that party's access to the District's education programs or activities without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment or deter Prohibited Conduct. Supportive measures may include modifications of work schedules, mutual restrictions of contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain work settings; training related to Prohibited Conduct, ~~() referral to Employee Assistance Program, (END OF OPTION), and other similar measures.~~

Third Parties means: guests and/or visitors on District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Pregnancy, Childbirth, and Related Medical Conditions

The Board will not discriminate against an employee based on the person's current pregnancy, potential or intent to become pregnant, past pregnancy, or medical condition related to pregnancy or childbirth, or because the person uses birth control, or has had or not had an abortion.

Additionally, the Board will provide a reasonable accommodation to an employee's known limitation related to pregnancy, childbirth, or a related medical condition, unless the accommodation will cause the District undue hardship.

The Board will treat pregnancy, childbirth, and related medical conditions as any other temporary medical conditions for all job-related purposes, including commencement, duration, and extensions of leave; accrual of seniority and any other benefit or service; reinstatement; and under any fringe benefit offered to employees by virtue of employment.

The Board will provide reasonable break time for an employee to express breast milk while at work for the first year after the employee's child's birth. The Board will provide the employee with a space, other than a bathroom, that is clean, shielded from view, free from intrusion from coworkers and the public, and which the employee can use as needed to express breast milk. See Board Policy 6700 – Fair Labor Standards Act.

Nondiscrimination Based on Employee's Genetic Information

The Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of the individual's genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

In accordance with the Genetic Information Nondiscrimination Act ("GINA"), the Board shall not request, require, or purchase genetic information of employees, their family members, or applicants for employment. Further, in compliance with GINA, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave, when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application process.

~~1~~] The District recognizes that genetic information may be acquired through commercially and publicly available documents like newspapers, books, magazines, periodicals, television shows, or the Internet. The District prohibits, however, its employees from searching such sources with the intent of finding or obtaining genetic information or accessing sources from which they are likely to acquire genetic information. **[END OF OPTION]**

If the District either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider, it shall be treated as a confidential medical record in accordance with law.

The District Compliance Officer (see below) shall be responsible for overseeing the District's compliance with applicable Federal regulations and promptly dealing with any inquiries or complaints. The District Compliance Officer or designee shall also verify that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members, and that all District requests for health-related information (e.g., to support an employee's request for reasonable accommodation under the Americans with Disabilities Act ("ADA") or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:

The Genetic Information Nondiscrimination Act of 2008 ("GINA") prohibits employers and other entities covered by GINA Title II, including the Board of Education, from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law. To comply with this law, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

~~1~~] The District offers health services ~~()~~, including a wellness program **[END OF INTERNAL OPTION]**. Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to the person's health services providers, but only genetic information in aggregate form will be provided to the Board. **[END OF OPTION]**

District Compliance Officer(s)

[DRAFTING NOTES:

- 1. Neola suggests the Board appoint both a male and a female to serve as the District Compliance Officers. By appointing two (2) District Compliance Officers, there should always be a District Compliance Officer available to address a claim that pertains to the other District Compliance Officer. If, however, the Board appoints more than one (1) District Compliance Officer, Neola recommends that it designate one**

(1) of the District Compliance Officers to retain ultimate oversight over the assigned responsibilities and ensure the Board's consistent compliance with its responsibilities under applicable Federal and State laws that prohibit unlawful discrimination/harassment based on protected classes and retaliation. Alternatively, the Board could appoint a District Compliance Officer and one (1) or more persons to assist the District Compliance Officer with performance of the responsibilities identified in this policy and its accompanying administrative guidelines. Often the person(s) designated to assist a District Compliance Officer is/are called Deputy or Assistant Compliance Officer(s). If the Board elects this alternative approach, it would designate a District Compliance Officer for purposes of this policy, and then designate the other position(s) through its AG. The person(s) in the alternative support role(s) will need to be trained in the same manner as the District Compliance Officer (see AG 1422).

2. The Board must list in this policy either the Name(s) or Title(s) of the District Compliance Officer(s); while the Board may list both the Name(s) and Title(s), Neola suggests that the Board only list the Title(s) in this policy (so the Board does not need to revise/amend the policy whenever there is a change in the actual person(s) holding the designated position(s)), but list both the Name(s) and Title(s) in the requisite notices/postings (e.g., website) and publications (e.g., handbooks). The District will also need to decide whether to list the Name(s) and Title(s), or just the Title(s), in Administrative Guideline 1422 if the District elects to identify the District Compliance Officer in the AG (see DRAFTING NOTE in the AG; again, if the District lists the Name(s) and Title(s), it will need to remember to update the AG whenever there is a change in the actual person(s) holding the designated position(s). No matter what, the Board will need to amend its policy and update its AG, requisite notices/postings, and publications, whenever it changes the Title of the position(s) designated to serve as the District Compliance Officer(s).
3. **Reminder: Whenever a new person begins to serve as the District Compliance Officer (or in a support role to the District Compliance Officer), the District needs to make sure the new person is appropriately trained, in a timely manner, to fulfill the responsibilities of the position to which the person is assigned.]**

[END OF DRAFTING NOTES]

The Board designates and authorizes the following individual(s) to coordinate its efforts to comply with the Board's responsibilities under Federal and State laws that prohibit discrimination, including harassment, based on Protected Classes and retaliation (also known as "Civil Rights Coordinator(s)" or "Anti-Harassment Compliance Officer(s)") (hereinafter referred to as the "District Compliance Officer(s)" or "CO(s)");

[DRAFTING NOTE: As discussed above, if the Board designates more than one (1) CO, Neola recommends that the District select the following option.]

The Board designates Superintendent [DRAFTING NOTE: Insert Name and/or Title of the District Compliance Officer who is ultimately responsible for the District's compliance with its responsibilities under Federal and State laws that prohibit discrimination/harassment based on Protected Classes and retaliation as the individual who is ultimately responsible for oversight over the Board's compliance with applicable Federal and State laws and regulations that prohibit discrimination based on the basis of Protected Classes and retaliation. [END OF OPTION]

[DRAFTING NOTE: The Board may want to select the following option when the Superintendent is not the CO. While Neola recognizes that this may not always be possible, it may be preferable to have the CO be someone other than the Superintendent because then - if the CO serves as the investigator and decisionmaker - the Superintendent can serve as the appeal decisionmaker or the facilitator for the informal resolution process.]

The District Compliance Officer(s) shall report directly to the Superintendent except when the Superintendent is a party to a complaint (i.e., either the complainant or the respondent). Under such circumstances, the CO(s) shall report directly to [SELECT ONE OF THE FOLLOWING] the Board President ~~() the Board's Legal Counsel () _____~~ [OTHER] [END OF INTERNAL OPTIONS] until the matter in which the Superintendent is a party is concluded. [END OF OPTION]

Questions about this policy ~~() and AG 1422 [END OF OPTION]~~ should be directed to the District Compliance Officer(s).

The CO(s) is/are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination, harassment, retaliation, or denial of equal opportunity/access. The CO(s) shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), Genetic Information Nondiscrimination Act (GINA), and the Age Discrimination in Employment Act of 1975 is provided to staff members and the general public. ~~[] Any sections of the District's collective bargaining agreements dealing with hiring, promotion, demotion, discipline, and tenure~~

~~need to contain a statement of nondiscrimination similar to that in the Board's statement set forth above. [END OF OPTION] [] In addition, as practical, gender-specific terms should be eliminated from such contracts. [END OF OPTION]~~ Copies of the laws and regulations listed above are available upon request from the CO(s).

The CO(s) will be available during regular work hours to discuss concerns related to Prohibited Conduct, to assist employees, other members of the District community, and third parties who seek support or advice when informing another individual about Prohibited Conduct, including unwelcome conduct, or to Intercede Informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

The CO(s) shall monitor the District's education programs and activities for barriers to reporting information about conduct that reasonably may constitute Prohibited Conduct pursuant to Federal and/or State laws that prohibit discrimination/harassment based on the basis of a Protected Class/Category and retaliation, and take steps reasonably calculated to address such barriers.

Notice of Nondiscrimination

The Superintendent shall provide a notice of nondiscrimination to students, parents, guardians, or other authorized legal representatives of elementary and secondary students; employees; applicants for admission and employment; and all unions and professional organizations holding collective bargaining or professional agreements with the Board. Specifically, the Superintendent shall post the notice of nondiscrimination on the District's website and in each handbook, catalog, announcement, bulletin, and application form that it makes available to the persons listed above, or which are otherwise used in connection with the recruitment of employees. ~~() See AG 1422 and Form 142251 Notice and Statement of Nondiscrimination. [END OF OPTION]~~

NOTIFICATION/REPORTS OF PROHIBITED CONDUCT

Any person may provide information to the CO(s) concerning conduct that reasonably may constitute Prohibited Conduct. Such information may be submitted in person, by mail, by telephone, or by electronic mail using the CO's(s') published contact information, or by any other means (oral or written) that results in the CO(s) receiving the information. Information may be provided at any time (including during non-work hours). ~~[] Anonymous reports may be submitted using () the online reporting form posted at _____ [insert the web address for the reporting form, or insert a hyperlink tied to the phrase "online reporting form"] or () the hotline reporting number () _____ [insert phone number]. [END OF OPTION]~~

All Board employees are required to notify the CO(s) of conduct that reasonably may constitute Prohibited Conduct. For the Board to fulfill its responsibilities under applicable Federal and/or State laws, if a Board employee has knowledge of conduct that reasonably may constitute Prohibited Conduct, the Board employee must notify the/a CO within two (2) days of learning the information or receiving the report. **[DRAFTING NOTE: The applicable statutes and regulations do not specify within how many days the Board employee must notify the CO of receiving notification/a report of Prohibited Conduct; Neola suggests "two (2) days". Alternatively, the Board could make this language more open-ended - e.g., "* * * must immediately/promptly notify the/a CO of such information or report."]** The Board employee must also comply with mandatory reporting responsibilities pursuant to Policy 8462 - Student Abuse and Neglect, if applicable. If the Board employee's knowledge about the alleged Prohibited Conduct is based on another individual bringing the information to the Board employee's attention, and the reporting individual submitted a written notification/report or complaint to the Board employee, the Board employee must provide the written notification/report or complaint to the CO.

Notification can be provided orally or in writing and should be as specific as possible. The person making the notification/report should, to the extent known, identify the alleged victim(s), perpetrator(s), and witness(es), and describe in detail what occurred, including date(s), time(s), and location(s).

If a notification/report or complaint involves allegations of Prohibited Conduct by or involving the CO, the person making the report (i.e., providing the notification or filing the complaint) should submit it to the Superintendent or another Board employee who, in turn, will notify the Superintendent of the report/complaint. The Superintendent will then serve in place of the CO for purposes of addressing that report of Prohibited Conduct. **[DRAFTING NOTE: If the Superintendent is the CO, substitute "Board President" in place of "Superintendent,"]**

When a Board employee notifies the CO of suspected Prohibited Conduct, the employee is required to report all known details about the alleged Prohibited Conduct including: (1) the name of the alleged respondent(s); (2) the person who experienced the alleged Prohibited Conduct (i.e., the complainant); (3) other persons involved in the alleged Prohibited Conduct (e.g., witnesses); and (4) any other relevant facts, such as date, time, and location. Failure to provide such notification may result in discipline, up to and including suspension or termination of employment.

Any allegations of misconduct not involving Prohibited Conduct as defined in this policy will be addressed through the procedures outlined in other Board policies ~~() and/or administrative guidelines [END OF OPTION]~~, the applicable Student Code of Conduct, applicable collective bargaining agreement, and/or Employee/Administrator Handbook.

When a notification/report or complaint of Prohibited Conduct is made, the CO shall promptly (i.e., within two (2) days **[DRAFTING NOTE: The applicable laws and/or regulations do not define "promptly" or otherwise specify within how many days the contact has to be made; Neola suggests "two (2) days."]** of the CO's receipt of the notification/report or complaint of Prohibited Conduct) contact the purported complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a complaint, and explain to the complainant the process for filing a complaint. The CO is responsible for coordinating the effective implementation of supportive measures. Any supportive measures provided to the complainant or respondent shall be maintained as confidential, to the extent that maintaining such confidentiality will not impair the ability of the District to provide the supportive measures.

GRIEVANCE PROCEDURES

Overview:

The Board adopts the following grievance procedures to provide for the prompt, effective, and equitable resolution of complaints made by employees, applicants, or other individuals who are participating or attempting to participate in the District's education programs or activities (i.e., members of the School District community and Third Parties), or by the CO alleging any act of Prohibited Conduct.

These grievance procedures shall be used for all complaints of Prohibited Conduct unless it involves conduct involving a student, in which case the grievance procedures set forth in Policy 2260 or Policy 5517.01 shall apply. These grievance procedures set forth the means for investigating and resolving claims involving such Prohibited Conduct; in particular, the procedures provide a method for assessing -- in a prompt, effective, and equitable manner -- whether an applicable Federal or State law was violated and, if it was, how best to end the Prohibited Conduct, prevent its recurrence, and remedy its effects.

Due to the sensitivity surrounding complaints of Prohibited Conduct, timelines are flexible for initiating the grievance procedures; however, individuals are encouraged to file a complaint within thirty (30) days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner.

[DRAFTING NOTE: Title VII of the Civil Rights Act of 1964 ("Title VII") prohibits discrimination in employment. Specifically, it prohibits employment discrimination based on race, color, religion, sex, or national origin, and applies to employers with fifteen (15) or more employees. Title IX, on the other hand, specifically prohibits discrimination based on sex in education programs and activities that receive Federal financial assistance, including employment within those institutions. Title IX is addressed by Board Policy 2266 and AG 2266. While both laws aim to prevent sex-based discrimination in the workplace, Title VII applies more broadly to various types of employers, whereas Title IX is limited to educational institutions receiving Federal funds. Ultimately, both laws aim to ensure equal employment opportunities and protect individuals from discrimination. When a District Compliance Officer receives a complaint or notification of alleged misconduct involving sex discrimination (in particular, sexual harassment) that involves an employee complainant and an employee respondent, the District Compliance Officer should consult with the Title IX Coordinator and/or the Board's Legal Counsel concerning which law -- it may be both -- the District will need to comply with when investigating the allegations.]

Under all circumstances, the CO shall offer and coordinate supportive measures, as appropriate, in accordance with this policy ~~() and AG 1421 [END OF OPTION]~~.

Complaints:

The following people may make a complaint of Prohibited Conduct -- i.e., request that the District investigate and determine whether Prohibited Conduct occurred:

A. a "complainant," which includes:

1. an employee of the District who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or
2. a person other than an employee of the District who is alleged to have been subjected to conduct that could constitute Prohibited Conduct at a time when that individual was participating or attempting to participate in

the District's education programs or activities;

- B. an authorized legal representative with the legal right to act on behalf of a complainant;
- C. the District Compliance Officer.

A person is entitled to make a complaint of unlawful harassment only if they themselves are alleged to have been subjected to the unlawful harassment, or if the CO initiates a complaint.

[DRAFTING NOTE: This paragraph emphasizes that in order for a person to file a complaint of unlawful harassment, the person has to have been subjected to the alleged misconduct directly or be a person who has a legal right to act on behalf of the person who was subjected to the alleged misconduct. This is consistent with the prior paragraph, where the complainant is identified as an employee who was "subjected to conduct that could constitute Prohibited Conduct." The following paragraph, on the other hand, expands who can file a complaint – when the alleged Prohibited Conduct does not involve unlawful harassment, or the complaint involves allegations of retaliation – to persons who are aware of the alleged Prohibited Conduct, even if that person was not directly affected by or subject to the alleged Prohibited Conduct.]

With respect to complaints of Prohibited Conduct other than unlawful harassment, or complaints involving allegations of retaliation, in addition to the people listed above, the following persons have a right to make a complaint:

- A. any employee of the District; or
- B. any person other than an employee who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

The District may consolidate complaints of Prohibited Conduct against more than one (1) respondent, or by more than one (1) complainant against one (1) or more respondents, or by one (1) party against another party, when the allegations of Prohibited Conduct arise out of the same facts or circumstances. When more than one (1) complainant or more than one (1) respondent is involved, references below to a party, complainant, or respondent include the plural, as applicable.

A person may file criminal charges simultaneously with filing a complaint. A person does not need to wait until the District's internal grievance procedures are completed before filing a criminal complaint. Likewise, questions or complaints relating to alleged violations of applicable Federal or State laws may be filed with the U.S. Department of Education's Office for Civil Rights, the U.S. Department of Justice's Civil Rights Division, the U.S. Equal Employment Opportunity Commission, or the Michigan Department of Civil Rights, at any time based on the underlying statutory basis for the complaint.

Basic Requirements:

The District will treat complainants and respondents equitably.

All persons involved with implementing the grievance procedures and any other aspects of this Policy, including the District Compliance Officer, the investigator, the decisionmaker, and the appeal decisionmaker, ~~(X)~~ and the facilitator of the Informal resolution process, **[END OF OPTION]** shall be free from any conflicts of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

~~X~~] The CO may serve simultaneously as an Investigator and/or a decisionmaker. **[END OF OPTION] [DRAFTING NOTE: Neola recommends the Board select this OPTION; note it is "may" (i.e., optional) so the CO can decide when to serve in both roles and when to designate one or more persons to perform these responsibilities in a given case.]**

If the CO does not intend to serve as the investigator/decisionmaker in a specific case, the CO shall designate one (1) or more administrators who are appropriately trained to serve in the role.

In circumstances when the CO and trained administrators do not have time/capacity to serve, or are prevented due to a conflict of interest, bias, or partially, or other reasons impair the CO and other trained administrators from serving as an investigator/decisionmaker in a specific case, the CO shall ~~()~~ ~~to consultation with~~ ~~(X)~~ and approval of **[END OF OPTION]** the Superintendent or ~~()~~ ~~Board~~ ~~(X)~~ Board President (as appropriate), **[END OF OPTION]** secure one (1) or more independent third parties to serve as the investigator and/or decisionmaker.

The District presumes that the respondent is not responsible for the alleged Prohibited Conduct until a determination is made at the conclusion of its grievance procedures.

Under ordinary circumstances, the Board expects to complete the major stages of the grievance procedures within the timeframe specified below:

- A. **Evaluation** – The District Compliance Officer will determine whether to dismiss a complaint or investigate it within ten (10) [INSERT AMOUNT] days of receiving the complaint. [DRAFTING NOTE: Neola recommends that the evaluation stage be completed within ten (10) days of the CO receiving notice of the complaint.]
- B. **Investigation** – The CO, or designated investigator/decisionmaker, shall ordinarily complete the investigation (i.e., collect relevant evidence that is not otherwise impermissible) and issue a Determination (i.e., consider the relevant and not otherwise impermissible evidence and decide whether Prohibited Conduct occurred) within twenty (20) [INSERT AMOUNT] days of the CO determining the charges require investigation. [DRAFTING NOTE: Recognizing that it is important for investigations to be completed and Determinations issued in a prompt and equitable manner, Neola recommends that a school district typically complete an investigation and issue a Determination within twenty (20) days.]

[DRAFTING NOTE: If the investigator/decisionmaker is someone other than the CO, upon written request from the investigator/decisionmaker, the CO should be permitted to approve a reasonable extension of time for the investigation to be completed and the Determination issued. If the CO is the investigation/decisionmaker: upon written request from the CO, the Superintendent should be permitted to approve a reasonable extension of time for the investigation to be completed and the Determination issued. In either situation, the administrator granting the extension should communicate to the parties the new deadline along with a rationale for the extension.]

If, however, the CO, or designated investigator/decisionmaker, determines that the investigation is going to take longer, the CO will so notify the parties () and the Superintendent [END OF OPTION] and will thereafter keep the parties () and the Superintendent [END OF OPTION] informed of the status of the matter on a regular basis [INSERT TIME PERIOD – E.G., BIWEEKLY OR REGULAR] basis.

- C. **Appeal** – A party filing an appeal of the CO's decision to dismiss a complaint (), or the Determination, [END OF OPTION] must do so within five (5) [INSERT AMOUNT] days of receiving the Dismissal () or Determination [END OF OPTION]. [DRAFTING NOTE: Neola recommends the Board allow limited appeals based on the Determination. See DRAFTING NOTE below in the appeal section.]

The CO, or the Superintendent if the CO is the individual requesting an extension, may approve reasonable extensions of the preceding timeframes on a case-by-case basis for good cause with notice to the parties.

The District will take reasonable steps to protect the privacy of the parties and witnesses. [] These steps will not restrict the ability of the parties to present evidence or otherwise participate in the grievance procedures. [END OF OPTION] The parties shall not engage in retaliation, including against witnesses.

The CO, or designated investigator/decisionmaker, shall objectively evaluate all evidence that is relevant and not otherwise impermissible – including both inculpatory and exculpatory evidence. Credibility determinations shall not be based on a person's status as a complainant, respondent, or witness.

The following types of evidence, and questions seeking such evidence, are impermissible (i.e., will not be accessed or considered, except by the District to determine whether one of the exceptions listed below applies; will not be disclosed; and will not otherwise be used), regardless of whether they are relevant:

- A. evidence that is protected under a privilege recognized by Federal or State law, unless the person to whom the privilege or confidentiality is owed voluntarily waived the privilege or confidentiality; and
- B. a party's or witness's records that are made or maintained by a physician, psychologist, or other recognized professional or paraprofessional in connection with the provision of treatment to the party or witness, unless the District obtains that party's or witness's voluntary, written consent for use in its grievance procedures.

Notice of Allegations:

Upon initiation of the Board's grievance procedures, the District Compliance Officer shall notify the parties of the following:

- A. the Board's grievance procedures () and informal resolution process [END OF OPTION] associated with claims involving Prohibited Conduct; [DRAFTING NOTE: Neola encourages the Board to include an informal resolution process.]

- B. sufficient information available at the time to allow the parties to respond to the allegations, including the identities of the parties involved in the incident(s), the conduct alleged to constitute Prohibited Conduct, and the date(s) and location(s) of the alleged incident(s); and
- C. retaliation is prohibited.

Should the CO decide, at any point, to investigate allegations that are materially beyond the scope of the initial written notice, the CO will provide a supplemental written notice describing the additional allegations to be investigated.

Dismissal of a Complaint:

The CO may dismiss a complaint of Prohibited Conduct if:

- A. the District is unable to identify the respondent after taking reasonable steps to do so;
- B. the respondent is not participating in the District's education program or activity and is not employed by the Board;
- C. the complainant voluntarily withdraws any or all the allegations in the complaint, the CO declines to initiate a complaint, and the District determines that, without the complainant's withdrawn allegations, the conduct that remains alleged in the complaint, if any, would not constitute Prohibited Conduct even if proven; or
- D. the District determines the conduct alleged in the complaint, even if proven, would not constitute Prohibited Conduct. Before dismissing the complaint, the CO will make reasonable efforts to clarify the allegations with the complainant.

Upon dismissal, the CO will promptly notify, in writing, the complainant of the basis for the dismissal. If the dismissal occurs after the respondent has been notified of the allegations, the CO will also simultaneously notify, in writing, the respondent of the dismissal and the basis for the dismissal.

The CO will further notify the complainant that a dismissal may be appealed and will provide the complainant with an opportunity to appeal the dismissal of the complaint. If the dismissal occurs after the respondent has been notified of the allegations, then the CO will also notify the respondent that the dismissal may be appealed.

Dismissals may be appealed on the following bases:

- A. procedural irregularity that would change the outcome;
- B. new evidence that would change the outcome and that was not reasonably available when the dismissal was made; and
- C. the CO had a conflict of interest or bias for or against complainants or respondents generally, or the individual complainant or respondent, that would change the outcome.

If the dismissal is appealed, the CO will:

- A. notify the parties of any appeal, including notice of the allegations, if notice was not previously provided to the respondent;
- B. implement appeal procedures equally for the parties;
- C. ensure that the appeal decisionmaker did not take part in the original dismissal of the complaint;
- D. ensure that the appeal decisionmaker has been trained consistent with this Policy () and AC 1422 **[END OF OPTION]**;
- E. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the outcome; and
- F. notify the parties of the result of the appeal and the rationale for the result.

When a complaint is dismissed, the CO will, at a minimum:

- A. offer supportive measures to the complainant as appropriate;

- B. If the respondent has been notified of the allegations, offer supportive measures to the respondent as appropriate; and
- C. take other prompt and effective steps, as appropriate, to ensure that Prohibited Conduct does not continue or recur within the District's education programs or activities.

[DRAFTING NOTE: Neola encourages the Board to select the following option so the CO can choose, in appropriate circumstances, to offer the parties the opportunity to participate in an informal resolution process, or to honor the parties' request to use an informal resolution process, to end the Prohibited Conduct, prevent its recurrence, and remedy its effects.]

[[OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]

Informal Resolution Process:

In lieu of resolving a complaint through the Board's formal grievance procedures, the parties may instead elect to participate in an informal resolution process. The District will not offer informal resolution to resolve a complaint when such a process would conflict with Federal, State, or local law.

[END OF OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]

Adding Allegations and/or Consolidating Complaints:

If, in the course of an investigation, the District decides to investigate additional allegations of Prohibited Conduct by the respondent toward the complainant that are not included in the original Notice of Allegations or to consolidate charges raised in a different complaint involving the same respondent, the CO will notify the parties of the additional allegations.

Investigation:

The District will provide for an adequate, reliable, and impartial investigation of complaints.

The burden is on the District — not on the parties — to conduct an investigation that gathers sufficient evidence to determine whether Prohibited Conduct occurred.

The CO, or the designated investigator/decisionmaker, will provide an equal opportunity for the parties to present fact witnesses and other inculpatory and exculpatory evidence that are relevant and not otherwise impermissible.

The CO, or the designated investigator/decisionmaker, will review all evidence gathered through the investigation and determine what evidence is relevant and what evidence is impermissible, regardless of relevance.

Determination of Whether Prohibited Conduct Occurred:

Following an investigation and evaluation of all relevant and not otherwise impermissible evidence, the CO or designated investigator/decisionmaker will:

- A. Use the preponderance of the evidence standard of proof to determine whether Prohibited Conduct occurred. This standard of proof requires the decisionmaker to evaluate relevant and not otherwise impermissible evidence for its persuasiveness. If the decisionmaker, applying the applicable standard, is not persuaded by the relevant and not otherwise impermissible evidence that Prohibited Conduct occurred, regardless of the quantity of the evidence, the decisionmaker will not determine that Prohibited Conduct occurred. **[DRAFTING NOTE: While a board of education could elect to use the "clear and convincing" evidence standard of proof, Neola does not recommend it. If a board does select the "clear and convincing" standard, it should use it in all other comparable proceedings. Neola expects it will be a rare situation when a board chooses to use a clear and convincing standard of proof.]**
- B. Notify the parties, in writing, of the determination whether Prohibited Conduct occurred, including the rationale for such determination (), and the procedures and permissible bases for the complainant and respondent to appeal. **[END OF OPTION]**
- C. Not impose discipline on a respondent for Prohibited Conduct unless there is a determination at the conclusion of the grievance procedures that the respondent engaged in Prohibited Conduct.
- D. If there is a determination that Prohibited Conduct occurred, the CO will, as appropriate:

1. coordinate the provision and implementation of remedies to a complainant and other people the District identifies as having had equal access to the District's education programs or activities limited or denied by the Prohibited Conduct;
2. coordinate the imposition of any disciplinary sanctions on a respondent ~~(-)~~, including notification to the complainant of any such disciplinary sanctions **[END OF OPTION]**; and
3. take other appropriate prompt and effective steps to ensure that the Prohibited Conduct does not continue or recur within the District's education programs or activities.

E. Comply with the grievance procedures before the imposition of any disciplinary sanctions against a respondent.

F. Not discipline a party, witness, or others participating in the grievance procedures for making a false statement based solely on the determination of whether Prohibited Conduct occurred.

[DRAFTING NOTE: If the CO dismisses a complaint in the Evaluation stage (i.e., prior to commencing an investigation), the complainant may appeal as set forth above. Neola also recommends the Board include an appeal process related to the Determination.]

[OPTIONAL LANGUAGE - APPEAL OF DETERMINATION]

Appeal of Determinations:

If a party disagrees with the decisionmaker's determination as to whether Prohibited Conduct occurred, the party may file an appeal. Appeals must be submitted, in writing, within five (5) **(INSERT AMOUNT)** days of the appealing party's receipt of the Determination.

A party may appeal a Determination on the following bases:

- A. procedural irregularity that would change the outcome;
- B. new evidence that would change the outcome and that was not reasonably available when the investigation occurred and the Determination was made; and
- C. the CO, or the designated investigator/decisionmaker, had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that would change the outcome;

[DRAFTING NOTE: The Board may insert additional grounds on which an appeal may be filed.]

- D. ~~(-)~~ the recommended remedies (including disciplinary sanctions/consequences) are unreasonable in light of the findings of fact (i.e., the nature and severity of the Prohibited Conduct);
- E. ~~(-)~~ **[OTHER]** _____.

[OPTION 1] The complainant may not challenge the ultimate disciplinary sanction/consequence that is imposed. **[END OF OPTION]**

[DRAFTING NOTE: The following options are offered in case the Board wants the Superintendent to serve as the appeal decisionmaker or the Board wants to nominally be identified as the appeal decisionmaker but will be delegating the responsibility to a person who is properly trained. Neola does not recommend that the Board itself be named as the appeal decisionmaker because of the preference for the decisionmaker to be trained to render a decision. If the Board wants to serve as the appeal decisionmaker, it should discuss this issue with its Legal Counsel. Select OPTION 1 or OPTION 2 below.]

[OPTION 1]

The CO will designate an appeal decisionmaker, who will be a person who did not conduct the Investigation and render the Determination, and is appropriately trained ~~(-)~~, as set forth in AG 1422 **[END OF INTERNAL OPTION]**.

The CO has authority ~~(-)~~, in consultation with ~~(-)~~ and approval of **[END OF OPTION]** the Superintendent or ~~(-)~~ Board ~~(-)~~ Board President (as appropriate), **[END OF OPTIONS]** to secure an independent Third Party to serve as the appeal decisionmaker.

~~[]~~ In designating an appeal decisionmaker, the CO will work with the Board to identify and appoint an independent Third Party to serve as the appeal decisionmaker—this individual shall be considered to be the Board's designee and will submit the appeal decision to the Board who will promptly adopt it as written and forward it to the CO who will send it simultaneously to the parties. **[END OF OPTIONAL SENTENCE]**

[END OF OPTION 1]

[OPTION 2]

The Superintendent shall serve as the appeal decisionmaker, provided the Superintendent has not been otherwise involved in the grievance procedures (i.e., did not serve as the investigator/decisionmaker or informal resolution process facilitator) and is appropriately trained. If the Superintendent is not eligible to serve as the appeal decisionmaker, the CO will designate an appeal decisionmaker, who will be a person who did not conduct the Investigation and render the Determination, and is appropriately trained (~~←~~), as set forth in AC 1422. **[END OF INTERNAL OPTION].**

[END OF OPTION 2]

[END OF OPTIONS]

If a party appeals the Determination, the CO will:

- A. notify the parties of the appeal;
- B. implement appeal procedures equally for the parties;
- C. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the Determination;
- D. provide the appeal decisionmaker with the relevant and not otherwise impermissible evidence and the Determination; and
- E. notify the parties, in writing, of the result of the appeal and the appeal decisionmaker's rationale for the outcome.

Parties Provided a Reasonable and Equal Opportunity to Make a Statement in Support of, or Challenging, the Dismissal () or Determination [END OF OPTION]

When a party files an appeal, the party must set forth the reason(s)/basis/bases for the appeal, and the other party will have five (5) **[INSERT AMOUNT]** days to provide the appeal decisionmaker with a statement in support of their position. Once the decisionmaker receives the statement (or the deadline for filing such a statement expires), the appeal decisionmaker will have ten (10) **[INSERT AMOUNT]** days to issue a decision on the appeal.

[DRAFTING NOTE: Neola suggests any appeals should be filed within five (5) days of the parties receiving written notice of the Determination. Neola further suggests that the timeline for the other party submitting a statement be equivalent to the timeframe in which an appeal has to be filed. Finally, Neola suggests the appeal decisionmaker have ten (10) days from receipt of the statements to issue a decision.]

While a party appealing a Determination may argue the reason/basis for the appeal is that new evidence has been discovered/obtained that would change the outcome and that said new evidence was not reasonably available when the Determination was originally made, the party may not submit the new or additional evidence during the appeal process. Rather, the party appealing should identify/describe in detail the evidence, including how and when it was discovered/obtained, and explain why it was not reasonably available during the Investigation (i.e., prior to the Determination). If the appeal decisionmaker accepts the proffered explanation, the appeal decisionmaker should remand the case back to the investigator/decisionmaker (i.e., reopen the investigation) so the new evidence may be submitted and considered by the other party and the investigator/decisionmaker.

The appeal decisionmaker shall determine the outcome of the appeal based on the appeal decisionmaker's independent review of the record (i.e., the relevant and not otherwise impermissible evidence and the written determination) and the appeal decisionmaker's application of the law and Board policy to the facts in the record. The appeal decisionmaker must give due deference and due weight to the decisionmaker's factual findings and credibility determinations and should not overturn them unless non-testimonial extrinsic evidence in the record justifies a contrary conclusion or unless the record read in its entirety compels a contrary conclusion. Generally, the appeal decisionmaker is expected to uphold the original Determination unless the appeal decisionmaker concludes the original Determination is unlawful, unreasonable, or against the manifest weight of the evidence. Every reasonable presumption must be made in favor of the original Determination.

The appeal decisionmaker shall

[DRAFTING NOTE: The Board must select either OPTION 1 or OPTION 2 unless the Board appointed an independent Third Party to serve as the Board's appeal decisionmaker, in which case the Board should select OPTION 3.]

[OPTION 1]

simultaneously notify the parties, in writing, of the result of the appeal and the rationale for the outcome.

[END OF OPTION 1]

[OR]

[OPTION 2]

notify the CO, in writing, of the result of the appeal and the rationale for the outcome. The CO will then simultaneously notify the parties, in writing, of the result of the appeal and the appeal decisionmaker's rationale for the outcome.

[END OF OPTION 2]

[OR]

[OPTION 3]

submit the appeal decision to the Board who will promptly adopt it as written and forward it to the CO, who will send it simultaneously to the parties. The appeal decision shall set forth the result of the appeal and the appeal decisionmaker's rationale for the outcome.

[END OF OPTION 3]

The appeal decisionmaker's Board's **[END OF OPTION 3]** decision shall be final.

[END OF OPTIONAL LANGUAGE - APPEAL OF DETERMINATION]

Supportive Measures:

The District will offer and coordinate supportive measures as appropriate for the complainant and/or respondent to restore or preserve that person's access to the District's education programs or activities or provide support during the grievance procedures and/or during the informal resolution process. For allegations of Prohibited Conduct other than prohibited harassment or retaliation, the District's provision of support measures does not require the District, Board employees, or any other person authorized to provide aid, benefit, or service on the District's behalf to alter the alleged discriminatory/retaliatory conduct for the purpose of providing a supportive measure.

The CO shall determine appropriate supportive measures on a case-by-case basis. Supportive measures may vary depending on what the CO deems to be reasonably available. Supportive measures may include, but are not limited to: modifications of work schedules, mutual restrictions on contact between the parties; changes in work locations; leaves of absence; increased security and monitoring of certain work settings; training related to Prohibited Conduct; ~~Employee Assistance Program~~ **[END OF OPTION 3]** and other similar measures.

Supportive measures must not unreasonably burden either party and must be designed to protect the safety of the parties and/or the District's educational environment, or to provide support during the Board's grievance procedures or the informal resolution process.

The District will not impose such measures for punitive or disciplinary reasons.

The CO may, as appropriate, modify or terminate supportive measures at the conclusion of the grievance procedures, or at the conclusion of the informal resolution process, or the District may continue them beyond that point.

A party may seek additional modification or termination of a supportive measure applicable to them if circumstances change materially.

The District will not disclose information about any supportive measures to persons other than the person to whom they apply, including informing one party of supportive measures provided to another party, unless necessary to provide the

supportive measure or restore or preserve a party's access to the District's education programs or activities, or as otherwise permitted under existing law and/or policy.

The Superintendent may place an employee respondent on administrative leave from employment responsibilities during the pendency of the Board's grievance procedures.

Disciplinary Sanctions and Remedies:

Following a determination that Prohibited Conduct occurred, the District may impose disciplinary sanctions, which may include:

- A. oral or written warning;
- B. written reprimands;
- C. required counseling;
- D. required training or education;
- E. demotion;
- F. suspension with pay;

[END OF OPTIONS]

- G. suspension without pay;
- H. termination; and

- I. any other sanction authorized by any applicable Board policy, Employee/Administrator Handbook, and/or collective bargaining agreement.

The District may also provide remedies, which may include disciplinary sanctions/consequences. The CO will notify the Superintendent of the recommended remedies, so an authorized administrator can consider the recommendation and implement appropriate remedies in compliance with applicable due process procedures, whether statutory or contractual.

[DRAFTING NOTE: The Board should review applicable policy(ies)/administrative guidelines/employee handbooks to determine whether changes are needed to establish timelines associated with imposition of discipline as a result of possible delays caused by the Board implementing the preceding grievance procedures; likewise, the Board may need to discuss with union representatives how implementation of the grievance procedures may impact any disciplinary provisions contained in applicable collective bargaining (e.g., timelines, permitted attendees at investigative interviews, etc.).]

Discipline of an employee will be implemented in accordance with Federal and State law, Board policy, and applicable provisions of any relevant collective bargaining agreement.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging Prohibited Conduct or retaliation, or participates in an investigation, is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by the U.S. Constitution, the Michigan Constitution, Federal or State law, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including initiating a disciplinary process against a person for a code of conduct violation that does not involve Prohibited Conduct but arises out of the same facts and circumstances as a complaint or information reported about possible Prohibited Conduct, for the purpose of interfering with the exercise of any right or privilege secured by Federal or State law constitutes retaliation. Retaliation against a person for making a complaint or participating in an investigation is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Complaints alleging retaliation may be filed according to the grievance procedures set forth above. The District shall initiate its grievance procedures upon receiving any complaint alleging retaliation.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation

prohibited under this policy.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination that Prohibited Conduct occurred, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Privacy/Confidentiality

The District will employ all reasonable efforts to protect the rights of the complainant, the respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. The District will keep confidential the identity of any individual who has made a complaint of Prohibited Conduct, any complainant, any individual who has been reported to be the perpetrator of Prohibited Conduct, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of relevant Federal or State law or regulations, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the District's obligation to maintain confidentiality shall not impair or otherwise affect the complainant's and respondent's receipt of the information to which they are entitled related to the investigation and determination of whether Prohibited Conduct occurred). All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the respondent must be provided the complainant's identity.

During an investigation, the CO or designated investigator/decisionmaker will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to other members of the School District Community or Third Parties any information that is learned or provided during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against Prohibited Conduct by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter. In those cases where Prohibited Conduct is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects.

Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution ~~(~~and the principles of academic freedom as set forth in the applicable collective bargaining agreement [END OF OPTION]. In no case will a respondent be found to have committed Prohibited Conduct based on expressive conduct that is protected by the First Amendment (~~and/or the principles of academic freedom specified in the Board's collective bargaining agreement with its teachers [END OF OPTION].~~)~~~~.

Training

All employees, investigators, decisionmakers, facilitators of informal resolution process, the District Compliance Officer(s), and other persons who are responsible for implementing the Board's grievance procedures or have the authority to modify or terminate supportive measures shall receive training related to their duties under applicable Federal and State laws and this policy. ~~[The training shall be provided promptly upon hiring or a change of position that alters their duties under this policy, and annually thereafter. [END OF OPTIONAL SENTENCE]. The training shall not rely on stereotypes involving Protected Classes.]~~

~~[~~ Training materials will be made available for inspection upon request by members of the public. ~~[END OF OPTION]~~

Recordkeeping (Including retention of investigatory records and materials)

The District Compliance Officer(s) is/are responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy must retain all information, documents, electronically stored information, and electronic media (as defined in Policy 8315) created and received as part of an investigation. Records and materials associated with the implementation of this policy shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for the period set forth below, unless required to be maintained for a longer period pursuant to the District's records retention schedule.

[DRAFTING NOTE: For purposes of uniformity, Neola recommends that the Board use the same seven (7) year period for recordkeeping that is required by the 2020 Title IX regulations - see Board Policy 2266; if the Board selects a different timeframe for maintaining the below specified records, it should verify the time period selected is consistent with and/or reflected in its record retention schedule - see AG 8310.]

The District shall maintain for a period of seven (7) calendar years the following records:

- A. for each complaint of Prohibited Conduct, records documenting the informal resolution process and/or the grievance procedures followed and the resulting outcome;
- B. for each notification that the District Compliance Officer receives of information about conduct that reasonably may constitute Prohibited Conduct, records documenting the actions the District took to implement this policy; and
- C. all materials used to provide the training referenced above ~~() and in AG 1422~~ **[END OF OPTION]**.

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records, medical records).

Outside Appointments, Dual Appointments, and Delegations

The Board retains discretion to appoint suitably qualified persons who are not Board employees to fulfill any function of the Board under this policy including, but not limited to, District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, or facilitator of the informal resolution process.

The Board also retains discretion to appoint two (2) or more persons to jointly fulfill the role of District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process.

The Superintendent may delegate functions assigned to a specific Board employee under this policy including, but not limited to, the functions assigned to the District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process to any suitably qualified individual, and such delegation may be rescinded by the Superintendent at any time.

[DRAFTING NOTE: The following option expressly sets forth authority that the Board has, regardless of whether it is included in this policy, but is offered for those boards of education that may want to affirmatively communicate to/address these issues for readers of this policy.]

~~§~~] Discretion in Application

The Board retains discretion to interpret and apply this policy in a manner that is not clearly unreasonable, even if the Board's interpretation or application differs from the interpretation of any specific complainant and/or respondent.

Despite the Board's reasonable efforts to anticipate all eventualities in drafting this policy, it is possible that unanticipated or extraordinary circumstances may not be specifically or reasonably addressed by the express policy language, in which case the Board retains discretion to respond to the unanticipated or extraordinary circumstance in a way that is not clearly unreasonable.

The provisions of this policy are not contractual in nature, whether in their own right or as part of any other express or implied contract. Accordingly, the Board retains discretion to revise this policy at any time and for any reason. The Board may apply policy revisions to an active case provided that doing so is not clearly unreasonable.

Rescind Policy - Vol. 40, No. 1

3122.02 - NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE

The Board of Education prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not hire, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of his/her genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

In accordance with the Genetic Information Nondiscrimination Act (GINA), the Board shall not request, require or purchase genetic information of employees, their family members, or applicants for employment. Further in compliance with this Act, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave, when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application process.

1.7 The District recognizes that genetic information may be acquired through commercially and publicly available documents like newspapers, books, magazines, periodicals, television shows, or the internet. The District prohibits, however, its employees from searching such sources with the intent of finding or obtaining genetic information or accessing sources from which they are likely to acquire genetic information.

"Genetic information," as defined by GINA, means information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

If the District either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider, it shall be treated as a confidential medical record in accordance with law.

The Superintendent shall appoint a compliance officer who shall be responsible for overseeing the District's compliance with Federal regulations and promptly dealing with any inquiries or complaints. s/he shall also verify that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2009 is provided to staff members and that all District requests for health related information (e.g., to support an employee's request for reasonable accommodation under the ADA or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II, including the Board of Education, from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law. To comply with this law, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

The District offers health services, () including a wellness program. Participation in the services program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service program. If that occurs, individual genetic information may be provided to the individual receiving the services and to his/her health services providers, but only genetic information in aggregate form will be provided to the Board.

[NOTE: It should be noted that any sections of the District's collective bargaining agreements dealing with terms and conditions of employment should contain a statement of nondiscrimination similar to that in the Board's statement above.]

3123 - SECTION 504/ADA PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT

The Board of Education prohibits discrimination against any employee or applicant based upon his/her disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement, or discharge of employees, employee compensation, job training, or other terms, conditions, and privileges of employment. The Board further will not limit, segregate or classify applicants or employees in any way that adversely affects their opportunities or status because of disability. Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

"An individual with a disability" means a person who has, had a record of, or is regarded as having a physical or mental impairment that substantially limits one (1) or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function including, but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or "auxiliary aids or services," learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

A qualified person with a disability means the individual satisfies the requisite skill, experience, education, and other job-related requirements of the employment position such individual holds or desires and, with or without reasonable accommodation, can perform the essential functions of the job in question.

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability unless the accommodation would impose an undue hardship on the operation of the District's program and/or activities. A reasonable accommodation is not required for an individual who is merely regarded as having a disability.

Compliance Officer(s)

The Board designates the following individual(s) to serve as the District's 504 Compliance Officer(s)/ADA Coordinator(s) (hereinafter referred to as the "District Compliance Officer(s)"):

~~Student Services Specialist~~ **Associate Superintendent**
27235 Joy Road 1045 N. Gulley Rd
Dearborn Heights, MI 48127

~~Director~~ **Coordinator of Special Education Services**
27235 Joy Road 1045 N. Gulley Rd
Dearborn Heights, MI 48127

The name(s), title(s), and contact information of this/these individual(s) will be published annually on the School District's website.

The District Compliance Officer(s) are responsible for coordinating the District's efforts to comply with and fulfill its responsibilities under Section 504 and Title II of the Americans with Disabilities Act, as amended ("ADA"). A copy of Section 504 and the ADA, including copies of their implementing regulations, may be obtained from the District Compliance Officer(s).

The District Compliance Officer(s) will oversee the investigation of any complaints of discrimination based on disability, which may be filed pursuant to the Board's adopted internal complaint procedure, and will attempt to resolve such complaints. The Board will provide for the prompt and equitable resolution of complaints alleging violations of Section 504/ADA. See below.

Training

The District Compliance Officer(s) will also oversee the training of employees in the District so that all employees understand their rights and responsibilities under Section 504 and the ADA, and are informed of the Board's policies, administrative guidelines, and practices with respect to fully implementing and complying with the requirements of Section 504/ADA.

The Board will provide in-service training and consultation to staff responsible for the education of persons with disabilities, as necessary and appropriate.

Facilities

No qualified person with a disability will, because the District's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies.

For facilities constructed or altered after June 3, 1977, the District will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the District is committed to operating its programs and activities so that they are readily accessible to persons with disabilities.

Notice

Notice of the Board's policy on nondiscrimination in employment practices and the identity of the District's Compliance Officer(s) will be published on the District's website, posted throughout the District, and included in the District's recruitment statements or general information publications.

Complaint Procedures

If a person believes that s/he has been discriminated against on the basis of his/her disability, the person may utilize the following complaint procedures as a means of reaching, at the lowest possible administrative level, a prompt and equitable resolution of the matter.

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), employees will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation, or misapplication of Section 504. In addition, employees will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights.

Internal complaints must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint, and offer possible solutions to the dispute. The complaint must be filed with a District Compliance Officer within the time limits specified below. The District's Compliance Officers are available to assist individuals in filing a complaint.

Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday - Friday, excluding State-recognized holidays).

Internal Complaint Procedure

The following internal complaint procedure is available to employees for the prompt and equitable resolution of complaints alleging discrimination based upon disability. This complaint procedure is not available to unsuccessful applicants. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights.

- A. An employee with a complaint based on alleged discrimination on the basis of disability may first discuss the problem with the District Compliance Officer.
- B. If the informal discussion does not resolve the matter, or if the employee skips Step A, the individual may file a formal written complaint with the District Compliance Officer. The written complaint must contain the name and address of the individual or representative filing the complaint, be signed by the complainant or someone authorized to sign for the complainant, describe the alleged discriminatory action in sufficient detail to inform the District Compliance Officer of the nature and date of the alleged violation, and propose a resolution. The complaint must be filed within thirty (30) days of the circumstances or event giving rise to the complaint unless the time for filing is extended by the District Compliance Officer for good cause.
- C. The District Compliance Officer will conduct an independent investigation of the matter (which may or may not include a hearing). This complaint procedure contemplates informal, but thorough investigations, affording all interested persons and their representatives, if any, an opportunity to present witnesses and other evidence relevant to the complaint. The District Compliance Officer will provide the complainant with a written disposition of the complaint within ten (10) days. If no decision is rendered within ten (10) days, or the decision is unsatisfactory in the opinion of the complainant, the employee may file, in writing, an appeal with the Superintendent. The District Compliance Officer shall maintain the District's files and records relating to the complaint.
- D. The Superintendent will, within ten (10) days of receiving the written appeal, conduct a hearing with all parties involved in an attempt to resolve the complaint.

The Superintendent will render his/her decision within ten (10) days of the hearing.
- E. The employee may be represented, at his/her own cost, at any of the above-described meetings/hearings.
- F. The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

If it is determined that the complainant was subjected to unlawful discrimination, the CO must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

OCR Complaint

At any time, if an employee believes that s/he has been subjected to discrimination based upon his/her disability in violation of Section 504 or the ADA, the individual may file a complaint with the U.S. Department of Education's Office for Civil Rights ("OCR"). The OCR can be reached at:

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Rescind Policy - Vol. 40, No. 1

3362 ANTI HARASSMENT

General Policy Statement

~~It is the policy of the Board of Education to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct occurs during an activity sponsored by the Board.~~

~~The Board will vigorously enforce its prohibition against harassment based on race, color, national origin, sex (including sexual orientation and gender identity), disability, age (except as authorized by law), religion, height, weight, marital or family status, military status, ancestry, or genetic information (collectively, Protected Classes) that are protected by Federal civil rights laws (hereinafter referred to as unlawful harassment) and encourages those within the School District community, as well as Third Parties, who feel aggrieved to seek assistance to rectify such problems. The Board will investigate all allegations of harassment and in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment, prevent its recurrence, and remedy its effects. Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.~~

[] The District will offer counseling services to any person found to have been subjected to unlawful harassment, and where appropriate, the person(s) who committed the unlawful harassment.

Other Violations of the Anti-Harassment Policy

The Board will also take immediate steps to impose disciplinary action on individuals engaging in any of the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging unlawful harassment, or who has participated as a witness in a harassment investigation.
- B. Filing a malicious or knowingly false report or complaint of unlawful harassment.
- C. Disregarding, failing to investigate adequately, or delaying investigation of allegations of harassment, when responsibility for reporting and/or investigating unlawful harassment charges comprises part of one's supervisory duties.

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Complainant is the individual who alleges, or is alleged, to have been subjected to unlawful harassment, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged harassment.

Respondent is the individual who has been alleged to have engaged in unlawful harassment, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged harassment.

School District community means students and Board employees (i.e., administrators and professional and support staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday — Friday, excluding State-recognized holidays).

Bullying

Bullying rises to the level of unlawful harassment when one or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more students or employees and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior including any threatening, insulting, or dehumanizing gesture by an adult or student that is severe or pervasive enough to create an intimidating, hostile, or offensive educational or work environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school or work performance or participation; and may involve:

- A. teasing;
- B. threats;
- C. intimidation;
- D. stalking;
- E. cyberstalking;
- F. cyberbullying;
- G. physical violence;

- H. theft;
- I. sexual, religious, or racial harassment;
- J. public humiliation; or
- K. destruction of property.

Harassment means any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal or physical conduct directed against a student or school employee that:

- A. places a student or school employee in reasonable fear of harm to his/her person or damage to his/her property;
- B. has the effect of substantially interfering with a student's educational performance, opportunities, or benefits, or an employee's work performance; or
- C. has the effect of substantially disrupting the orderly operation of a school.

Sexual Harassment

For purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964, sexual harassment is defined as: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- A. Submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment, or status in a class, educational program, or activity;
- B. Submission or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting such individual;
- C. Such conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity.

Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

Sexual Harassment covered by Policy 2266 — Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.

Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- A. Unwelcome sexual propositions, invitations, solicitations, and flirtations;
- B. Unwanted physical and/or sexual contact;
- C. Threats or insinuations that a person's employment, wages, academic grade, promotion, classroom work or assignments, academic status, participation in athletics or extra-curricular programs, activities, or events, or other conditions of employment or education may be adversely affected by not submitting to sexual advances;
- D. Unwelcome verbal expressions, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes, or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls;
- E. Sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings, or literature placed in the work or educational environment that may reasonably embarrass or offend individuals;
- F. Unwelcome and inappropriate touching, patting, or pinching; obscene gestures;
- G. Asking about, or telling about, sexual fantasies, sexual preferences, or sexual activities;
- H. Speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history;

- I. Giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship.
- J. Leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin.
- K. A pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another.
- L. In the context of employees, consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
- M. Inappropriate boundary invasions by a District employee or other adult member of the School District community into a student's personal space and personal life.
- N. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex stereotyping that does not involve conduct of a sexual nature.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex based or gender based conduct must be sufficiently severe, pervasive, and persistent such that it adversely affects, limits, or denies an individual's employment or education, or such that it creates a hostile or abusive employment or educational environment.

[DRAFTING NOTE: Sexual conduct/relationships with students by District employees or any other adult member of the School District community is prohibited, and any teacher, administrator, coach, or other school authority who engages in sexual conduct with a student may also be guilty of the criminal charge of sexual battery. The issue of consent is irrelevant in regard to such criminal charge and/or with respect to the application of this policy to District employees or other adult members of the School District community.]

Race/Color Harassment

Prohibited racial harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race or color and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working, and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

National Origin/Ancestry Harassment

Prohibited national origin/ancestry harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin or ancestry and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's national origin or ancestry, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's disability, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

Anti-Harassment Compliance Officers

The following individual(s) shall serve as the District's Anti-Harassment Compliance Officer(s) (hereinafter, "the Compliance Officer(s)"):

[DRAFTING NOTE: Neola suggests the Board appoint both a male and a female Compliance Officer in order to provide Complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. The same individual(s) assigned to serve as Compliance Officer(s) may also be assigned to serve as the District's Section 504 Compliance Officer(s)/ADA Coordinator(s) and/or Title IX Coordinator(s). Additionally, by appointing two (2) Compliance Officers, there should also be a Compliance Officer available to investigate a claim of harassment that pertains to the other Compliance Officer.]

The Compliance Officer(s) () is () are [END OF OPTION] responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding harassment.

The Compliance Officer(s) will be available during regular school/work hours to discuss concerns related to unlawful harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about unwelcome conduct, or to intercede informally on behalf of the individual in those

instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process:

The Compliance Officers shall accept reports of unlawful harassment directly from any member of the School District community or a Third Party or receive reports that are initially filed with an administrator, supervisor, or other District level official. Upon receipt of a report of alleged harassment, the Compliance Officer(s) will contact the Complainant and begin either an informal or formal complaint process (depending on the request of the Complainant or the nature of the alleged harassment) or the Compliance Officer(s) will designate a specific individual to conduct such a process. The Compliance Officer(s) will provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the Compliance Officer(s) will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All Board employees must report incidents of harassment that are reported to them to a Compliance Officer within two (2) days of learning of the incident.

Any Board employee who directly observes unlawful harassment is obligated, in accordance with this policy, to report such observations to a Compliance Officer within two (2) days. Additionally, any Board employee who observes an act of unlawful harassment is expected to intervene to stop the harassment unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, a Compliance Officer or designee must contact the Complainant if age eighteen (18) or older, or the Complainant's parents/guardians if the Complainant is under the age of eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

Reports and Complaints of Harassing Conduct

Members of the School District community along with Third Parties are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor, or other School District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a report shall file it with a Compliance Officer within two (2) days of receiving the report of harassment.

Members of the School District community and Third Parties who believe they have been unlawfully harassed by another member of the School District community or a Third Party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints of harassment under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior, and/or harassment in accordance with Policy 5517.01 — Bullying and Other Forms of Aggressive Behavior, the Principal believes that the reported misconduct may have created a hostile work environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the Principal will report the act of bullying, aggressive behavior, and/or harassment to the Compliance Officer(s) who shall investigate the allegation in accordance with this policy. If the alleged harassment involves Sexual Harassment as defined by Policy 2266, the matter will be handled in accordance with the grievance process and procedures outlined in Policy 2266. While the Compliance Officer investigates the allegation, or the matter is being addressed pursuant to Policy 2266, the Principal shall suspend the Policy 5517.01 investigation to await the Compliance Officer's written report or the determination of responsibility pursuant to Policy 2266. The Compliance Officer shall keep the Principal informed of the status of the Policy 3362 investigation and provide the Principal with a copy of the resulting written report. Likewise, the Title IX Coordinator will provide the Principal with the determination of responsibility that results from the Policy 2266 grievance process.

Investigation and Complaint Procedure (See Form 3362-F1)

Except for Sexual Harassment that is covered by Policy 2266 — Nondiscrimination on the Basis of Sex in Education Programs or Activities, any employee or other member of the School District community or Third Party (e.g., visitor to the District) who believes that they have been subjected to unlawful harassment may seek resolution of the complaint through the procedures described below. The formal complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful harassment, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education Office for Civil Rights and/or Equal Employment Opportunity Commission (EEOC).

Informal Complaint Procedure

The goal of the informal complaint procedure is promptly to stop inappropriate behavior and to facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student, other member of the School District community, or Third Party who alleges unlawful harassment or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee, any other adult member of the School District community, or a Third Party and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe in doing so, the individual should tell or otherwise inform the Respondent that the allegedly harassing conduct is unwelcome and must stop. The Complainant should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officers are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant if requested to do so. A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the alleged inappropriate conduct may file an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.

A complainant may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator; 2) directly to one (1) of the Compliance Officers; and/or 3) to the Superintendent or other District level employee.

All informal complaints must be reported to one (1) of the Compliance Officers who will either facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The Board's informal complaint procedure is designed to provide employees, other members of the School District community, or third parties who believe they are being unlawfully harassed with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve, but not be limited to, one (1) or more of the following:

- A. Advising the Complainant about how to communicate the unwelcome nature of the behavior to the Respondent.
- B. Distributing a copy of this policy as a reminder to the individuals in the school building or office where the Respondent works or attends.
- C. If both parties agree, the Compliance Officer may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the Compliance Officer/designee is directed to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint. And, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or the Complainant, from the outset, elects to file a formal complaint, or the CO determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

The Complainant may file a formal complaint, either orally or in writing, with a teacher, Principal, Compliance Officer, Superintendent, or other District official. Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are

available. If a Complainant informs a teacher, Principal, Superintendent, or other District official, either orally or in writing, about any complaint of harassment or retaliation, that employee must report such information to a Compliance Officer/designee within two (2) business days.

Throughout the course of the process, the Compliance Officer should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the Compliance Officer should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the Compliance Officer may still take whatever actions deemed appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the Compliance Officer/designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/harassment/retaliation. The Principal will not conduct an investigation unless directed to do so by the Compliance Officer.

Simultaneously, the Compliance Officer will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including the Board's Anti Harassment policy. The Respondent must also be informed of the opportunity to submit a written response to the formal complaint within five (5) days.

Although certain cases may require additional time, the Compliance Officer/designee will attempt to complete an investigation into the allegations of harassment/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the Compliance Officer/designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Respondent engaged in unlawful harassment/retaliation of the Complainant. The Compliance Officer's recommendations must be based upon the totality of the circumstances. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used. The Compliance Officer may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer/designee, the Superintendent must either issue a final decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's written decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a written decision as described above.

[] The decision of the Superintendent shall be final.

OR

~~[] A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of the party's receipt of the Superintendent's decision.~~

~~In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representative within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each party within ten (10) business days of this meeting. The decision of the Board will be final.~~

[END OF OPTIONS]

~~The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment/retaliation regardless of whether the member of the School District community or Third Party alleging the unlawful harassment/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.~~

~~[] The parties may be represented, at their own cost, at any of the above described meetings/hearings.~~

~~The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.~~

Privacy/Confidentiality

~~The District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, take appropriate action, and conform with any discovery or disclosure obligations. All records generated under the terms of this policy and related administrative guidelines shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided with the Complainant's identity.~~

~~During the course of a formal investigation, the Compliance Officer/designee will instruct all members of the School District community and Third Parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided during the course of the investigation.~~

Sanctions and Monitoring

~~The Board shall vigorously enforce its prohibitions against unlawful harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).~~

~~Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects.~~

Retaliation

~~Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or the policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.~~

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct

State law requires any school teacher or school employee who knows or suspects that a child under the age of eighteen (18) or that a person with a disability receiving services as a student from the school regardless of age has suffered or faces a threat of suffering a physical or mental wound, disability, or condition of a nature that reasonably indicates abuse or neglect of a child to immediately report that knowledge or suspicion to the county children's services agency. If, during the course of a harassment investigation, the Compliance Officer or a designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant, a report of such knowledge must be made in accordance with State law and Board Policy.

Any reports made to a county children's services agency or to local law enforcement shall not terminate the Compliance Officer's or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies without good cause after consultation with the Superintendent.

Education and Training

In support of this Anti Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information provided regarding the Board's policy and harassment in general, will be age and content appropriate.

Retention of Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing the retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information (ESI), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation which may include, but not be limited to:

- A. all written reports/allegations/complaints/grievances/statements/responses pertaining to an alleged violation of this policy;
- B. any narratives that memorialize oral reports/allegations/complaints/grievances/statements/responses pertaining to an alleged violation of this policy;
- C. any documentation that memorializes the actions taken by District personnel or individuals contracted or appointed by the Board to fulfill its responsibilities related to the investigation and/or the District's response to the alleged violation of this policy;
- D. written witness statements;
- E. narratives, notes from, or audio, video, or digital recordings of witness interviews/statements;
- F. e-mails, texts, or social media posts that directly relate to or constitute evidence pertaining to an alleged violation of this policy (i.e., not after the fact commentary about or media coverage of the incident);
- G. notes or summaries prepared contemporaneously by the investigator in whatever form made (e.g., handwritten, keyed into a computer or tablet, etc.), but not including transitory notes whose content is otherwise memorialized in other documents;
- H. written disciplinary sanctions issued to students or employees and other documentation that memorializes oral disciplinary sanctions issued to students or employees for violations of this policy;

- I. dated written determinations/reports (including summaries of relevant exculpatory and inculpatory evidence) and other documentation that memorializes oral notifications to the parties concerning the outcome of the investigation, including any consequences imposed as a result of a violation of this policy;
- J. documentation of any supportive measures offered and/or provided to the Complainant and/or the Respondent, including no contact orders issued to both parties, the dates the no contact orders were issued, and the dates the parties acknowledged receipt of the no contact orders;
- K. documentation of all actions taken, both individual and systemic, to stop the discrimination or harassment, prevent its recurrence, eliminate any hostile environment, and remedy its discriminatory effects;
- L. copies of the Board policy and/or procedures/guidelines used by the District to conduct the investigation, and any documents used by the District at the time of the alleged violation to communicate the Board's expectations to students and staff with respect to the subject of this policy (e.g., Student Code of Conduct and/or Employee Handbooks);
- M. copies of any documentation that memorializes any formal or informal resolutions to the alleged discrimination or harassment;

[DRAFTING NOTE: The following options should be selected if the district concludes that the following items are not adequately encompassed in the preceding paragraphs.]

- N. documentation of any training provided to District personnel related to this policy including, but not limited to, notification of the prohibitions and expectations of staff set forth in this policy and the role and responsibility of all District personnel involved in enforcing this policy, including their duty to report alleged violations of this policy and/or conducting an investigation of an alleged violation of this policy; **[REMINDER: Documentation of training should be maintained regardless of whether there is an investigation of an alleged violation of this policy. It is best practice to maintain a log of all staff members who participate in a training, along with the date, time and location of the training, and a copy of the materials reviewed and/or presented during the training.]**
- O. documentation that any rights or opportunities that the District made available to one party during the investigation were made available to the other party on equal terms;
- P. copies of any notices sent to the alleged perpetrator/responding party of the allegations constituting a potential violation of this policy;
- Q. copies of any notices sent to the Complainant and the Respondent in advance of any interview, meeting, or hearing;
- R. copies of any documentation or evidence used during informal and formal disciplinary meetings and hearings, including the investigation report, and any written responses submitted by the Complainant or the Respondent.

The documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal (e.g., FERPA, ADA) and/or State law — e.g., student records and confidential medical records.

The documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for not less than three (3) years, but longer if required by the District's records retention schedule.

Replacement Policy - Vol. 40, No. 1

40-1-2025 - NONDISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITY, AND ANTI-HARASSMENT

The Board of Education does not discriminate on the basis of race, color, national origin, sex (including pregnancy, childbirth, and related medical conditions; sexual orientation; and gender identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category (collectively, Protected Classes) in its programs and activities, including employment opportunities.

The Board is committed to providing a work environment that is free from Prohibited Conduct, responding promptly and effectively when it has knowledge of conduct that reasonably may constitute Prohibited Conduct, and addressing Prohibited Conduct in its education programs or activities. This commitment applies to all District operations and this policy applies to Prohibited Conduct occurring within or as a part of the District's education programs and activities, whether on school property or at another location during an activity sponsored by the Board.

Persons who commit Prohibited Conduct are subject to the full range of disciplinary sanctions set forth in this policy.

The Board will provide persons who have experienced Prohibited Conduct with ongoing remedies as reasonably necessary to restore or preserve access to the District's education programs or activities.

All school employees share responsibility for avoiding, discouraging, and reporting any form of Prohibited Conduct.

The Board will take immediate action to address the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging Prohibited Conduct, or has participated in the below-described grievance procedures.
- B. Filing a malicious or knowingly false report or complaint of Prohibited Conduct.
- C. Disregarding, failing to appropriately address, or delaying action to appropriately address allegations of Prohibited Conduct when responsibility for reporting and/or investigating such charges comprises part of one's administrative/supervisory duties.

Definitions:

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Bullying means: any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult, that is sufficiently severe or pervasive to create an intimidating, hostile, or offensive work environment; or unreasonably interfere with the individual's work performance or participation. It may involve: (a) threats; (b) intimidation; (c) stalking; (d) cyberstalking; (e) cyberbullying; (f) physical violence; (g) theft; (h) sexual, religious, or racial harassment; (i) public humiliation; or (j) destruction of property. Bullying rises to the level of unlawful harassment when one (1) or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more employees, and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal and/or State civil rights laws. Ordinary teasing, horseplay, arguments, and peer conflict do not constitute bullying for purposes of this policy.

Complainant means: an employee who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or a person, other than an employee, who is alleged to have been subjected to conduct that could constitute Prohibited Conduct and who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

Complaint means: an oral or written request to the District that objectively can be understood as a request for the District to investigate and make a determination about alleged Prohibited Conduct.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., days that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Disciplinary sanctions means: consequences imposed on a respondent following a determination that the respondent engaged in Prohibited Conduct.

Education programs or activities refer to: all the District's operations including, but not limited to, in-person and online/remote educational instruction, employment, extracurricular activities, athletics, performances, and community engagement and outreach programs. The term applies to all programs and activities operated by the Board on school grounds or on other property owned or occupied by the Board. It also includes events and circumstances that take place off school property/grounds but over which the District asserts disciplinary authority (e.g., at off-campus activities sponsored by the Board).

Exculpatory evidence means: evidence that is favorable to a respondent because it helps excuse, justify, or absolve a respondent of alleged wrongdoing and tends to establish that a respondent did not engage in Prohibited Conduct.

Genetic Information means: information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

Harassment means: any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal, or physical conduct directed against an employee that (a) places the employee in reasonable fear of harm to their person or damage to their property; (b) has the effect of substantially interfering with the employee's work performance; or (c) has the effect of substantially disrupting the orderly operation of a school. Each of the following types of harassment involves unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's protected characteristic(s) and has the purpose or effect of interfering with the individual's work performance or creating an intimidating, hostile, or offensive work environment.

- A. **Age Harassment** means: harassment based on negative perceptions about older workers. It also includes harassment based on stereotypes about older workers, even if they are not motivated by animus, such as pressuring an older employee to transfer to a job that is less technology-focused because of the perception that older workers are not well-suited to such work or encouraging an older employee to retire.
- B. **Disability Harassment** means: harassment based upon a person's disability and includes harassment based upon stereotypes about individuals with disabilities in general or about an individual's particular disability. It also includes harassment based on traits or characteristics linked to an individual's disability, such as how the person speaks, looks, or moves. For example, negative comments about an individual's speech patterns, movement, physical impairments, or defects/appearances, or the like. Disability-based harassment includes: (a) harassment because an individual requests or receives reasonable accommodation; (b) harassment because an individual is regarded as having an impairment, even if the individual does not have an actual disability, or a record of disability; (c) harassment because an individual has a record of a disability, even if the individual currently does not have a disability; and (d) harassment based on the disability of an individual with whom the employee is associated. Finally, disability-based harassment may occur where conduct is directed at or pertains to a person's genetic information.
- C. **National Origin/Ancestry Harassment** means: harassment due to a person's (or their ancestor's) place of origin. Such harassing conduct can include ethnic slurs or epithets, derogatory comments about individuals of a particular nationality, and use of stereotypes about a person's national origin. Additionally, it can include harassment regarding traits or characteristics linked to an individual's national origin, such as physical characteristics, ethnic or cultural characteristics or customs (e.g., surnames, attire, or diet), or linguistic characteristics (e.g., a person's manner of speaking, non-English language accent, or a lack of fluency in English).
- D. **Race/Color Harassment** means: unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's race or color and has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive work environment. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.
- E. **Religious (Creed) Harassment** means: harassment based on a person's surname, religion (including atheism or lack of religious belief), religious traditions and practices, or religious dress/clothing, and includes making offensive comments about the same. It also includes religious slurs or epithets, harassing conduct based on religious stereotypes, and harassment associated with a person's request for and/or receipt of religious accommodation. Religious harassment also involves explicitly or implicitly coercing an employee to engage in religious practices at work.
- F. **Sexual Harassment** means (for purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964): unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when: (a) submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment; (b) submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (c) such conduct has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive working environment. Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

1. Sexual Harassment covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.

2. Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- a. Conduct of a sexualized nature, such as unwanted conduct expressing sexual attraction or involving sexual activity (e.g., unwelcome sexual propositions, invitations, solicitations, and flirtations; unwanted physical and/or sexual contact, including unwelcome and inappropriate touching, patting, or pinching (✘)); and obscene gestures [END OF OPTION].
- b. Sexual attention or sexual coercion, such as demands or pressure for sexual favors (e.g., threats or insinuations that a person's employment, wages, or other conditions of employment may be adversely affected by not submitting to sexual advances; giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship; leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin).
- c. Rape, sexual assault, or other acts of sexual violence.
- d. Discussing or displaying visual depictions of sex acts or sexual remarks (e.g., unwelcome verbal expressions of a sexual nature, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, texts, etc.; sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings or literature placed in the work environment; asking or telling about sexual fantasies, sexual preferences, or sexual activities; speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history).
- e. A consensual sexual relationship where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
- f. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.
- g. Non-sexual conduct based on sex, such as sex-based epithets; sexist comments (such as remarks that women do not belong in management or that men do not belong in the nursing profession); or facially sex-neutral offensive conduct motivated by sex (such as bullying directed toward employees of one sex).
- h. Harassment based on pregnancy, childbirth, or related medical condition, which may include issues pertaining to lactation, using or not using contraception, or deciding whether to have, or not to have, an abortion.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be objectively offensive (a reasonable person would find it hostile or abusive), subjectively offensive (the complainant actually perceived it as abusive), and either sufficiently severe (a single extremely serious incident) or pervasive (a pattern of behavior), such that it adversely affects, limits, or denies an individual's employment, or creates a hostile or abusive employment environment.

Inculpatory evidence means: evidence that links a respondent to alleged wrongdoing and tends to establish a respondent engaged in Prohibited Conduct (i.e., has culpability).

Military status means: a person's past, current, or future membership, service, or obligation in a uniformed service (e.g., Army, Marine Corps, Navy, Air Force, Space Force, Coast Guard, Public Health Service Commissioned Corps, and National Oceanic and Atmospheric Administration Commissioned Officer Corps). Service in the uniformed services also means the performance of duty, on a voluntary basis, or involuntary basis, in a uniformed service, under competent authority, and includes active duty, active duty for training, initial active duty for training, inactive duty for training, and full-time National Guard duty. It further includes the period of time for which a person is absent from employment for the purpose of an examination to determine the fitness of the person to perform any such duty as listed above.

Party means: a complainant or respondent.

Pregnancy, childbirth, or related medical conditions means:

- A. "Pregnancy" and "childbirth" refer to the pregnancy or childbirth of a specific employee and include, but are not limited to, current pregnancy; past pregnancy; potential or intended pregnancy (which can include infertility, fertility treatment, and the use of contraception); labor; and childbirth (including vaginal and cesarean delivery).

B. "Related medical conditions" are medical conditions relating to the pregnancy or childbirth of a specific employee, and may include termination of pregnancy, including via miscarriage, stillbirth, or abortion; ectopic pregnancy; preterm labor; pelvic prolapse; nerve injuries; cesarean or perineal wound infection; maternal cardiometabolic disease; gestational diabetes; preeclampsia; HELLP (hemolysis, elevated liver enzymes and low platelets) syndrome; hyperemesis gravidarum; anemia; endometriosis; sciatica; lumbar lordosis; carpal tunnel syndrome; chronic migraines; dehydration; hemorrhoids; nausea or vomiting; edema of the legs, ankles, feet, or fingers; high blood pressure; infection; antenatal (during pregnancy) anxiety, depression, or psychosis; postpartum depression, anxiety, or psychosis; frequent urination; incontinence; loss of balance; vision changes; varicose veins; changes in hormone levels; vaginal bleeding; menstruation; and lactation and conditions related to lactation, such as low milk supply, engorgement, plugged ducts, mastitis, or fungal infections. The preceding list of related medical conditions is not exhaustive.

Prohibited Conduct means: unlawful discrimination or harassment based on a person's Protected Class(es) or retaliation. Such misconduct involves a violation of Federal and/or State civil rights laws.

Relevant means: related to the allegations of Prohibited Conduct under investigation as part of the Board's grievance procedures. Questions are relevant when they seek evidence that may aid in showing whether the alleged Prohibited Conduct occurred, and evidence is relevant when it may aid a decisionmaker in determining whether the alleged Prohibited Conduct occurred.

Remedies means: measures provided, as appropriate, to a complainant or any other person the District identifies as having had their equal access to the District's education programs or activities limited or denied by Prohibited Conduct. These measures are provided to restore or preserve that person's access to the District's education program or activity after the District determines that Prohibited Conduct occurred.

Respondent means: a person who is alleged to have engaged in Prohibited Conduct.

Retaliation means: intimidation, threats, coercion, or discrimination against any person by the District, a student, a Board employee, or any other person authorized by the Board to provide aid, benefit, or service under the District's education programs or activities, for the purpose of interfering with any right or privilege secured by Federal or State law, or because the person has reported information, made a complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under applicable Federal or State laws or regulations.

School District community means: students and Board employees (i.e., administrators and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Supportive measures means: non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, without fee or charge to the complainant or the respondent before or after making a report or filing a complaint. Such measures are designed to restore or preserve that party's access to the District's education programs or activities without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment or deter Prohibited Conduct. Supportive measures may include modifications of work schedules, mutual restrictions of contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain work settings; training related to Prohibited Conduct, ~~(c) referral to Employee Assistance Programs, (END OF OPTION), and other similar measures.~~

Third Parties means: guests and/or visitors on District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Pregnancy, Childbirth, and Related Medical Conditions

The Board will not discriminate against an employee based on the person's current pregnancy, potential or intent to become pregnant, past pregnancy, or medical condition related to pregnancy or childbirth, or because the person uses birth control, or has had or not had an abortion.

Additionally, the Board will provide a reasonable accommodation to an employee's known limitation related to pregnancy, childbirth, or a related medical condition, unless the accommodation will cause the District undue hardship.

The Board will treat pregnancy, childbirth, and related medical conditions as any other temporary medical conditions for all job-related purposes, including commencement, duration, and extensions of leave; accrual of seniority and any other benefit or service; reinstatement; and under any fringe benefit offered to employees by virtue of employment.

The Board will provide reasonable break time for an employee to express breast milk while at work for the first year after the employee's child's birth. The Board will provide the employee with a space, other than a bathroom, that is clean, shielded from view, free from intrusion from coworkers and the public, and which the employee can use as needed to express breast milk. See Board Policy 6700 – Fair Labor Standards Act.

Nondiscrimination Based on Employee's Genetic Information

The Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of the individual's genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

In accordance with the Genetic Information Nondiscrimination Act ("GINA"), the Board shall not request, require, or purchase genetic information of employees, their family members, or applicants for employment. Further, in compliance with GINA, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave, when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application process.

~~✖~~] The District recognizes that genetic information may be acquired through commercially and publicly available documents like newspapers, books, magazines, periodicals, television shows, or the Internet. The District prohibits, however, its employees from searching such sources with the intent of finding or obtaining genetic information or accessing sources from which they are likely to acquire genetic information. **[END OF OPTION]**

If the District either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider, it shall be treated as a confidential medical record in accordance with law.

The District Compliance Officer (see below) shall be responsible for overseeing the District's compliance with applicable Federal regulations and promptly dealing with any inquiries or complaints. The District Compliance Officer or designee shall also verify that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members, and that all District requests for health-related information (e.g., to support an employee's request for reasonable accommodation under the Americans with Disabilities Act ("ADA") or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:

The Genetic Information Nondiscrimination Act of 2008 ("GINA") prohibits employers and other entities covered by GINA Title II, including the Board of Education, from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law. To comply with this law, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

~~[] The District offers health services (), including a wellness program [END OF INTERNAL OPTION]. Participation in the services program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to the person's health services providers, but only genetic information in aggregate form will be provided to the Board. [END OF OPTION]~~

District Compliance Officer(s)

[DRAFTING NOTES:

- 1. Neola suggests the Board appoint both a male and a female to serve as the District Compliance Officers. By appointing two (2) District Compliance Officers, there should always be a District Compliance Officer available to address a claim that pertains to the other District Compliance Officer. If, however, the Board appoints more than one (1) District Compliance Officer, Neola recommends that it designate one**

(1) of the District Compliance Officers to retain ultimate oversight over the assigned responsibilities and ensure the Board's consistent compliance with its responsibilities under applicable Federal and State laws that prohibit unlawful discrimination/harassment based on protected classes and retaliation. Alternatively, the Board could appoint a District Compliance Officer and one (1) or more persons to assist the District Compliance Officer with performance of the responsibilities identified in this policy and its accompanying administrative guidelines. Often the person(s) designated to assist a District Compliance Officer is/are called Deputy or Assistant Compliance Officer(s). If the Board elects this alternative approach, it would designate a District Compliance Officer for purposes of this policy, and then designate the other position(s) through its AG. The person(s) in the alternative support role(s) will need to be trained in the same manner as the District Compliance Officer (see AG 1422).

2. The Board must list in this policy either the Name(s) or Title(s) of the District Compliance Officer(s); while the Board may list both the Name(s) and Title(s), Neola suggests that the Board only list the Title(s) in this policy (so the Board does not need to revise/amend the policy whenever there is a change in the actual person(s) holding the designated position(s)), but list both the Name(s) and Title(s) in the requisite notices/postings (e.g., website) and publications (e.g., handbooks). The District will also need to decide whether to list the Name(s) and Title(s), or just the Title(s), in Administrative Guideline 1422 if the District elects to identify the District Compliance Officer in the AG (see DRAFTING NOTE in the AG; again, if the District lists the Name(s) and Title(s), it will need to remember to update the AG whenever there is a change in the actual person(s) holding the designated position(s). No matter what, the Board will need to amend its policy and update its AG, requisite notices/postings, and publications, whenever it changes the Title of the position(s) designated to serve as the District Compliance Officer(s).
3. **Reminder: Whenever a new person begins to serve as the District Compliance Officer (or in a support role to the District Compliance Officer), the District needs to make sure the new person is appropriately trained, in a timely manner, to fulfill the responsibilities of the position to which the person is assigned.]**

[END OF DRAFTING NOTES]

The Board designates and authorizes the following individual(s) to coordinate its efforts to comply with the Board's responsibilities under Federal and State laws that prohibit discrimination, including harassment, based on Protected Classes and retaliation (also known as "Civil Rights Coordinator(s)" or "Anti-Harassment Compliance Officer(s)" (hereinafter referred to as the "District Compliance Officer(s)" or "CO(s)"):

The CO(s) shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), Genetic Information Nondiscrimination Act (GINA), and the Age Discrimination in Employment Act of 1975 is provided to staff members and the general public. ~~() Any sections of the District's collective bargaining agreements dealing with hiring, promotion, demotion, discipline, and tenure~~

The CO is responsible for coordinating the effective implementation of supportive measures. Any supportive measures provided to the complainant or respondent shall be maintained as confidential, to the extent that maintaining such confidentiality will not impair the ability of the District to provide the supportive measures.

GRIEVANCE PROCEDURES

Overview:

The Board adopts the following grievance procedures to provide for the prompt, effective, and equitable resolution of complaints made by employees, applicants, or other individuals who are participating or attempting to participate in the District's education programs or activities (i.e., members of the School District community and Third Parties), or by the CO alleging any act of Prohibited Conduct.

These grievance procedures shall be used for all complaints of Prohibited Conduct unless it involves conduct involving a student, in which case the grievance procedures set forth in Policy 2260 or Policy 5517.01 shall apply. These grievance procedures set forth the means for investigating and resolving claims involving such Prohibited Conduct; in particular, the procedures provide a method for assessing – in a prompt, effective, and equitable manner – whether an applicable Federal or State law was violated and, if it was, how best to end the Prohibited Conduct, prevent its recurrence, and remedy its effects.

Due to the sensitivity surrounding complaints of Prohibited Conduct, timelines are flexible for initiating the grievance procedures; however, individuals are encouraged to file a complaint within thirty (30) days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner.

[DRAFTING NOTE: Title VII of the Civil Rights Act of 1964 ("Title VII") prohibits discrimination in employment. Specifically, it prohibits employment discrimination based on race, color, religion, sex, or national origin, and applies to employers with fifteen (15) or more employees. Title IX, on the other hand, specifically prohibits discrimination based on sex in education programs and activities that receive Federal financial assistance, including employment within those institutions. Title IX is addressed by Board Policy 2266 and AC 2266. While both laws aim to prevent sex-based discrimination in the workplace, Title VII applies more broadly to various types of employers, whereas Title IX is limited to educational institutions receiving Federal funds. Ultimately, both laws aim to ensure equal employment opportunities and protect individuals from discrimination. When a District Compliance Officer receives a complaint or notification of alleged misconduct involving sex discrimination (in particular, sexual harassment) that involves an employee complainant and an employee respondent, the District Compliance Officer should consult with the Title IX Coordinator and/or the Board's Legal Counsel concerning which law – it may be both – the District will need to comply with when investigating the allegations.]

Under all circumstances, the CO shall offer and coordinate supportive measures, as appropriate, in accordance with this policy ~~() and AC 1422 [END OF OPTION]~~.

Complaints:

The following people may make a complaint of Prohibited Conduct – i.e., request that the District investigate and determine whether Prohibited Conduct occurred:

A. a "complainant," which includes:

1. an employee of the District who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or
2. a person other than an employee of the District who is alleged to have been subjected to conduct that could constitute Prohibited Conduct at a time when that individual was participating or attempting to participate in

the District's education programs or activities;

B. an authorized legal representative with the legal right to act on behalf of a complainant;

C. the District Compliance Officer.

A person is entitled to make a complaint of unlawful harassment only if they themselves are alleged to have been subjected to the unlawful harassment, or if the CO initiates a complaint.

[DRAFTING NOTE: This paragraph emphasizes that in order for a person to file a complaint of unlawful harassment, the person has to have been subjected to the alleged misconduct directly or be a person who has a legal right to act on behalf of the person who was subjected to the alleged misconduct. This is consistent with the prior paragraph, where the complainant is identified as an employee who was "subjected to conduct that could constitute Prohibited Conduct." The following paragraph, on the other hand, expands who can file a complaint - when the alleged Prohibited Conduct does not involve unlawful harassment, or the complaint involves allegations of retaliation - to persons who are aware of the alleged Prohibited Conduct, even if that person was not directly affected by or subject to the alleged Prohibited Conduct.]

With respect to complaints of Prohibited Conduct other than unlawful harassment, or complaints involving allegations of retaliation, in addition to the people listed above, the following persons have a right to make a complaint:

A. any employee of the District; or

B. any person other than an employee who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

The District may consolidate complaints of Prohibited Conduct against more than one (1) respondent, or by more than one (1) complainant against one (1) or more respondents, or by one (1) party against another party, when the allegations of Prohibited Conduct arise out of the same facts or circumstances. When more than one (1) complainant or more than one (1) respondent is involved, references below to a party, complainant, or respondent include the plural, as applicable.

A person may file criminal charges simultaneously with filing a complaint. A person does not need to wait until the District's internal grievance procedures are completed before filing a criminal complaint. Likewise, questions or complaints relating to alleged violations of applicable Federal or State laws may be filed with the U.S. Department of Education's Office for Civil Rights, the U.S. Department of Justice's Civil Rights Division, the U.S. Equal Employment Opportunity Commission, or the Michigan Department of Civil Rights, at any time based on the underlying statutory basis for the complaint.

Basic Requirements:

The District will treat complainants and respondents equitably.

All persons involved with implementing the grievance procedures and any other aspects of this Policy, including the District Compliance Officer, the investigator, the decisionmaker, and the appeal decisionmaker, ~~(X)~~ and the facilitator of the informal resolution process, **[END OF OPTION]** shall be free from any conflicts of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

~~(X)~~ **[X]** The CO may serve simultaneously as an investigator and/or a decisionmaker. **[END OF OPTION]** **[DRAFTING NOTE: Neola recommends the Board select this OPTION; note it is "may" (i.e., optional) so the CO can decide when to serve in both roles and when to designate one or more persons to perform these responsibilities in a given case.]**

If the CO does not intend to serve as the investigator/decisionmaker in a specific case, the CO shall designate one (1) or more administrators who are appropriately trained to serve in the role.

In circumstances when the CO and trained administrators do not have time/capacity to serve, or are prevented due to a conflict of interest, bias, or partiality, or other reasons impair the CO and other trained administrators from serving as an investigator/decisionmaker in a specific case, the CO shall ~~()~~ ~~in consultation with~~ ~~(X)~~ and approval of **[END OF OPTION]** the Superintendent or ~~()~~ ~~Board~~ ~~(X)~~ Board President (as appropriate), **[END OF OPTION]** secure one (1) or more independent third parties to serve as the investigator and/or decisionmaker.

The District presumes that the respondent is not responsible for the alleged Prohibited Conduct until a determination is made at the conclusion of its grievance procedures.

Under ordinary circumstances, the Board expects to complete the major stages of the grievance procedures within the timeframe specified below:

- A. **Evaluation** – The District Compliance Officer will determine whether to dismiss a complaint or investigate it within ten (10) [INSERT AMOUNT] days of receiving the complaint. [DRAFTING NOTE: Neola recommends that the evaluation stage be completed within ten (10) days of the CO receiving notice of the complaint.]
- B. **Investigation** – The CO, or designated investigator/decisionmaker, shall ordinarily complete the investigation (i.e., collect relevant evidence that is not otherwise impermissible) and issue a Determination (i.e., consider the relevant and not otherwise impermissible evidence and decide whether Prohibited Conduct occurred) within twenty (20) [INSERT AMOUNT] days of the CO determining the charges require investigation. [DRAFTING NOTE: Recognizing that it is important for investigations to be completed and Determinations issued in a prompt and equitable manner, Neola recommends that a school district typically complete an investigation and issue a Determination within twenty (20) days.]

[DRAFTING NOTE: If the investigator/decisionmaker is someone other than the CO, upon written request from the investigator/decisionmaker, the CO should be permitted to approve a reasonable extension of time for the investigation to be completed and the Determination issued. If the CO is the investigator/decisionmaker: upon written request from the CO, the Superintendent should be permitted to approve a reasonable extension of time for the investigation to be completed and the Determination issued. In either situation, the administrator granting the extension should communicate to the parties the new deadline along with a rationale for the extension.]

If, however, the CO, or designated investigator/decisionmaker, determines that the investigation is going to take longer, the CO will so notify the parties () and the Superintendent [END OF OPTION] and will thereafter keep the parties () and the Superintendent [END OF OPTION] informed of the status of the matter on a regular basis [INSERT TIME PERIOD – E.G., BIWEEKLY OR REGULAR] basis.

- C. **Appeal** – A party filing an appeal of the CO's decision to dismiss a complaint () , or the Determination, [END OF OPTION] must do so within five (5) [INSERT AMOUNT] days of receiving the Dismissal () or Determination [END OF OPTION]. [DRAFTING NOTE: Neola recommends the Board allow limited appeals based on the Determination. See DRAFTING NOTE below in the appeal section.]

The CO, or the Superintendent if the CO is the individual requesting an extension, may approve reasonable extensions of the preceding timeframes on a case-by-case basis for good cause with notice to the parties.

The District will take reasonable steps to protect the privacy of the parties and witnesses. [] These steps will not restrict the ability of the parties to present evidence or otherwise participate in the grievance procedures. [END OF OPTION] The parties shall not engage in retaliation, including against witnesses.

The CO, or designated investigator/decisionmaker, shall objectively evaluate all evidence that is relevant and not otherwise impermissible — including both inculpatory and exculpatory evidence. Credibility determinations shall not be based on a person's status as a complainant, respondent, or witness.

The following types of evidence, and questions seeking such evidence, are impermissible (i.e., will not be accessed or considered, except by the District to determine whether one of the exceptions listed below applies; will not be disclosed; and will not otherwise be used), regardless of whether they are relevant:

- A. evidence that is protected under a privilege recognized by Federal or State law, unless the person to whom the privilege or confidentiality is owed voluntarily waived the privilege or confidentiality; and
- B. a party's or witness's records that are made or maintained by a physician, psychologist, or other recognized professional or paraprofessional in connection with the provision of treatment to the party or witness, unless the District obtains that party's or witness's voluntary, written consent for use in its grievance procedures.

Notice of Allegations:

Upon initiation of the Board's grievance procedures, the District Compliance Officer shall notify the parties of the following:

- A. the Board's grievance procedures () and informal resolution process [END OF OPTION] associated with claims involving Prohibited Conduct; [DRAFTING NOTE: Neola encourages the Board to include an informal resolution process.]

- B. sufficient information available at the time to allow the parties to respond to the allegations, including the identities of the parties involved in the incident(s), the conduct alleged to constitute Prohibited Conduct, and the date(s) and location(s) of the alleged incident(s); and
- C. retaliation is prohibited.

Should the CO decide, at any point, to investigate allegations that are materially beyond the scope of the initial written notice, the CO will provide a supplemental written notice describing the additional allegations to be investigated.

Dismissal of a Complaint:

The CO may dismiss a complaint of Prohibited Conduct if:

- A. the District is unable to identify the respondent after taking reasonable steps to do so;
- B. the respondent is not participating in the District's education program or activity and is not employed by the Board;
- C. the complainant voluntarily withdraws any or all the allegations in the complaint, the CO declines to initiate a complaint, and the District determines that, without the complainant's withdrawn allegations, the conduct that remains alleged in the complaint, if any, would not constitute Prohibited Conduct even if proven; or
- D. the District determines the conduct alleged in the complaint, even if proven, would not constitute Prohibited Conduct. Before dismissing the complaint, the CO will make reasonable efforts to clarify the allegations with the complainant.

Upon dismissal, the CO will promptly notify, in writing, the complainant of the basis for the dismissal. If the dismissal occurs after the respondent has been notified of the allegations, the CO will also simultaneously notify, in writing, the respondent of the dismissal and the basis for the dismissal.

The CO will further notify the complainant that a dismissal may be appealed and will provide the complainant with an opportunity to appeal the dismissal of the complaint. If the dismissal occurs after the respondent has been notified of the allegations, then the CO will also notify the respondent that the dismissal may be appealed.

Dismissals may be appealed on the following bases:

- A. procedural irregularity that would change the outcome;
- B. new evidence that would change the outcome and that was not reasonably available when the dismissal was made; and
- C. the CO had a conflict of interest or bias for or against complainants or respondents generally, or the individual complainant or respondent, that would change the outcome.

If the dismissal is appealed, the CO will:

- A. notify the parties of any appeal, including notice of the allegations, if notice was not previously provided to the respondent;
- B. implement appeal procedures equally for the parties;
- C. ensure that the appeal decisionmaker did not take part in the original dismissal of the complaint;
- D. ensure that the appeal decisionmaker has been trained consistent with this Policy () and AC 1422 ~~END OF OPTION~~;
- E. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the outcome; and
- F. notify the parties of the result of the appeal and the rationale for the result.

When a complaint is dismissed, the CO will, at a minimum:

- A. offer supportive measures to the complainant as appropriate;

- B. if the respondent has been notified of the allegations, offer supportive measures to the respondent as appropriate; and
- C. take other prompt and effective steps, as appropriate, to ensure that Prohibited Conduct does not continue or recur within the District's education programs or activities.

[DRAFTING NOTE: Neola encourages the Board to select the following option so the CO can choose, in appropriate circumstances, to offer the parties the opportunity to participate in an informal resolution process, or to honor the parties' request to use an informal resolution process, to end the Prohibited Conduct, prevent its recurrence, and remedy its effects.]

[X] [OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]

Informal Resolution Process:

In lieu of resolving a complaint through the Board's formal grievance procedures, the parties may instead elect to participate in an informal resolution process. The District will not offer informal resolution to resolve a complaint when such a process would conflict with Federal, State, or local law.

[END OF OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]

Adding Allegations and/or Consolidating Complaints:

If, in the course of an investigation, the District decides to investigate additional allegations of Prohibited Conduct by the respondent toward the complainant that are not included in the original Notice of Allegations or to consolidate charges raised in a different complaint involving the same respondent, the CO will notify the parties of the additional allegations.

Investigation:

The District will provide for an adequate, reliable, and impartial investigation of complaints.

The burden is on the District — not on the parties — to conduct an investigation that gathers sufficient evidence to determine whether Prohibited Conduct occurred.

The CO, or the designated investigator/decisionmaker, will provide an equal opportunity for the parties to present fact witnesses and other inculpatory and exculpatory evidence that are relevant and not otherwise impermissible.

The CO, or the designated investigator/decisionmaker, will review all evidence gathered through the investigation and determine what evidence is relevant and what evidence is impermissible, regardless of relevance.

Determination of Whether Prohibited Conduct Occurred:

Following an investigation and evaluation of all relevant and not otherwise impermissible evidence, the CO or designated investigator/decisionmaker will:

- A. Use the preponderance of the evidence standard of proof to determine whether Prohibited Conduct occurred. This standard of proof requires the decisionmaker to evaluate relevant and not otherwise impermissible evidence for its persuasiveness. If the decisionmaker, applying the applicable standard, is not persuaded by the relevant and not otherwise impermissible evidence that Prohibited Conduct occurred, regardless of the quantity of the evidence, the decisionmaker will not determine that Prohibited Conduct occurred. **[DRAFTING NOTE: While a board of education could elect to use the "clear and convincing" evidence standard of proof, Neola does not recommend it. If a board does select the "clear and convincing" standard, it should use it in all other comparable proceedings. Neola expects it will be a rare situation when a board chooses to use a clear and convincing standard of proof.]**
- B. Notify the parties, in writing, of the determination whether Prohibited Conduct occurred, including the rationale for such determination (), and the procedures and permissible bases for the complainant and respondent to appeal. **[END OF OPTION]**
- C. Not impose discipline on a respondent for Prohibited Conduct unless there is a determination at the conclusion of the grievance procedures that the respondent engaged in Prohibited Conduct.
- D. If there is a determination that Prohibited Conduct occurred, the CO will, as appropriate:

1. coordinate the provision and implementation of remedies to a complainant and other people the District identifies as having had equal access to the District's education programs or activities limited or denied by the Prohibited Conduct;
2. coordinate the imposition of any disciplinary sanctions on a respondent (), including notification to the complainant of any such disciplinary sanctions ~~and~~ **[END OF OPTION]**; and
3. take other appropriate prompt and effective steps to ensure that the Prohibited Conduct does not continue or recur within the District's education programs or activities.

E. Comply with the grievance procedures before the imposition of any disciplinary sanctions against a respondent.

F. Not discipline a party, witness, or others participating in the grievance procedures for making a false statement based solely on the determination of whether Prohibited Conduct occurred.

[DRAFTING NOTE: If the CO dismisses a complaint in the Evaluation stage (i.e., prior to commencing an investigation), the complainant may appeal as set forth above. Neola also recommends the Board include an appeal process related to the Determination.]

] [OPTIONAL LANGUAGE - APPEAL OF DETERMINATION]

Appeal of Determinations:

If a party disagrees with the decisionmaker's determination as to whether Prohibited Conduct occurred, the party may file an appeal. Appeals must be submitted, in writing, within 30 (30) **(INSERT AMOUNT)** days of the appealing party's receipt of the Determination.

A party may appeal a Determination on the following bases:

- A. procedural irregularity that would change the outcome;
- B. new evidence that would change the outcome and that was not reasonably available when the investigation occurred and the Determination was made; and
- C. the CO, or the designated investigator/decisionmaker, had a conflict of interest or bias for or against complainants or respondents generally or the Individual complainant or respondent that would change the outcome;

[DRAFTING NOTE: The Board may insert additional grounds on which an appeal may be filed.]

- D. ~~() the recommended remedies (including disciplinary sanctions/consequences) are unreasonable in light of the findings of fact (i.e., the nature and severity of the Prohibited Conduct);~~
- E. ~~() OTHER _____~~

] The complainant may not challenge the ultimate disciplinary sanction/consequence that is imposed. **[END OF OPTION]**

[DRAFTING NOTE: The following options are offered in case the Board wants the Superintendent to serve as the appeal decisionmaker or the Board wants to nominally be identified as the appeal decisionmaker but will be delegating the responsibility to a person who is properly trained. Neola does not recommend that the Board itself be named as the appeal decisionmaker because of the preference for the decisionmaker to be trained to render a decision. If the Board wants to serve as the appeal decisionmaker, it should discuss this issue with its Legal Counsel. Select OPTION 1 or OPTION 2 below.]

[OPTION 1]

The CO will designate an appeal decisionmaker, who will be a person who did not conduct the investigation and render the Determination, and is appropriately trained (), as set forth in AC-1422 **[END OF INTERNAL OPTION]**

The CO has authority (), in consultation with () and approval of **[END OF OPTION]** the Superintendent or () Board () Board President (as appropriate), **[END OF OPTION]** to secure an independent third party to serve as the appeal decisionmaker.

~~[] In designating an appeal decisionmaker, the CO will work with the Board to identify and appoint an independent Third Party to serve as the appeal decisionmaker—this individual shall be considered to be the Board's designee and will submit the appeal decision to the Board who will promptly adopt it as written and forward it to the CO who will send it simultaneously to the parties. [END OF OPTIONAL SENTENCE]~~

~~[END OF OPTION 1]~~

[OPTION 2]

The Superintendent shall serve as the appeal decisionmaker, provided the Superintendent has not been otherwise involved in the grievance procedures (i.e., did not serve as the investigator/decisionmaker or informal resolution process facilitator) and is appropriately trained. If the Superintendent is not eligible to serve as the appeal decisionmaker, the CO will designate an appeal decisionmaker, who will be a person who did not conduct the Investigation and render the Determination, and is appropriately trained (~~()~~, as set forth in AG 1422) [END OF INTERNAL OPTION].

[END OF OPTION 2]

[END OF OPTIONS]

If a party appeals the Determination, the CO will:

- A. notify the parties of the appeal;
- B. implement appeal procedures equally for the parties;
- C. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the Determination;
- D. provide the appeal decisionmaker with the relevant and not otherwise impermissible evidence and the Determination; and
- E. notify the parties, in writing, of the result of the appeal and the appeal decisionmaker's rationale for the outcome.

Parties Provided a Reasonable and Equal Opportunity to Make a Statement in Support of, or Challenging, the Dismissal () or Determination [END OF OPTION]

When a party files an appeal, the party must set forth the reason(s)/basis/bases for the appeal, and the other party will have five (5) [INSERT AMOUNT] days to provide the appeal decisionmaker with a statement in support of their position. Once the decisionmaker receives the statement (or the deadline for filing such a statement expires), the appeal decisionmaker will have ten (10) [INSERT AMOUNT] days to issue a decision on the appeal.

[DRAFTING NOTE: Neola suggests any appeals should be filed within five (5) days of the parties receiving written notice of the Determination. Neola further suggests that the timeline for the other party submitting a statement be equivalent to the timeframe in which an appeal has to be filed. Finally, Neola suggests the appeal decisionmaker have ten (10) days from receipt of the statements to issue a decision.]

While a party appealing a Determination may argue the reason/basis for the appeal is that new evidence has been discovered/obtained that would change the outcome and that said new evidence was not reasonably available when the Determination was originally made, the party may not submit the new or additional evidence during the appeal process. Rather, the party appealing should identify/describe in detail the evidence, including how and when it was discovered/obtained, and explain why it was not reasonably available during the Investigation (i.e., prior to the Determination). If the appeal decisionmaker accepts the proffered explanation, the appeal decisionmaker should remand the case back to the investigator/decisionmaker (i.e., reopen the investigation) so the new evidence may be submitted and considered by the other party and the investigator/decisionmaker.

The appeal decisionmaker shall determine the outcome of the appeal based on the appeal decisionmaker's independent review of the record (i.e., the relevant and not otherwise impermissible evidence and the written determination) and the appeal decisionmaker's application of the law and Board policy to the facts in the record. The appeal decisionmaker must give due deference and due weight to the decisionmaker's factual findings and credibility determinations and should not overturn them unless non-testimonial extrinsic evidence in the record justifies a contrary conclusion or unless the record read in its entirety compels a contrary conclusion. Generally, the appeal decisionmaker is expected to uphold the original Determination unless the appeal decisionmaker concludes the original Determination is unlawful, unreasonable, or against the manifest weight of the evidence. Every reasonable presumption must be made in favor of the original Determination.

The appeal decisionmaker shall

[DRAFTING NOTE: The Board must select either OPTION 1 or OPTION 2 unless the Board appointed an independent Third Party to serve as the Board's appeal decisionmaker, in which case the Board should select OPTION 3.]

[OPTION 1]

simultaneously notify the parties, in writing, of the result of the appeal and the rationale for the outcome.

~~END OF OPTION 1~~

~~OR~~

[OPTION 2]

notify the CO, in writing, of the result of the appeal and the rationale for the outcome. The CO will then simultaneously notify the parties, in writing, of the result of the appeal and the appeal decisionmaker's rationale for the outcome.

~~END OF OPTION 2~~

~~OR~~

[OPTION 3]

submit the appeal decision to the Board who will promptly adopt it as written and forward it to the CO, who will send it simultaneously to the parties. The appeal decision shall set forth the result of the appeal and the appeal decisionmaker's rationale for the outcome.

~~END OF OPTION 3~~

The appeal decisionmaker's ~~() Board's~~ ~~END OF OPTION~~ decision shall be final.

[END OF OPTIONAL LANGUAGE - APPEAL OF DETERMINATION]

Supportive Measures:

The District will offer and coordinate supportive measures as appropriate for the complainant and/or respondent to restore or preserve that person's access to the District's education programs or activities or provide support during the grievance procedures and/or during the informal resolution process. For allegations of Prohibited Conduct other than prohibited harassment or retaliation, the District's provision of support measures does not require the District, Board employees, or any other person authorized to provide aid, benefit, or service on the District's behalf to alter the alleged discriminatory/retaliatory conduct for the purpose of providing a supportive measure.

The CO shall determine appropriate supportive measures on a case-by-case basis. Supportive measures may vary depending on what the CO deems to be reasonably available. Supportive measures may include, but are not limited to: modifications of work schedules, mutual restrictions on contact between the parties; changes in work locations; leaves of absence; increased security and monitoring of certain work settings; training related to Prohibited Conduct; ~~() referral to Employee Assistance Program~~ ~~END OF OPTION~~ and other similar measures.

Supportive measures must not unreasonably burden either party and must be designed to protect the safety of the parties and/or the District's educational environment, or to provide support during the Board's grievance procedures or the informal resolution process.

The District will not impose such measures for punitive or disciplinary reasons.

The CO may, as appropriate, modify or terminate supportive measures at the conclusion of the grievance procedures, or at the conclusion of the informal resolution process, or the District may continue them beyond that point.

A party may seek additional modification or termination of a supportive measure applicable to them if circumstances change materially.

The District will not disclose information about any supportive measures to persons other than the person to whom they apply, including informing one party of supportive measures provided to another party, unless necessary to provide the

supportive measure or restore or preserve a party's access to the District's education programs or activities, or as otherwise permitted under existing law and/or policy.

The Superintendent may place an employee respondent on administrative leave from employment responsibilities during the pendency of the Board's grievance procedures.

Disciplinary Sanctions and Remedies:

Following a determination that Prohibited Conduct occurred, the District may impose disciplinary sanctions, which may include:

- A. oral or written warning;
- B. written reprimands;
- C. required counseling;
- D. required training or education;
- E. demotion;
- F. suspension with pay;

[END OF OPTIONS]

- G. suspension without pay;
- H. termination; and
- I. any other sanction authorized by any applicable Board policy, Employee/Administrator Handbook, and/or collective bargaining agreement.

The District may also provide remedies, which may include disciplinary sanctions/consequences. The CO will notify the Superintendent of the recommended remedies, so an authorized administrator can consider the recommendation and implement appropriate remedies in compliance with applicable due process procedures, whether statutory or contractual.

[DRAFTING NOTE: The Board should review applicable policy(ies)/administrative guidelines/employee handbooks to determine whether changes are needed to establish timelines associated with imposition of discipline as a result of possible delays caused by the Board implementing the preceding grievance procedures; likewise, the Board may need to discuss with union representatives how implementation of the grievance procedures may impact any disciplinary provisions contained in applicable collective bargaining (e.g., timelines, permitted attendees at investigative interviews, etc.).]

Discipline of an employee will be implemented in accordance with Federal and State law, Board policy, and applicable provisions of any relevant collective bargaining agreement.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging Prohibited Conduct or retaliation, or participates in an investigation, is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by the U.S. Constitution, the Michigan Constitution, Federal or State law, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including initiating a disciplinary process against a person for a code of conduct violation that does not involve Prohibited Conduct but arises out of the same facts and circumstances as a complaint or information reported about possible Prohibited Conduct, for the purpose of interfering with the exercise of any right or privilege secured by Federal or State law constitutes retaliation. Retaliation against a person for making a complaint or participating in an investigation is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Complaints alleging retaliation may be filed according to the grievance procedures set forth above. The District shall initiate its grievance procedures upon receiving any complaint alleging retaliation.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation.

prohibited under this policy.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination that Prohibited Conduct occurred, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Privacy/Confidentiality

The District will employ all reasonable efforts to protect the rights of the complainant, the respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. The District will keep confidential the identity of any individual who has made a complaint of Prohibited Conduct, any complainant, any individual who has been reported to be the perpetrator of Prohibited Conduct, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of relevant Federal or State law or regulations, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the District's obligation to maintain confidentiality shall not impair or otherwise affect the complainant's and respondent's receipt of the information to which they are entitled related to the investigation and determination of whether Prohibited Conduct occurred). All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the respondent must be provided the complainant's identity.

During an investigation, the CO or designated investigator/decisionmaker will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to other members of the School District Community or Third Parties any information that is learned or provided during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against Prohibited Conduct by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter. In those cases where Prohibited Conduct is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects.

Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution (1) and the principles of academic freedom set forth in the applicable collective bargaining agreement [END OF OPTION]. In no case will a respondent be found to have committed Prohibited Conduct based on expressive conduct that is protected by the First Amendment (1) and/or the principles of academic freedom specified in the Board's collective bargaining agreement with its teachers. [END OF OPTION].

Training

All employees, investigators, decisionmakers, facilitators of informal resolution process, the District Compliance Officer(s), and other persons who are responsible for implementing the Board's grievance procedures or have the authority to modify or terminate supportive measures shall receive training related to their duties under applicable Federal and State laws and this policy. [1] The training shall be provided promptly upon hiring or a change of position that alters their duties under this policy, and annually thereafter. [END OF OPTIONAL SENTENCE]. The training shall not rely on stereotypes involving Protected Classes.

[1] Training materials will be made available for inspection upon request by members of the public. [END OF OPTION]

Recordkeeping (including retention of investigatory records and materials)

The District Compliance Officer(s) is/are responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy must retain all information, documents, electronically stored information, and electronic media (as defined in Policy 8315) created and received as part of an investigation. Records and materials associated with the implementation of this policy shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for the period set forth below, unless required to be maintained for a longer period pursuant to the District's records retention schedule.

[DRAFTING NOTE: For purposes of uniformity, Neola recommends that the Board use the same seven (7) year period for recordkeeping that is required by the 2020 Title IX regulations - see Board Policy 2266; If the Board selects a different timeframe for maintaining the below specified records, it should verify the time period selected is consistent with and/or reflected in its record retention schedule - see AG 8310.]

The District shall maintain for a period of seven (7) calendar years the following records:

- A. for each complaint of Prohibited Conduct, records documenting the informal resolution process and/or the grievance procedures followed and the resulting outcome;
- B. for each notification that the District Compliance Officer receives of information about conduct that reasonably may constitute Prohibited Conduct, records documenting the actions the District took to implement this policy; and
- C. all materials used to provide the training referenced above ~~(C) and in AG 1427 [END OF OPTION].~~

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records, medical records).

Outside Appointments, Dual Appointments, and Delegations

The Board retains discretion to appoint suitably qualified persons who are not Board employees to fulfill any function of the Board under this policy including, but not limited to, District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, or facilitator of the informal resolution process.

The Board also retains discretion to appoint two (2) or more persons to jointly fulfill the role of District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process.

The Superintendent may delegate functions assigned to a specific Board employee under this policy including, but not limited to, the functions assigned to the District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process to any suitably qualified individual, and such delegation may be rescinded by the Superintendent at any time.

[DRAFTING NOTE: The following option expressly sets forth authority that the Board has, regardless of whether it is included in this policy, but is offered for those boards of education that may want to affirmatively communicate to/address these issues for readers of this policy.]

Discretion in Application

The Board retains discretion to interpret and apply this policy in a manner that is not clearly unreasonable, even if the Board's interpretation or application differs from the interpretation of any specific complainant and/or respondent.

Despite the Board's reasonable efforts to anticipate all eventualities in drafting this policy, it is possible that unanticipated or extraordinary circumstances may not be specifically or reasonably addressed by the express policy language, in which case the Board retains discretion to respond to the unanticipated or extraordinary circumstance in a way that is not clearly unreasonable.

The provisions of this policy are not contractual in nature, whether in their own right or as part of any other express or implied contract. Accordingly, the Board retains discretion to revise this policy at any time and for any reason. The Board may apply policy revisions to an active case provided that doing so is not clearly unreasonable.

Rescind Policy - Vol. 40, No. 1

~~4122.02 - NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE~~

The Board of Education prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of his/her genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

In accordance with the Genetic Information Nondiscrimination Act (GINA), the Board shall not request, require, or purchase genetic information of employees, their family members, or applicants for employment. Further, in compliance with this Act, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave, when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application process.

[] The District recognizes that genetic information may be acquired through commercially and publicly available documents like newspapers, books, magazines, periodicals, television shows, or the Internet. The District prohibits, however, its employees from searching such sources with the intent of finding or obtaining genetic information or accessing sources from which they are likely to acquire genetic information.

"Genetic information," as defined by GINA, means information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

If the District either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider it shall be treated as a confidential medical record in accordance with law.

The Superintendent shall appoint a compliance officer who shall be responsible for overseeing the District's compliance with Federal regulations and promptly dealing with any inquiries or complaints. S/He shall also verify that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members, and that all District requests for health related information (e.g., to support an employee's request for reasonable accommodation under the ADA or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II, including the Board of Education, from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law. To comply with this law, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

[] The District offers health services (), including a wellness program. [END OF OPTION] Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to other health services providers, but only genetic information in aggregate form will be provided to the Board. [END OF OPTIONAL PARAGRAPH]

[NOTE: It should be noted that any sections of the District's collective bargaining agreements dealing with terms and conditions of employment should contain a statement of nondiscrimination similar to that in the Board's statement above.]

4123 - SECTION 504/ADA PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT

The Board of Education prohibits discrimination against any employee or applicant based upon his/her disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement, or discharge of employees, employee compensation, job training, or other terms, conditions, and privileges of employment. The Board further will not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of disability. Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

"An individual with a disability" means a person who has, had a record of, or is regarded as having a physical or mental impairment that substantially limits one (1) or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function including, but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or "auxiliary aids or services," learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

A qualified person with a disability means the individual satisfies the requisite skill, experience, education, and other job-related requirements of the employment position such individual holds or desires and, with or without reasonable accommodation, can perform the essential functions of the job in question.

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability unless the accommodation would impose an undue hardship on the operation of the District's program and/or activities. A reasonable accommodation is not required for an individual who is merely regarded as having a disability.

Compliance Officer(s)

The Board designates the following individual(s) to serve as the District's 504 Compliance Officer(s)/ADA Coordinator(s) (hereinafter referred to as the "District Compliance Officer(s)"):

Student Services Specialist

~~27235 Joy Road~~ 1045 N. Gulley Rd.

Dearborn Heights, MI 48127

Director of Special Services

~~27235 Joy Road~~ 1045 N. Gulley Rd.

Dearborn Heights, MI 48127

The names, titles, and contact information of these individuals will be published annually on the School District's website.

The District Compliance Officer(s) are responsible for coordinating the District's efforts to comply with and fulfill its responsibilities under Section 504 and Title II of the Americans with Disabilities Act, as amended ("ADA"). A copy of Section 504 and the ADA, including copies of their implementing regulations, may be obtained from the District Compliance Officer(s).

The District Compliance Officer(s) will oversee the investigation of any complaints of discrimination based on disability, which may be filed pursuant to the Board's adopted internal complaint procedure, and will attempt to resolve such complaints. The Board will provide for the prompt and equitable resolution of complaints alleging violations of Section 504/ADA. See below.

Training

The District Compliance Officer(s) will also oversee the training of employees in the District so that all employees understand their rights and responsibilities under Section 504 and the ADA, and are informed of the Board's policies, administrative guidelines, and practices with respect to fully implementing and complying with the requirements of Section 504/ADA.

The Board will provide in-service training and consultation to staff responsible for the education of persons with disabilities, as necessary and appropriate.

Facilities

No qualified person with a disability will, because the District's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies.

For facilities constructed or altered after June 3, 1977, the District will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the District is committed to operating its programs and activities so that they are readily accessible to persons with disabilities.

Notice

Notice of the Board's policy on nondiscrimination in employment practices and the identity of the District's Compliance Officer(s) will be published on the District's website, posted throughout the District, and included in the District's recruitment statements or general information publications.

Complaint Procedures

If a person believes that s/he has been discriminated against on the basis of his/her disability, the person may utilize the following complaint procedures as a means of reaching, at the lowest possible administrative level, a prompt and equitable resolution of the matter.

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), employees will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation, or misapplication of Section 504. In addition, employees will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights.

Internal complaints must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint and offer possible solutions to the dispute. The complaint must be filed with a District Compliance Officer within the time limits specified below. The District's Compliance Officer is available to assist individuals in filing a complaint.

Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday - Friday, excluding State-recognized holidays).

Internal Complaint Procedure

The following internal complaint procedure is available to employees for the prompt and equitable resolution of complaints alleging discrimination based upon disability. This complaint procedure is not available to unsuccessful applicants. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights.

- A. An employee with a complaint based on alleged discrimination on the basis of disability may first discuss the problem with the District Compliance Officer.
- B. If the informal discussion does not resolve the matter, or if the employee skips Step A, the individual may file a formal written complaint with the District Compliance Officer. The written complaint must contain the name and address of the individual or representative filing the complaint, be signed by the complainant or someone authorized to sign for the complainant, describe the alleged discriminatory action in sufficient detail to inform the District Compliance Officer of the nature and date of the alleged violation, and propose a resolution. The complaint must be filed within thirty (30) days of the circumstances or event giving rise to the complaint unless the time for filing is extended by the District Compliance Officer for good cause.
- C. The District Compliance Officer will conduct an independent investigation of the matter (which may or may not include a hearing). This complaint procedure contemplates informal, but thorough investigations, affording all interested persons and their representatives, if any, an opportunity to present witnesses and other evidence relevant to the complaint. The District Compliance Officer will provide the complainant with a written disposition of the complaint within ten (10) days. If no decision is rendered within ten (10) days, or the decision is unsatisfactory in the opinion of the complainant, the employee may file, in writing, an appeal with the Superintendent. The District Compliance Officer shall maintain the District's files and records relating to the complaint.
- D. The Superintendent will, within ten (10) days of receiving the written appeal, conduct a hearing with all parties involved in an attempt to resolve the complaint.

The Superintendent will render his/her decision within ten (10) days of the hearing.
- E. The employee may be represented, at his/her own cost, at any of the above-described meetings/hearings.
- F. The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

If it is determined that the Complainant was subjected to unlawful discrimination, the CO must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

OCR Complaint

At any time, if an employee believes that s/he has been subjected to discrimination based upon his/her disability in violation of Section 504 or the ADA, the individual may file a complaint with the U.S. Department of Education's Office for Civil Rights ("OCR"). The OCR can be reached at:

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

4162 - CONTROLLED SUBSTANCE AND ALCOHOL POLICY FOR COMMERCIAL MOTOR VEHICLE (CMV) DRIVERS AND OTHER EMPLOYEES WHO PERFORM SAFETY-SENSITIVE FUNCTIONS

Purpose

The Board of Education believes that the safety of students while being transported to and from school or school activities is of utmost importance and is the primary responsibility of the driver of the school vehicle. To fulfill such a responsibility, each driver, as well as others who perform safety-sensitive functions with District vehicles (collectively 'Covered Employees'), must be mentally and physically alert at all times while on duty.

To that end, the Board has established this policy, which includes an alcohol and controlled substances testing program. The Board also expects all Covered Employees to comply with Board Policy 4122.01 on Drug-Free Workplace which prohibits the possession, use, sale, or distribution of alcohol and any controlled substance on school property at all times.

Further, the Board concurs with the Federal requirement that all Covered Employees should be free of any influence of alcohol or controlled substance while on duty. Therefore, participation in the alcohol and controlled substances testing program is a condition of employment for all Covered Employees.

Definitions

For purposes of this policy and the guidelines associated with the policy, the following definitions shall apply.

- A. The term *alcohol* means the intoxicating agent in beverage alcohol, ethyl alcohol, or other low molecular weight alcohols, including methyl or isopropyl alcohol.
- B. The term *illegal drug* means drugs and controlled substances, the possession or use of which is unlawful, pursuant to Federal, State, and/or local laws and regulations.
- C. The term *controlled substance* includes any illegal drug and any drug that is being used illegally, such as a prescription drug that was not legally obtained or not used for its intended purposes or in its prescribed quantity. The term does not include any legally-obtained prescription drug used for its intended purpose in its prescribed quantity unless such use would impair the individual's ability to safely perform safety-sensitive functions.
- D. The term *controlled substance abuse* includes excessive use of alcohol as well as prescribed drugs not being used for prescribed purposes, in a prescribed manner, or in the proscribed quantity.
- E. The term *safety-sensitive functions* includes all tasks associated with the operation and maintenance of District-owned and/or operated vehicles. This term further includes any period in which an individual is actually performing, ready to perform, or immediately available to perform any safety-sensitive function.

F. The term *Covered Employee* means all commercial driver license (CDL) holders and regular and substitute bus drivers as well as other staff who operate, inspect, service, and condition a commercial motor vehicle (CMV) while on duty, regardless of whether they are required to hold a CDL.

This policy also covers other staff members who drive students in or inspect, service, and condition non-CMV District vehicles.

G. The term *while on duty* means all time from the time the Covered Employee begins to work or is required to be in readiness for work until the time the Covered Employee is relieved from work and all responsibility for performing work.

Procedures

The Superintendent shall establish a drug and alcohol testing program whereby each Covered Employee is tested for the presence of alcohol in their system as well as for the presence of the following controlled substances:

- A. Marijuana
- B. Cocaine
- C. Opioid
- D. Amphetamines
- E. Phencyclidine (PCP)

The alcohol and controlled substances tests are to be conducted in accordance with Federal and State regulations a.) prior to employment (**Controlled Substances Only**), b.) reasonable suspicion, c.) upon return to duty after any alcohol or drug rehabilitation, d.) post-accident, e.) on a random basis, and f.) on a follow-up basis.

The Superintendent shall require that the District query the FMCSA's Drug and Alcohol Clearinghouse for current and prospective CDL drivers' drug and alcohol violations before allowing a driver to operate a District-owned and/or operated vehicle, consistent with Federal regulations, including consent requirements.

Any staff member who tests positive as defined in the guidelines shall be immediately prohibited from driving any District-owned and/or operated vehicle or conducting a safety-sensitive function:

- A. and evaluated by a substance abuse professional or medical professional;
- B. and provided information regarding drug/alcohol counseling; or referred to the District's Employee Assistance Program;
- C. and subject to discipline, up to and including discharge, in accordance with District guidelines and the terms of any applicable collective bargaining agreements.

No staff member who has tested positive for alcohol or a controlled substance may be returned to a safety-sensitive position without having been evaluated by a qualified substance abuse professional (SAP), completing any required treatment program, and passing a retest. Return to a safety-sensitive position is solely at the District's discretion and the employee may be required to participate in ongoing services if recommended by the SAP. Any staff member who has tested positive for alcohol or a controlled substance will be provided with a list of SAPs available and acceptable to the District.

Furthermore, if during any test the lab determines that an adulterant has been added to the specimen, then:

- A. the test will be considered positive and the employee shall be prohibited from performing any safety-sensitive functions and be referred to the District's Employee Assistance Program.
- B. the employee will be re-tested with an observed collection to prevent the addition of an adulterant to the specimen.

Any staff member who refuses to submit to a test shall immediately be prohibited from performing or continuing to perform his/her safety-sensitive functions (e.g., driving any Board-owned vehicle).

Prior to the beginning of the testing program, the District shall provide a drug-free awareness program which will inform Covered Employees and their supervisors, about:

- A. the dangers of illegal drug use and controlled substance and alcohol abuse;
- B. indicators of probable alcohol misuse and controlled substance abuse;
- C. Board Policy 4122.01 - Drug-Free Workplace, Policy 4161 - Unrequested Leaves of Absence/Fitness for Duty, Policy 4170 - Substance Abuse, and Policy 4170.01 - Employee Assistance Program;
- D. the sanctions that may be imposed for violations of Policy 4122.01.

All time spent undergoing an alcohol or controlled substance test, including travel time, will be paid at the staff member's regular rate of pay or overtime rate, if applicable. Any staff member who is not allowed to return to work while awaiting test results will be compensated during the waiting period for all work time lost, including overtime, if applicable. The Board shall pay all costs associated with the administration of alcohol and controlled substance tests. This includes testing of the 'split specimen' at a Federally certified laboratory if so requested by a staff member. Requests for a 'split specimen' must be made within seventy-two (72) hours of receipt of the notification of a positive drug test. The Board will not pay for the employee's time while not on duty if the split specimen test results are positive.

Alcohol and drug test results shall be protected as confidential medical records as appropriate under Federal law (i.e. test results shall be provided on a right-to-know basis - the employee, the employer, and the substance abuse professional - and the results shall not be presented until analyzed by a Medical Review Officer).

A tested individual, upon written request, will be promptly provided copies of any records relating to his/her use of drugs and alcohol, including any records pertaining to his/her drug and alcohol tests. A tested individual must provide specific written consent before his/her test result can be provided to any other person except as required by law.

All tests shall be conducted in accordance with Federal testing guidelines and be performed by a laboratory that is Federally certified.

The alcohol and drug testing program shall be under the direction of the Superintendent.

The Superintendent shall arrange for periodic retraining of supervisors and staff members as necessary. The Superintendent shall provide a copy of this policy and testing guidelines to all Covered Employees and will include available resources to assist employees with problems related to the use of alcohol and controlled substances.

The Superintendent shall submit, for Board approval, a contract with a certified laboratory to provide the following services:

- A. testing of all first and second test urine samples
- B. clear and consistent communication with the District's Medical Review Officer (MRO)
- C. methodology and procedures for conducting random tests for controlled substances and alcohol
- D. preparation and submission of all required reports to the District, the MRO, and to Federal and State governments

The Superintendent shall also select the agency or persons who will conduct the alcohol breathalyzer tests, the District's MRO, and the drug collection site(s) in accordance with the requirements of the law.

Notification

A tested candidate shall be notified of the results of a pre-employment controlled substances test conducted under this part if the driver requests such results within sixty (60) calendar days of being notified of the disposition of the employment application.

A tested individual shall be notified of the results of random, reasonable suspicion and post-accident tests for controlled substances conducted under this policy if the test results are verified positive. The tested individual shall also be informed which controlled substance or substances were verified as positive.

The Superintendent shall make reasonable efforts to contact and request each driver who submitted a specimen under the employer's program, regardless of the driver's employment status, to contact and discuss the results of the controlled substances test with a medical review officer who has been unable to contact the driver.

The Superintendent shall immediately notify the medical review officer that the driver has been notified to contact the medical review officer within seventy-two (72) hours.

Individuals holding a CDL license must notify all current employers of any DOT violations (such as testing positive for the presence of alcohol or a controlled substance in violation of this policy). The notification must be made 1) by the end of the business day following the day the individual first receives notice of the violation or 2) prior to performing any safety-sensitive function, whichever comes first. Individuals are not required to notify the employer that administered the test or that documented the circumstances giving rise to the violation.

In the event that an individual is selected for testing, the Superintendent will inform the individual that the test is required by applicable law.

Reporting Test Results

The Superintendent shall report all information required by Federal regulations to the Clearinghouse in a timely manner. The Superintendent shall prepare and maintain a summary of the results of its alcohol and controlled substances testing programs performed under this policy during the previous calendar year when requested by the Secretary of Transportation, any DOT agency, or any State or local officials with regulatory authority over the employer or any of its drivers. Such summaries shall be submitted in a manner and timeline as required by law.

Educational Materials Related to Certain Federal Regulations, Board Policies, and Procedures

CDL License Holders and other employees who perform safety-sensitive functions will be provided educational materials at the time of hire or at any time when required to operate a school vehicle. The educational materials shall explain the requirements of applicable Federal regulations and the Board's policies and the District's procedures with respect to meeting these Federal regulations. The Board designates the Office of Human Resources as the individual responsible for providing educational materials to CDL License Holders and other employees who perform safety-sensitive functions. The educational materials will include, at a minimum, the following:

- A. the contact information for the Office of Human Resources, who is the individual designated by the Board to answer questions about the educational materials;
- B. a statement that all CDL License Holders and other employees who perform safety-sensitive functions are subject to Federal law addressing the misuse of alcohol and other controlled substances;
- C. information sufficient to make clear to employees the period of the work day during which they are required to comply with the regulations;
- D. information concerning prohibited conduct;
- E. the circumstances under which employees are subject to testing for alcohol and/or controlled substances;
- F. the procedures for testing for the presence of alcohol and controlled substances in order to protect the employee and the integrity of the testing process, safeguard the validity of the test results, and confirm the results are attributed to the correct employee, including post-accident information, procedures, and instructions required under Federal regulations;
- G. the requirement that staff members must submit to alcohol and controlled substance testing as required by the regulations;
- H. an explanation of what constitutes a refusal to be tested for alcohol or controlled substances and the attendant consequences;
- I. the consequences of testing positive, including the requirements of immediate removal from safety-sensitive functions, and the procedures regarding referral, evaluation, and treatment;
- J. the consequences for employees found to have an alcohol concentration of 0.02 or greater but less than 0.04;
- K. information concerning the effects of alcohol and controlled substances use on an individual's health, work, and personal life; signs and symptoms of an alcohol and/or controlled substances problem (the employee's or a co-worker's); and available methods of intervening when controlled substances and/or alcohol problem is suspected (including confrontation and how to refer someone to an Employee Assistance Program or to management);
- L. information regarding the requirement that certain personal information collected and maintained under Federal law be reported to the Commercial Driver's License Drug and Alcohol Clearinghouse; and

- M. information indicating that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance, including alcohol, is prohibited on all School Board property and at school-sponsored activities. Individuals are strictly prohibited from reporting to work or being on duty while under the influence of alcohol or a controlled substance.

These materials are to be distributed to each staff member upon being hired or transferred into a covered position thereafter. Each staff member must sign a statement certifying receipt of these materials. A staff member who refuses to sign the requisite statement shall be prohibited from performing any safety-sensitive functions. Each employee (and the labor organization representing Board employees) shall receive written notice of the availability of this information, and the identity of the Board's designated representative in charge of answering employee questions about the materials.

Return-to-Duty (Safety-Sensitive Positions)

~~Employees who are removed from performing safety-sensitive functions as a result of this policy must take and pass a return to duty test before returning to performing safety-sensitive functions. The return to duty test will not occur until after a Substance Abuse Professional (SAP) has determined that the employee has successfully complied with prescribed education and/or treatment. The employee must have a negative drug test result and/or an alcohol test with an alcohol concentration of less than 0.02 before resuming performance of safety-sensitive duties. The employee will not be permitted to perform safety-sensitive functions until the start of the employee's next regularly scheduled duty period, but not less than twenty-four (24) hours following administration of the return to duty test.~~

~~Employees must also comply with the SAP's written follow-up testing plan, which will be administered by the District, or they will not be permitted to perform safety-sensitive duties.~~

~~Subject to any collective bargaining agreement or other legal requirements, employees who are eligible to return to performing safety-sensitive functions may not do so without the approval of the Superintendent.~~

Employees who are removed from performing safety-sensitive functions as a result of this policy must complete the Return-to-Duty ("RTD") process as required by the U.S. Department of Transportation ("DOT") regulations and their Federal Motor Carrier Safety Act ("FMCSA") Drug and Alcohol Clearinghouse status must be changed from "prohibited" to "not prohibited" before resuming safety-sensitive duties. The RTD process requires an evaluation by a qualified Substance Abuse Professional ("SAP"), successful compliance with the SAP's prescribed education and/or treatment program, and a follow-up evaluation by the SAP determining that the employee has complied with the program. The employee must then complete a DOT return-to-duty test and obtain a verified negative drug test result and/or an alcohol test result of less than 0.02 before being permitted to return to the performance of safety-sensitive functions.

In addition, employees must comply with the SAP's written follow-up testing plan, which will be administered by the District in accordance with DOT regulations. An employee who fails to comply with the follow-up testing plan will not be permitted to perform safety-sensitive duties.

Subject to any collective bargaining agreement or other legal requirements, employees who are otherwise eligible to resume safety-sensitive functions may not do so without the Superintendent's approval.

Rescind Policy - Vol. 40, No. 1

~~40-1 ANTI-HARASSMENT~~

General Policy Statement

It is the policy of the Board of Education to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will vigorously enforce its prohibition against harassment based on race, color, national origin, sex (including sexual orientation and gender identity), disability, age (except as authorized by law), religion, height, weight, marital or family status, military status, ancestry, or genetic information (collectively, Protected Classes) that are protected by Federal civil rights laws (hereinafter referred to as unlawful harassment) and encourages those within the School District community, as well as Third Parties, who feel aggrieved to seek assistance to rectify such problems. The Board will investigate all allegations of harassment and in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment, prevent its recurrence, and remedy its effects. Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.

[] The District will offer counseling services to any person found to have been subjected to unlawful harassment, and, where appropriate, the person(s) who committed the unlawful harassment.

Other Violations of the Anti-Harassment Policy

The Board will also take immediate steps to impose disciplinary action on individuals engaging in any of the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging unlawful harassment, or who has participated as a witness in a harassment investigation;
- B. Filing a malicious or knowingly false report or complaint of unlawful harassment;
- C. Disregarding, failing to investigate adequately, or delaying investigation of allegations of harassment, when responsibility for reporting and/or investigating unlawful harassment charges comprises part of one's supervisory duties;

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Complainant is the individual who alleges or is alleged to have been subjected to unlawful harassment, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged harassment.

Respondent is the individual who has been alleged to have engaged in unlawful harassment, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged harassment.

School District community means students and Board employees (i.e., administrators and professional and support staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with or seeking to do business with the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday – Friday, excluding State recognized holidays).

Bullying

Bullying rises to the level of unlawful harassment when one (1) or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more students or employees and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student that is severe or pervasive enough to create an intimidating, hostile, or offensive educational or work environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school or work performance or participation; and may involve:

- A. teasing;
- B. threats;
- C. intimidation;
- D. stalking;
- E. cyberstalking;
- F. cyberbullying;
- G. physical violence;

- H. theft;
- I. sexual, religious, or racial harassment;
- J. public humiliation; or
- K. destruction of property.

Harassment means any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal, or physical conduct directed against a student or school employee that:

- A. places a student or school employee in reasonable fear of harm to his/her person or damage to his/her property;
- B. has the effect of substantially interfering with a student's educational performance, opportunities, or benefits, or an employee's work performance; or
- C. has the effect of substantially disrupting the orderly operation of a school.

Sexual Harassment

For purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964, sexual harassment is defined as:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when:

- A. Submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment, or status in a class, educational program, or activity;
- B. Submission or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting such individual;
- C. Such conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity.

Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

Sexual Harassment covered by Policy 2266 – Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.

Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- A. Unwelcome sexual propositions, invitations, solicitations, and flirtations;
- B. Unwanted physical and/or sexual contact;
- C. Threats or insinuations that a person's employment, wages, academic grade, promotion, classroom work or assignments, academic status, participation in athletics or extra-curricular programs, activities, or events, or other conditions of employment or education may be adversely affected by not submitting to sexual advances;
- D. Unwelcome verbal expressions, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes, or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls;
- E. Sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings, or literature placed in the work or educational environment that may reasonably embarrass or offend individuals;
- F. Unwelcome and inappropriate touching, patting, or pinching; obscene gestures;
- G. Asking about, or telling about, sexual fantasies, sexual preferences, or sexual activities;
- H. Speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history;

- I. Giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship.
- J. Leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin.
- K. A pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another.
- L. In the context of employees, consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
- M. Inappropriate boundary invasions by a District employee or other adult member of the School District community into a student's personal space and personal life.
- N. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex stereotyping that does not involve conduct of a sexual nature.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be sufficiently severe, pervasive, and persistent such that it adversely affects, limits, or denies an individual's employment or education, or such that it creates a hostile or abusive employment or educational environment.

[DRAFTING NOTE: Sexual conduct/relationships with students by District employees or any other adult member of the School District community is prohibited, and any teacher, administrator, coach, or other school authority who engages in sexual conduct with a student may also be guilty of the criminal charge of sexual battery. The issue of consent is irrelevant in regard to such criminal charge and/or with respect to the application of this policy to District employees or other adult members of the School District community.]

Race/Color Harassment

Prohibited racial harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race or color and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working, and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

National Origin/Ancestry Harassment

Prohibited national origin/ancestry harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin or ancestry and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's national origin or ancestry, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's disability, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

Anti-Harassment Compliance Officers

The following individual(s) shall serve as the District's Anti-Harassment Compliance Officer(s) (hereinafter, "the Compliance Officer(s)");

[DRAFTING NOTE: Neola suggests the Board appoint both a male and a female Compliance Officer in order to provide Complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. The same individual(s) assigned to serve as Compliance Officer(s) may also be assigned to serve as the District's Section 504 Compliance Officer(s)/ADA Coordinator(s) and/or Title IX Coordinator(s). Additionally, by appointing two (2) Compliance Officers, there should also be a Compliance Officer available to investigate a claim of harassment that pertains to the other Compliance Officer.]

The Compliance Officer(s) () is () are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding harassment.

The Compliance Officer(s) will be available during regular school/work hours to discuss concerns related to unlawful harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about unwelcome conduct, or to intercede informally on behalf of the individual in those

instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

The Compliance Officers shall accept reports of unlawful harassment directly from any member of the School District community or a Third Party or receive reports that are initially filed with an administrator, supervisor, or other District-level official. Upon receipt of a report of alleged harassment, the Compliance Officer(s) will contact the Complainant and begin either an informal or formal complaint process (depending on the request of the Complainant or the nature of the alleged harassment) or the Compliance Officer(s) will designate a specific individual to conduct such a process. The Compliance Officer(s) will provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the Compliance Officer(s) will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All Board employees must report incidents of harassment that are reported to them to a Compliance Officer within two (2) days of learning of the incident.

Any Board employee who directly observes unlawful harassment is obligated, in accordance with this policy, to report such observations to a Compliance Officer within two (2) days. Additionally, any Board employee who observes an act of unlawful harassment is expected to intervene to stop the harassment unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, the Compliance Officer(s) or designee must contact the Complainant if age eighteen (18) or older, or the Complainant's parents/guardians if the Complainant is under the age of eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

Reports and Complaints of Harassing Conduct

Members of the School District community, along with Third Parties, are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor, or other School District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a report shall file it with a Compliance Officer within two (2) days of receiving the report of harassment.

Members of the School District community and Third Parties who believe they have been unlawfully harassed by another member of the School District community or a Third Party are entitled to utilize the Board's complaint process and do so forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints of harassment under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior, and/or harassment in accordance with Policy 5517-01, Bullying and Other Forms of Aggressive Behavior, the Principal believes that the reported misconduct may have created a hostile work environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the Principal will report the act of bullying, aggressive behavior, and/or harassment to the Compliance Officer(s) who shall investigate the allegation in accordance with this policy. If the alleged harassment involves Sexual Harassment as defined by Policy 2266, the matter will be handled in accordance with the grievance process and procedures outlined in Policy 2266. While the Compliance Officer investigates the allegation, if the matter is being addressed pursuant to Policy 2266, the Principal shall suspend the Policy 5517-01 investigation to await the Compliance Officer's written report for the determination of responsibility pursuant to Policy 2266. The Compliance Officer shall keep the Principal informed of the status of the Policy 2266 investigation and provide the Principal with a copy of the resulting written report. Likewise, the Title IX Coordinator will provide the Principal with the determination of responsibility that results from the Policy 2266 grievance process.

Investigation and Complaint Procedure (See Form 4362-F1)

Except for Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, any employee or other member of the School District community or Third Party (or visitor to the District) who believes that they have been subjected to unlawful harassment may seek resolution of the complaint through the procedures described below. The formal complaint process involves an investigation of the Complainant's claim of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful harassment, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education Office for Civil Rights and/or Equal Employment Opportunity Commission (EEOC).

Informal Complaint Procedure

The goal of the informal complaint procedure is to promptly stop inappropriate behavior and to facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student, other member of the School District community, or Third Party who alleges unlawful harassment or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee, any other adult member of the School District community, or a Third Party and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe in doing so, the individual should tell or otherwise inform the Respondent that the allegedly harassing conduct is unwelcome and must stop. The Complainant should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officers are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant if requested to do so. A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the alleged inappropriate conduct may file an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.

A complainant may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator; 2) directly to one (1) of the Compliance Officers; and/or 3) to the Superintendent or other District level employee.

All informal complaints must be reported to one (1) of the Compliance Officers, who will either facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The Board's informal complaint procedure is designed to provide employees, other members of the School District community, or third parties who believe they are being unlawfully harassed with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve, but not be limited to, one (1) or more of the following:

- A. Advising the Complainant about how to communicate the unwelcome nature of the behavior to the Respondent.
- B. Distributing a copy of this policy as a reminder to the individuals in the school building or office where the Respondent works or attends.
- C. If both parties agree, the Compliance Officer may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the Compliance Officer/designee is directed to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint. And, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or the Complainant, from the outset, elects to file a formal complaint, or the CO determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

The Complainant may file a formal complaint, either orally or in writing, with a teacher, Principal, Compliance Officer, the Superintendent, or other District official. Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are

available. If a Complainant informs a teacher, Principal, Superintendent, or other District official, either orally or in writing, about any complaint of harassment or retaliation, that employee must report such information to a Compliance Officer/designee within two (2) business days.

Throughout the course of the process, the Compliance Officer should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral interview and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the Compliance Officer should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the Compliance Officer may still take whatever actions deemed appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the Compliance Officer/designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/harassment/retaliation. The Principal will not conduct an investigation unless directed to do so by the Compliance Officer.

Simultaneously, the Compliance Officer will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including the Board's Anti-Harassment policy. The Respondent must also be informed of the opportunity to submit a written response to the formal complaint within five (5) days.

Although certain cases may require additional time, the Compliance Officer/designee will attempt to complete an investigation into the allegations of harassment/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. Interviews with the Complainant;
- B. Interviews with the Respondent;
- C. Interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. Consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the Compliance Officer/designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Respondent engaged in unlawful harassment/retaliation of the Complainant. The Compliance Officer's recommendations may be based upon the totality of the circumstances. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used. The Compliance Officer may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer/designee, the Superintendent must either issue a final decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's written decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a written decision as described above.

1-1 The decision of the Superintendent shall be final.

[OR]

[] A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of the party's receipt of the Superintendent's decision.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representative within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each party within ten (10) business days of this meeting. The decision of the Board shall be final.

[END OF OPTIONS]

The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment/retaliation regardless of whether the member of the School District community or Third Party alleging the unlawful harassment/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person(s) in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

[] The parties may be represented, at their own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of the internal complaint process is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, take appropriate action, and conform with any discovery or disclosure obligations. All records generated under the terms of this policy and related administrative guidelines shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided with the Complainant's identity.

During the course of a formal investigation, the Compliance Officer/designee will instruct all members of the School District community and Third Parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable state law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct, nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce, or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report or formal complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or the policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies;

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above;

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy;

Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct

State law requires any school teacher or school employee who knows or suspects that a child under the age of eighteen (18) or that a person with a disability receiving services as a student from the school regardless of age has suffered or faces a threat of suffering a physical or mental wound, disability or condition of a nature that reasonably indicates abuse or neglect of a child to immediately report that knowledge or suspicion to the county children's services agency. If, during the course of a harassment investigation, the Compliance Officer or a designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant, a report of such knowledge must be made in accordance with State law and Board Policy;

Any reports made to a county children's services agency or to local law enforcement shall not terminate the Compliance Officer's or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies without good cause after consultation with the Superintendent;

Education and Training

In support of this Anti-Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information provided regarding the Board's policy and harassment in general, will be age and content appropriate;

Retention of Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing the retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information (ESI), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation which may include, but not be limited to;

- A. all written reports/allegations/complaints/grievances/ statements/responses pertaining to an alleged violation of this policy;
- B. any narratives that memorialize oral reports/allegations/ complaints/grievances/statements/responses pertaining to an alleged violation of this policy;
- C. any documentation that memorializes the actions taken by District personnel or individuals contracted or appointed by the Board to fulfill its responsibilities related to the investigation and/or the District's response to the alleged violation of this policy;
- D. written witness statements;
- E. narratives, notes from, or audio, video, or digital recordings of witness interviews/statements;
- F. e-mails, texts, or social media posts that directly relate to or constitute evidence pertaining to an alleged violation of this policy (i.e., not after the fact commentary about or media coverage of the incident);
- G. notes or summaries prepared contemporaneously by the investigator in whatever form made (e.g., handwritten, keyed into a computer or tablet, etc.), but not including transitory notes whose content is otherwise memorialized in other documents;
- H. written disciplinary sanctions issued to students or employees and other documentation that memorializes oral disciplinary sanctions issued to students or employees for violations of this policy;

- I. dated written determinations/reports (including summaries of relevant exculpatory and inculpatory evidence) and other documentation that memorializes oral notifications to the parties concerning the outcome of the investigation, including any consequences imposed as a result of a violation of this policy;
- J. documentation of any supportive measures offered and/or provided to the Complainant and/or the Respondent, including no contact orders issued to both parties, the dates the no contact orders were issued, and the dates the parties acknowledged receipt of the no contact orders;
- K. documentation of all actions taken, both individual and systemic, to stop the discrimination or harassment, prevent its recurrence, eliminate any hostile environment, and remedy its discriminatory effects;
- L. copies of the Board policy and/or procedures/guidelines used by the District to conduct the investigation, and any documents used by the District at the time of the alleged violation to communicate the Board's expectations to students and staff with respect to the subject of this policy (e.g., Student Code of Conduct and/or Employee Handbooks);
- M. copies of any documentation that memorializes any formal or informal resolutions to the alleged discrimination or harassment;

[DRAFTING NOTE: The following options should be selected if the district concludes that the following items are not adequately encompassed in the preceding paragraphs.]

- N. documentation of any training provided to District personnel related to this policy including, but not limited to, notification of the prohibitions and expectations of staff set forth in this policy and the role and responsibility of all District personnel involved in enforcing this policy, including their duty to report alleged violations of this policy and/or conducting an investigation of an alleged violation of this policy; **[REMINDER: Documentation of training should be maintained regardless of whether there is an investigation of an alleged violation of this policy. It is best practice to maintain a log of all staff members who participate in a training, along with the date, time and location of the training, and a copy of the materials reviewed and/or presented during the training.]**
- O. documentation that any rights or opportunities that the District made available to one party during the investigation were made available to the other party on equal terms;
- P. copies of any notices sent to the alleged perpetrator/responding party of the allegations constituting a potential violation of this policy;
- Q. copies of any notices sent to the Complainant and the Respondent in advance of any interview, meeting, or hearing;
- R. copies of any documentation or evidence used during informal and formal disciplinary meetings and hearings, including the investigation report, and any written responses submitted by the Complainant or the Respondent;

The documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal (e.g., FERPA, ADA) and/or State law — e.g., student records and confidential medical records.

The documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for not less than three (3) years, but longer if required by the District's records retention schedule.

5517.01 - BULLYING AND OTHER AGGRESSIVE BEHAVIOR TOWARD STUDENTS

It is the policy of the District to provide a safe and nurturing educational environment for all of its students.

The Board of Education recognizes that a school that is physically and emotionally safe and secure for all students and staff will be better able to promote good citizenship, increase attendance and engagement, and support academic achievement. The Board expects students and staff to conduct themselves in a manner that promotes positive relationships and school climate, with a proper regard for the rights and welfare of other students, school staff, volunteers, and contractors.

This policy protects all students from bullying/aggressive behavior regardless of the subject matter or motivation for such impermissible behavior.

Bullying or other aggressive behavior toward a student, whether by other students, staff, or third parties, including Board members, parents, guests, contractors, vendors, and volunteers, is strictly prohibited. This prohibition includes written, physical, verbal, and psychological abuse, including hazing, gestures, comments, threats, or actions, including electronically transmitted acts, to a student, which cause or threaten to cause bodily harm, reasonable fear for personal safety or personal degradation.

Demonstration of appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment or bullying is expected of administrators, faculty, staff, and volunteers to provide positive examples for student behavior.

This policy applies to all "at school" activities in the District, including activities on school property, in a school vehicle, or at any time or place where a child's imminent safety or over-all well-being may be at issue, and those occurring off school property, if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the school's control, or where an employee is engaged in school business. Misconduct occurring outside of school may also be disciplined if it interferes with the school environment.

Notification

Notice of this policy will be annually circulated to and posted in conspicuous locations in all school buildings and departments within the District and discussed with students, as well as incorporated into the teacher, student, and parent/guardian handbooks. State and Federal rights posters on discrimination and harassment shall also be posted at each building. All new hires will be required to review and sign off on this policy and the related complaint procedure.

Parents or legal guardians of the alleged victim(s), as well as of the alleged aggressor(s), shall be promptly notified of any complaint or investigation as well as the results of the investigation to the extent consistent with student confidentiality requirements. A record of the time and form of notice or attempts at notice shall be kept in the investigation file.

To the extent appropriate and/or legally permitted, confidentiality will be maintained during the investigation process. However, a proper investigation will, in some circumstances, require the disclosure of names and allegations. Further, the appropriate authorities may be notified, depending on the nature of the complaint and/or the results of the investigation.

Reporting

~~No later than May 30, 2015, the~~ District shall submit to the Department of Education a copy of this Policy.

The District shall report incidents of bullying to the Department of Education on an annual basis according to the form and procedures established by the Department of Education.

Should this Policy be amended or otherwise modified, the District shall submit a copy of the amended or modified Policy to the Department of Education no later than thirty (30) days after adopting the modification.

Implementation

The Superintendent is responsible to implement this policy, and may develop further guidelines, not inconsistent with this policy. This policy is not intended to and should not be interpreted to interfere with legitimate free speech rights of any individual. However, the District reserves the right and responsibility to maintain a safe environment for students, conducive to learning and other legitimate objectives of the school program.

Procedure

Any student who believes s/he has been or is the victim of bullying, hazing, or other aggressive behavior should immediately report the situation to the Principal or assistant principal. The student may also report concerns to a teacher or counselor who will be responsible for notifying the appropriate administrator or Board official. Complaints against the building principal should be filed with the Superintendent. Complaints against the Superintendent should be filed with the Board President.

A student may also submit a report or complaint to any of the above designated individuals through email, voicemail, regular mail or by leaving a sealed note addressed to the individual at that person's office or desk. The student may submit a report or complaint anonymously, but this may affect the ability to fully investigate the matter, when the complaining student is not available to provide additional information during the course of the investigation.

The identity of a student who reports bullying, hazing or aggressive behavior, as well as those students who provide information during an investigation will remain confidential to the extent possible and to the extent allowable by law. Only school personnel directly involved in the investigation of the complaint or responsible for remedying any violations will be provided access to the identity of the complaining student(s) and student witnesses, and then only to the extent necessary to effectively deal with the situation.

The identity of the student who files the report or complaint will not be voluntarily shared with the alleged perpetrator(s) or the witnesses unless the student (and his/her parent/guardian) give written permission to do so. Any investigation report will likewise not be voluntarily produced with the names of the reporting student(s) or witnesses. However, under certain circumstances, the District may be required by law to disclose the report and/or the student(s) names. Also, under certain circumstances, the identity of the reporting student may become obvious even without disclosure by school personnel.

Every student is encouraged, and every staff member is required, to report any situation that they believe to be aggressive behavior directed toward a student. Reports shall be made to those identified above. While reports may be made anonymously, formal disciplinary action may not be taken solely on the basis of an anonymous report without other corroborating evidence.

The Principal (or other designated administrator) shall promptly investigate and document all complaints about bullying, aggressive or other behavior that may violate this policy. The investigation must be completed as promptly as the circumstances permit after a report or complaint is made.

If the investigation finds an instance of bullying or aggressive behavior has occurred, it will result in prompt and appropriate remedial action. This may include up to expulsion for students, up to discharge for employees, exclusion for parents, guests, volunteers and contractors, and removal from any official position and/or a request to resign for Board members. Individuals may also be referred to law enforcement or other appropriate officials.

If, during an investigation of a reported act of harassment, intimidation and/or bullying/cyberbullying, the Principal or appropriate administrator believes that the reported misconduct may have created a hostile learning environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the Principal will report the act of bullying

and/or harassment to one of the Anti-Harassment Compliance Officers so that it may be investigated in accordance with the procedures set forth in Policy 5517 - Anti-Harassment.

The individual responsible for conducting the investigation shall document all reported incidents and report all verified incidents of bullying, aggressive or other prohibited behavior, as well as any remedial action taken, including disciplinary actions and referrals, to the Superintendent. The Superintendent shall submit a compiled report to the Board on an annual basis.

Non-Retaliation/False Reports

Retaliation or false allegations against any person who reports, is thought to have reported, files a complaint, participates in an investigation or inquiry concerning allegations of bullying or aggressive behavior (as a witness or otherwise), or is the target of the bullying or aggressive behavior being investigated, is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy, independent of whether a complaint of bullying is substantiated. Suspected retaliation should be reported in the same manner as bullying/aggressive behavior.

Making intentionally false reports about bullying/aggressive behavior for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Retaliation and intentionally false reports may result in disciplinary action as indicated above.

Prevention/Training/Restorative Practices

The District shall provide a minimum of annual training for school employees and volunteers who have significant contact with students on school policies and procedures regarding bullying and harassment to help promote a positive school climate. Training will provide school employees with a clear understanding of their roles and responsibilities and the necessary skills to fulfill them. (Examples of appropriate trainings include, but are not limited to, age-appropriate strategies to prevent bullying; age-appropriate strategies for immediate, effective interventions to stop incidents; internet safety issues as they relate to cyberbullying; and fostering an understanding of and respect for diversity and difference).

The Superintendent shall establish a program or other initiatives involving school staff, students, clubs or other student groups, administrators, volunteers, parents, law enforcement, community members, and other stakeholders, aimed at the prevention of bullying or other aggressive behavior.

~~The District shall provide, and all administrators, school employees, contracted employees and volunteers who have significant contact with students shall undertake periodic training on preventing, identifying, responding to, and reporting incidents of bullying and other aggressive behavior.~~ The District shall implement a comprehensive health education curriculum, within the Whole School, Whole Community, Whole Child framework, to help students attain skills and knowledge vital to school success, a productive and healthy workforce, and good citizenship. Critical skills include anticipating consequences of choices, making informed decisions, communicating effectively, resolving conflicts, and developing cultural competency.

The District shall provide, and all students shall undertake, annual training on preventing, identifying, responding to, and reporting incidents of bullying, cyber bullying and other aggressive behavior.

The District shall provide and all parents or legal guardians shall be offered the opportunity to undertake annual training on preventing, identifying, responding to, and reporting incidents of bullying, cyber bullying and other aggressive behavior.

The District may utilize restorative practices that emphasize repairing the harm to the victim and school community in the correction of bullying behavior, which may include victim-offender conferences that:

- A. are initiated by the victim;
- B. are approved by the victim's parent or legal guardian or, if the victim is at least fifteen (15), by the victim;
- C. are attended voluntarily by the victim, a victim advocate, the offender, members of the school community, and supporters of the victim and the offender (the "restorative practices team");
- D. would provide an opportunity for the offender to accept responsibility for the harm caused to those affected, and to participate in setting consequences to repair the harm, such as requiring the student to apologize; participate in community service, restoration of emotional or material losses, or counseling; pay restitution; or any combination of these. The selected consequences and time limits for their completion will be incorporated into an agreement to be signed by all participants.

[X] The best discipline for aggressive behavior is designed to (1) support students in taking responsibility for their actions, (2) develop empathy, and (3) teach alternative ways to achieve the goals and solve problems that motivated the aggressive behavior. Staff members and volunteers who interact with students shall role model respectful behavior and apply best practices designed to prevent discipline problems and encourage students' abilities to develop self-discipline and make better choices in the future. School employees will also be held accountable for bullying or harassing behavior that is directed toward school employees, volunteers, parents, or students in accordance with law and local collective bargaining agreements.

Consequences and appropriate remedial actions for a student or staff member who engages in one (1) or more acts of bullying or harassment may range from positive behavioral interventions, up to and including suspension or expulsion, in the case of a student, or suspension or termination in the case of an employee, as set forth in the Board's approved Code of Student Conduct or Employee Handbook. School employees will also be held accountable for bullying or harassing behavior directed toward school employees, volunteers, parents, or students.

Consequences for a student who commits an act of bullying and harassment shall vary in method and severity according to the nature of the behavior, the developmental age of the student, and the student's history of problem behaviors and performance, and must be consistent with the Board's approved Code of Student Conduct. Remedial measures shall be designed to:

- A. correct the problem behavior;
- B. prevent another occurrence of the behavior; and
- C. protect the victim of the act.

Effective discipline should employ a school-wide approach to adopt a rubric of bullying offenses and the associated consequences.

[END OF OPTION]

Definitions

The following definitions are provided for guidance only. If a student or other individual believes there has been bullying, hazing, harassment or other aggressive behavior, regardless of whether it fits a particular definition, s/he should report it immediately and allow the administration to determine the appropriate course of action.

"Aggressive behavior" is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student's educational, physical, or emotional well-being. Such behavior includes, for example, bullying, hazing, stalking, intimidation, menacing, coercion, name-calling, taunting, making threats, and hitting/pushing/shoving.

"At School" is defined as in a classroom, elsewhere on school premises, on a school bus or other school-related vehicle, or at a school-sponsored activity or event whether or not it is held on school premises. It also includes conduct using a telecommunications access device or telecommunications service provider that occurs off school premises if either owned by or under the control of the District.

"Bullying" is defined as any written, verbal, or physical acts, including cyber bullying (i.e. any electronic communication, including, but not limited to electronically transmitted acts, such as internet, telephone or cell phone, computer, or wireless handheld device, currently in use or later developed and used by students) that is perceived as being dehumanizing, intimidating, hostile, humiliating, threatening, or otherwise likely to evoke fear of physical harm or emotional distress and may be motivated either by bias or prejudice based upon any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity or expression; or a mental, physical, or sensory disability or impairment; or by any other distinguishing characteristic, or is based upon association with another person who has or is perceived to have any distinguishing characteristic. Bullying or harassment also includes forms of retaliation against individuals who report or cooperate in an investigation under this policy. personal digital assistant (PDA), or wireless hand held device) that, without regard to its subject matter or motivating animus, is intended or that a reasonable person would know is likely to harm one (1) or more students either directly or indirectly by doing any of the following:

Bullying is conduct that meets all of the following criteria:

- A. is perceived as being dehumanizing, intimidating, hostile, humiliating, threatening, or otherwise likely to evoke fear of physical harm or emotional distress;
- B. is directed at one (1) or more students;
- C. is conveyed through physical, verbal, technological, or emotional means;

- A. substantially interfering with educational opportunities, benefits, or programs of one (1) or more students;
- B. adversely affecting the ability of a student to participate in or benefit from the school district's educational programs or activities by placing the student in reasonable fear of physical harm or by causing substantial emotional distress;
- C. having an actual and substantial detrimental effect on a student's physical or mental health; and/or is based on a student's actual or perceived distinguishing characteristic (see above) or is based on an association with another person who has or is perceived to have any of these characteristics.
- D. causing substantial disruption in, or substantial interference with, the orderly operation of the school.

Bullying can be physical, verbal, psychological, or a combination of all three. Some examples of bullying are:

- A. Physical – hitting, kicking, spitting, pushing, pulling; taking and/or damaging personal belongings or extorting money, blocking or impeding student movement, unwelcome physical contact.
- B. Verbal – taunting, malicious teasing, insulting, name calling, making threats.
- C. Psychological – spreading rumors, manipulating social relationships, coercion, or engaging in social exclusion/shunning, extortion, or intimidation. This may occur in a number of different ways, including but not limited to notes, emails, social media postings, and graffiti.

"Harassment"

is conduct that meets all of the following criteria:

- A. repeated or continuing unwanted contact perceived as being dehumanizing, intimidating, hostile, humiliating, threatening, or otherwise likely to evoke fear of physical harm or emotional distress;
 - B. is directed at one (1) or more students or staff;
 - C. is conveyed through physical, verbal, technological, or emotional means;
 - D. substantially interferes with educational opportunities, benefits, or programs of one (1) or more students or staff;
 - E. adversely affects the ability of a student to participate in or benefit from the School District's or public school's educational programs or activities because the conduct, as perceived by the student, is so severe, pervasive, and objectively offensive as to have this effect; and
 - F. is based on a student or staff's actual or perceived distinguishing characteristic (see above) or is based on an association with another person who has or is perceived to have any of these characteristics.
- includes, but is not limited to, any act which subjects an individual or group to unwanted, abusive behavior of a nonverbal, verbal, written or physical nature, often on the basis of age, race, religion, color, national origin, marital status or disability, but may also include sexual orientation, physical characteristics (e.g., height, weight, complexion), cultural background, socioeconomic status, or geographic location (e.g., from rival school, different state, rural area, city, etc.).

"Intimidation/Menacing" includes, but is not limited to, any threat or act intended to: place a person in fear of physical injury or offensive physical contact; to substantially damage or interfere with person's property; or to intentionally interfere with or block a person's movement without good reason.

"Staff" includes all school employees and Board members.

"Third parties" include, but are not limited to, coaches, school volunteers, parents, school visitors, service contractors, vendors, or others engaged in District business, and others not directly subject to school control at inter-district or intra-district athletic competitions or other school events.

The scope of this policy includes the prohibition of every form of bullying, harassment, and cyberbullying/harassment, whether in the classroom, on school premises, immediately adjacent to school premises, when a student is traveling to or from school (portal to portal), or at a school-sponsored event, whether or not held on school premises. Bullying or harassment, including cyberbullying/harassment, that is not initiated at a location defined above is covered by this policy if the incident results in a potentially material or substantial disruption of the school learning environment for one (1) or more students or staff and/or the orderly day-to-day operations of any school or school program.

For further definition and instances that could possibly be construed as:

Harassment, see Policy 5517.

Hazing, see Policy 5516.

B. Purpose of ~~Digital Content of District Web Pages/Sites, Apps and Services~~

The purpose of ~~digital content, apps, and services~~ covered by this policy is to educate, inform, and communicate. The following criteria shall be used to guide the development of ~~District-generated digital content~~ such content, apps and services:

1. Educate

~~Content~~ Digital content should be suitable for and usable by students and teachers to support the curriculum and the Board's Objectives as listed in the Board's Strategic Plan.

2. Inform

~~Content~~ Digital content may inform the community about the school, teachers, students, or departments, including information about curriculum, events, class projects, student activities, and departmental policies.

3. Communicate

~~Content~~ Digital content may communicate information about the plans, policies and operations of the District to members of the public and other persons who may be interested in and/or affected by District matters.

The information ~~contained on the Board's website(s)~~ published on the Board's website and District-approved/affiliated apps/services should reflect and support the Board's Mission Statement, Educational Philosophy, and the School Improvement Process.

When the digital content includes a photograph or personally identifiable information relating to a student, the Board will abide by the provisions of Policy 8330 - Student Records.

Under no circumstances are District-created content, apps and services, to be used for commercial purposes, advertising, political lobbying or to provide financial gains for any individual. Included in this prohibition is the fact no web content contained digital content published on the District's website may:

1. include statements or other items that support or oppose a candidate for public office, the investigation, prosecution or recall of a public official, or passage of a tax levy or bond issue;

Employees are required to use the ~~Board specified website, app or service~~ Board's website or District-approved/affiliated apps/services (e.g., MISTAR) for the purpose of conveying information to students and/or parents.

Staff members are prohibited from requiring students to go to the staff member's personal web pages/sites (including, but not limited to, their Facebook, Instagram, Pinterest pages and/or private digital accounts (i.e., non-District-approved/affiliated apps/services) (including, but not limited to, the staff member's personal accounts on Facebook, Instagram, Pinterest, YouTube Channel(s), or TikTok sites) to check grades, obtain class assignments and/or class-related materials, and/or to turn in assignments.

If a staff member creates digital content, apps and services, related to their class, it must be hosted on the Board's website or a District-approved app/service server or a District-affiliated server.

~~Unless the content, apps and services contains student personally identifiable information, Board websites, apps and web services that are created by students and/or staff members that are posted on the Internet should not be password-protected or otherwise contain restricted access features, whereby only employees, student(s), or other limited groups of people can access the site. Community members, parents, employees, staff, students, and other website users will generally be given full access to the Board's website(s), apps and web services. The Board's website, including school-specific websites, shall be generally open/available to the public unless specific digital content is unique to a specific child and/or includes student personally identifiable information, in which case the information must be password-protected or access to it must be otherwise restricted. When digital content involving student personally identifiable information or information concerning coursework, particularly a specific student's classes/assignments, is password-protected/access is otherwise restricted, the student's parent(s)/guardian(s) will continue to have access to that digital content.~~

~~Web content, apps and web services~~ Digital content published on the Board's website should reflect an understanding that both internal and external audiences will be viewing the information.

The District's website(s) and web pages, apps, and services must be hosted on Board-owned or District-affiliated servers.

The Superintendent shall prepare administrative guidelines defining the rules and standards applicable to staff and student who publish digital content on the Board's website and District-approved/affiliated apps/services the use of the Board's website and the creation of web content, apps and web services by staff and students.

The Board retains all proprietary rights related to the design of web content, apps and web services and any apps/services it operates and/or is affiliated with that are hosted on Board-owned or District-affiliated servers, absent written agreement to the contrary.

In order for a student's school work (i.e., work that is created in a class, at school or for a class, or as part of a school-sponsored extracurricular activity) to be displayed on the Board's website, the student (who is eighteen (18) years of age or older) or the student's parent (if the student is seventeen (17) years of age or younger) must provide written permission and expressly license its display without cost to the Board.

Likewise, prior written permission from a student (who is eighteen (18) years of age or older) or the student's parent (if the student is seventeen (17) years of age or younger) is necessary for a student to be identified by name on the Board's website.

C. Website Accessibility

Accessibility of Web Content and Mobile Apps

The District is committed to providing persons with disabilities an opportunity equal to that of persons without disabilities to participate in the District's programs, benefits, and services, including those delivered through electronic and information technology, except where doing so would impose an undue burden or create a fundamental alteration. The District is further committed to ensuring persons with disabilities are able to acquire the same information, engage in the same interactions, and enjoy the same benefits and services within the same timeframe as persons without a disability, with substantially equivalent ease of use; that they are not excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in any District programs, services, and activities delivered online through the web or a mobile app, as required by Section 504 and Title II of the ADA and their implementing regulations; and that they receive effective communication of the District's programs, services, and activities delivered in-person or online.

This policy reflects the Board's commitment and intention to comply with the requirements of Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. Section 794, 34 C.F.R. Part 104, and Title II of the Americans With Disabilities Act of 1990, 42 U.S.C. Section 12131 and 28 C.F.R. Part 35 in all respects.. For purposes of this policy, "web content" means "information and sensory experience to be communicated to the user by means of a user agent, including code or markup that defines the content's structure, presentation, and interactions." Examples of web content include text, images, sounds, videos, controls, animations, and conventional electronic documents (e.g., content in the following electronic file formats: portable document formats ("PDF"), word processor file formats, presentation file formats, and spreadsheet file formats). Additionally, "mobile applications" ("mobile apps") means "software applications that are downloaded and designed to run on mobile devices, such as smartphones and tablets."

1. Technical Standards

The District will adhere to the technical standards of compliance identified at csdmi.org. The District measures the accessibility of online content and functionality according to the World Wide Web Consortium's (W3C's) Web Content Accessibility Guidelines (WCAG) 2.0 Level AA, and the Web Accessibility Initiative - Accessible Rich Internet Applications Suite (WAI-ARIA 1.1) for web content. Web content and mobile apps that the District provides and/or makes available, directly or through contractual, licensing or other arrangements, shall comply with the World Wide Web Consortium's Web Content Accessibility Guidelines ("WCAG") 2.1, Level AA standards, unless the Board can demonstrate that such compliance would result in a fundamental alteration in the nature of its programs, services, or activities, or an undue financial and administrative burden

2. 1. Notwithstanding the preceding, Federal regulations provide for the following content types to have limited exemption from the WCAG 2.1, Level AA requirements:
 - a. Archived web content (provided all four (4) Federal criteria are met).
 - b. Preexisting conventional electronic documents (with specific restrictions).
 - c. Third party content that is not created pursuant to a contract between the Board and a third party.
 - d. Password-protected documents pertaining to a specific student or account.
 - e. Preexisting social media posts.

3.

Even when the preceding exceptions apply, the District, however, will still provide effective communication and reasonable modifications in accordance with the ADA.

In addition, documents currently used for accessing District programs, services, programs, or activities do not qualify for the above exceptions, regardless of creation date.

When a person with a disability cannot access District-generated or affiliated web content or mobile apps that meet WCAG 2.1, Level AA standards, the District will: (1) provide alternate means of access to the same information and functionality; (2) make reasonable modifications to policies, practices, or procedures; (3) ensure effective communication through appropriate auxiliary aids and services; and (4) respond to accommodation requests within 5 business days **[Insert timeframe]** business days. Such accommodations may include: (a) alternative document formats (large print, Braille, audio); (b) telephone or in-person assistance for online services; and/or (c) email or mail delivery of information typically accessed online.

4. **Web-Digital Accessibility Coordinator**

The Board designates its Technology Director as the District's Web Accessibility Coordinator(s). That individual(s) is responsible for coordinating and implementing this policy.

The District's Web Accessibility Coordinator(s) can be reached at:

Director of Technology
27235 Joy Road 1045 N. Gully Rd.
Dearborn Heights, MI 48127

5. **Third Party Content**

Links included on the Board's website(s) and District-approved/affiliated mobile apps that pertain to its programs, activities, or web services and apps that pertain to its programs, benefits, and/or services must also meet the above criteria and comply with State and Federal law (e.g. copyright laws, CIPA, Section 504, ADA, SOPPA, and COPPA). The District's Digital Accessibility Coordinator(s) or designee(s) will vet online content available on the Board's website and through District-approved/affiliated mobile apps that are related to the District's programs, activities, and/or services for compliance with this criteria for all new content published on the District's website and mobile apps after adoption of this policy. While the District strives to provide access through its website to online content provided or developed by third parties (including vendors, video sharing websites, and other sources of online/digital content) that is in an accessible format, that is not always feasible. The District's administrators and staff, however, are aware of this requirement with respect to the selection of online content provided to students. The District's Web Accessibility Coordinator(s) or designee will vet online content available on its website(s), apps, and services that are related to the District's programs, benefits, and/or services for compliance with this criteria for all new content published on the District's website(s), apps, and services after adoption of this policy.

Content posted by third parties (e.g., members of the public) on District platforms is exempt from the WCAG 2.1, Level AA requirements. Those platforms, however, along with content posted by the District staff or contractors, must be fully compliant. Nothing in the preceding paragraph, however. Additionally, nothing herein, shall prevent the District from including links on the Board's website(s) website(s) and apps/services to:

- a. recognized news/media outlets (e.g., local newspapers' websites, local television stations' websites), or
- b. websites, services and/or apps that are developed and hosted by outside vendors or organizations that are not part of the District's program, benefits, or services.

The Board recognizes that such third party websites may contain advertisements that are not age-appropriate or consistent with the requirements of Policy 9700.01, AG 9700B, and State and Federal law.

4. **Regular Audits**

The District, under the direction of the Web-Digital Accessibility Coordinator(s) or designees, will, at regular intervals, audit the District's online content and measure this content against the technical standards adopted above digital content to ensure it meets the required technical standards.

This audit will occur no less than once every two years.

This audit will occur quarterly semi-annually at least annually , with quarterly

monitoring of high-priority content and newly published materials (x) annually (-), with quarterly monitoring of high-priority content and newly published materials [END OF INTERNAL OPTIONS]
If problems are identified through the audit, such problems will be documented, evaluated, and, if necessary, remediated within a reasonable period of time.

5. Reporting Concerns or Possible Violations

If a person accessing the District's web content and/or District-approved/affiliated mobile apps website(s), apps, or services (e.g., a student, prospective student, employee, guest, or visitor) ("user") believes that specific web content and/or a mobile app has violated the WCAG 2.1, Level AA standards, the user may contact the Digitalthe District has violated the technical standards identified above in its online content, the user may contact a/the Web Accessibility Coordinator with any accessibility concerns. The user may also file a formal complaint utilizing the procedures set out in Board Policy 2260.01 relating to Section 504 and Title II.

D. Instructional Use of Apps/Services and Web Services

The Board authorizes the use of apps and web services to supplement and enhance learning opportunities for students either in the classroom or for extended learning outside the classroom.

A teacher who elects to supplement and enhance student learning through the use of apps and/or web services is responsible for verifying/certifying to the Principal that the app/and/or web-service has a FERPA-compliant privacy policy, and it complies with all requirements of the COPPA, CIPA, and Section 504/ADA, including the WCAG 2.1, Level AA accessibility standards. Children's Online Privacy Protection Act (COPPA), Student Online Personal Protection Act (SOPPA) and the Children's Internet Protection Act (CIPA)

The Board further requires the use of a Board-issued e-mail address in the login process for District-approved/affiliated apps/services.

E. Training

The District will provide periodic training for its employees who are responsible for creating web content or distributing information online so that these employees are aware of this policy and understand their roles and responsibilities with respect to web design and creation and/or uploading documents and multimedia content1) create web content, documents, or multimedia materials, 2) manage the Board's website and digital services, 3) select and contract with technology vendors, and 4) work on online communications.

F.

The training should cover:

Revised Policy - Vol. 40, No. 1

8300 - CONTINUITY OF ORGANIZATIONAL OPERATIONS PLAN

The Board of Education shall develop and implement a Continuity of Organizational Operations Plan ("COOP") to enable it to conduct, if necessary, essential functions and critical services and operations (e.g., teaching and learning, transportation, business services, communication, computer/network systems support, facilities, maintenance, and safety and security) under all hazards/conditions. The District's COOP shall be (x) consistent with (x) a component of **[END OF OPTIONS]** the District's School Safety Emergency Management Plan (see Policy 8400 - School Safety Information and Policy 8402 - Emergency Operations Plan). Having a plan to recover from any type of crisis/emergency/disaster, regardless of its severity or the consequences of the incident/event, strengthens the District's resilience so it can operate with minimal impact on its primary mission/responsibility to educate the students enrolled in the District, involves teaching and learning, personnel, facilities, technology, transportation, food service, and other functional resources. The Continuity of Organizational Operations Plan (COOP) provides the District with the capability of conducting its essential operations under all threats and conditions, with or without warning. Having a plan to recover from any type of disaster regardless of the severity and consequences of the emergency is critical to the recovery of operations and minimizing the impact on the District's teaching and learning, personnel, facilities, technology, transportation, food service, and other functional resources.

Scope of the Continuity Plan

The primary objective of the COOP is to restore the District's critical operational/business functions and the learning environment as quickly as possible after a crisis/emergency/disaster or threat event occurs. [] The COOP shall include strategies aimed at resuming instruction and crucial business functions within two (2) **[ENTER AMOUNT]** (x) days (-) hours **[END OF INTERNAL OPTIONS]** **[DRAFTING NOTE: Select a time period in which to restart district essential operations – e.g., two (2) school days, five (5) business days, forty-eight (48) hours.]** of the disruption, along with procedures to implement secure remote work and instruction in a crisis/emergency/disaster, identify alternative sites and technology redundancy, and provide incident response integration with the District's cybersecurity incident management protocols. **[END OF OPTIONAL SENTENCE]**

The District will use the following process to achieve essential function resilience (i.e., business and learning continuity):

- A. identify essential functions;

- B. determine planning factors needed to accomplish the essential functions (e.g., staff and organization, equipment and systems, information and data, sites);
- C. conduct risk assessments for each planning factor; and
- D. identify and implement continuity options.

Because the COOP contains sensitive information, by law, it functions and the learning environment as quickly as possible after a crisis or threat event occurs. A COOP contains critical and sensitive information that is confidential and exempt from public disclosure.

Planning for the continuity of operations of a school system in the aftermath of a disaster is a complex task. The current threat environment and recent emergencies, including acts of nature, accidents, technological emergencies, cybersecurity incidents (including data breaches, ransomware, and denial of service attacks), and terrorist threats and attacks, cyberattacks, and terrorist attacks and threats, have increased the need for viable continuity capabilities and plans that enable the District to resume and continue the essential functions in an all-hazards environment across a full spectrum of crises/emergencies/disasters. Such conditions have increased the importance of having continuity plans in place that provide stability of essential functions across the various levels of public government and private enterprises.

The planning and development of continuity of an organizational operations plan, as well as the ongoing review, testing, and revision of such a plan, is important for the overall District () as well as and also for each school () and department in the District [END OF OPTIONS]. [DRAFTING NOTE: While the preceding optional language is true, they do not need to be included if a district wants to simply state that its COOP is important to the district as a whole. The following sentence, however, is not optional and emphasizes the necessity for individual schools and departments to have individualized continuity of operation plans in place to address their unique needs and circumstances.] Each school and operational department (e.g., transportation, information technology ("IT"), food service, and student services) shall maintain a site/department-specific COOP aligned with the District-wide COOP. The site/department-specific COOPs are subject to annual submission to, and review by, the Superintendent.

The District-wide plan describes how the District will respond as a total organization to a given emergency and describes the centralized resources and how they will be organized to implement the command and control necessary to function during the life cycle of the event. Individual school and department plans shall contain the details related to the continuity plan for those specific sites and functional areas to prepare for an incident/event, communicate throughout the duration of the incident/event, assess the impact of the incident/event on essential functions in the school/department, respond to the incident/event, and detail what will be done to recover from the incident/event. Individual school and department plans shall contain the details related to the continuity plan for those specific sites and functional areas to prepare for an event, communicate throughout the duration of an event, assess the impact of an event on essential functions in the unit, respond to the event, and detail what will be done to recover from the event.

The COOP shall account for the needs of all students and staff, including individuals with disabilities, English learners, and students requiring health and/or behavioral supports in compliance with the Individuals with Disabilities Education Improvement Act ("IDEA"), Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and the Americans with Disabilities Act ("ADA").

Preparation for, response to, and recovery from a disaster affecting administrative, educational, and support functions of the District's operations requires the cooperative efforts of external organizations, in partnership with the functional areas supporting the business of the District. This includes local government agencies, law enforcement, emergency management, medical services, and vendors necessary to District operations. The COOP outlines and coordinates all efforts by the District, in cooperation with other local and State agencies and businesses, to restore the essential functions of the District post-incident/event, post-disaster.

The Superintendent shall provide that all relevant staff receive () annual (x) periodic [END OF OPTIONS] training on their roles in the COOP.

Key components of the COOP shall be communicated to employees, students, and families as appropriate.

The Superintendent shall develop and recommend the COOP for Board review and approval; however, the COOP shall be considered a confidential document not subject to release under State public records laws, and accordingly, no copies shall be provided for public review.

The Superintendent shall conduct an annual review of and update to, as necessary, the COOP. Additionally, the Superintendent shall conduct annual table-top exercises to assess the expected effectiveness of the COOP and after-action reviews post-incident/event. See Policy 8400 - School Safety Information and Policy 8402 - Emergency Operations

Plan (which discusses the conduct of annual emergency management tests). The Superintendent shall conduct () an annual () a periodic **[END OF OPTION]** review of the COOP.

Revised Policy - Vol. 40, No. 1

8305 - INFORMATION SECURITY

The District collects, classifies, and retains data/information from and about students, staff, vendors/contractors, and other individuals, about programs and initiatives undertaken by the school system, and about and related to the business of the District. This data/information may be in hard copy or digital format and may be stored in the District or off-site with a third party provider.

Data/Information collected by the District shall be classified as Confidential, Controlled, or Published. **The Superintendent shall define "Confidential," "Controlled," and "Published" in administrative guidelines and provide examples of data/information in each classification.** Data/Information will be considered Controlled until identified otherwise.

Protecting District Information Resources (as defined in Bylaw 0100) is of paramount importance. Information security requires everyone's active participation to keep the District's data/information secure. This includes Board of Education members, staff members/employees, students, parents, contractors/vendors, and visitors who use District Information & Technology Resources (as defined in Bylaw 0100). **If an employee suspects, discovers, and/or determines that a security breach has occurred, the employee shall promptly notify the employee's immediate supervisor and the Superintendent. The employee should follow up their oral notification in writing. The Superintendent will determine and implement the steps necessary to correct the unauthorized access and, as applicable, provide notification to those individuals whose personal information may have been compromised.**

Staff members, and individuals associated with the District through their affiliation with a District contractor/vendor, individuals who are granted access to data/information collected and retained by the District must follow established procedures so that the data/information is protected and preserved. Board members, administrators, and all District staff members (**x**), as well as contractors, vendors, and their employees, **[END OF OPTION]** granted access to data/information retained by the District are required to certify annually that they shall comply with the established information security protocols pertaining to District data/information. Further, all **persons granted access by the District** ~~individuals granted access~~ to Confidential Data/Information retained by the District must certify annually that they will comply with the information security protocols pertaining to Confidential Data/Information. **For staff members, completing** ~~Completing~~ the appropriate section of the Staff Technology Acceptable Use and Safety form **(Form 7540.04 FL)** shall provide this certification.

All Board members, staff members/employees, students, contractors/vendors, and visitors who have access to Board-owned or managed data/information must maintain the security of that data/information and the District Technology Resources on which it is stored. **The Superintendent shall conduct an annual risk assessment related to the access and security of the District's Data/Information. Further, the District will maintain audit logs for access to Confidential Data/Information and regularly review such logs to detect unauthorized activity.**

District information security procedures shall comply with applicable Federal and State law including, but not limited to, the Family Educational Rights and Privacy Act ("FERPA"), Protection of Pupil Rights Amendment ("PPRA"), and Children's Online Privacy Protection Act ("COPPA") regarding data breaches.

If an individual has any questions concerning whether this Policy and/or its related administrative guidelines apply to them or how they apply to them, the individual should contact the District's Technology Director or Information Technology Department/Office.

The Superintendent shall develop administrative guidelines that set forth the internal controls necessary to provide for the collection, classification, retention, access, and security of District Data/Information.

Further, the Superintendent is charged with developing a program and/or procedures that can be implemented in the event of a cybersecurity incident, whether it involves an inadvertent or intentional unauthorized release or breach of data/information. The program/procedures shall comply with the District's legal requirements as delineated below. In particular, in the event of a breach involving personally identifiable information, the District shall notify affected individuals and/or government officials in accordance with State and Federal law. Further, the Superintendent is charged with developing procedures that can be implemented in the event of an unauthorized release or breach of data/information. These procedures shall comply with the District's legal requirements if such a breach of personally identifiable information occurs.

"Cybersecurity incident" means any of the following:

- A. A substantial loss of confidentiality, integrity, or availability of a covered entity's information system or network;
- B. A serious impact on the safety and resiliency of a covered entity's operational systems and processes;
- C. A disruption of a covered entity's ability to engage in business or industrial operations, or deliver goods or services;
or
- D. Unauthorized access to an entity's information system or network, or nonpublic information contained therein, that is facilitated through or is caused by:
 1. a compromise of a cloud service provider, managed service provider, or other third party data hosting provider; or
 2. a supply chain compromise.

"Cybersecurity incident" does not include mere threats of disruption as extortion; events perpetrated in good faith in response to a request by the system owner or operator; or lawfully authorized activity of a United States, State, local, tribal, or territorial government entity.

"Ransomware incident" means a malicious cybersecurity incident in which a person or entity introduces software that gains unauthorized access to or encrypts, modifies, or otherwise renders unavailable a political subdivision's information technology systems or data and thereafter, the person or entity demands a ransom to prevent the publication of the data, restore access to the data, or otherwise remediate the impact of the software.

Cybersecurity Program

The District's cybersecurity program shall be designed to safeguard the District's data, information technology, and information technology resources to ensure availability, confidentiality, and integrity. The program shall be consistent with generally accepted best practices for cybersecurity, such as the National Institute of Standards and Technology's cybersecurity framework and the Center for Internet Security's cybersecurity best practices, and may include, but is not limited to, the following:

- A. Identify and address the critical functions and cybersecurity risks facing the District.
- B. Identify the potential impacts of a cybersecurity breach.
- C. Specify mechanisms to detect potential threats and cybersecurity events.
- D. Specify procedures for the District to establish communication channels, analyze incidents, and take actions to contain cybersecurity incidents.
- E. Establish procedures for the repair of infrastructure impacted by a cybersecurity incident and the maintenance of security after the incident.
- F. Establish cybersecurity training requirements for all Board employees; the frequency, duration, and detail of which shall correspond to the duties of each employee. **[DRAFTING NOTE: Annual cybersecurity training provided]**

by the State, and training provided by _____ will satisfy this requirement.]

] It is the policy of the Board – if the District is experiencing a ransomware incident - not to pay or otherwise comply with a ransom demand unless the Board formally adopts a resolution to approve such a payment or compliance with the ransom demand. If that occurs, the resolution will specifically state why the payment or compliance with the ransom demand is in the District's best interest. [END OF OPTION]

[DRAFTING NOTE: The Board need not include this option in its policy, but action consistent with this statement is required by law.]

Following a cybersecurity incident or ransomware incident, the Superintendent shall notify:

- A. The Executive Director of the Division of Homeland Security within the Department of Public Safety, as soon as possible, but not later than seven (7) days after the District discovers the incident.
- B. The Auditor of State, as soon as possible, but not later than thirty (30) days after the District discovers the incident.

Any records, documents, or reports related to the District's cybersecurity program and framework, along with the reports of a cybersecurity incident or ransomware incident addressed in the preceding paragraph, are not public records. Similarly, a record identifying cybersecurity-related software, hardware, goods, and services that are being considered for procurement, have been procured, or are being used by the District, including the vendor name, product name, project name, or project description, is a security record.

All staff members and contractors [END OF OPTION] with access to Controlled and/or Confidential Data/Information must complete annual [END OF OPTION] training on data privacy, information security practices (e.g., internal controls applicable to the data/information that they collect and have access to and for which they are responsible for the security protocols), and breach response protocols. ~~The Superintendent shall require staff members to participate in training related to the internal controls applicable to the data/information that they collect and have access to and for which they are responsible for the security protocols.~~

Third party contractors/vendors who require access to Confidential Data/Information collected and retained by the District will be informed of relevant Board policies that govern access to and use of Information Resources, including the duty to safeguard the confidentiality of such data/information. Additionally, all contracts with third party contractors/vendors (e.g., technology providers) who access District Data/Information shall include provisions addressing data security, breach notification, data ownership, confidentiality, and destruction upon termination. Further, a contract between a technology provider and the District shall ensure appropriate security safeguards for education records and includes the following:

- A. a restriction on unauthorized access by the technology provider's employees or contractors;
- B. a requirement that the technology provider's employees or contractors may be authorized to access education records only as necessary to fulfill the official duties of the employee or contractor; and
- C. a stipulation that the District owns the data/information.

Failure to adhere to this Policy and its related administrative guidelines may put data/information collected and retained by the District at risk. Employees who violate this policy and/or its related administrative guidelines may be disciplined, up to and including termination of employment and/or referral to law enforcement. Students who violate this Policy and/or its related administrative guidelines will be disciplined, up to and including expulsion and/or referral to law enforcement. Contractors/Vendors who violate this Policy and/or its related administrative guidelines may face termination of their business relationships with and/or legal action by the District. [END OF OPTION] Parents and visitors who violate this Policy and/or its related administrative guidelines may be denied access to the District's Information & Technology Resources.

At least annually, ~~the~~ Superintendent shall conduct an annual a periodic [END OF OPTION] assessment of risk related to the access to and security of the data/information collected and retained by the District.

0100 - **DEFINITIONS**

Whenever the following items are used in these bylaws, policies and administrative guidelines, they shall have the meaning set forth below:

Administrative Guideline

A statement, based on policy, usually written, which outlines and/or describes the means by which a policy should be implemented and which provides for the management cycle of planning, action, and assessment or evaluation.

Agreement

A collectively negotiated contract with a recognized bargaining unit.

Apps and Services

Apps and services are software (i.e., computer programs) that support the interaction of personal communication devices (as defined in Bylaw 0100) over a network, or client-server applications in which the user interface runs in a web browser. Apps and services are used to communicate/transfer information/data that allow students to perform actions/tasks that assist them in attaining educational achievement goals/objectives, enable staff to monitor and assess their students' progress, and allow staff to perform other tasks related to their employment. Apps and services also are used to facilitate communication to, from and among and between, staff, students, and parents, Board members and/or other stakeholders and members of the community.

Board

The Board of Education as a whole and single unit.

Bylaw

Rule of the Board for its own governance.

Classified or Support Employee

An employee who provides support to the District's program and whose position does not require a professional certificate.

District

The School District.

Due Process

Procedural due process requires prior knowledge (a posted discipline code), notice of offense (accusation), and the opportunity to respond.

Procedural due process may require consideration of statutorily mandated factors, right to counsel and/or confrontation or cross-examination of witnesses, depending upon the situation.

Family Member

"Family member" means a person's spouse or spouse's sibling or child; a person's sibling or sibling's spouse or child; a person's child or child's spouse; or a person's parent or parent's spouse, and includes these relationships as created by adoption or marriage. (See Bylaw 0144.3)

Full Board

Authorized number of voting members entitled to govern the District.

Information Resources

The Board defines Information Resources to include any data/information in electronic, audio-visual or physical form, or any hardware or software that makes possible the storage and use of data/information. This definition includes but is not limited to electronic mail, voice mail, social media, text messages, databases, CD-ROMs/DVDs, websites, motion picture film, recorded magnetic media, photographs, digitized information, or microfilm. This also includes any equipment, computer facilities, or online services used in accessing, storing, transmitting or retrieving electronic communications.

May

This word is used when an action by the Board or its designee is permitted but not required.

Meeting

Any gathering which is attended by or open to all of the members of the Board, held with the intent on the part of the members of the body present to discuss or act as a unit upon the specific public business of that body.

Parent

The natural or adoptive parents or individuals with a valid power of attorney for the care and custody of the student for purposes other than educational placement. Parent also refers to any individual appointed by the State or court as a legal guardian or custodian for the student. Both parents will have equal access to records and rights regarding the student's education absent a court order restricting such rights.

Personal Communication Devices

Personal communication devices ("PCDs") may include computers, laptops, tablets, e-readers, wireless communication devices (WCDs), cellular/mobile phones, and/or smartphones.

Policy

A general, written statement by the governing Board which defines its expectations or position on a particular matter and authorizes appropriate action that must or may be taken to establish and/or maintain those expectations.

President

The chief executive officer of the Board of Education. (See Bylaw 0171.1)

Principal

The educational leader and head administrator of one (1) or more District schools or programs, as designated by the Board of Education. The Principal must hold an appropriate school administrator certificate or permit. The Principal is responsible for the supervision of the school or program consistent with Board policy and directives of the Superintendent and may delegate responsibility to subordinates as appropriate.

Professional Staff Member

An employee who implements or supervises one (1) or more aspects of the District's program and whose position requires a professional credential from the State.

Relative

The mother, father, sister, brother, spouse, parent of spouse, child, grandparents, grandchild, or dependent in the immediate household as defined in the negotiated, collectively-bargained agreement.

Secretary

The chief clerk of the Board of Education. (See Bylaw 0171.3)

Shall

This word is used when an action by the Board or its designee is required. (The word "will" or "must" also signifies a required action.)

Social Media

~~Social media are online platforms where users engage one another and/or share information and ideas through text, video, or pictures. Social media consists of any form of online publication or presence that allows interactive communication, including, but not limited to, text messaging and scanners, information storage devices (including mobile/portable storage devices such as external hard drives, CDs/DVDs, USB thumb drives and memory chips), the computer network, Internet connection, and online educational services and apps.~~ Social media are online platforms where users engage one another and/or share information and ideas through text, video, or pictures. Social media consists of any form of online publication or presence that allows interactive communication including, but not limited to, text messaging, instant messaging, websites, web logs ("blogs"), wikis, online forums (e.g., chat rooms), virtual worlds, and social networks. Examples of social media include, but are not limited to, Facebook, Facebook Messenger, Google Hangouts, X (f.k.a. Twitter), LinkedIn, YouTube, Flickr, Instagram, Pinterest, Skype, and Facetime. Social media does not include sending or receiving e-mail through the use of District-issued e-mail accounts. Apps and web services shall not be considered social media unless they are listed on the District's website as District-approved social media platforms/si

Student

A person who is officially enrolled in a school or program of the District.

Superintendent

The chief executive officer of the School District responsible to supervise all programs and staff of the District and to implement Board policy and follow Board directives. Consistent with Board policies and directives, the Superintendent must hold an appropriate school administrator certificate or permit. Consistent with Board policies and directives, the Superintendent may delegate responsibility to subordinates as appropriate.

Technology Resources

The Board defines Technology Resources to include computers, laptops, tablets, e-readers, cellular/mobile telephones, smartphones, web-enabled devices, video and/or audio recording equipment, projectors, software and operating systems that work on any device, copy machines, printers and scanners, information storage devices (including mobile/portable storage devices such as external hard drives, CDs/DVDs, USB thumb drives and memory chips), the computer network, Internet connection, and online educational services and apps.

Treasurer

The chief financial officer of the District. (See Bylaw 0171.4)

Vice-President

The Vice-President of the Board of Education. (See Bylaw 0171.2)

Voting

A vote at a meeting of the Board of Education. Except to accommodate the absence of any member of the Board due to military duty or for any other purpose permitted by law, Board members must be physically present to have their vote officially recorded in the Board minutes.

Wireless Communication Device ("WCD")

For the purposes of Policy/Administrative Guideline 5136 - Wireless Communication Devices (WCDs), a WCD is an electronic device capable of, but not limited to, text messaging, voice communication, entertainment, navigation, accessing the internet, sending and receiving photos and videos, or producing email. A WCD does not include a basic telephone, which is a device primarily used for voice calling that cannot support third-party applications, except those preinstalled, and does not support access to internet platforms via applications or web browsers.

1410 - STAFF ETHICS This policy currently only exists in the 3000 Professional Staff series (3210). It will now be included in your Administrative and Support Staff sections. All will be identical to existing 3210 policy.

An effective educational program requires the services of men and women of integrity, high ideals, and human understanding. To maintain and promote these essentials, the Board of Education expects all administrators to maintain high standards in their working relationships, and in the performance of their professional duties, to:

A. Responsibility to the Profession

1. demonstrate responsibility for oneself as an ethical professional;
2. acknowledge, address, and attempt to resolve ethical issues in an appropriate manner;
3. promote and advance the profession within and beyond the school community;

B. Responsibility to Professional Competence

1. demonstrate commitment to high standards of practice;
2. demonstrate responsible use of data, materials, research, and assessment;
3. act in the best interest of all students;

C. Responsibility to Students

1. respect the rights and dignity of students;
2. demonstrate an ethic of care for students;
3. maintain student trust and confidentiality in a developmentally appropriate manner and within appropriate limits;

D. Responsibility to the School Community

1. promote effective and appropriate relationships with parents/guardians;
2. promote effective and appropriate relationships with colleagues;
3. promote effective and appropriate relationships with the community and other stakeholders;
4. promote effective and appropriate relationships with employers;

5. understand the problematic nature of dual or multiple relationships;

E. Responsible and Ethical Use of Technology

1. use technology in a responsible manner;
2. ensure student safety and well-being when using technology;
3. maintain confidentiality in the use of technology;
4. promote the appropriate use of technology in educational settings;

F. recognize basic dignities of all individuals with whom they interact in the performance of duties;

G. represent accurately their qualifications;

H. exercise due care to protect the mental and physical safety of students, colleagues, and subordinates;

I. seek and apply the knowledge and skills appropriate to assigned responsibilities;

J. keep in confidence legally-confidential information as they may secure;

K. ensure that their actions or those of another on their behalf are not made with specific intent of advancing private economic interests;

L. avoid accepting anything of value offered by another for the purpose of influencing judgment;

M. refrain from using position or public property, or permitting another person to use an employee's position or public property for partisan political or religious purposes. This will not be implemented in a manner that limits constitutionally or legally protected rights as a citizen.

[END OF OPTIONS]

In keeping with the ethical responsibilities of administrators, the Board prohibits staff from engaging in a romantic or sexual relationship of any kind with students of this District, regardless of the student's age. District staff should not provide alcohol, drugs, cigarettes, or any other contraband to a student.

Revised Policy - Vol. 40, No. 2

2417 - COMPREHENSIVE SCHOOL HEALTH EDUCATION

~~[NOTE: This policy is provided to address Best Practice Incentive for Fiscal Year 2012-13.]~~

The Board shall provide a comprehensive health education program that addresses the essential knowledge and skills that help students to become "health literate," ~~develop self-efficacy in health-related skills and knowledge, make~~making the healthiest choices available, and ~~avoid~~avoiding those behaviors that can cause damage to their health and well-being.

The Board shall comply with current state law in implementing comprehensive health education programs. In doing so, the Board shall adopt, implement, and evaluate a ~~research and evidence based comprehensive health education program that is effective, medically accurate, and developmentally appropriate~~research-based, theory-driven comprehensive education program.

The District's comprehensive health education program shall strive to:

- A. provide ~~quality at least fifty (50) hours of~~ health education instruction at every grade ~~level, from~~ Pre-kindergarten through grade twelve (12), ~~facilitated by qualified, properly endorsed educators in partnership with families~~ to give all students sufficient time to learn health skills and habits for a lifetime;
- B. ~~align instruction with help students master~~ the Michigan Health Education ~~Standards Guidelines Content Standards and Benchmarks~~;
- C. focus on helping young people develop and practice personal, ~~social, and emotional competencies and social skills, such as communication and decision making, in order~~ to deal effectively with health-risk situations;
- D. use active, participatory instructional strategies ~~within safe and supportive learning environments consistent with State guidelines to engage all students~~;
- E. address social and media influences on student behaviors and help students identify healthy alternatives to specific high-risk behaviors;
- F. emphasize critical knowledge and skills that students need in order to obtain, understand, and use ~~valid and reliable health information, products, services, and resources~~basic health information and services in ways that enhance healthy living, ~~including skills for research, reasoning, critical thinking, and problem solving~~;
- G. focus on behaviors that have the greatest effect on health, especially those related to nutrition; physical activity; violence and injury; alcohol and other drug use; tobacco use; ~~mental and emotional health; healthy relationships; and sexual behaviors that may increase the risk of HIV/AIDS, sexually transmitted infections and sexual behaviors~~

that lead to HIV, sexually transmitted disease, or unintended pregnancy, emphasizing both their short-term and long-term consequences and strategies for prevention, including abstinence;

- H. build functional knowledge and skills, from year to year, that are developmentally appropriate, trauma-responsive, inclusive, and culturally responsive; and
- I. include medically accurate and up-to-date information, and be appropriate to students' developmental levels, personal behaviors, and cultural backgrounds; and
- J. incorporate personal safety skills, maintaining personal boundaries.

Assessment

Student work in health education courses may be regularly assessed and the District may determine how course grades factor into shall be regularly assessed and graded using performance based items that are aligned with the health education content standards. Course grades shall be determined in the same manner as other subject areas and shall be included in calculations of grade point average, class rank, and academic recognition programs.

Collaborative Approach

Collaborative and integrative approaches shall be used in the teaching of health education. The health education program is one component of a coordinated school health program and shall be coordinated with other school health initiatives. If the District includes sex education as part of its comprehensive health education program, a sex education advisory board shall be established in accordance with M.C.L. 380.1507. In fostering a collaborative approach with the school, parents shall have the right to opt their child out of sex education instruction without penalty or loss of academic credit.

Health topics shall be integrated into the instruction of other subjects, with the assistance of school health education professionals, in order to complement the health education program.

The District will collaborate with community organizations to provide student learning opportunities in both the classroom and the community. Participation in community opportunities for service learning related to health and utilization of community resources as a part of classroom instruction shall be in accordance with policies of the Board and relevant to course objectives.

The District shall partner with parents/guardians and families, who are recognized as the first and primary health educators of their children, in order to provide consistent messages regarding health behavior. Health education programs shall be consistent with school and community standards that support positive parent/child communications and guidance.

Implementation

The Board shall employ highly qualified teachers of health education with the appropriate endorsements and credentials. Such teachers shall possess the necessary qualifications, skills, and training as specified by Michigan law and the Michigan Department of Education. Such qualifications for teachers to provide instruction in health education include the appropriate endorsement as specified by the Michigan Department of Education. To provide instruction in sex education, teachers must meet the qualification requirements of M.C.L. 380.1507(5) essential to perform their duties well, and shall serve as positive role models by demonstrating healthy behaviors.

Teachers shall have received quality professional development in health education through their pre-service preparation or through in-service training.

~~In order to teach health in secondary health courses, a teacher must have an endorsement in health or family and consumer sciences on their secondary level teaching certificate.~~

The Board supports ongoing professional development activities specifically related to health education, including practice using strategies designed to positively influence students' health behaviors and attitudes.

The Board shall evaluate its policies and implementation of District efforts that promote health literacy and healthy behaviors among all students. The District shall utilize available funds effectively in providing health education services and shall work with local partners in pursuit of additional resources to provide comprehensive school health education programming, professional development, and classroom materials.

Revised Policy - Vol. 40, No. 2

2418 - SEX EDUCATION

In accordance with Michigan statute ~~and the Michigan Health Education Standard Guidelines~~, the Board of Education authorizes instruction in sex education. Such instruction may include family planning, human sexuality, ~~gender identity, gender expression, sexual orientation,~~ and the emotional, physical, psychological, hygienic, economic, and social aspects of family life. Instruction may also include the subjects of reproductive health, ~~consent education,~~ and the recognition, prevention, and treatment of sexually transmitted ~~infections ("STIs"), including HIV/AIDS diseases.~~

The instruction described in this policy shall ~~emphasize~~ stress that abstinence from sex is ~~the only protection that is 100% effective against unplanned pregnancy, sexually transmitted infections, and HIV. Instruction shall also articulate the benefits of abstinence, postponing sexual activity, and setting personal limits based on individual beliefs and values~~ a responsible and effective method of preventing unplanned or out of wedlock pregnancy and sexually transmitted diseases and is a positive lifestyle for unmarried young people.

Such instruction shall be elective and not a requirement for graduation.

A student shall not be enrolled in a class in which the subjects of family planning or reproductive health are discussed unless the student's parent or guardian is notified in advance of the course and the content of the course, is given a prior opportunity to review the materials to be used in the course and is notified in advance of the parent's/guardian's right to have the student excused from the class. The Michigan Board of Education shall determine the form and content of the notice required in this policy.

Upon the written request of a student or the student's parent or legal guardian, the student shall be excused, without penalty or loss of academic credit, from attending a class described in this policy. If a parent or guardian submits a continuing written notice, the student will not be enrolled in a class described in this policy unless the parent or guardian submits a written authorization for that enrollment.

The District shall provide the instruction by teachers qualified to teach health education. Material and instruction in a sex education curriculum shall be ~~developmentally appropriate, age-appropriate, medically accurate~~ ~~age-appropriate, not medically inaccurate,~~ and shall comply with the statutory requirements of M.C.L. 380.1507b and align with the Michigan Health Education Standard Guidelines.

Instruction shall be organized around grade spans (3-5, 6-8, 9-12) and shall address content areas appropriate to each span as detailed in AG 2418 and aligned with the Michigan Health Education Standard Guidelines.

If a district chooses to include sex education as part of its comprehensive health education program, the district shall ~~The Board~~ shall establish a sex education advisory board and shall determine terms of service for the sex education advisory board, the number of members to serve on the advisory board, and a membership selection process that reasonably reflects the District's population. The Board shall appoint two (2) co-chairs for the advisory board, at least one (1) of whom

is a parent of a child attending a District school. At least one-half (1/2) of the members of the sex education advisory board shall be parents who have a child attending a District school, and a majority of these parent members shall be individuals who are not employed by the District. The sex education advisory board shall include students of the District, educators, local clergy, and community health professionals. Written or electronic notice of a sex education advisory board meeting shall be sent to each member at least two (2) weeks before the date of the meeting.

The sex education advisory board shall:

- A. Establish program goals and objectives for student knowledge and skills that are likely to reduce the rates of ~~sexual activity~~sex, pregnancy, and sexually transmitted ~~infections~~diseases. ~~Additional program goals and objectives may be established by the sex education advisory board that are not contrary to Michigan law.~~
- B. Review the materials and methods of instruction used and make recommendations to the Board for implementation. The advisory board shall take into consideration the District's needs, demographics, and trends including, but not limited to, teenage pregnancy rates, ~~STI~~sexually transmitted disease rates, and incidents of student sexual violence and harassment.
- C. At least once every two (2) years, evaluate, measure, and report the attainment of program goals and objectives established by the advisory board. The Board shall make the resulting report available to parents in the District.

Before adopting any revisions in the materials or methods used in instruction under this policy including, but not limited to, revisions to provide for the teaching of abstinence from sex as a method of preventing unplanned or out-of-wedlock pregnancy and ~~STI~~sexually transmitted disease, the Board shall hold at least two (2) public hearings on the proposed revisions. The hearings shall be held at least one (1) week apart and public notice of the hearings shall be given in the manner required for Board meetings. A public hearing held pursuant to this section may be held in conjunction with a public hearing held pursuant to M.C.L. 380.1169.

~~Teachers providing instruction at the secondary level (Grades 6-12) must hold appropriate endorsements as specified by Michigan statute and the Michigan Department of Education. Instruction in health and sex education shall comply with the Elliott-Larsen Civil Rights Act and all applicable laws, including parent opt-out provisions. Each person who provides instruction to K to twelve (12) students in accordance with this policy shall receive training based on District approved standards and in accordance with training requirements of the Michigan Department of Education (MDE) and Michigan Department of Health and Human Services (MDHHS).~~

No person shall dispense or otherwise distribute, in a District school or on District school property, a family planning drug or device.

For purposes of this policy, "family planning" means the use of a range of methods of fertility regulation to help individuals or couples avoid unplanned pregnancies; bring about wanted births; regulate the intervals between pregnancies; and plan the time at which births occur in relation to the age of parents. It may include the study of fetology. It may include marital and genetic information. Clinical abortion shall not be considered a method of family planning, nor shall abortion be taught as a method of reproductive health.

Replacement Policy - Vol. 40, No. 2

5136 - WIRELESS COMMUNICATIONS DEVICES (WCDs)

Students are prohibited from using a wireless communications device ("WCD") on school grounds during instructional time. A WCD is an electronic device capable of, but not limited to, text messaging, voice communication, entertainment, navigation, accessing the internet, sending and receiving photos and videos, or producing email. A WCD does not include a basic telephone, which is a device primarily used for voice calling that cannot support third-party applications, except those preinstalled, and does not support access to internet platforms via applications or web browsers.

For purposes of this policy, school grounds means a building, playing field, or property used for school purposes to impart instruction to children or used for functions and events sponsored by a school. School grounds does not include a building used primarily for adult education or college extension courses.

The prohibition on WCD use does not apply to the following:

- A. Medically necessary devices.
- B. District-owned devices including, but not limited to, school-issued tablets and laptops.
- C. Devices designated by the District to be used for instructional purposes.
- D. Devices used for special education programming or devices provided as an accommodation to students as required under Section 504 of Title V of the Rehabilitation Act of 1973, 29 U.S.C. 794, or as part of an individualized education plan under Title II of the Americans with Disabilities Act of 1990, 42 U.S.C. 12131 to 12165.
- E. Lesson-specific academic assignments, at the limited and direct discretion of a classroom teacher.
- F. Emergency situations. Use of a WCD under this exemption must not interfere with school emergency protocols or the actions of first responders, and must not endanger students or faculty. A protocol for when and how pupils are permitted to use wireless communications devices during an emergency is included in the District's Emergency Operations Plan (Policy 8402).

[SELECT OPTION A, OPTION B, OR OPTION C - (DRAFTING NOTE: M.C.L. 380.1303a (Public Act 2 of 2026) requires the policy to include enforcement language, but does not specify what that language must say. The following is optional language for the district to consider.)]

[OPTION A]

Students who violate this policy by using a WCD on school grounds during instructional time will be subject to discipline in accordance with the Student Code of Conduct.

[END OF OPTION A]

[] [OPTION B]

Students who violate this policy by using a WCD on school grounds during instructional time will be subject to the following progressive disciplinary measures:

- A. First Offense: Verbal warning and confiscation of the device until the end of the school day.
- B. Second Offense: Confiscation of the device with parent/guardian notification and required parent/guardian pickup.
- C. Third Offense: Confiscation of the device, parent/guardian conference, and additional disciplinary action as determined by school administration.

These enforcement mechanisms are designed to achieve the goals of this policy.

[END OF OPTION B]

[] [OPTION C]

Enforcement mechanism language as drafted by the District.

[END OF OPTION C]

[DRAFTING NOTE: CHOOSE OPTION #1, OPTION #2, OR OPTION #3]

[] [OPTION #1]

The use of WCDs that contain built-in cameras (i.e., devices that take still or motion pictures, whether in a digital or other format) is prohibited in () classrooms, () gymnasiums, **[END OF OPTIONS]** locker rooms, shower facilities, rest/bathrooms () and/or swimming pool **[END OF OPTION]**.

[END OF OPTION #1]

[] [OPTION #2]

The use of WCDs in () classrooms, () gymnasiums, **[END OF OPTIONS]** locker rooms, shower facilities, rest/bathrooms () and/or swimming pool **[END OF OPTION]** is prohibited.

[END OF OPTION #2]

[x] [OPTION #3]

WCDs, including, but not limited to, those with cameras, may not be activated or utilized at any time in any school situation where a reasonable expectation of personal privacy exists. These locations and circumstances include, but are not limited to, (x) classrooms, (x) gymnasiums, **[END OF OPTIONS]** locker rooms, shower facilities, rest/bathrooms, and any other areas where students or others may change clothes or be in any stage or degree of disrobing or changing clothes. The Superintendent and building principals are authorized to determine other specific locations and situations where use of a WCD is absolutely prohibited.

[END OF OPTION #3]

Students shall have no expectation of confidentiality with respect to their use of WCDs on school premises/property.

Students may not use a WCD in any way that might reasonably create in the mind of another person an impression of being threatened, humiliated, harassed, embarrassed, or intimidated. See Policy 5517.01 – Bullying and Other Forms of Aggressive Behavior. In particular, students are prohibited from using WCDs to: (1) transmit material that is threatening, obscene, disruptive, or sexually explicit or that can be construed as harassment or disparagement of others based upon their race, color, national origin, sex, sexual orientation, disability, age, religion, ancestry, or political beliefs; and (2) engage in "sexting" - i.e., sending, receiving, sharing, viewing, or possessing pictures, text messages, e-mails or other materials of a sexual nature in electronic or any other form. Violation of these prohibitions shall result in disciplinary action. Furthermore, such actions will be reported to local law enforcement and child services as required by law.

Students are also prohibited from using a WCD to capture, record, and/or transmit test information or any other information in a manner constituting fraud, theft, cheating, or academic dishonesty. Likewise, students are prohibited from using WCDs to receive such information.

A copy of the District's Wireless Communications Devices policy shall be posted on the District's website.

Adopted	October 16, 2023

6320 - PURCHASING

Procurement of all supplies, materials, equipment, and services paid for from District funds shall be made in accordance with all applicable Federal and State statutes, Board policies, and administrative procedures. Standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and administration of contracts are established in Policy 1130, Policy 3110, and Policy 4110 – Conflict of Interest.

All procurement transactions shall be conducted in a manner that encourages full and open competition and in accordance with good administrative practice and sound business judgment.

Each year the State of Michigan informs the School of the legal amount for purchases which require a formal bidding process of a single item.

It is the policy of the Board that the Superintendent adhere to the following:

- A. Seek informal price quotations on purchases in excess of \$2,000.00.
- B. When the purchase of, and contract for, single items of supplies, materials, or equipment is less than the amount allowed by State statute, but exceeds \$2,000.00, the Superintendent shall whenever possible, require three (3) competitive price quotations.

Purchases in a single transaction that are in excess of the dollar amount permitted by State statute shall require competitive bids and, whenever possible, have at least three (3) such bids for substantiation of purchase and shall require approval of the Board prior to purchase.

Competitive Bids

Michigan's Revised School Code (M.C.L. 380.623a, 380.1267, and 380.1274) establishes a base above which competitive bids must be obtained for school construction projects (including renovation, repair, or remodeling) and procurement of supplies, materials, and equipment. This requirement does not apply to buildings, renovations, or repairs costing less than the amount specified in Michigan's Revised School Code. **[DRAFTING NOTE: The maximum amount specified in this subsection shall be adjusted each year by multiplying the amount for the immediately preceding year by the percentage by which the average consumer price index for all items for the twelve (12) months ending August 31 of the year in which the adjustment is made differs from that index's average for the twelve (12) months ending on August 31 of the immediately preceding year and adding that product to the maximum amount that applied in the immediately preceding year, rounding to the nearest whole dollar. The state laws also provide for an increase in the base amount corresponding to increases in the Consumer Price Index ("CPI"). For fiscal year 2026, which began on Wednesday, October 1, the base amount for Section 1267 (pertaining to construction, renovation, repair, or remodeling) and the new base for Sections 623a and 1274 (pertaining to procurement of supplies, materials, and equipment) are each \$31,321.]**

~~[] In order for sealed bidding to be feasible, the following conditions shall be present:~~

- A. ~~a complete, adequate, and realistic specification or purchase description is available;~~

- B. two (2) or more responsible bidders have been identified as willing and able to compete effectively for the business; and
- C. the procurement lends itself to a firm, fixed-price contract and the selection of the successful bidder can be made principally based on price.

When sealed bids are used, the following requirements apply:

- A. Bids shall be solicited in accordance with the provisions of State law and this policy. Bids shall be solicited from [CHOOSE OPTION] (x) an adequate number of [END OF OPTION] qualified suppliers, providing sufficient response time prior to the date set for the opening of bids. The invitation to bid shall be publicly advertised.
- B. The invitation for bids must define the items or services with specific information, including any required specifications, for the bidder to properly respond.
- C. All bids will be opened at the time and place prescribed in the invitation for bids; bids will be opened publicly.
- D. A firm, fixed-price contract is awarded in writing to the lowest responsive bid and responsible bidder. When specified in the invitation for bids, factors such as discounts, transportation costs, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts must only be used to determine the low bid when the District determines they are a valid factor based on prior experience.
- E. The Board reserves the right to reject any or all bids, but must document and provide a justification for all bids it rejects for sound documented reason.

Competitive bids are not required for items purchased through the cooperative bulk purchasing program operated by the Michigan Department of Management and Budget pursuant to M.C.L. 18.1263.

Competitive bids are not required for food purchases, unless food purchased in a single transaction costs \$100,000 or more.

When food purchased in a single transaction exceeds \$ 2,000.00, the Superintendent shall, whenever possible, require three (3) competitive price quotations.

Bids shall be sealed and shall be opened by the CFO in the presence of at least one (1) witness. All orders or contracts should be awarded to the lowest responsible bidder; however, consideration can be given to:

- A. the quality of the item(s) to be supplied;
- B. its conformity with specifications;
- C. suitability to the requirements of the school;
- D. delivery terms;
- E. past performance of vendor.

In addition to the factors above, the Board may consider and provide a preference to bidders which use a Michigan-based business as the primary contractor and/or which use one (1) or more Michigan-based businesses as subcontractors.

For purposes of this preference a Michigan-based business means a business that would qualify for a Michigan preference for procurement contracts under M.C.L. 18.1268, which requires that the businesses certify that since inception or during the last twelve (12) months it has done one of the following:

- A. have filed a Michigan business tax return showing an allocation of income tax base to Michigan
- B. have filed a Michigan income tax return showing income generated in or attributed to Michigan
- C. withheld Michigan income tax from compensation paid to the bidder's owners and remitted the tax to the Michigan Department of Treasury

This preference shall not apply to any procurement or project using Federal funds, nor shall it be used if it would violate any Federal law or requirements.

The Board reserves the right to reject any and all bids.

Contracts may be awarded by the Superintendent without Board approval for any single item or group of identical items costing less than \$ 25,000.00. All other contracts require Board approval prior to purchase and the Board of Education will be notified.

The Board shall be informed of the terms and conditions of all competitive bids and shall award contracts as a consequence of such bids.

Bid Protest

A bidder who wishes to file a bid protest must file such notice and follow procedures prescribed by the Request For Proposals (RFP) or the individual bid specifications package, for resolution. Bid protests must be filed in writing with the Office of the Superintendent within seventy-two (72) hours of the opening of the bids in protest.

Within five (5) days of receipt of a protest, the Superintendent shall review the protest as submitted and render a decision regarding the merits of the protest and any impact on the acceptance and rejection of bids submitted. Notice of the filing of a bid protest shall be communicated to the Board and shall be so noted in any subsequent recommendation for the acceptance of bids and awarding of contracts.

Failure to file a notice of intent to protest, or failure to file a formal written protest within the time prescribed, shall constitute a waiver of proceedings.

General Provisions

The Superintendent is authorized to purchase all items within budget allocations.

The Board will be advised, for prior approval, of all purchases of equipment, materials, and services when the purchase was not contemplated during the budgeting process.

The Superintendent is authorized to make emergency purchases, without prior approval, of those goods and/or services needed to keep the school in operation. Such purchases shall be brought to the Board's attention at the next regular meeting.

In order to promote efficiency and economy in the operation of the school, the Board requires that the Superintendent periodically estimate requirements for standard items or classes of items and make quantity purchases on a bid basis to procure the lowest cost consistent with good quality.

Whenever storage facilities or other conditions make it impractical to receive total delivery at any one time, the total quantity to be shipped but with staggered delivery dates, shall be made a part of the bid specifications.

Before placing a purchase order, the Superintendent shall check as to whether the proposed purchase is subject to bid, whether sufficient funds exist in the budget, and whether the material might be available elsewhere in the school. All purchase orders shall be numbered consecutively.

In the interests of economy, fairness, and efficiency in its business dealings, the Board requires that:

- A. opportunity be provided to as many responsible suppliers as possible to do business with the school;
- B. a prompt and courteous reception, insofar as conditions permit, be given to all who call on legitimate business matters;
- C. where the requisitioner has recommended a supplier, the Superintendent may make alternate suggestions to the requisitioner if, in his/her judgment, better service, delivery, economy, or utility can be achieved by changing the proposed order;
- D. upon the placement of a purchase order, the Superintendent shall commit the expenditure against a specific line item to guard against the creation of liabilities in excess of appropriations.

The Superintendent shall determine the amount of purchase which shall be allowed without a properly signed purchase order. Employees may be held personally responsible for anything purchased without a properly signed purchase order or authorization.

The Board may acquire office equipment as defined in law by lease, by installment payments, by entering into lease-purchase agreements, or by lease with an option to purchase, provided the contract sets forth the terms of such a purchase.

Procurement – Federal Grants

The Superintendent shall maintain a procurement and contract administration system in accordance with the USDOE requirements (34 CFR 80.36) for the administration and management of Federal grants and federally-funded programs. The District shall maintain a compliance system that requires contractors to perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders. Except as otherwise noted, procurement transactions shall conform to the provisions of this policy and administrative guidelines (AG 6320A).

6325 - PROCUREMENT – FEDERAL GRANTS/FUNDS

Procurement of all supplies, materials, equipment, and services paid for from Federal funds or District matching funds shall be made in accordance with all applicable Federal, State, and local statutes and/or regulations, the terms and conditions of the Federal grant, Board of Education policies, and administrative procedures.

The Superintendent shall have and use a procurement and contract administration system in accordance with the USDOE requirements (2 C.F.R. 200.317-.326), including affirmative steps for small businesses, minority businesses and women's business enterprises, veteran-owned businesses, and labor surplus area firms for the administration and management of Federal grants and Federally-funded programs. The District shall maintain oversight that requires contractors to perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders. Except as otherwise noted, procurement transactions shall conform to the provisions of the District's documented general purchasing Policy 6320 and AG 6320A.

When required by Federal program legislation, all Federally-funded contracts in excess of \$2,000 related to construction, alteration, repairs, painting, decorating, etc. must comply with Davis-Bacon prevailing wage requirements.

All District employees, officers, and agents who have purchasing authority shall abide by the standards of conduct covering conflicts of interest and governing the actions of its employees, officers, and agents engaged in the selection, award, and administration of contracts as established in Policy 1130, Policy 3110, and Policy 4110 – Conflict of Interest.

The District will avoid acquisition of unnecessary or duplicative items. Consideration shall be given to consolidating or breaking out procurements to obtain a more economical purchase. When appropriate, an analysis shall be made between leasing and purchasing property or equipment to determine the most economical approach. These considerations are given as part of the process to determine the allowability of each purchase made with Federal funds.

To foster greater economy and efficiency, the District may enter into State and local intergovernmental agreements where appropriate for procurement or use of common or shared goods and services.

Competition

All procurement transactions under the Federal award paid for from Federal funds or District matching funds shall be conducted in a manner that provides full and open competition and that is in accordance with 2 C.F.R. Part 200, good administrative practice, and sound business judgment. To ensure objective contractor performance and eliminate unfair competitive advantage, the District shall exclude any contractor that has developed or drafted specifications, requirements, statements of work, or invitations for bids from competition for such procurements.

Examples of situations that may restrict competition include, but are not limited to:

- A. unreasonable requirements on firms for them to qualify to do business;
- B. unnecessary experience and excessive bonding requirements;
- C. noncompetitive pricing practices between firms or between affiliated companies;
- D. noncompetitive contracts to consultants that are on retainer contracts;
- E. organizational conflicts of interest;
- F. specification of only a "brand name" product instead of allowing for an "or equal" product to be offered and describing the performance or other relevant requirements of the procurement; and
- G. any arbitrary action in the procurement process.

To the extent that the District uses a pre-qualified list of persons, firms, or products to acquire goods and services that are subject to this policy, the pre-qualified list includes enough qualified sources as to ensure maximum open and free competition. The District allows vendors to apply for consideration to be placed on the list periodically.

The District shall require that all prequalified lists of persons, firms, or products which are used in procurement transactions are current and include enough qualified sources to provide maximum open competition. When establishing or amending prequalified lists, the District (or subrecipient) must consider objective factors that evaluate price and cost to maximize competition. The District shall not preclude potential bidders from qualifying during the solicitation period.

To the extent consistent with established practices and legal requirements applicable to the recipient or subrecipient, this subpart does not prohibit recipients or subrecipients from developing written procedures for procurement transactions that incorporate a scoring mechanism that rewards bidders that commit to specific numbers and types of U.S. jobs, minimum compensation, benefits, on-the-job-training for employees making work products or providing services on a contract, and other worker protections. This subpart also does not prohibit recipients and subrecipients from making inquiries of bidders about these subjects and 2 C.F.R. Revisions 2024: Unofficial Comparison Version assessing the responses. Any scoring mechanism must be consistent with the U.S. Constitution, applicable Federal statutes and regulations, and the terms and conditions of the Federal award.

Solicitation Language (Purchasing Procedures)

The District shall have written procurement procedures (in accordance with 2 C.F.R. 200.319(d)) that require that all solicitations made pursuant to this policy incorporate a clear and accurate description of the technical requirements for the property, equipment, or service being procured. The description may include a statement of the qualitative nature of the property, equipment, or service to be procured. When necessary, the description must set forth those minimum essential characteristics and standards to which the property, equipment, or service shall conform. Detailed product specifications should be avoided if at all possible.

When it is impractical or uneconomical to clearly and accurately describe the technical requirements, a "brand name or equivalent" description of features to provide procurement requirements may be used. The specific features of the named brand must be clearly stated and the District must identify any additional requirements which the offerors must fulfill and all other factors that will be used in evaluating bids or proposals.

The Board will not approve any expenditure for an unauthorized purchase or contract.

Procurement Methods

The District shall have and use documented procedures, consistent with the standards described above for the following methods of procurement:

A. Informal Procurement Methods

Informal procurement methods for small purchases expedite the completion of transactions, minimize administrative burdens, and reduce costs. Informal procurement methods may be used when the value of the procurement transaction under a Federal award does not exceed the simplified acquisition threshold or a lower threshold established by the State, formal procurement methods are not required. The informal procurement methods include:

1. Micro-Purchases

Procurement by micro-purchase is the acquisition of supplies or services, the aggregate dollar amount of which does not exceed ~~\$10,000~~ **\$15,000**. To the extent practicable, the District should distribute micro-purchases equitably among qualified suppliers. Micro-purchases may be made without soliciting competitive quotations if the Superintendent considers the price to be reasonable based on research, experience, purchase history, or other relevant information, and maintains documents to support its conclusion. The District shall maintain evidence of this reasonableness in the records of all purchases made by this method.

2. Small Purchases

Small purchases include the acquisition of property or services, the aggregate dollar amount of which is higher than the micro-purchase threshold but does not exceed the simplified acquisition threshold of \$29,572. Small purchase procedures require that price or rate quotations shall be obtained from an adequate number of qualified sources.

Districts are responsible for determining an appropriate simplified acquisition threshold based on internal controls, an evaluation of risk, and its documented procurement procedures which must not exceed the threshold established in the Federal Acquisition Regulations (FAR). When applicable, a lower simplified acquisition threshold used by the District must be authorized or not prohibited under State, local, or tribal laws or regulations.

B. Formal Procurement Methods

When the value of the procurement for property or services under a Federal award exceeds the simplified acquisition threshold or a lower threshold established by the State, formal procurement methods are required. Formal procurement methods require following documented procedures. Formal procurement methods also require public advertising unless a non-competitive procurement method can be used in accordance with the standards on competition in C.F.R. 200.319 or non-competitive procurement. The formal methods of procurement are:

1. Sealed Bids

Sealed, competitive bids shall be obtained when the purchase of, and contract for, single items of supplies, materials, or equipment which amounts to more than the amount allowed by Michigan statute and when the Board determines to build, repair, enlarge, improve, or demolish a school building/facility the cost of which will exceed the amount allowed by Michigan statute.

In order for sealed bidding to be feasible, the following conditions shall be present:

- a. a complete, adequate, and realistic specification or purchase description is available;
- b. two (2) or more responsible bidders have been identified as willing and able to compete effectively for the business; and
- c. the procurement lends itself to a firm, fixed-price contract and the selection of the successful bidder can be made principally based on price.

When sealed bids are used, the following requirements apply:

- a. Bids shall be solicited in accordance with the provisions of State law and Policy 6320. Bids shall be solicited from an adequate number of qualified suppliers, providing sufficient response time prior to the date set for the opening of bids. The invitation to bid shall be publicly advertised.
- b. The invitation for bids must define the items or services with specific information, including any required specifications, for the bidder to properly respond.
- c. All bids will be opened at the time and place prescribed in the invitation for bids; bids will be opened publicly.
- d. A firm, fixed-price contract is awarded in writing to the lowest responsive bid and responsible bidder. When specified in the invitation for bids, factors such as discounts, transportation costs, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts must only be used to determine the low bid when the District determines they are a valid factor based on prior experience.

- e. The Board reserves the right to reject any or all bids but must document and provide a justification for all bids it rejects for sound documented reason.

2. Proposals

Procurement by proposals is a method in which either a fixed-price or cost-reimbursement contract is awarded. This method is used when conditions are not appropriate for the use of sealed bids or in the case of a recognized exception to the sealed bid method.

If this method is used, the following requirements apply:

- a. Requests for proposals require public notice and must identify all evaluation factors and their relative importance. To the maximum extent practicable, any proposals submitted in response to the public notice must be considered.
- b. Proposals shall be solicited from two (2) sources.
- c. The District must have written procedures for conducting technical evaluations and for making selections.
- d. Contracts must be awarded to the responsible offeror whose proposal is most advantageous to the District considering price and other factors.

The District may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby the competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where the price is not used as a selection factor, can only be used to procure A/E professional services. The method cannot be used to purchase other services provided by A/E firms are a potential source to perform the proposed effort.

3. Noncompetitive Procurement

Procurement by noncompetitive proposals may be used only when one (1) or more of the following circumstances apply:

- a. the aggregate amount of the procurement transaction does not exceed the micro-purchase threshold;
- b. the procurement transaction can only be fulfilled by a single source;
- c. the public exigency or emergency for the requirement will not permit a delay resulting from providing public notice of a competitive solicitation;
- d. the District requests in writing to use a noncompetitive procurement method, and the Federal agency or pass-through entity provides written approval; or
- e. after soliciting several sources, competition is determined to be inadequate.

Domestic Preference for Procurement

The District should, to the extent practicable and consistent with law, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. Such requirements shall be included in all subawards, contracts, and purchase orders under the Federal award.

Procurement of Recovered Materials

The District must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976, as amended, 42 U.S.C. 6962. These requirements include:

- A. procuring only items designated in the guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R. part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000;

- B. procuring solid waste management services in a manner that maximizes energy and resource recovery; and
- C. establishing an affirmative procurement program for the procurement of recovered materials identified in the EPA guidelines.

The District should, to the greatest extent practicable and consistent with law, purchase, acquire, or use products and services that can be reused, refurbished, or recycled; contain recycled content, are biobased, or are energy and water-efficient; and are sustainable.

This may include purchasing compostable items and other products and services that reduce the use of single-use plastic products.

Contract/Price Analysis

The District shall perform a cost or price analysis for every procurement transaction, including contract modifications, in excess of the Simplified Acquisition Threshold (currently ~~\$250,000~~ **\$350,000**). The method and degree of analysis conducted depend on the facts surrounding the particular procurement transaction. For example, the District should consider potential workforce impacts in their analysis if the procurement transaction will displace public sector employees. However, as a starting point, the District must make independent estimates before receiving bids or proposals. A cost analysis generally means evaluating the separate cost elements that make up the total price, while a price analysis means evaluating the total price, without looking at the individual cost elements. The District must not use the "cost plus a percentage of cost" and "percentage of construction costs" methods of contracting.

Costs or prices based on estimated costs for contracts under the Federal award are allowable only to the extent that the costs incurred or cost estimates included in negotiated prices would be allowable for the District according to cost principle requirements.

Time and Materials Contracts

The District uses a time-and-materials type contract only 1) after a determination that no other contract is suitable, and 2) if the contract includes a ceiling price that the contractor exceeds at its own risk. A time-and-materials type contract means a contract whose cost to the District is the sum of the actual costs of materials and direct labor hours charged at fixed hourly rates that reflect wages, general and administrative expenses, and profit.

Because this formula generates an open-ended contract price, a time-and-materials contract provides no positive profit incentive to the contractor for cost control or labor efficiency. Therefore, the District sets a ceiling price for each contract that the contractor exceeds at its own risk. Further, the District shall assert a high degree of oversight to obtain reasonable assurance that the contractor is using efficient methods and effective cost controls.

Suspension and Debarment

The District will award contracts only to responsible contractors that possess the ability to perform successfully under the terms and conditions of the proposed contract. All purchasing decisions shall be made in the best interests of the District and shall seek to obtain the maximum value for each dollar expended. When making a purchasing decision, the District shall consider such factors as 1) contractor integrity; 2) public policy; 3) compliance; 4) proper classification of employees; 5) record of past performance; and 6) financial and technical resources.

The District shall not subcontract with or award subgrants to any person or company who is debarred or suspended. For contracts over \$25,000, the District shall confirm that the vendor is not debarred or suspended by either checking the Federal government's System for Award Management, which maintains a list of such debarred or suspended vendors, at www.sam.gov; collecting a certification from the vendor; or adding a clause or condition to the covered transaction with that vendor. (2 C.F.R. Part 180 Subpart C)

Bid Protest

The District maintains the following protest procedures to handle and resolve disputes relating to procurements and, in all instances, discloses information regarding the protest to the agency.

A bidder who wishes to file a bid protest shall file such notice and follow procedures prescribed by the Request For Proposals (RFPs) or the individual bid specifications package for resolution. Bid protests shall be filed, in writing, with the Superintendent within seventy-two (72) hours of the opening of the bids in protest.

Within five (5) days of receipt of a protest, the Superintendent shall review the protest as submitted and render a decision regarding the merits of the protest and any impact on the acceptance and rejection of bids submitted. Notice of the filing of a bid protest shall be communicated to the Board and shall be so noted in any subsequent recommendation for the acceptance of bids and awarding of contracts.

Failure to file a notice of intent to protest, or failure to file a formal written protest within the time prescribed, shall constitute a waiver of proceedings.

Maintenance of Procurement Records

The District shall maintain records sufficient to detail the history of all procurements. These records will include but are not necessarily limited to, the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price (including a cost or price analysis).

Records Retention

The District must retain all Federal award records for three (3) years from the date of submission of the final financial report. For awards that are renewed quarterly or annually, the District must retain records for three (3) years from the date of submission of the quarterly or annual financial report, respectively. Records to be retained include but are not limited to, financial records, supporting documentation, and statistical records. Other records retention requirements shall be in accordance with 2 C.F.R. 200.334.

The District must collect, transmit, and store Federal award information in an open file, non-licensed, and machine-readable formats. The District may substitute electronic versions of original paper records through duplication or other forms of electronic conversion, provided that the procedures are subject to periodic quality control reviews. Quality control reviews must ensure that electronic conversion procedures provide safeguards against the alteration of records and assurance that records remain in a format that is readable by a computer system.

Replacement Policy - Vol. 40, No. 2

7540.09 - ARTIFICIAL INTELLIGENCE (AI)

The Board acknowledges the positive impact and transformative potential of Artificial Intelligence ("AI") in education and operations, emphasizing a balanced, people-centered approach. It supports the responsible and innovative use of AI in classrooms and professional settings, with the understanding that AI should enhance human interaction and instruction, not replace it, and all AI-driven decisions require human review. The Superintendent is authorized to support the use of artificial intelligence technology when its use is consistent with the District's mission, goals, and operational integrity. The (~~Superintendent~~ (X) AI Taskforce _____ [END OF OPTIONS] is responsible for overseeing and ensuring compliance of this policy.

Definitions

For purposes of this policy, the following definitions apply:

Artificial Intelligence ("AI")

AI refers to systems or tools capable of performing tasks that typically require human intelligence including, but not limited to, decision-making, problem-solving, and language understanding. AI is computer code that can resemble human intelligence to complete a given task (e.g., problem-solving, planning, etc.). It involves developing algorithms and systems that can perceive, reason, learn, and make decisions based on data made available to the AI tool.

Generative AI

A subset of AI that uses large language models ("LLMs") and other advanced algorithms to create content, such as text, images, audio, or video, in response to user input.

Generative AI works by analyzing large datasets to learn patterns and features, which it then uses to generate new, original content. It uses complex algorithms, often based on neural networks, to make predictions based on the input data it has processed; thereby enabling it to create a wide range of outputs, from text and images to music and code, that mimic the style or characteristics of the data on which it was trained.

At its core, generative AI predicts the flows of language. Trained on massive amounts of text taken from publicly available internet sources to recognize the relationships that most commonly exist between individual units of meaning (including full or partial words, phrases, and sentences), LLMs can, with great frequency, generate replies to users' prompts that are contextually appropriate, linguistically facile, and factually correct.

Natural Language Processing ("NLP")

A field of artificial intelligence that focuses on enabling computers to understand, interpret, and respond to human language in a meaningful way. Examples of NLP include, but are not limited to, Grammarly, GPT-Based APIs, Google Cloud Natural Language AI, Microsoft Azure Text Analytics, IBM Watson NLP, Amazon Comprehend, etc..

Large Language Model ("LLM")

A sophisticated AI system trained on extensive text data to process and produce language; recognize patterns, grammar, and nuances. It can perform tasks like text generation, question answering, and language translation.

Algorithm

A set of rules or instructions guiding AI operations and decision-making.

Personally Identifiable Data/Personal Data

Refers to any information that can directly or indirectly identify an individual including, but not limited to, names, addresses, student records, and health information.

Proprietary Information/Data

Refers to a broad category of non-public, sensitive, or confidential data belonging to the District, its staff, or its operations. This information is considered the District's. This information is generally protected from unauthorized disclosure or use.

Open AI ("Open-Source AI")

Definition: AI models where the developers openly share the model's architecture, underlying code, and often the "weights" (the learned parameters of the model), and sometimes the training data. Open AI models accessed publicly present a high risk of data release, as data input is often used for AI tool training and can be publicly available. Open AI models may require the District to implement and manage its own wrapper or filtering layer. As a result, it is not recommended that OpenAI tools/applications are used in districts due to the high potential of violating Federal and State laws. Open-Source AI also produces less reliable content, because it is accessing a pool of data that is not universally verified as accurate.

Closed AI ("Closed-Source/Proprietary AI")

Definition: AI models where the developers obscure or protect the model's architecture, underlying code, training data, and weights. Users interact with the model via a restricted service. Closed AI may offer better, contractually-guaranteed data security (e.g., "enterprise" versions), but its "black box" nature still requires a formal audit and contract. Closed AI developers typically manage these filters internally. Closed-Source or Proprietary AI produces more reliable results because it is accessing data sources that are controlled and can be verified as accurate.

Any use of artificial intelligence technology in the District's educational program or operations must be in accordance with State and Federal law as well as Board policies () including, but not limited to, the following: ~~Policy 5500 Student Code of Classroom Conduct; Policy 5517 Student Anti Harassment; Policy 5517.01 Bullying; Policy 2266 Nondiscrimination on the Basis of Sex in Education Programs or Activities; Policy 8330 Student Records; Policy 2240 Controversial Issues in the Classroom; Policy 7540.03 Student Technology Acceptable Use and Safety; and Policy 7540.04 Staff Technology Acceptable Use and Safety~~ [END OF OPTION]. [DRAFTING NOTE: Confirm and Select as Needed]

General Principles

A. Transparency

Users of AI tools must disclose when and how these tools have been employed in the creation of academic or professional work.

B. Ethical Use

District employees who use AI technologies must do so in ways consistent with institutional values, privacy standards, Family Educational Rights and Privacy Act ("FERPA"), Individuals with Disabilities Education Act ("IDEA"), copyright laws, and ethical principles, honesty, trustworthiness, and personal dignity of both employees and students.

C. Content Responsibility

District employees who use AI technologies are responsible for the content created by that AI tool.

Evaluation and Approval

Before adopting any AI tool or system, the District will conduct a comprehensive risk assessment — evaluating data sources (including use of student Personally Identifiable Information), decision-making impacts on students, potential bias or disparate impact, and vendor compliance with privacy, security, and data retention laws — and ensure all contracts include clear legal, ethical, and technical safeguards aligned with FERPA, IDEA, COPPA, PPR, Michigan statutes, and District policies. AI systems must be reviewed to ensure they are nondiscriminatory, fully accessible, and do not compromise the rights or individualized support of students, particularly those protected under federal and state civil rights laws.

AI Tool Selection

The District approves the use of Closed AI tools only, that have been carefully reviewed, evaluated, and approved by Curriculum Council _____ [e.g., IT Director, Curriculum Director, or a AI Committee] for student and staff use.

Transparency

The District is committed to transparency and accountability in AI use by informing teachers, students, and parents when AI influences decisions, clearly explaining how it works and what data it uses, assigning oversight to AI Taskforce _____, and conducting regular audits to evaluate accuracy, fairness, and impact on equity and student rights. The District will maintain a public AI Tool Inventory that lists every approved AI tool and includes a summary of its data-handling and privacy features. The AI Tool Inventory will be posted on the District website. **[END OPTION]**

Vendor Vetting & Contracts

All AI tools used by the District must undergo a formal risk assessment by the IT/Legal department to review their Terms of Service and data handling practices to ensure compliance with all Federal and State privacy laws. The District prohibits the input by any user of any student information, staff information, or confidential district data into any AI tool that does not have a formal, vetted contract guaranteeing data privacy and non-use for training.

Employee Use of AI

Employees may integrate AI tools into their instruction at their discretion and should clearly define the parameters for AI usage in the classroom by students using District-approved AI applications/tools.

When using AI to create instructional materials, assessments, or feedback, employees shall maintain transparency by disclosing the role of AI in these processes. Employees must review and verify the accuracy and appropriateness of any AI-generated content.

Employees shall not input sensitive, confidential, personally identifiable, or proprietary information about students, colleagues, or institutional operations into AI systems that lack safeguards and policies to protect such data from being used in their training models, and if such information will be entered into an AI system, employees shall seek the approval of their supervisor Principal **[END OF OPTION]** before doing so.

Using AI detection software to enforce academic integrity should be done in accordance with the knowledge that this software is not foolproof and that the disruptive nature of AI technologies in education can lead to considerable confusion regarding expectations for AI use. Employees should use AI-detection ethically and as the starting point of an inquiry into a possible violation of academic integrity rather than as a definitive indication of student dishonesty. Employees must also disclose the use of AI software in course curricula.

Employees may use AI tools to enhance workflows, such as drafting communications, analyzing data, or developing reports, provided the outputs are verified for accuracy and compliance with State and Board policies. The use of AI tools for such purposes should be disclosed when disseminating AI output.

Student Use of AI

Students shall receive age-appropriate instruction about responsible AI use, digital citizenship, privacy, and the risks/limitations of AI prior to using AI.

Students are expected to develop their own knowledge, skills, and understanding of course material rather than relying solely on AI tools, and they should ask their teacher(s) when they have questions and/or need assistance.

Students may use AI tools for academic purposes when specifically and clearly permitted by their teacher(s). The use of AI must be properly disclosed and cited in accordance with the established guidelines and not be employed to undermine authentic learning or learning objectives for the course or assignment.

If a student has any questions about whether they are permitted to use AI tools for a specific class assignment, they should ask their teacher(s).

Unauthorized use of AI tools will be considered a form of plagiarism, unauthorized collaboration, or misrepresentation of AI-generated content as original work and any student found using these tools without permission or in a prohibited manner will be disciplined in accordance with the Student Handbook or Policy 5500 Student Code of Conduct. **[DRAFTING NOTE: Confirm the Board has adopted this policy if included in this policy]**

Academic Accessibility

AI tools can be utilized to assist students with disabilities in accessing and understanding written materials. For example, text-to-speech software can help students with specific learning disabilities, visual impairments, or other disabilities in reading texts, and AI-powered translation tools can help students with hearing impairments understand spoken language

(e.g., create transcripts or provide closed-captioning for spoken material). Specific use of AI technologies beyond universal application for students with disabilities is best addressed in each student's Individual Education Plan ("IEP").

Employee Training

Employees will receive training annually periodically [END OF OPTION] to ensure adherence to this and other related policies, data privacy, student records, and allowable/approved AI tools in the District.

Non-Academic Use of AI

Students and staff are prohibited in the use of AI from generating false or knowingly misleading representations of other students, staff, volunteers, or Board members that are reasonably interpreted as derogatory, threatening, or otherwise objectionable to a reasonable person, including by way of AI generated or manipulated visual or verbal depictions of any such individual, or the distribution of such depictions through any means, for example via social media, regardless of whether the distributor created the depictions themselves.

Enforcement

Violation of this policy may result in disciplinary consequences. Students may be disciplined for violations, up to and including suspension or expulsion. Staff may be disciplined for violations, up to and including suspension or termination of employment. The Superintendent will refer any illegal acts to law enforcement.

Questions or Concerns

The Board of Education recognizes that certain programs and activities can be enhanced through the use of volunteers who have particular knowledge or skills that will be helpful to members of the professional staff responsible for the conduct of those programs and activities.

The Superintendent shall be responsible for recruiting community volunteers, reviewing their capabilities, and making appropriate placements. ~~The Districts/He~~ shall not be obligated to make use of volunteers whose abilities are not in accord with District needs.

Volunteers for Athletic Activities

~~Volunteers who direct, supervise, or coach a student activity program that involves athletics, routine or regular physical activity, or activities with health and safety considerations may be required to complete a sudden cardiac arrest training course. The qualifications may also include completion of a student mental health training course. The mental health training course may be combined with or part of another training course.~~

~~These volunteers will submit to a background check and take courses as may be required by the Michigan Department of Education ("MDE") and/or the Michigan High School Athletic Association ("MHSAA").~~

General Requirements

~~] Any individual who volunteers to work in the schools or on any school-sponsored activity shall submit to a criminal history records check prior to being allowed to participate in any activity or program.~~

~~] Any volunteer who works with or has access to students shall submit to a criminal history records check prior to being allowed to participate in any activity or program.~~

~~] Any person who volunteers to work with the District shall be screened through the Internet sites for the Sex Offenders Registry ("SOR") list, the Internet Criminal History Access Tool ("ICHAT") criminal history records check, and the Offender Tracking Information System ("OTIS") prior to being allowed to participate in any activity or program.~~

~~] Any volunteer who works with or has access to students shall be screened through the Internet sites for the Sex Offenders Registry ("SOR") list, the Internet Criminal History Access Tool ("ICHAT") criminal history records check, and the Offender Tracking Information System ("OTIS") prior to being allowed to participate in any activity or program.~~

The Superintendent is to inform each volunteer that ~~they/s/he~~:

- A. ~~are required~~ shall agree to abide by all Board policies and District guidelines while on duty as a volunteer (including, but not limited to, the volunteer's obligation to keep confidential and not release or permit access to any and all student personally identifiable information to which they are exposed except as authorized by law) including signing, if appropriate, the District's Network and Internet Access Agreement Forms;
- B. will be covered under the District's liability policy but the District cannot provide any type of health insurance to cover illness or accident incurred while serving as a volunteer, nor is the person eligible for workers' compensation;

- C. will be asked to sign a form releasing the District of any obligation should the volunteer become ill or receive an injury as a result of their/his/her volunteer services;
- D. () may not accept compensation from any third party or source including, but not limited to, booster, parent, or other District support organizations for the performance of their official duties as a volunteer on behalf of the Board.
- [END OF OPTION]**

Furthermore, the Superintendent shall inform all volunteers who work or apply to work unsupervised with children on a regular basis of the need to display appropriate behavior at all times, and that The Superintendent shall also ensure that each volunteer is properly informed of the District's appreciation for his/her time and efforts in assisting the operation of the schools.

[CHOOSE OPTION #1 OR #2]

[x] [OPTION #1]

they may be required to provide a set of fingerprints at any time so that a criminal records check can be conducted. If a criminal records check is then conducted, it will be done as a condition of continued service as a volunteer and will may be at (x) the Board's [OR] (x) the volunteer's [END OF OPTION] expense.

[] [OPTION #2]

they will have to provide a set of fingerprints so that a criminal records check can be conducted () at the Board's expense () and that they will have to pay the costs associated with the criminal records check [END OF OPTION] either before they can begin their duties or as a condition of continued service as a volunteer at the discretion of the Board.

[END OF OPTIONS]

If a criminal records check indicates that a volunteer has been convicted of or pleaded guilty to any of the offenses listed below the volunteer will be informed either that the Board is no longer interested in maintaining their volunteer service or that the volunteer will be assigned to duties for which they will not work unsupervised with children.

The Superintendent shall inform each volunteer of the District's appreciation for their time and efforts in assisting in the operation of the schools and for their understanding with regard to the need for all volunteers to be subject to a possible criminal records check.

8402 - EMERGENCY OPERATIONS PLAN

~~For~~ By no later than January 1, 2020, for each school building, the District shall 1) develop an emergency operations plan or 2) adapt its statewide school information policy (referred to as the "Plan" throughout the remainder of this Policy) to comply with the requirements of this Policy. This action shall be taken with input from the public. School building means any building intended to be used to provide instruction to students and any recreational or athletic structure or field intended to be used by students.

Beginning in the 2019-2020 school year, and at least biennially thereafter, the District shall conduct a review of its Plan, including a review of the vulnerability assessment, with at least one (1) law enforcement agency that has jurisdiction over the District.

The Plan must include guidelines and procedures that address all of the following:

- A. school violence and attacks
- B. threats of school violence and attacks
- C. bomb threats
- D. fire
- E. weather-related emergencies
- F. intruders
- G. parent and student reunification
- H. threats to a school-sponsored activity or event whether or not it is held on school premises
- I. a plan to train teachers on mental health and student and teacher safety
- J. a plan to improve school building security
- K. an active violence protocol
- L. continuity of operations after an incident
- M. a vulnerability assessment
- N. a protocol for when and how pupils are permitted to use wireless communications devices during an emergency

The District shall notify the Michigan Department of Education not later than thirty (30) days after it adopts its Plan and after each biennial review in the form and manner prescribed by the Department.

New Policy - Vol. 40, No. 2

8655 - SPECIALIZED TRANSPORTATION FOR STUDENTS WITH IEPs

It is the policy of the Board of Education to provide specialized transportation as a related service when it is necessary for a student with an individualized education program ("IEP") to receive a free appropriate public education ("FAPE"), consistent with the least restrictive environment ("LRE") requirements. Specialized transportation is defined under 34 C.F.R. 300.34(c)(16) and includes travel to and from school and between schools; travel in and around school buildings; and specialized equipment such as special or adapted buses, lifts, and ramps, if required to provide transportation for a student with an IEP.

The IEP Team shall determine whether specialized transportation is required based on the individual needs of the student and the student's access to education in the LRE, including nonacademic settings, in accordance with 34 C.F.R. 300.114 and 300.117. Transporting a student with an IEP separately from their peers shall be used only when necessary to meet the student's needs and after consideration of supplementary aids and services that could support the student on general education transportation. The IEP Team will consider whether the student can safely walk or use general education transportation to get to and from school and activities, and if not, whether disability-related medical, health, developmental, or behavioral needs necessitate specialized transportation. The IEP Team will also consider potential harmful effects on the student or the quality of services, consistent with 34 C.F.R. 300.116(d). Cost shall not be a factor in determining a student's need for specialized transportation as a related service. Any required specialized equipment or supports will be documented in the student's IEP.

Transportation options shall be selected in accordance with LRE principles and the student's documented needs and may include: general education vehicles without supplementary aids and services; general education vehicles with supplementary aids and services for specialized equipment; or specialized transportation vehicles when necessary for the student to receive FAPE. The IEP Team's determination shall address transportation to and from school and, as appropriate, nonacademic and extracurricular activities that are part of the student's IEP.

The Superintendent shall establish administrative guidelines to implement this policy and to ensure that transportation personnel receive the information necessary to carry out IEP-required transportation supports and services in compliance with Federal and State requirements.
