Family Fun Fest

AbilityPoint's Family Fun Fest is a brand-new community celebration created to be a day of fun, discovery, and inclusion. Designed for children of all abilities, Family Fun Fest begins with sensory-friendly hours, providing a quieter, more accommodating environment for individuals with sensory sensitivities and their families.

More than just a family event, Family Fun Fest connects parents and children with local attractions, community organizations, healthcare providers, educational resources, and businesses throughout south-central Kansas.

Families can enjoy indoor inflatables, face painting, carnival games, sensory stations, interactive activities and entertainment. Children can meet their favorite characters and mascots, while animal lovers can visit a petting zoo. Family Fun Fest will also give children the opportunity to meet some of Wichita's everyday heroes. Sedgwick County EMS will offer tours of an ambulance, giving kids a firsthand look at the inside of an emergency vehicle. The Wichita Fire Department's smokehouse will provide an engaging, hands-on way for children and families to learn about fire safety. Every corner of the festival is designed to encourage children to explore, learn, and create lasting memories
