

DUXBURY Public Schools

Danielle Klingaman, Ed.D.
Superintendent

Elizabeth Wilcox, Ed.D.
Assistant Superintendent

January 30, 2026

Dear Duxbury Families,

Each year in the Commonwealth, the Department of Elementary and Secondary Education publishes report cards for public districts and schools. School and district report cards communicate how our district and schools perform across different target areas. A link to access our district report card is available [here](#). Report cards for Duxbury Public Schools can also be found on the District [website](#) under the “Curriculum and Instruction” tab.

Report cards include multiple data indicators with measures of our overall performance. Student achievement, teacher qualifications, learning opportunities, and attendance rates are examples of the measures included. Report cards are designed to be useful tools for everyone connected to our schools.

If your child attends a school that receives federal Title I funding, you also have the right to request the following information about the qualifications of your child’s classroom teachers:

- Whether your child’s teacher is licensed in the grade levels and subject areas they teach,
- Whether your child’s teacher is teaching under an emergency license or waiver,
- The college degree and major of your child’s teacher and
- Whether your child is provided services by instructional assistants and, if so, their qualifications

For the 2025-2026 school year, Chandler School and Alden School receive Title I funding.

If you have questions about our school’s report cards, would like to become involved in school improvement activities, or would like to request information about the qualifications of your child’s classroom teacher(s), please contact me at ewilcox@duxbury.k12.ma.us.

Sincerely,

Elizabeth Wilcox, Ed.D
Assistant Superintendent
