ALTERNATIVE TRAVEL REQUEST

I, THE UNDERSIGNED PARENT OF _____,
UNDERSTAND THE FOLLOWING CHOTEAU PUBLIC SCHOOLS POLICIES AND PROCEDURES REGARDING STUDENT OUT-OF-TOWN ACTIVITY TRAVEL.

1. Travel by private transportation rather than school assigned carries is prohibited unless written approval is obtained.
2. When traveling out-of-town, students must travel on the bus or other official transportation to and from the event unless written arrangements have been made by the parent.
3. When out-of-town, a coach or advisor may release a student to a parent, but only in a face-to-face, meeting with the parent after written approval has been granted.
4. Coaches reserve the right to refuse requests by players to leave their team if, in the coaches' opinion, it does not serve in the best interest of the individual or program to do so.
5. Special circumstance travel requests by parents should be directed to the building principal.
6. Student(s) can only be released to a pre-approved adult.

I understand that if I have arranged alternate transportation, through written approval, the duty and responsibility of the school, coach/advisor and school district has ended when my son/daughter is released. I also release and discharge the school district to the full extent permitted by law, from any and all claims arising out of the alternate transportation arrangement made by me for my son/daughter.

I hereby request permission from the school, and grant my own permission for the above-named student to use alternative transportation as outlined below:
