

Kenneth Janczarek is a student-centered superintendent with extensive experience across the K–12 educational continuum. His background includes service as an elementary classroom teacher, elementary school principal, secondary administrator, central office administrator, and superintendent, providing him with a comprehensive understanding of instruction, operations, and district leadership.

Throughout his career, Mr. Janczarek has prioritized student achievement while balancing instructional excellence, fiscal responsibility, and organizational effectiveness. He values transparent communication, collaborative leadership, and strong relationships with boards of education, staff, families, and community partners. His leadership approach is grounded in trust, alignment, and continuous improvement.

Mr. Janczarek began his career as a fourth-grade teacher, an experience that continues to inform his instructional focus and decision-making at the district level. He holds a Bachelor's Degree in Language Arts with a minor in Elementary Education from Siena Heights University, a Master's Degree in Educational Leadership from Oakland University, and a Post-Master's Certificate from Oakland University.
