Peach County High School Cell Phone Policy and Electronic Devices

_____ 1. Cell phones must not be visible at any time during the school day (6:30am-2:00pm) – this includes in hallways, classrooms, restrooms, and common areas. Phones should remain off and out of sight from the time students enter the building until the end of the school day. If a cell phone is visible during the school day, it will be collected, and a disciplinary consequence will follow. This includes smartwatches, personal devices, phone calls, texts, social media, etc.

_____ 2. Cell phone use is prohibited in all areas, classrooms, restrooms, and school offices unless the student has permission by school administration.

_____ 3. During the instructional day, cell phones must remain out of sight and in silent mode or turned off.

_____ 4. If students need to place an emergency phone call during the day, they should request to use the main office to use an office phone.

_____ 5. The school and its staff are not responsible for any damage to or theft of a student's cell phone. Students must adequately secure and take care of their phones.

_____ 6. Students and their parents must read the cell phone policy and return a signed copy to the office at the beginning of the school year. Signing the policy acknowledges acceptance.

_____ 7. Students are **not** permitted to **bring or use** personal devices. If a student does not have a school-issued device, one will be provided for use in that classroom.
