Weekly Newsletter

AUGUST 21, 2026

Welcome to Apollo High School. We are glad you are here!

Each week we put out the weekly newsletter for Eagle families to stay up to date on the things that are going on at 2280 Tamarack Road. We will have a weekly letter from the Principal, District & School Information and Upcoming Events, Club/Team Highlights, Student Highlights and more!

FROM THE DESK OF MR. MASON HEAD

Greetings, Eagle Family,

I want to lead this week's message off by bragging on our students. Apollo is a special place. Such has been on full display through our students these last few weeks. We have seen students go out of their way to help keep our campus clean - stopping to pick up trash in the hallway. We have seen students go out of their way to be helpful to classmates - upperclassmen stopping in the halls to ask underclassmen if they need help finding classes. We have seen students go out of their way to be inclusive and empathetic - students making intentional efforts to ensure peers are not sitting alone at lunch. We have seen students go out of their way to support their classmates - our student section at Volleyball on Thursday was outstanding, and I have seen students at every event I have been to thus far this year. There are too many wonderful things our students are doing to list them all here, and this is by no means an exhaustive list. Suffice it to say, however, our students help make Apollo a special place.

In the vein of uniqueness, dances are a longstanding staple in high school life, and Sadie Hawkins is a core installment of our extracurricular culture here at Apollo. The Sadie Hawkins dance will be held on campus on Friday, September 11th from 9-11. More information will come, but we wanted to make sure the date and time were communicated early - we know coordinating outfits is not a last-minute endeavor.

Families, if possible, please encourage your young one to attend Sadies. Students typically enjoy themselves, and our dances always prove to be a good time. Moreover, it is another way for our students to be involved in campus life.

Families, echoing a conversation point from last week's message: We are now two full weeks into the school year. Staff at Apollo have been encouraging students to "get off on the right foot" in all things, particularly academically. I invite you again, please check your student's grades regularly. This is the best way to stay on top of what is happening in your child's classes.

On a final note, I want to thank Mr. Warren, Ms. Cernius, Officer Hunter, and their team. Apollo conducted various drills this week. Mr. Warren and his team's planning, preparation, and efficiency helped make these events run smoothly. Moreover, in addition to being receptive of the "training" done through drills, students conducted themselves appropriately throughout.

Thank you for reading. I hope you have a fantastic weekend and a great week.

Best and most sincerely,

Mason Head
Apollo High School
Go Blue

HOUSE BILL 208

CELL PHONE USE AT SCHOOL

Students are prohibited from using cell phones or other personal electronic devices during the school day unless specifically authorized by a school staff member for instructional purposes only. Students may not be on social media sites during the school day unless instructed to by a school staff member for instructional purposes only. All devices must remain turned off and stored out of sight during the school day, including between classes, unless permission has been granted by a teacher, administrator, or other authorized staff member.

To comply with HB 208, social media access is restricted on the DCPS OpenWifi and on student district devices. The blocked sites include but are not limited to TikTok, Snapchat, Instagram, Facebook, and Discord.

SB 181 - TRACEABLE COMMUNICATIONS

In accordance with Senate Bill 181 and KRS 160.145, the Board of Education will designate a traceable communication system to be the exclusive means for District employees and volunteers to communicate electronically with students. (Effective June 27, 2025) Exclusive means this is the ONLY system that can be used for communication with students. A district employee or volunteer, unless authorized, shall not communicate electronically with a student:

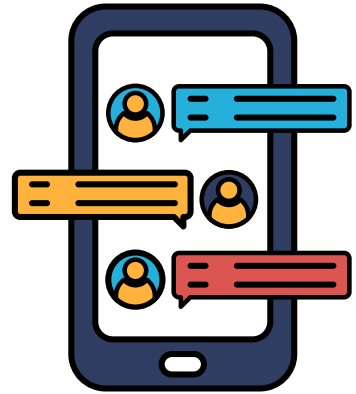

1. Outside of the traceable communication system designated by the Board; or
2. Through an unauthorized electronic communication program or application.
 - a. This shall not restrict any electronic communications between a student and their family member who is a District employee or volunteer.
 - b. Family members are defined as parents, grandparents, aunts, uncles, brothers, and sisters.
 - c. This applies to all DCPS student and staff communication, regardless of whether it is professional or personal.

DCPS Communication Tools Approved for Use with Students

Daviess County Public Schools is committed to using safe and secure methods for communicating with students. Approved platforms for communication with students for school-related communication are:

- Rooms: Our district-provided platform is designed for two-way communication among schools, teachers, parents/guardians, and high school students.
- Google Workspaces: Our district's digital productivity suite includes, but is not limited to, Gmail, Classroom, Docs, Slides, and Sheets.

GoTo: Our district-provided phone system for voice calls

HB96 - Moment of Silence

During the 2025 Legislative Session, the Kentucky General Assembly passed House Bill 96 regarding a moment of silence at the beginning of each school day. Each school must have a moment of silence or reflection at the start of the school day. The law requires the following:

- The moment of silence or reflection shall be at least one minute but not exceed two minutes.
- Students are to remain seated and silent and without distracting others, so each student may decide if they want to pray, meditate, or engage in any other silent activity. Whatever activity a student selects must not interfere or distract from other students' choices.

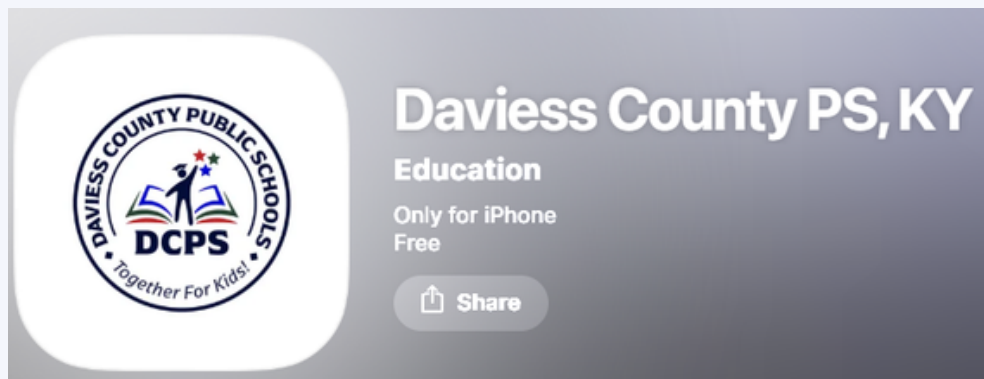

During the Moment of Silence, school rules still apply. Students are expected to act in accordance with all school rules during the Moment of Silence. Students who act outside of the confines of the school rules will be met with disciplinary action.

For more information,
please see the Student Handbook.
