PRINCIPAL'S LETTER

Good Afternoon Apollo!

First and foremost, I hope everyone has had a good week and survived the recent return to winter weather! If the forecast is to be believed, we are going to be paid back for what we went through this week with some fantastic weather this weekend! I hope you are able to get out and enjoy it!

People on Campus will tell you that I am really not a fan of counting down days because I firmly believe every day counts. With that being said, as of the time of this email, we have nine school days left until Spring Break. I have told everyone all week that we are almost there, but we still have lots of work to do before we can take a break. As I tell our students and staff often, we are going to be at school, we have work to do, our work is important, and so we need to get after it! We have had a great start to our final 9-week grading period and we hope to keep that up! We continue to ask that you help with encouraging, motivating, and reminding your student(s) to always be doing their best and to focus on some keys to having success at school. As I have said to you many times this year, if your student(s) concentrate on these things, we know they will be successful:

- Be on time
- Be where you are supposed to be
- Do what you are supposed to be doing
- Make good decisions

During my time as Principal, I have used this forum to openly communicate with the Apollo community about important things happening on our Campus. I want to take a moment to address something you may have seen on social media, the news, or heard about through the grapevine. On Tuesday of this week, it was announced that starting with the 2026-2027 school year, I will be stepping into the role of Director of Secondary Schools for DCPS. For sixteen years Apollo has been home for me and my family. My own children attended and graduated from Apollo. My time at 2280 Tamarack Road has been all I could have imagined and more. I am very proud of the work we have done, the challenges we have overcome, and the successes we have had. For all these reasons and many more, this decision and move is bittersweet. While I am very excited about this new adventure, I want to make sure that you know that as far as things go for our campus, I am still working with Apollo's best interests in mind each and every day. For the remainder of this school year I am still Principal, day in and day out, I am still going to be working for Apollo and making the decisions that I think are best for 2280. As for the future, this building and the work we do are bigger than any one person and your student(s) and Apollo are in great hands! I suspect, though I will have no part in the process, that the position for principal is now posted and that SBDM Council members, along with DCPS Central Office, will work together to find the next leader of our building.

Best wishes to Apollo baseball as they travel to Bowling Green tonight to play a game at Bowling Green Ballpark, which is the home of the minor league Bowling Green Hot Rods! Apollo's Bass Fishing team is in action on Saturday at Nolin Lake and our Archery team will be aiming to shoot straight at Regionals in Muhlenberg County! Apollo Softball will get its season started by travelling to Meade County to take on the Green Wave on Saturday! Best wishes and safe travels to all of our Eagles this weekend!

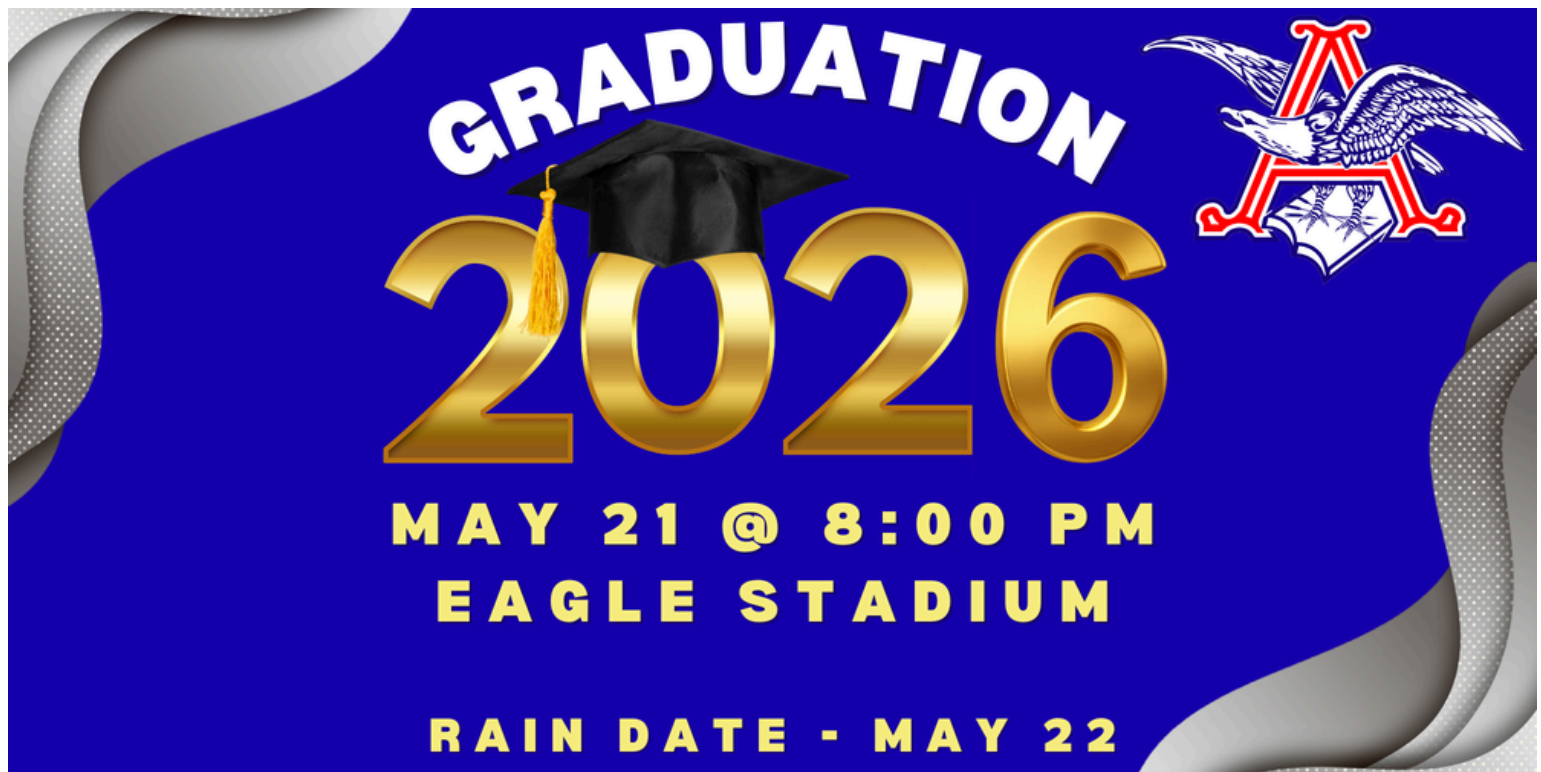

Like I said at the beginning of this communication, the weather is forecasted to be great this weekend and I hope you are able to enjoy it! We will see you back on Campus on Monday!

I hope you have a great weekend and as always, Go Eagles!

Respectfully,

Mr. Bob W. Dych

Graduation for the Class of 2026 has been set! May 21st at 8:00 pm at Eagle Stadium. Below are a few points to help answer some questions you may have.

- We do NOT do tickets. Seating is first come, first serve.
- Gates will open at 7:00 pm for families to come in.
- There are some handicap seating areas in the bleachers but we will also allow 1 person to sit on the track with their family member who needs special seating IF the seats are taken in the bleachers.
- No noise makers are allowed. We want everyone to be able to hear their senior's name being called.
- Seniors MUST attend the graduation practices. Those dates and times will be given to them at a later date.
- Seniors will find out which side they will sit on to give you the best viewing possible at the first graduation practice.
- When graduation is over, no one is allowed on the field. Please make plans to meet your graduate outside of the stadium.
- Seniors will NOT receive their diploma the night of graduation. They will receive their cover but will need to come to school the next week to pick up their actual diploma.
- If you have any questions, please email Ms. Misty Berry at misty.berry@daviess.kyschools.us

THE APOLLO HIGH SCHOOL WEBSITE IS A GREAT SOURCE OF INFORMATION?

The website has a ton of information on it but is also the quickest way to see any updates. On the home page, you can see “LIVE Feed” and “NEWS”. These are usually accompanied by a graphic to catch your attention but also has the update that you may be looking for. Also to the right of the page, you will see the different events going on.

You can find your child(s) Teacher email along with other Faculty/Staff members. Clubs/Teams have pages with their activities and so much more.

If there is something you would like to see more of on the page, please contact Ms. Misty Berry at misty.berry@daviess.kyschools.us. We want to make this page a one stop shop for parents/guardians and community members.

Site-Base Decision Making

Parent Representative for 26-27

Your 2026-2027 Site Base Decision Making Parent Representatives are Stephanie Cook & Jennifer Shelton!

On Friday, March 13th, 2026, Apollo High School DanceBlue Club hosted their 12th annual DanceBlue fundraiser, a mini marathon of 6 hours where 100+ students and alumni from Apollo, Burns Middle, College View Middle, and the University of Kentucky danced and played games the entire time. The only rule: no sitting; participants must stand and be active the entire time out of respect for children who are fighting pediatric cancer. All funds raised through the efforts of the participants go to the University of Kentucky Pediatric Hematology/Oncology Clinic in Lexington.

Students played different games throughout the 6 themed hours, which included Sports Center Hour, Dreamworks Hour, Space Hour, and Scavenger Hunt Hour. The first hour, participants learned an 8 minute line dance led by members of the DanceBlue committee set to modern and popular songs from the likes of Drake, Kendrick Lamar, and Coldplay, as well as DanceBlue classics like "Cotton Eyed Joe", "C'Mon n' Ride It (The Train)", and "Stand by You". ride a Halfway through the evening, participants were treated to dinner donated by local businesses, such as Ole Hickory BBQ, Firehouse Subs, Big Whiskeys, Beef O'Brady's, Olive Garden, Fetta Pizza, Cheddars, Little Caesar's, Donatos, Texas Roadhouse, Papa John's, Great Harvest, and more.

During the last hour of our marathon, the memorial hour, students observed a moment of silence to honor the fight of those afflicted with pediatric cancer and were delivered an inspiring message by an alumnus of Apollo DanceBlue and Western Kentucky University's Dance Big Red about the impact that dance marathons have on the lives of children and families impacted by pediatric cancer. Throughout the event, we also had check presentations from some of our Joy Prevails and Gold Ribbon Club sponsors: German American Bank, Wedding & Thompson Orthodontics, Bill Jagoe, and Boardwalk Pipelines. Students from our feeder programs also came to offer their support and donation, including Tamarack, Southern Oaks, and Burns Middle schools. We also recognized our Golden Matrix Club Sponsor, Gardner Engineering & Inspection Services, along with our other Gold Ribbon Club members Robert Edge KFB and Commonwealth Rolled Products, throughout our event to show our appreciation.

Thanks to all of these donations, and many more, Apollo Dance Blue is proud to announce a grand total raised of \$53,246.02 in 2025-26. Over its 12 years of hosting a mini marathon, Apollo has raised over \$400,000 for this cause.

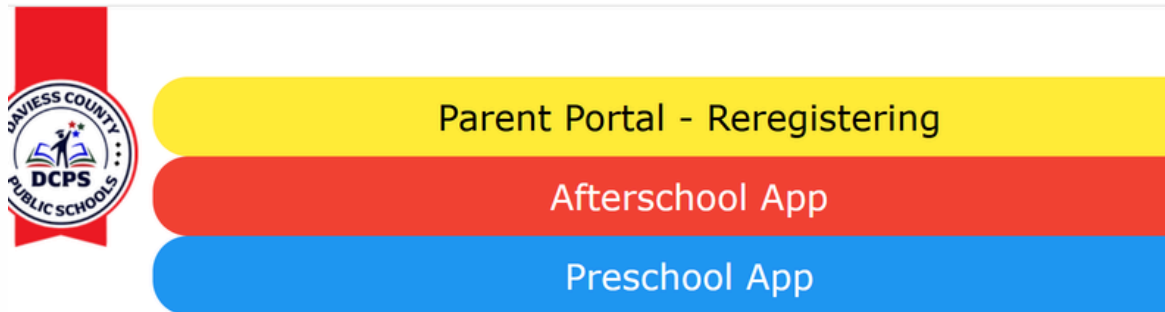

On April 18, 2026, Apollo's DanceBlue Committee will travel to UK to present their 2026 donation at UK's 24-hour DanceBlue event. Mrs. Melissa Jarboe, founder of Apollo's DanceBlue organization, and Ms. Katie Judd, both English teachers at Apollo, are incredibly proud of Apollo's students, participants, and volunteers who came together for a fun evening to support an amazing cause! It is tremendous to see our school's young people learn that they, too, can give back and impact someone's life. We appreciate our student planning committee, our community partners, and the Apollo teachers who helped to make this night a success!

ONLINE REGISTRATION FOR 2026-2027 SCHOOL YEAR

Do you like planning ahead or marking things off your ToDo list? We have one for you!

You can start now by registering your students for the 26-27 school year by going to the DCPS website and clicking “STUDENT REGISTRATION” under the photo banner.

You can also access it through your Parent Portal.

Do not fill out the Free/Reduced Application now. If you do it now, it will be wiped out on June 30th. It must be done July 1, 2026 or after in order for it to count for next school year.

Remember, ALL students have to have their online registration done EVERY year. This is to be sure that we have all information updated and accurate to start each school year.

We had an amazing time with KUNA. Our first 12 hours of the conference was marked by a power outage, a fire alarm going off, and sheltering in hotel bathrooms in the early AM hours.

The students represented Apollo so well and I'm so lucky to be their Advisor. We received Premier Delegation, our resolution on deforestation passed, Becca Jones was Outstanding Ambassador, and our Security Council team won Best Country Representation! Plus, Apollo brought more shoes than any other school at the conference. A hug thank you to you all for your donations! It will make a significant impact!

CONGRATULATIONS KASSI HIRT

Kassi was selected as the Civil Air Patrol Great Lakes Region Cadet NCO of the year. The region includes Wisconsin, Michigan, Illinois, Indiana, Ohio and Kentucky. She will compete against 7 cadets from the other U.S. regions for the National Award. The Recipients of this award exhibit superior military leadership, discipline, character, and citizenship.

Saturday, March 14th was a beautiful day on Kentucky Lake. Fishing was tough but the team caught a few fish. There was 81 boats and one of Apollo Bass Team finished 27 place with one qualifying fish. Lucas Lindsey and Dawson Donahue had 2 pounds 15 ounces. They caught over 20 bass but they got to be 15" or longer. Next week we will be back at Kentucky Lake for the Ohio County tournament. We look forward to catching a lot more fish. Good job guys.

WE HOPE THE DCPS PORTRAIT OF A LEARNER BECOMES A WAY OF LIFE FOR OUR STUDENTS.

PLEASE PARTNER WITH US AS WE KICK OFF OUR
FIRST PORTRAIT OF A LEARNER COMPETENCY:

RESPECTFUL

VALUING OTHERS' PERSPECTIVES

Actively seeking, genuinely considering, and respectfully acknowledging others idea, opinions, and view points, even when they differ from one's own. It involves recognizing that different perspectives may lead to better decisions and outcomes.

DEMONSTRATING DEPENDABILITY

Being reliable, trustworthy, and consistent in actions, commitments, and performance. This includes showing up on time, following through on tasks, and meeting expectations and deadlines.

ACTING WITH INTEGRITY

Consistently sticking to a strong moral and ethical code. This involves honesty, transparency, doing the right thing even when it's difficult or unpopular, and aligning actions with stated values and principles.

TAKING OWNERSHIP OF ONE'S ACTIONS

Fully accepting responsibility for the outcomes - positive or negative - that result from one's decisions, behaviors, and efforts. It involves acknowledging mistakes, avoiding blame, and actively seeking solutions and improvements.
