PRINCIPAL'S LETTER

Good Afternoon Apollo!

Welcome to May and the last month of the school year! It is absolutely mind boggling to me that this is where we are in the year!

Lots of important information in this week's communication so please read carefully!

Some general information about our upcoming KSA testing process:

- Beginning on Tuesday, May 5th, we will use an alternating block schedule for several days.
- This will allow Sophomores (reading and math KSA) and Juniors (science, social studies, mechanics, and on demand writing KSA) who are testing to take the KSA with the teachers they had for that content.
- The rest of the building will continue with regular instruction during the testing days but the building as a whole will operate on the schedules in the table above.

The chart below provides the details of these special block schedule days.

Blue Days	Red Days
May 5,7,12	***May 6,8,13***
Classes Students Will Attend: 2nd period (8:10-9:50) 4th period (9:55-11:35) 6th period (11:40-1:30) 8th period (1:35-3:15)	Classes Students Will Attend: 1st period (8:10-9:50) 3rd period (9:55-11:35) 5th period (11:40-1:30) 7th period (1:35-3:15)

During the red days, students that are in 8th period Co-Op classes are expected to remain at school until the end of the school day. Students are responsible for communicating with their employers. Co-Op Teachers have communicated this to their students.

As you know, our Spring 2025 KSA results resulted in Apollo reaching "green" status and everyone has worked extremely hard this year to continue our upward trajectory. We ask for your help to encourage your student(s) to give their best effort so they can perform at their highest level! We are all in this together and by working together we can have the best outcome for our students and our school! Apollo has made great progress during the last three years due to the hard work of students and staff and we expect that progress to continue on this year's KSA.

We are a week closer to Graduation! As a reminder, Graduation is on Thursday May 21st at 8:00pm (May 22nd as the make up day) at Eagle Stadium. If you are the parent of a Senior, you should have received an email with important information detailing some of the finer points of Apollo's graduation ceremony. We will answer many of your questions in this communication so please read it carefully. If you have any questions, please feel free to reach out to us at school.

.On that note, if you are the parent or guardian of a Senior, you may have noticed that Senior-itis has kicked in…we have definitely started to see it a bit on Campus. Please encourage your Senior to finish their Apollo career strong, remain focused on what will get them across that graduation line, and make decisions that will have a positive impact on the last few weeks of their high school career!

PRINCIPAL'S LETTER

A reminder about school attendance: Per DCPS policy, students have 3 days to turn in parent and/or doctor notes for absences before they become unexcused. After three days from the missed day of school, schools may no longer accept doctor notes or parent call-ins for that specific absence. Also, after the three day period, schools are not to change the status of an absence without a *significant extenuating circumstance.* Once a calendar month is over, attendance is locked and schools cannot change absences for any reason beyond the three day policy. At the high school level, attendance can impact a student's status as it pertains to Kentucky's No Pass/No Drive Law. Attendance can also impact a student's ability to use Exam Exemptions and we all know how much students value those!. Please make sure that if your student is out, you let us know and follow DCPS policy to make sure a qualifying absence is excused.

Things tend to get a bit squirrely near the end of the year, but our messaging about what it takes to find success remains the same and we need your help in reinforcing it! As I have said to you many times this year, if your student(s) concentrate on these things, we know they will be successful:

- Be on time
- Be where you are supposed to be
- Do what you are supposed to be doing
- Make good decisions

A special shoutout to Apollo's Bass Fishing Team as last weekend at Regionals they qualified TWO teams for the State Tournament! Way to go! Baseball is in action tonight at Forest Park (IN) and at home on Saturday. Softball will be playing in a tournament at Jack C. Fischer Park both tonight and tomorrow. Apollo Tennis is at Muhlenberg County tonight and back in town for a local match on Saturday.

Lastly, please make sure you take a look at all of the graphics at the end of this newsletter as we are communicating some important information in that format!

I hope everyone has a great weekend!

As always, Go Eagles!

Respectfully,

Mr. Bob W. Dych

LAST DAY FOR ESS IS MAY 7TH

APOLLO HIGH SCHOOL HAS FINISHED 7 YEARS OF RENOVATIONS/CONSTRUCTION!

WE WANT TO SHARE THE NEW AND IMPROVED CAMPUS WITH YOU!

PLEASE MAKE PLANS TO STOP IN ON MAY 12, 2026 FROM 4:30 PM TO 6:30 PM TO WALK AROUND AND LOOK AT ALL THE CHANGES. WE WILL NOT HAVE GUIDED TOURS BUT WE WILL HAVE ADULTS AND STUDENTS IN THE BUILDING TO HELP ANSWER QUESTIONS OR GUIDE YOU TO WHERE THINGS ONCE WERE OR ARE NOW.

Attention Parents and Guardians of Seniors:

We are in the process of planning our annual Project Graduation Party for our graduating seniors. We hope that you will be willing to help us plan and execute this special event for our graduates.

Project Graduation is an annual event at Apollo that is held the night of graduation. Our goal is to provide our graduates with one last Apollo-sponsored event. Project Graduation features food, games, and door prizes.

This year, Project Graduation will take place on Thursday, May 21, from 10 pm to 2 am. We are in need of volunteers to help with this event. Volunteers can sign up for part, or all, of the evening. Typically, we try to give volunteers a portion of the evening off so they can walk around and take in some of the merriment themselves. We hope you will consider participating in this event with us.

If you are interested in helping with our event, please contact Ms. Phyllis Hendrix or Mason Head (emails below). Additionally, if you are aware of any local businesses who would like to partner with us to put on this event, that would be helpful as well.

Additionally, as an extension of Project Graduation, we participate in Trash For Cash each spring. Trash For Cash is precisely what it sounds like - we get cash for picking up trash. All money raised is put toward Project Graduation. Trash For Cash will take place on Saturday, May 16th. We will meet in the student parking lot at Apollo at 7:30 that morning before departing to our assigned location. If you are willing to help us with Trash For Cash, please email Ms. Phyllis Hendrix or Mason Head.

Sincerely,

Mason Head
Assistant Principal
Apollo High School

CONGRATULATIONS

Historical day for the Eagles. First, we wanna thank God for this beautiful day on this beautiful lake. Today, at the KHSAA region 1 championship on Lake Barkley, The Apollo fishing teams didn't just compete, but has two teams going to state this year This is the first time Apollo has had 2 teams qualify for the state championship on 8 - 9 May 2026 at Kentucky Lake. Apollo has made it to the State.

Zach Hedges and Mason Goodall finish fourth place with 15 lbs. 13 oz. They are competing for the second time at state. This is Zach's senior year and has been competing since seventh grade.

Mason is also a senior this year.

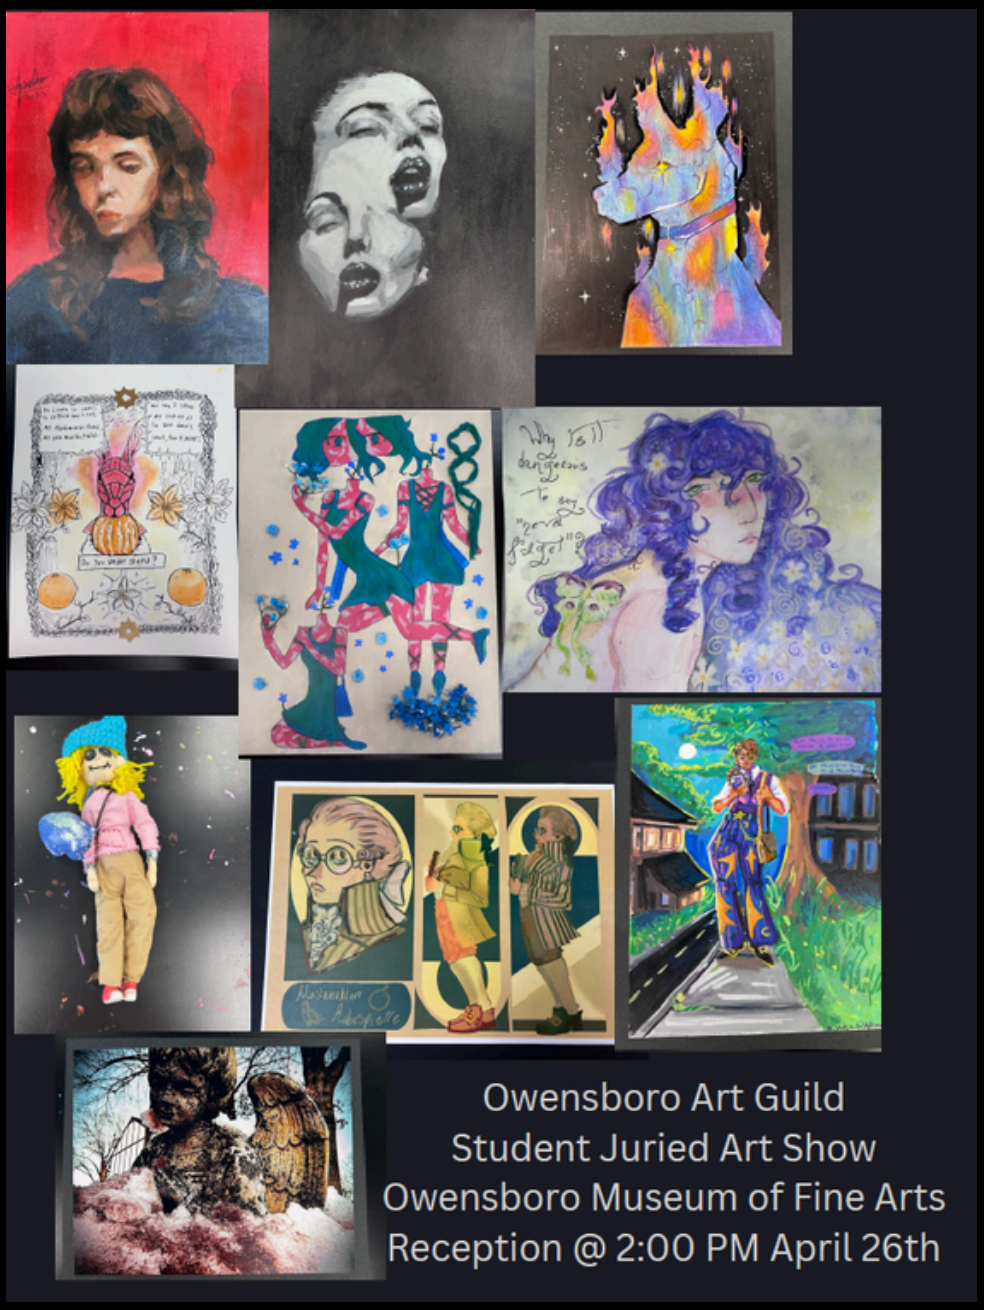

Lucas Lindsey and Dawson Donahue finished 7th with 12 lbs. 11 oz. This is Lucas Lindsey's last year as a senior and has been fishing since seventh grade.

I am so proud that all of our seniors made it to state this year

Anyone that's helped us through the years know that the regional tournament is one of the toughest challenges of the year. There was 122 boats in this tournament and to qualify fourth place and ninth place is outstanding. That shows us all the hard work that we've been putting in for these years has finally paying off. I look forward to The challenge in our state tournament on Kentucky Lake and I wish our team the best. You guys make Apollo proud and you should be proud of your accomplishments.

When students from DCHS are part of the Engineering Academy as long as these two have been, we truly consider them our students as well as DCHS students. In that mindset, I wanted to share the good news with both schools on the success of Joseph Barlow and Ellie Rue. This makes two 1st place trophies in the KC7 Cybersecurity Challenge this year. The first was at the Murray E-Day (Engineering Day) Competition which serves as our regional TSA (Technology Student Association) event and now this weekend at the STLP (Student Technology Leadership Program) State Championship they have done it once again!

Congratulations to both Joseph and Ellie! I am so very proud of you two and the accomplishments you have made in this challenge this year.

I am incredibly honored that you have selected me as Apollo High School's recipient of the Owensboro Rotary Club Tom Laswell Scholarship. This recognition means the world to me, and I am deeply grateful for your continuous support throughout my four years at Apollo High School. Being a part of the Eagle Family has shaped me in ways I will carry with me for the rest of my life. Thank you for believing in me and investing in my future.

Graduation for the Class of 2026 has been set! May 21st at 8:00 pm at Eagle Stadium. Below are a few points to help answer some questions you may have.

- We do NOT do tickets. Seating is first come, first serve.
- Gates will open at 7:00 pm for families to come in.
- There are some handicap seating areas in the bleachers but we will also allow 1 person to sit on the track with their family member who needs special seating IF the seats are taken in the bleachers.
- No noise makers are allowed. We want everyone to be able to hear their senior's name being called.
- Seniors MUST attend the graduation practices. Those dates and times will be given to them at a later date.
- Seniors will find out which side they will sit on to give you the best viewing possible at the first graduation practice.
- When graduation is over, no one is allowed on the field. Please make plans to meet your graduate outside of the stadium.
- Seniors will NOT receive their diploma the night of graduation. They will recieve their cover but will need to come to school the next week to pick up their actual diploma.
- If you have any questions, please email Ms. Misty Berry at misty.berry@daviess.kyschools.us

NEW THIS YEAR!

Would you like to get your graduate a gift and not have to go on the day of graduation to pick up flowers, a momentus bear in a graduation cap/gown or a unique gift called The Graduation Spirit necklace?

You can pick out the flower arrangement you would like, along with other gifts. The Graduation Spirit necklace comes only in black and white. They represent a tradition of good luck to the graduates and are made from Hawaiian kukui nuts.

They do suggest pre-orders so they make sure they have the items you need but they will have a limited amount of products on hand to sell at graduation.

Click on the link provided below, choose your items, pay for them on the website, then show up to graduation and go to their table/tent to pick up the items you ordered!

OWENSBORO/OLOMOUC HIGH SCHOOL CULTURAL EXCHANGE

Are you ready to expand your family? We have an exciting 2-week high school cultural exchange program with our Sister City, Olomouc, and Gymnazium Olomouc-Hejcin. This is the perfect opportunity to host a student without the long-term commitment of a semester or a full year. The exchange is more cultural than educational, offering a unique chance to build lifelong friendships.

Hosting a student will open your eyes and heart to a world you've only seen on television or read about in books. If you have a child who is a freshman or sophomore in a Daviess County school, we are looking for eight host families for this fall. The Czech students and their professor will be here from October 16-28, 2026.

Next year, our students will have the chance to participate in the exchange by visiting Olomouc.

WE HOPE THE DCPS PORTRAIT OF A LEARNER BECOMES A WAY OF LIFE FOR OUR STUDENTS.

PLEASE PARTNER WITH US AS WE KICK OFF OUR FIRST PORTRAIT OF A LEARNER COMPETENCY:

RESPECTFUL

VALUING OTHERS' PERSPECTIVES

Actively seeking, genuinely considering, and respectfully acknowledging others idea, opinions, and view points, even when they differ from one's own. It involves recognizing that different perspectives may lead to better decisions and outcomes.

DEMONSTRATING DEPENDABILITY

Being reliable, trustworthy, and consistent in actions, commitments, and performance. This includes showing up on time, following through on tasks, and meeting expectations and deadlines.

ACTING WITH INTEGRITY

Consistently sticking to a strong moral and ethical code. This involves honesty, transparency, doing the right thing even when it's difficult or unpopular, and aligning actions with stated values and principles.

TAKING OWNERSHIP OF ONE'S ACTIONS

Fully accepting responsibilty for the outcomes - positive or negative - that result from one's decisions, behaviors, and efforts. It involves acknowledging mistakes, avoiding blame, and actively seeking solutions and improvements.
