Apollo High School

Weekly Newsletter

OCTOBER 30, 2026

Welcome to Apollo High School. We are glad you are here!

Each week we put out the weekly newsletter for Eagle families to stay up to date on the things that are going on at 2280 Tamarack Road. We will have a weekly letter from the Principal, District & School Information and Upcoming Events, Club/Team Highlights, Student Highlights and more!

FROM THE DESK OF MR. MASON HEAD

Greetings, Eagle Family,

What a week to be an Eagle. In the last week, we've had two athletic programs win a region title - one, a second straight; the other, the first in school history; and we had another program qualify for State. We had an individual win their respective individual Region competition and another earn Region Player of the Year recognition. Last week, we had an assembly to celebrate over 500 students for their academic and behavioral success from last school year. We also kicked off "Turkey of the Year" to help support families in our community. We hosted our annual Trunk-or-Treat where nearly 20 Apollo clubs hosted the community for Halloween festivities. Today, we had another pep rally to round out spirit week and to send us into tonight's football matchup against the red school.

A volumous thank you to Mrs. Jarboe and Mrs. DeFauw for planning and bringing back EagleFest. EagleFest is a longstanding Apollo tradition focused on celebrating the everyday successes of students. From grades to attendance to behavior and all things in between, EagleFest is an event wherein students are recognized “simply” for doing the right things. I say “simply” because it takes hard work and discipline to do the right things consistently. These behaviors will rarely find themselves into mass public recognition, but the Eagle Family sees and appreciates the daily efforts of our students. I am elated to share that over 500 students were recognized at EagleFest 2026.

A big shoutout to our Girls and Boys Cross Country teams as both qualified for the State meet this Saturday. The boys earned a second place finish. The girls etched their names into Eagle Athletics history bringing home the first ever Girls Cross Country Regional title. We are incredibly proud of these young people for their tireless efforts to achieve such an accomplishment.

Our Volleyball team also made their mark this week. Wednesday night, the E-Gals downed the Panthers of DC in the Region finals, winning their second consecutive Region title. Our Volleyball team will be back in action on Monday evening at 6 pm. Apollo will host the first round of the State tournament. We’d love to see you there to support our E-Gals.

Finally, gratitude must be shown to Mrs. April Berry, Mrs. Shelby Ratliff, the Thespian Society and the Choir for their efforts in hosting our annual Trunk-or-Treat. This has quickly become a staple event in our school calendar - one where we get to welcome the community onto our campus to join in the festivities. Apollo had nearly 20 organizations sponsor a booth at this year’s trunk-or-treat, and thanks surely go out to them as well.

In closing, I’d like to share with you what I shared with our teachers earlier today: Weeks like these don’t come around very often. Region Titles. Individual success. Schoolwide assemblies to recognize daily success. Community events. State tournament berths. The last week at 2280 has been a week of celebration. Rarely do you get to see hard work pay off in such droves all at once. With that, a two-fold message. First, enjoy it, Eagle Faithful. Weeks like these are rare. Second, weeks like these only happen as a result of continuous hard work and dedication. As we close out the week’s festivities, stay the course. Keep the hard work and dedication aflow.

Eagles Faithful, have yourself a good weekend.

Thank you for your time and for reading.

Best and most sincerely,

Mason Head

Youth Around the “Boro

The latest Youth Around the ’Boro newsletter is proof that there is no shortage of ways for youth to get involved, have fun, grow as leaders, and make a difference right here in our community.

From hands-on service projects and leadership development experiences to creative outlets and social connections, our community is showing up to support and invest in the next generation.

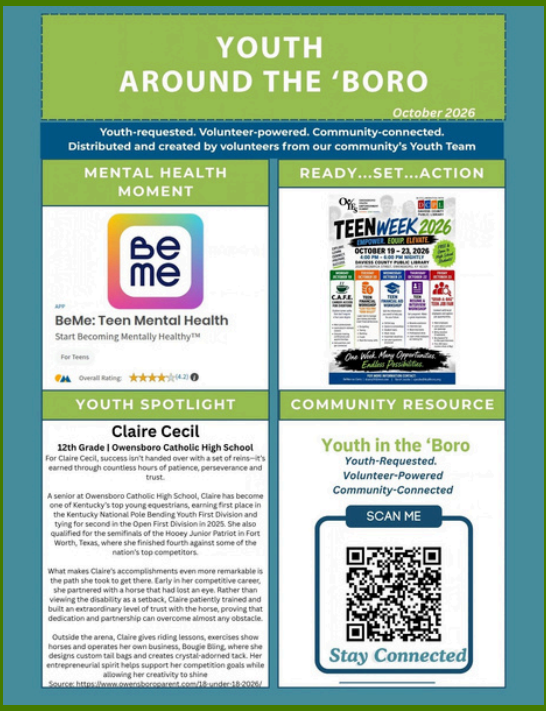

If you’ve ever heard “there’s nothing to do,” this newsletter tells a different story. The opportunities are here. The support is here. The invitation is open.

Let’s continue to show up, spread the word, and make sure every young person knows there’s a place for them to belong, contribute, and lead in the ’Boro.

Check out the October newsletter and help us connect more youth to what’s possible!

ATTENDANCE MATTERS

Missing a day of school here and there may not seem like much, but absences add up!

When a student misses 2 days a month..

They will miss **20 DAYS** a year.

They will miss **30 HOURS** of math over the school year.

They will miss **60 HOURS** of reading & writing over the school year.

They will miss over **1 YEAR** of school by graduation.

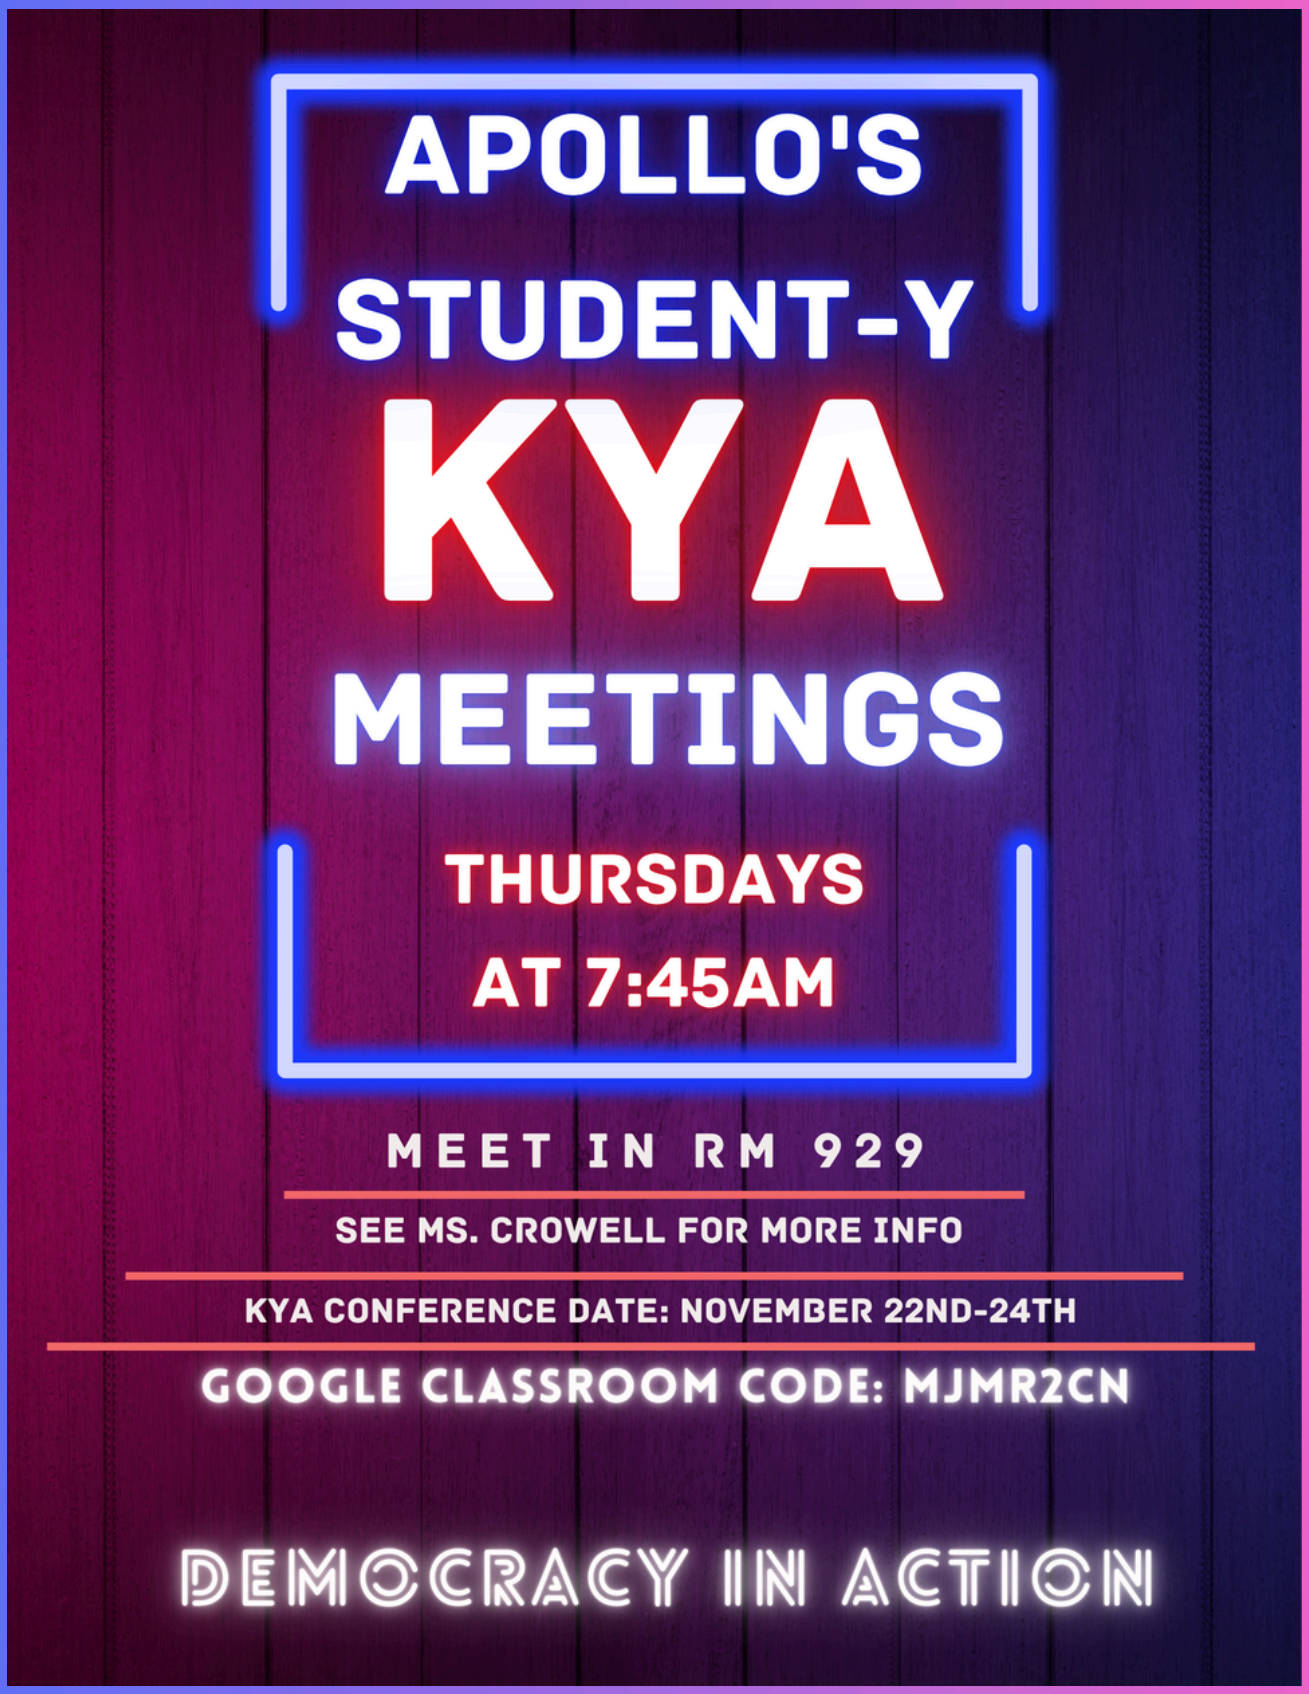

When a student misses 4 days a month..

They will miss **40 DAYS** a year.

They will miss **60 HOURS** of math over the school year.

They will miss **120 HOURS** of reading & writing over the school year.

They will miss over **2 YEARS** of school by graduation.

Student Y is a student-led program that empowers students to make a meaningful impact in their local and global communities! If you're passionate about creating positive change, developing leadership skills, and engaging in service learning projects, then Student Y is the perfect opportunity for you. We will hold a Student Y meetings each Thursday morning at 7:45AM in 929 (Ms. Crowell''s Room). MARK YOUR CALENDARS- We are attending the KYA Conference in Louisville from November 22-24, 2026. We hope you can join us for an amazing conference!
