PRINCIPAL'S LETTER

Good Afternoon,

I hope that everyone had a great Spring Break and a good first week back from it!

Things tend to get a bit busier as we get close to the end of the year, but our messaging about what it takes to find success remains the same and we need your help in reinforcing it! As I have said to you many times this year, if your student(s) concentrate on these things, we know they will be successful:

- Be on time
- Be where you are supposed to be
- Do what you are supposed to be doing
- Make good decisions

On that note, if you are the parent or guardian of a Senior, you may have noticed that Senior-itis has kicked in…we have definitely started to see it a bit on Campus. Please encourage your Senior to finish their Apollo career strong, remain focused on what will get them across that graduation line, and make decisions that will have a positive impact on the last few weeks of their high school career! If you are a senior student and/or the parent of a Senior, yesterday you should have received a communication, via Talking Points, with important information detailing some of the finer points of Apollo's graduation ceremony. We will answer many of your questions in this communication so please read it carefully. If you have any questions, please feel free to reach out to us at school.

Prom is next weekend, Saturday April 25th, and tickets go on sale next week! Tickets will be sold before school and after school Monday thru Thursday and during lunch. Our normal guidelines for dances apply and that includes students taking care of items on the Obligation List before being allowed to purchase a ticket(s). Again, please reach out to us if you have any questions and we look forward to seeing our students at this special event next week!

A reminder about school attendance: Per DCPS policy, students have 3 days to turn in parent and/or doctor notes for absences before they become unexcused. After three days from the missed day of school, schools may no longer accept doctor notes or parent call-ins for that specific absence. Also, after the three day period, schools are not to change the status of an absence without a significant extenuating circumstance. Once a calendar month is over, attendance is locked and schools cannot change absences for any reason beyond the three day policy. At the high school level, attendance can impact a student's status as it pertains to Kentucky's No Pass/No Drive Law. Attendance can also impact a student's ability to use Exam Exemptions and we all know how much students value those!. Please make sure that if your student is out, you let us know and follow DCPS policy to make sure a qualifying absence is excused.

As far as events this weekend, some members of Apollo Track and Field will be heading to Louisville for the Eastern Relays this weekend, while other members of the team will be participating at DCHS on Saturday. Apollo Tennis will travel to Breckenridge County tonight. Apollo Softball hosts OHS tonight and will travel to Carterville, Illinois tomorrow to take on one of the top teams from the Land of Lincoln. Varsity Baseball will be in action on Saturday at McCracken County. Back on Campus, we will be hosting the 2A State Baseball Tournament at Eagle Park. As I mentioned at the start of this week's memo….the Spring sure is a busy time!

Please make sure you check the graphics at the end of this communication as we are always putting out important information all the way to the end of each memo!

I hope everyone has a great weekend and we will see you back here on Monday!

As always, Go Eagles!

Respectfully,

Mr. Bob W. Dych

Hey Owensboro, meet Xander.

Xander B. was born in Owensboro and raised just outside the city in Utica, but he has always considered Owensboro home. A senior at Apollo High School, Xander's future is already taking shape. He has been accepted to several highly selective universities, including Yale University and Cornell University, and is a National Merit Finalist. In 2025, he was also recognized as one of Owensboro Living 18 Under 18. Wherever he goes next, his long-term goal remains the same: to return to Owensboro as a lawyer or public servant.

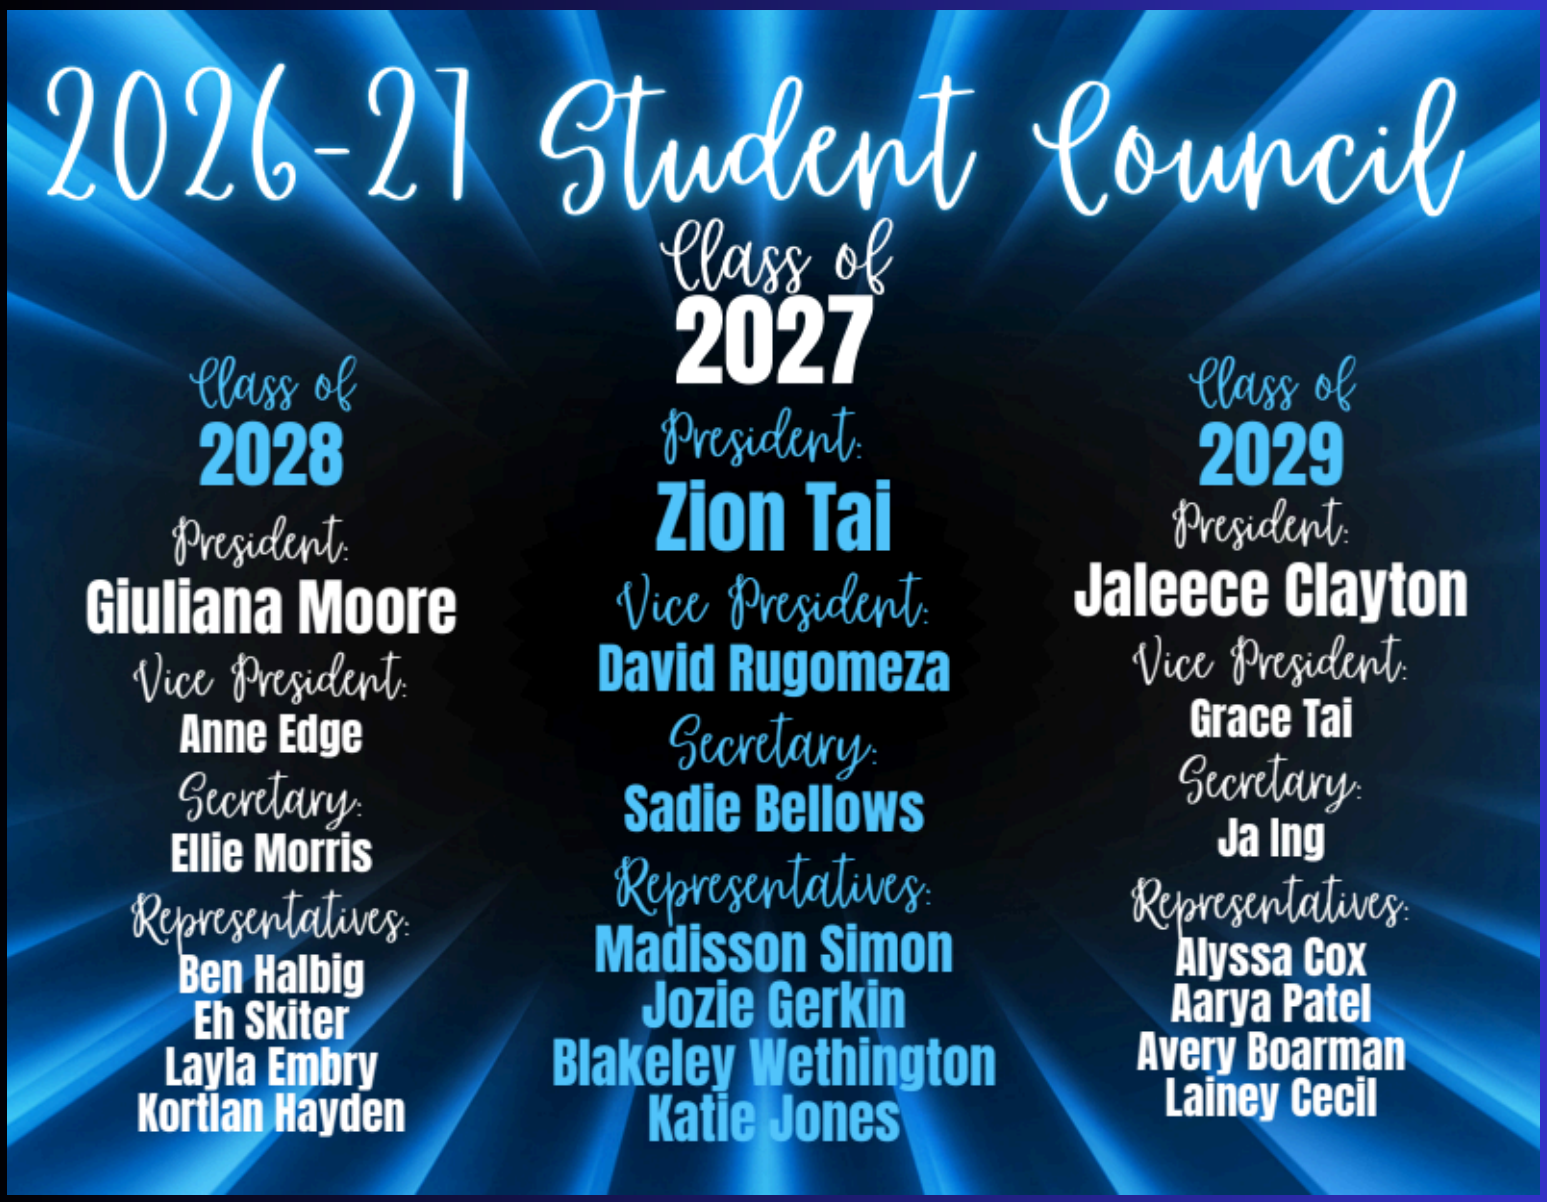

What draws him back is balance. "It's the perfect mix," he said. "You have the river, the parks, and nature, but also a strong downtown and a real sense of place." Xander is most proud of Owensboro's ability to be both diverse and unified.

At Apollo, he has seen students from many backgrounds share classrooms and goals with respect and acceptance. Through theater, cross country, and the Wendell H. Ford Statesmanship Academy, he has built friendships across schools and communities, deepening his connection to Owensboro. He brings passion to everything he does and hopes to help make Owensboro a place where more young people feel proud to stay or return. "Best Kentucky city," he said with a smile.

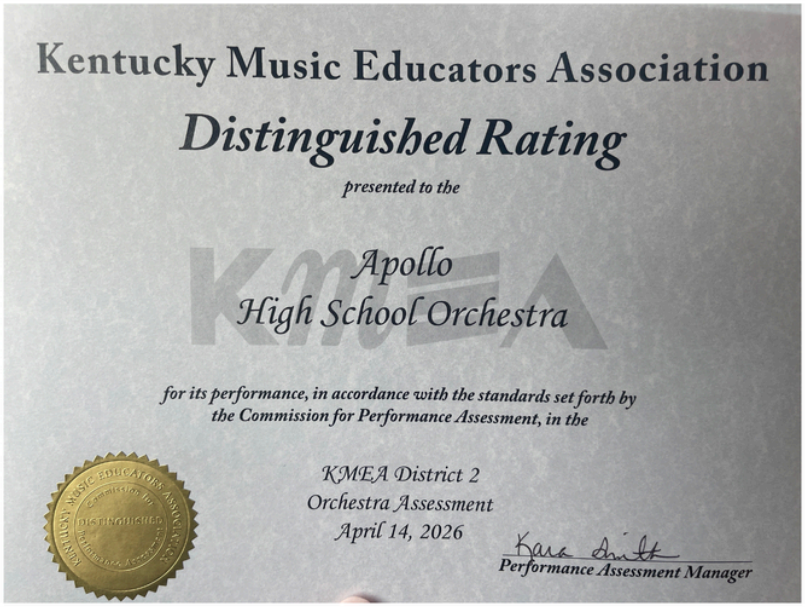

XANDER BERRY

"Home is where the heart is—and I can't think of where else I'd want my heart to be but Owensboro, Kentucky."

ELECTIONS FOR 2026-2027 FRESHMAN CLASS OFFICERS AND REPRESENTATIVES WILL TAKE PLACE AT THE BEGINNING OF NEXT SCHOOL YEAR.

NEW THIS YEAR!

Would you like to get your graduate a gift and not have to go on the day of graduation to pick up flowers, a momentus bear in a graduation cap/gown or a unique gift called The Graduation Spirit necklace?

You can pick out the flower arrangement you would like, along with other gifts. The Graduation Spirit necklace comes only in black and white. They represent a tradition of good luck to the graduates and are made from Hawaiian kukui nuts.

They do suggest pre-orders so they make sure they have the items you need but they will have a limited amount of products on hand to sell at graduation.

Click on the link provided below, choose your items, pay for them on the website, then show up to graduation and go to their table/tent to pick up the items you ordered!
