# PRINCIPAL'S LETTER

Good Afternoon Apollo,

Has anyone tried unplugging the weather and then plugging it back in? Good grief! I hope you are well, warm, and, like me, doing your anti-snow/winter weather dance!

A quick word of thanks to so many people for their work to make this past week as good as it can be! To Apollo's Students and Families--thanks for hanging in there, rolling with the punches, and engaging in our DCPS@Home Days! Thank you to Apollo's Faculty and Staff for the work they did to make the most of this week! Thank you to DCPS Maintenance for getting our parking lots cleared so early in all this winter mess! Let's hope we are done with these days for the rest of the school year!

Just in case we aren't, here is a reminder of our DCPS@Home processes:

- Any time that normal operations are going to be impacted, DCPS families will receive a communication from Mr. Broughton explaining what type of day it is.
- Mr. Broughton will communicate if the day is a "Traditional Snow Day" which means no school. This type of day will have to be made up, so look at the DCPS Calendar for that make up date.
- Mr. Broughton may decide the day is a "DCPS@Home Day". In the event of that kind of day students will need to log into their Google Classroom according to the times specified in the Apollo DCPS@Home Schedule provided in this communication. DCPS@Home Days do not have to be "made up".
- During a DCPS@Home Day, attendance will be taken by the Teacher in the form of participation, so make sure your student is logging in to do the work requested and participating in class. If you do not have internet access, the student will be required to check with the Teacher upon return to school to get any missing work and will have 5 days to get the work turned in for their grade.
- Apollo Faculty/Administration will be available for communication via email during DCPS@Home Days until 3:00pm.
- As a reminder, we work very hard to keep school information up to date on the Apollo school website and our school Facebook page so feel free to check those resources for up to date and accurate information.

Parent/Teacher conferences are February 12th from 4 – 6:30. Please make plans to attend and check in with your students Teachers. If you are unable to meet with them, please feel free to send them an email and request another time to have a phone conference. We are not only here to support our students, but you as parents as well. As a team, we can be sure everyone is successful.

Go Eagles!

Respectfully,

Mr. Bob W. Dych

# PRINCIPAL'S LETTER CONTINUED

We are moving full steam ahead for our weekend events! Girls' and Boys' Varsity Basketball host the red school tonight with our Homecoming ceremony taking place between games. On Saturday night, we will have our Homecoming Dance at the Owensboro Convention Center. Earlier this year the Students convinced me to approve a different and unique location so we are going to give it a shot and see how it goes! *The Dance is from 9:00pm-11:00pm and to the parents of our non-driving students, please be at the Convention Center shortly before the dance ends so that you can pick your student(s) up as soon as it is over so that everyone can get home promptly and safely.* Best wishes to our Boys' Wrestling team as they compete at State Duals this weekend and to our Girls' Freshmen Basketball team as they have a game Saturday against the red school.

I hope everyone has a warm, safe, and precipitation free weekend!

Go Eagles!

Respectfully,

Mr. Bob W. Dych

THE APOLLO HIGH SCHOOL WEBSITE IS A  
GREAT SOURCE OF INFORMATION?

The website has a ton of information on it but is also the quickest way to see any updates. On the home page, you can see “LIVE Feed” and “NEWS”. These are usually accompanied by a graphic to catch your attention but also has the update that you may be looking for. Also to the right of the page, you will see the different events going on.

You can find your child(s) Teacher email along with other Faculty/Staff members. Clubs/Teams have pages with their activities and so much more.

If there is something you would like to see more of on the page, please contact Ms. Misty Berry at [misty.berry@daviess.kyschools.us](mailto:misty.berry@daviess.kyschools.us). We want to make this page a one stop shop for parents/guardians and community members.
