

Dear Colonel Crawford Friends,

Thank you for supporting the Colonel Crawford Schools Foundation **“200 Club”**! Founded in 1999, our Foundation is led by community members and partners with the Community Foundation for Crawford County to fund innovative projects for Colonel Crawford teachers.

For just \$20 per ticket, you will be entered into every drawing all season long during varsity basketball! Each drawing has four winners: \$100, \$50, and two \$25 prizes. Last year we held 16 drawings.

Your support helps fund classroom projects and scholarships for Colonel Crawford students, making a real difference in our schools.
