All participants in Raider athletics must register on-line before they will be allowed to participate.

The on-line registration process can be accessed from the Bloomington High School athletic website or by visiting the following web address: <https://bloomington.8to18.com/accounts/login>

When registering online, both the parent and athlete should be together as certain mandatory forms will require both parent and athlete to complete. Parents should have insurance, doctor and other emergency information available when starting the online registration process. Each student and family will be required to acknowledge understanding of the IHSA Concussion and Performance-Enhancing Drug Testing policies, acknowledge understanding of the BHS Code of Conduct for student-athletes and if registering for football, acknowledge understanding of the tackling informational sheet.

In addition to completing the online registration process, each athlete will need to submit a copy of a current medical physical to the BHS Athletic Office prior to their first day of participation.

Families needing computer assistance or with additional questions should contact the BHS Athletic Department (828-5201 opt. 4)
