From the desk of Mrs. Baessler, Principal

January has been a bizarre weather month. I started to doubt we would see any wintery weather. However, things are changing. Stay connected using our app and alert system. It will notify you of all school closures. If you are not connected contact your child's teacher.

As Valentine's Day nears, we are asking help from you on a certain matter. We request that there be no flower or balloon deliveries to the school for Valentine's Day. Our school has a large population of students and deliveries can be overwhelming to us. Please enjoy those special deliveries at home with your child. I guarantee they love those too!

We have Parent-Teacher Conferences Thursday. Our goal is always 80% participation by parents so if you haven't scheduled yet please contact your child's teacher today to work out a time. What better way is there to show your child the importance of education than being part of the process?

Happy Early Valentine's Day to you and all our amazing and beautiful students. We are unbelievably appreciative and feel very blessed to be a part of the Eaton Family.

February is shaping up to be a very busy month for our school community. We have several important events, activities, and deadlines coming up, and we want to make sure everyone stays informed. Please take a moment to review the school calendar carefully and mark the dates that apply to your child. Staying up to date will help ensure that students are prepared and that families don't miss out on any opportunities.

Thank you for your attention and continued support. We're looking forward to a great month ahead.

From Ms. Welden, Vice-Principal

Brrrr! We sure have seen some very cold temperatures this month. Please remember that student need a coat for recess. Classes will still go outside if temperatures are above 32*. Hats and gloves are great for students to have as well. Our lost and found is still overflowing with many coats and jackets that need a home. With parent conferences coming up, this will be a great time to check to see if your child is missing anything.

Our classes have done such a wonderful job celebrating and thanking our school board with beautiful poster. Be sure to check those out online.

The Math Night was big success and so much fun. Be sure to stay on the lookout for our upcoming family engagement activities and events. We love our Eaton families and appreciate all you do to help support our school.

Happy Valentine's Day!

As we enter second semester, we wanted to remind everyone regarding teacher requests for the 25-26 school year. We will not be accepting specific teacher requests. If you send a letter with a specific name(s), it will not be reviewed. Instead, we encourage parents who feel led to send a request to focus on the qualities of a teacher that they feel would best suit their child's needs. We believe that this shift will contribute to a more inclusive and well-rounded educational experience for all students. While we understand that some families may have specific preferences, we are confident that our dedicated and talented teaching staff will continue to foster a nurturing and supportive atmosphere for every student. If you have a specific non-request, please email Mrs. Baessler at baesslera@loudoncounty.org. Thank you for your understanding and cooperation as we work together to create an optimal learning environment for all students.

We appreciate our counselors and their hard work they do for our kiddos and staff every day. Thank you, Dr. Sweet and Mrs. Harris!

February 2nd is School Counselor Appreciation

Stand UP with Ms. Stephanie

WEDNESDAY, FEBRUARY 4TH

Wear pink and/or hats and send in a donation

Top class gets an ice cream sundae party!

💙 On February 4th, our school community will come together to support a beloved paraprofessional currently battling cancer. Students are encouraged to take part in this meaningful donation day and show how powerful our compassion can be. Every contribution—big or small—helps lift up someone who has given so much. 💙
