Charlotte's Web

E. B. White and Kate DiCamillo

Harper Collins (May 15, 1974)

★★★★★

Summary:
Sixty years ago, on October 15, 1952, E.B. White's Charlotte's Web was published. It's gone on to become one of the most beloved children's books of all time. To celebrate this milestone, the renowned Newbery Medalist Kate DiCamillo has written a heartfelt and poignant tribute to the book that is itself a beautiful translation of White's own view of the world—of the joy he took in the change of seasons, in farm life, in the miracles of life and death, and, in short, the glory of everything. We are proud to include Kate DiCamillo's foreword in the 60th anniversary editions of this cherished classic. Charlotte's Web is the story of a little girl named Fern who loved a little pig named Wilbur—and of Wilbur's dear friend Charlotte A. Cavatica, a beautiful large grey spider who lived with Wilbur in the barn. With the help of Templeton, the rat who never did anything for anybody unless there was something in it for him, and by a wonderfully clever plan of her own, Charlotte saved the life of Wilbur, who by this time had grown up to quite a pig. How all this comes about is Mr. White's story. It is a story of the magic of childhood on the farm. The thousands of children who loved Stuart Little, the heroic little city mouse, will be entranced with Charlotte the spider, Wilbur the pig, and Fern, the little girl who understood their language. The forty-seven black-and-white drawings by Garth Williams have all the wonderful detail and warmhearted appeal that children love in his work. Incomparably matched to E.B. White's marvelous story, they speak to each new generation, softly and irresistibly.

David Rubel

Random House Children's Books (September 27, 2011)

★★★★★

Summary:
This modern classic Christmas story teaches children the spirit of the season by bringing together two great New York City traditions: the Rockefeller Center Christmas tree and the neighbor-helping-neighbor program of Habitat for Humanity. Opening in Depression-era New York City, The Carpenter's Gift tells the story of eight-year-old Henry and his father selling Christmas trees. They give a Christmas tree to construction workers building Rockefeller Center and celebrate together. Through the kindness of the construction workers and neighbors, Henry gets his wish for a nice, warm home to replace his family's drafty shack. He plants a pinecone from that first Rockefeller Center Tree. As an old man, Henry repays the gift by donating the enormous tree that has grown from that pinecone to become a Rockefeller Center Christmas tree. After bringing joy to thousands as the Rockefeller Center tree, its wood will be used to build a home for another family in need. Written by children's nonfiction author David Rubel in collaboration with Habitat for Humanity. Gorgeous illustrations crafted by Jim LaMarche."Rubel's story of compassion hits all the right holiday notes; LaMarche's lush, warm illustrations of glowing Christmas trees and smiling, caring characters drive home the central message of charity." --The Horn Book

Jon Scieszka

Penguin (March 1, 1996)

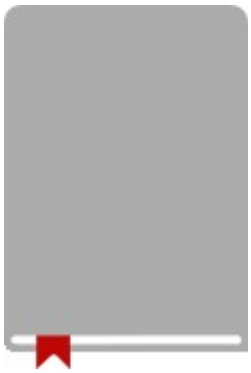

★★★★★

THE MODERN CLASSIC WITH OVER TWO MILLION COPIES SOLD • The Big Bad Wolf tells his side in this fractured fairy tale, brought to life with irreverent storytelling and artwork that “older kids (and adults) will find very funny” (School Library Journal). A New York Times Best Book of the Year • American Booksellers Association Picture Book Hall of Fame • Society of Illustrators Silver Medal • New York Public Library 100 Great Children’s Books for 100 Years • An American Library Association Notable Book You may think you know the story of the Three Little Pigs and the Big Bad Wolf—but only one person knows the real story. That person is A. Wolf. His tale starts with a birthday cake for his dear old granny, a bad head cold . . . and a bad reputation. It ends in the Big House: the Pig Pen. What really happened when A. Wolf was at the door? Was it an historic pig out or a Mother Goose frame-up? You read it. You decide.Jon Scieszka and Lane Smith combine their talents for droll tales and provocative reporting to bring the true story of this much maligned figure to the public. Big and Bad? Could be. Hilarious? Of course.
