From the desk of Mrs. Baessler, Principal

November is the month we tend to truly reflect on the things and people we are thankful for in our lives. I have already started thinking about this as the month approaches. I am extremely thankful for the families and our community that make-up Eaton Elementary. I feel blessed to collaborate with amazing parents, grandparents, neighbors, and students every day. Thank you

for letting us love your children and for being active in our school.

Can you believe there are less than 8 weeks till Christmas? It seems like it has arrived quickly. With the holiday season comes colder weather and our lost and found seems to explode. Please write your child's first and last name in their coats, lunch boxes, scarves, water bottles, backpacks, and any other item they'd might lose track of during the day.

Our Read-a-thon, Carnival, and Auction were a tremendous success. THANK YOU! Huge

shout out to our amazing committee, volunteers, and community sponsors that help make these events successful. Our prizes will start rolling in now that we know what we need to order. Stay tuned for an update.

As we approach the season of giving, we're excited to participate in **Giving Tuesday** on **December 2nd** with a special initiative to support those in need in our community.

This year, we're collecting **new or gently used blankets** to help keep families and animals warm during the winter months. Your donation can make a meaningful difference in someone's life, and we invite you to join us in spreading warmth and kindness.

How to Donate:

- Drop off blankets at the school office between now and December 2nd.
- All sizes and types of blankets are welcome.
- Please ensure donated items are clean and in good condition.

Let's come together to show the power of compassion and community. Thank you for your generosity and support!

From Ms. Welden, Vice-Principal

Dear Families,

It has been a fantastic first quarter! The Read-a-thon and Carnival were successful and such a highlight of the year. Bringing families together with our school community

is what makes Eaton a great place to be.

As we enter the colder months, please remember to send your child with appropriate outerwear. PLEASE put your child's name in their coat. This makes it much easier to return if it gets lost. Our lost and found is overflowing and we want to make sure all these coats have a home.

For elementary students, consistent school attendance is critical for academic success and social-emotional development. A student is considered "chronically absent" if they miss 10% or more of the school year for any reason, including both excused and unexcused absences. As sick season approaches, remember to send in doctors notes.

Wishing you and your family a joyful and restful Thanksgiving! We're grateful for your continued partnership and support have a wonderful holiday filled with love, laughter, and gratitude.

FAMILY PROJECT

Disguise a Turkey

ATTENTION, ATTENTION!

HELP! The turkeys have escaped the farm from down the road, and they've chosen our school to hide out in! We don't want the farmer to find them so the students in our class have been asked (by the turkeys) to help them hide in our school by giving them an awesome disguise.

The task for this family project is for you and your child to disguise his/her turkey (e.g. Superhero, Disney Princess, Community Helper, Cowboy, etc.) Feel free to use your child's imagination and creativity when designing the turkey's disguise.

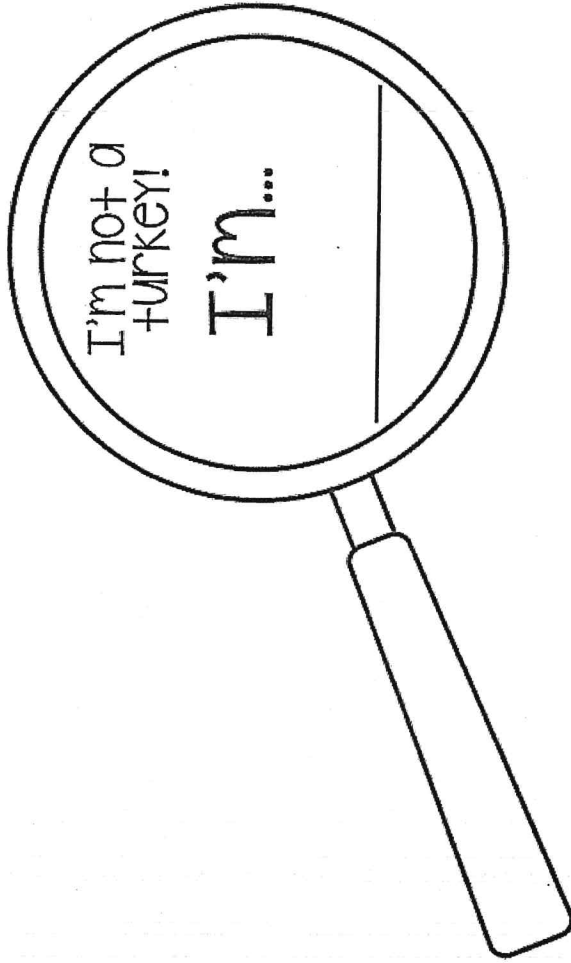

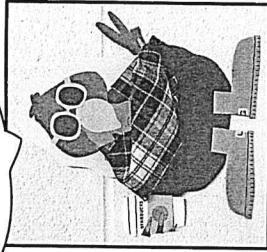

Your turkeys are **due back** at school on **Friday, Nov. 14th** (or earlier if you wish!)

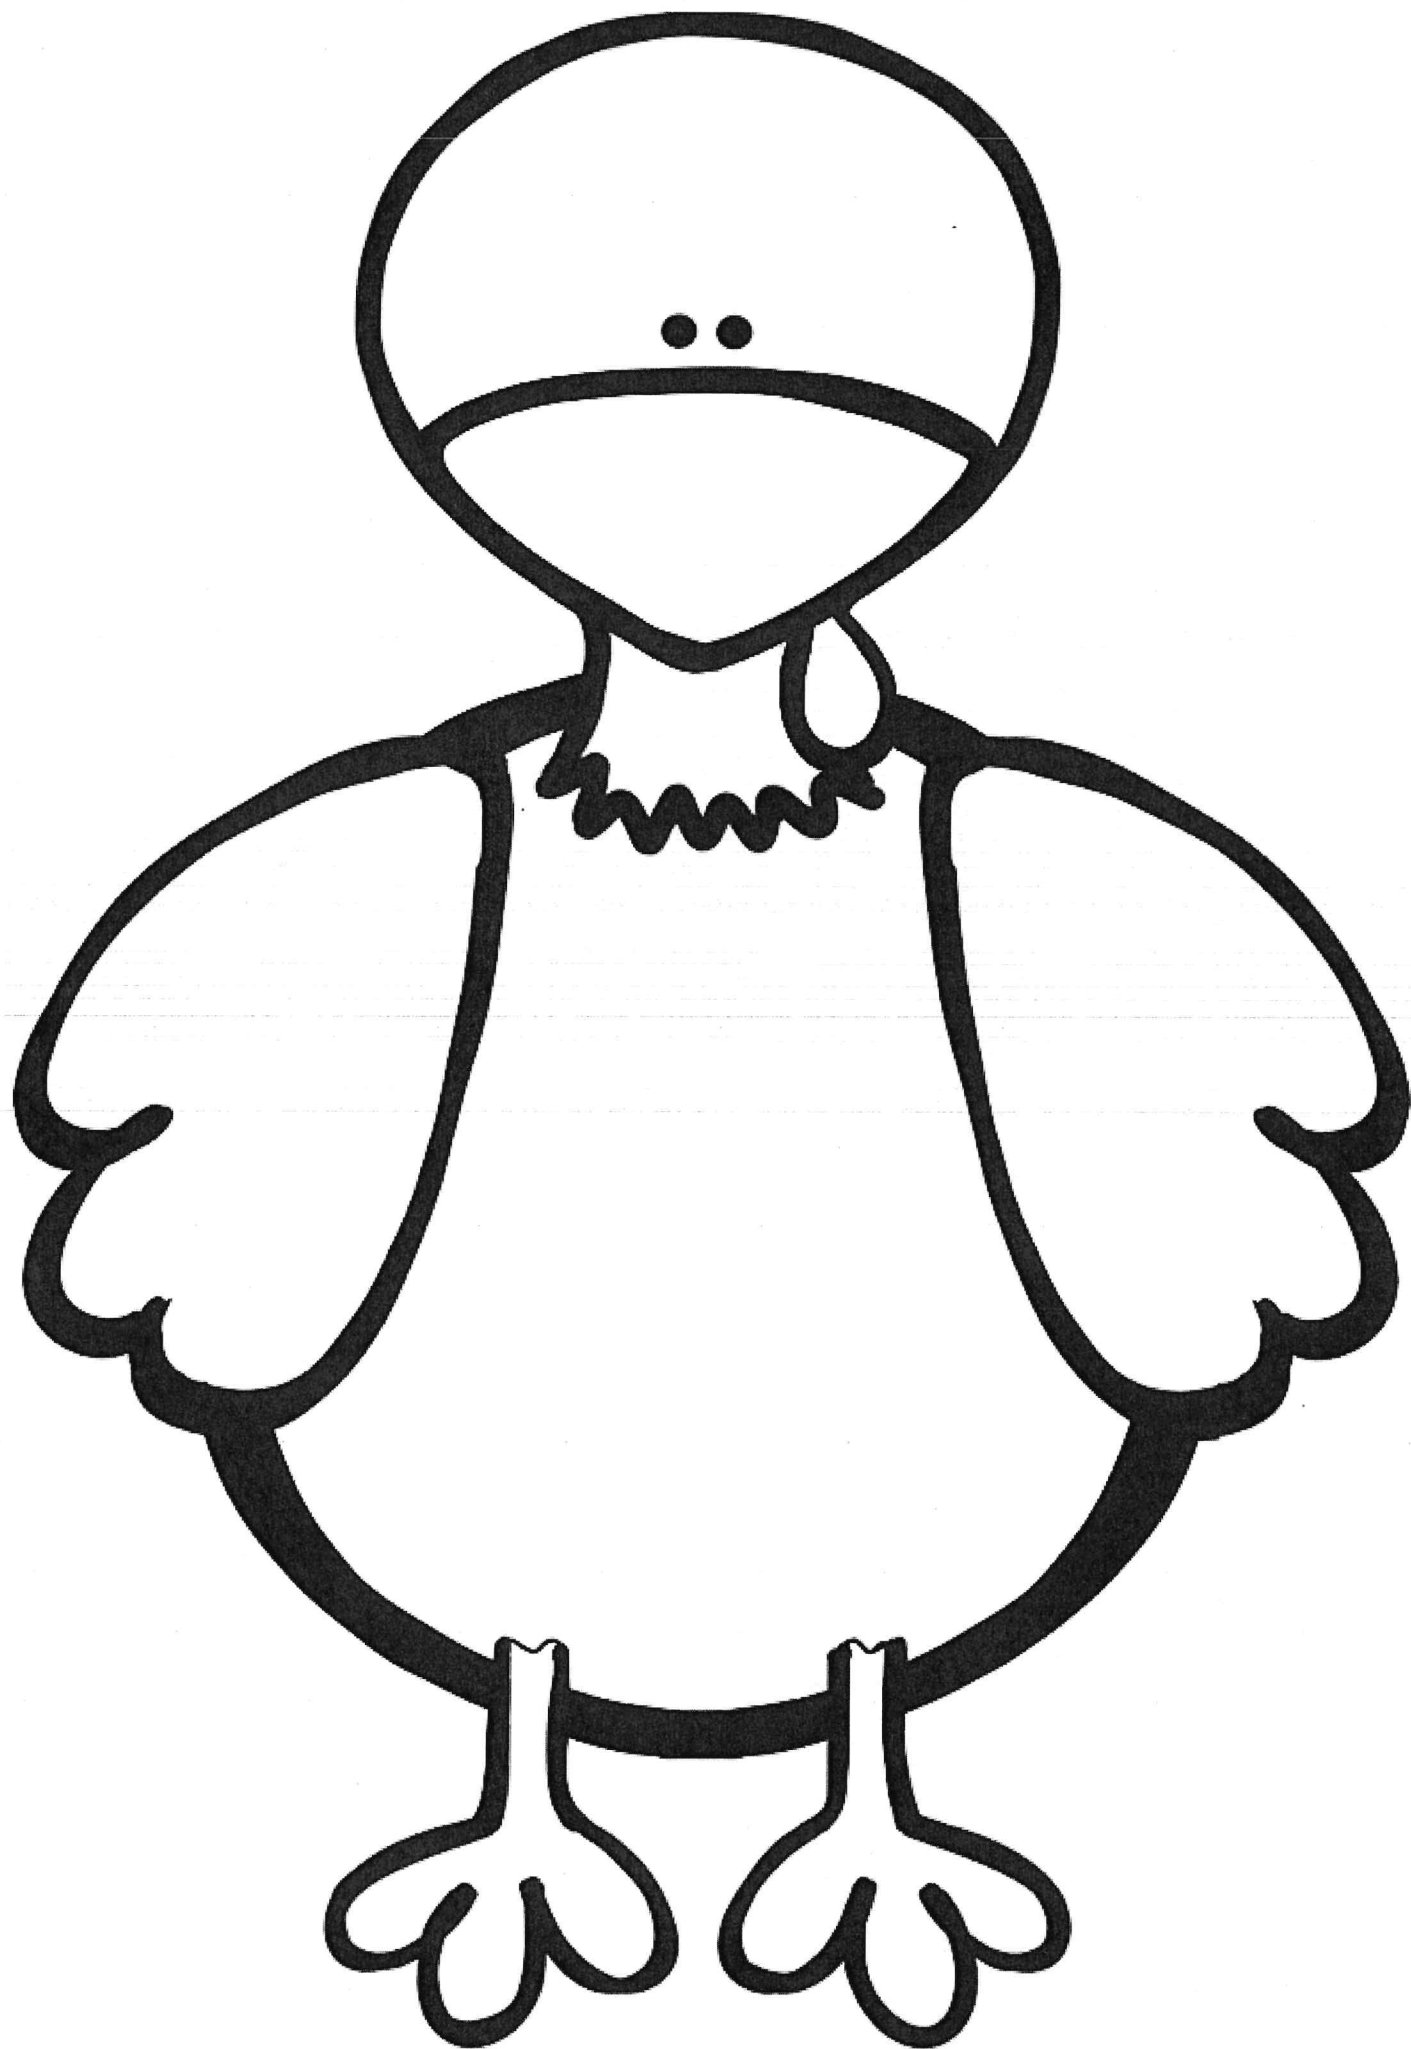

Students will share their turkeys with their class, telling what they've disguised their turkey as. We will display all of the disguised turkeys in the cafeteria.

Feel free to contact us if you have any questions or concerns. Thank you so much for your support and we cannot wait to see all the amazing turkeys your children bring back to school!

Have fun!

There are no turkeys here!
