♥ A Chair for My Mother

Vera B. Williams

HarperCollins (September 7, 2021)

Summary:

This classic and heartwarming picture book was written and illustrated by the celebrated Vera B. Williams and was named a Caldecott Honor Book by the American Library Association. "A tender knockout. It's rare to find much vitality, spontaneity, and depth of feeling in such a simple, young book."—Kirkus Reviews Vera Williams tells of a young girl who, along with her waitress mother, saves coins in a big jar in hopes that they can someday buy a new chair for their apartment, the kind of chair her mother deserves after being on her feet all day in the Blue Tile Diner. Into the jar also goes the money Grandma saves whenever she gets a bargain at the market. There hasn't been a comfortable place to sit in the apartment since a fire in their previous apartment burned everything to "charcoal and ashes." Friends and neighbors brought furniture to their new apartment downstairs, but no one brought anything big or soft or comfortable. Finally the jar is full, the coins are rolled, and in the book's crowning moment, mother, daughter, and Grandma search four different furniture stores, and after carefully trying several chairs, like Goldilocks, they find the chair they've been dreaming of at last. Vera Williams enhances this story about family, community, and the power of working together toward a common goal with her signature folk art-inspired paintings. A Chair for My Mother has sold more than a million copies and is an ideal choice for reading and sharing at home and in the classroom. "A superbly conceived picture book expressing the joyful spirit of a loving family."—The Horn Book Vera B. Williams's beloved picture book favorites include: "More More More," Said the Baby Amber Was Brave, Essie Was Smart A Chair for Always A Chair for My Mother Cherries and Cherry Pits Music, Music for Everyone Something Special for Me Stringbean's Trip to the Shining Sea Three Days on a River in a Red Canoe

Judi Barrett

Atheneum Books for Young Readers (April 1, 1982)

Summary:

An imaginative story of amazing food weather that inspired the hit movie, *Cloudy with a Chance of Meatballs* is a favorite of grown-ups and children everywhere. The tiny town of Chewandswallow was very much like any other tiny town—except for its weather which came three times a day, at breakfast, lunch, and dinner. But it never rained rain and it never snowed snow and it never blew just wind. It rained things like soup and juice. It snowed things like mashed potatoes. And sometimes the wind blew in storms of hamburgers. Life for the townspeople was delicious until the weather took a turn for the worse. The food got larger and larger and so did the portions. Chewandswallow was plagued by damaging floods and storms of huge food. The town was a mess and the people feared for their lives. Something had to be done, and in a hurry.

Franklin in the Dark

Paulette Bourgeois

Kids Can Press Ltd (August 1, 2013)

Summary:

This larger-format special collectible edition of the first Franklin book celebrates the 25th anniversary of the world's most beloved turtle. Includes never-before-seen archival material and personal letters from the author and illustrator that offers a fun behind-the-scenes peek at this Canadian classic. A perfect gift for long-time fans and a new generation of readers alike. In the Franklin Classic Storybook that started it all, poor little Franklin has one of the most common childhood afflictions -- he is afraid of the dark. This is particularly distressing for Franklin as he happens to be a turtle, and the darkness he fears is, of course, inside his own shell. Bravely, with shell in tow, he sets forth to seek help and in the course of his travels discovers a bird who is afraid of heights, a polar bear who is afraid of the cold, and even a hydrophobic duck. In the end, Franklin discovers that everybody is afraid of something, even his own mother, and his response to what he has learned is guaranteed to draw a smile.

George Washington's Cows

David Small

Farrar, Straus and Giroux (BYR) (March 11, 1997)

Summary:

"George Washington's cows were kept upstairs, And given their own special room. They never were seen by light of day. No matter for what or by whom." These cows are just the beginning of George's problems. To be sure, his hogs are helpful around the house, but it irks Martha when their parties are better than hers. And then there are the sheep--all of them smarter than Tom Jefferson, with degrees (no to say "sheepskins") to prove it. What's a Father of his country to do? David Small puts a hilariously sticky fingerprint on the well-polished veneer of American history, showing readers what really went on in the home of our first President.

♥ Hansel and Gretel

Brothers Grimm

Penguin (1999)

Summary:

The first Grimm tale illustrated by 1998 Caldecott medalist Paul O. Zelinsky is once again available in hardcover. Originally published in 1984, Zelinsky's paintings for Hansel and Gretel are as compelling as his later work and will captivate readers with their mysterious beauty, emotional power, and brilliant originality. Each spread brings to life a world as rich and real as our own--detailed, colorful, sensual--yet filled with the unearthly shadowed magic of the Hansel and Gretel folktale. Whether portraying the fear and anguish of children abandoned by their parents, the delicious sumptuousness of a candy house, or the joy of being reunited with one's family, the artist captures the subtle nuances of emotion and the tactile quality of the physical world with exquisite accuracy and elegance. The hauntingly spare retelling of this perennial favorite by the poet Rika Lesser perfectly complements the vivid storytelling of Zelinsky's artwork. Once again this gifted artist gives us a unique interpretation of a beloved fairy tale, allowing us to both see it anew and rediscover its eternal truths.

Penguin (April 26, 2016)

Summary:

Jan Brett's beloved character Hedgie stars in this charming story about a little Tomten who gets tired of porridge for breakfast and starts stealing Henny's eggs. But Henny wants a brood of chicks and she needs her eggs. With the help of clever Hedgie, she substitutes an acorn, a strawberry, a mushroom and finally a potato in her nest. But nothing stops that Tomten until the little hedgehog hides in Henny's nest: when the Tomten reaches in to get his morning treat, all he gets is a handful of prickles. He runs home for porridge and never comes back again! Intricate needlepoint patterns of Scandinavian designs frame the characters reacting from the borders in this beautiful picture book set in Denmark.

Mike Mulligan and His Steam Shovel

Virginia Lee Burton

Houghton Mifflin Harcourt (June 28, 2010)

Summary:

A modern classic that no child should miss. Since it was first published in 1939, Mike Mulligan and His Steam Shovel has delighted generations of children. Mike and his trusty steam shovel, Mary Anne, dig deep canals for boats to travel through, cut mountain passes for trains, and hollow out cellars for city skyscrapers -- the very symbol of industrial America. But with progress come new machines, and soon the inseparable duo are out of work. Mike believes that Mary Anne can dig as much in a day as one hundred men can dig in a week, and the two have one last chance to prove it and save Mary Anne from the scrap heap. What happens next in the small town of Popperville is a testament to their friendship, and to old-fashioned hard work and ingenuity.

Miss Nelson is Missing!

Harry Allard and James Marshall

Houghton Mifflin Harcourt (1977)

Summary:

The kids in Room 207 were misbehaving again. Spitballs stuck to the ceiling. Paper planes whizzing through the air. They were the worst-behaved class in the whole school. So begins this quirky classic, first published in 1977 and still relevant today as a lighthearted reminder to show our appreciation to those we value. The students don't proffer a shred of respect for their good-natured teacher Miss Nelson, but when the witchy substitute Miss Viola Swamp appears on the scene, they start to regret their own wicked ways. James Marshall's scritchey, cartoonish full-color ink and wash illustrations are hilarious. A back-to-school perennial!

At the end of the story, Todd offers a reassuring message to cure those back-to-school jitters: "The first day of school is fun and exciting. You will meet new friends, learn new things, and then you will be really, really smart! Love, Otto and Todd."

♥ **Ox-cart Man**

Donald Hall

Penguin (1983)

Summary:

Winner of the Caldecott Medal This begins a lyrical journey through the days and weeks, the months, and the changing seasons in the life of one New Englander and his family. The oxcart man packs his goods - the wool from his sheep, the shawl his wife made, the mittens his daughter knitted, and the linen they wove. He packs the birch brooms his son carved, and even a bag of goose feathers from the barnyard geese. He travels over hills, through valleys, by streams, past farms and villages. At Portsmouth Market he sells his goods, one by one - even his beloved ox. Then, with his pockets full of coins, he wanders through the market, buying provisions for his family, and returns to his home. And the cycle begins again. "Like a pastoral symphony translated into picture book format, the stunning combination of text and illustrations recreates the mood of 19-century rural New England."--The Horn Book

♥ Steam, Smoke, and Steel Back in Time with Trains

Patrick O'Brien

Charlesbridge Publishing (July 1, 2000)

Summary:

All aboard! This train travels through history making stops in time to learn about the progress of travel by rail. Hop up into the cab of a speeding modern-day locomotive and look down the tracks into the past. Perhaps these are the same tracks that the diesel-electric locomotives of thirty years ago thundered down, pulling their loads. Perhaps you can see the steam engines of thirty years before that. Watch time unravel and the landscape change as the history of trains barrels through the pages of STEAM, SMOKE AND STEEL: BACK IN TIME WITH TRAINS. The first trains puffed great billowing clouds of smoke and showered passengers with burning embers as they sped down the rails at a pulse-pounding twenty miles an hour! By the 1850's, however, trains were traveling much faster, much farther, and much cleaner and train travel contributed to the growth of our nation. Young readers will be fascinated by the exciting -- and sometimes dangerous -- story of trains while they learn about the different kinds of engines, equipment, and jobs necessary for operating trains throughout history. The young narrator introduces readers to trains from the time of his great-great-great-great grandfather at the turn of the nineteenth century to his father's train of today, showing the great changes that invention and progress have brought over time. Patrick O'Brien's striking illustrations emphasize the beauty, grandeur, and romance of the train. Detailed and richly textured oil paintings take readers on a trip through time to ride aboard open-air cars, travel through mountain passes, and roar down the rails on high-speed bullet trains. Budding engineers will love getting a glimpse at the past and dreaming about the future of trains.

♥ Stone Soup

Heather Forest

August House LittleFolk (2000)

Summary:

Winner of Parents' Choice Award & Bank Street College: Best Children's Books of the Year Two hungry travelers arrive at a village expecting to find a household that will share a bit of food, as has been the custom along their journey. To their surprise, villager after villager refuses to share, each one closing the door with a bang. As they sit to rest beside a well, one of the travelers observes that if the townspeople have no food to share, they must be "in greater need than we are." With that, the travelers demonstrate their special recipe for a magical soup, using a stone as a starter. All they need is a carrot, which a young girl volunteers. Not to be outdone, another villager contributes a potato, and the soup grows as others bring corn, celery, and other vegetables and seasonings. In this cumulative retelling of an ancient and widely circulated legend, author Heather Forest shows us that when each person makes a small contribution, "the collective impact can be huge." Susan Gaber's paintings portray the optimism and timelessness of a story that celebrates teamwork and generosity. This story about community teaches readers the importance of sharing, generosity and vegetables! August House Publishers offer an animated version of Stone Soup as well as free lesson plans!

He stops in a chandler's shop filled with fantastic wax creations, but instead of admiring them Thomas scorns the chandler for wasting his time on sculptures that will only melt. The mysterious old chandler sells him a special Christmas candle. Back on the bitterly cold street, the young man is accosted by an old beggar woman. When he lifts his lantern to get a better look, the candlelight reveals that she is his mother. He gives her his cloak and only then sees the truth: She is not his mother after all, but a stranger. The candle tricks him again before he reaches home, cold and penniless, but richer for his newfound realization that we are all part of one family. This intriguing original fable about charity is accompanied by lavish, mood-filled oil paintings by artist Jacob Collins. Together, author and artist have created an exquisite holiday gift book that will be treasured by the entire family.

♥ The Snowy Day

Ezra Jack Keats

Penguin (1996)

Summary:

The magic and wonder of winter's first snowfall is perfectly captured in Ezra Jack Keat's Caldecott Medal-winning picture book. This celebrated classic has been shared by generations of readers and listeners, a must-have for every child's bookshelf and a perfect gift for the holiday season. New York Public Library's #1 book on the list of "Top Check Outs of All Time" In 1962, a little boy named Peter put on his snowsuit and stepped out of his house and into the hearts of millions of readers. Universal in its appeal, this story beautifully depicts a child's wonder at a new world, and the hope of capturing and keeping that wonder forever. The quiet fun and sweetness of Peter's small adventures in the deep, deep snow is perfect for reading together on a cozy winter day. Ezra Jack Keats was also the creator of such classics as Goggles, A Letter to Amy, Pet Show!, Peter's Chair, and A Whistle for Willie. (This book is also available in Spanish, as Un día de nieve.) Praise for The Snowy Day "Keats made Peter's world so inviting that it beckons us. Perhaps the busyness of daily life in the 21st century makes us appreciate Peter even more--a kid who has the luxury of a whole day to just be outside, surrounded by snow that's begging to be enjoyed." --The Atlantic "Ezra Jack Keats's classic The Snowy Day, winner of the 1963 Caldecott Medal, pays homage to the wonder and pure pleasure a child experiences when the world is blanketed in snow."--Publisher's Weekly

A back-to-school favorite Wemberly worried about spilling her juice, about shrinking in the bathtub, even about snakes in the radiator. She worried morning, noon, and night. "Worry, worry, worry," her family said. "Too much worry." And Wemberly worried about one thing most of all: her first day of school. But when she meets a fellow worrywart in her class, Wemberly realizes that school is too much fun to waste time worrying!

♥ Where the Wild Things Are

Maurice Sendak, Richard La Fleur, and Tom Hollander

HarperCollins (November 9, 1988)

Summary:

Maurice Sendak's Caldecott Medal-winning picture book has become one of the most highly acclaimed and best-loved children's books of all time. A must for every child's bookshelf. This iconic story has inspired a movie, an opera, and the imagination of generations. When Max dresses in his wolf suit and causes havoc in the house, his mother sends him to bed. From there, Max sets sail to an island inhabited by the Wild Things, who name him king and share a wild rumpus with him. But then from far away across the world, Max smells good things to eat... Let the wild rumpus continue as this classic comes to life like never before with new reproductions of Maurice Sendak's artwork. Astonishing state-of-the-art technology faithfully captures the color and detail of the original illustrations. Sendak himself enthusiastically endorsed this impressive new interpretation of his art. Mary Pols of Time magazine wrote that what makes Sendak's book so compelling is its grounding effect: Max has a tantrum and in a flight of fancy visits his wild side, but he is pulled back by a belief in parental love to a supper 'still hot. Generations have shared this beautiful picture book, and children of all ages will want to return to it again and again. New York Public Library's #4 book on the list of Top Check Outs of All Time One of the National Education Association's Teachers' Top 100 Books for Children The top picture book in School Library Journal's survey of its readers Maurice Sendak was also the creator of such classics as In the Night Kitchen, Outside Over There, Higglety Pigglety Pop!, and Nutshell Library.
