WILL BE DELIVERED TO THE HIGH SCHOOL ON
DECEMBER 14, 2026

Join us December 4–6, 2026, for a magical theatrical experience celebrating the talent, creativity, and dedication of our MPA student performers.

PUBLIC TICKET SALES BEGIN SUNDAY, OCTOBER 25, 2026!
Tickets will be available online at: https://mpastudenttheatre.ludus.com

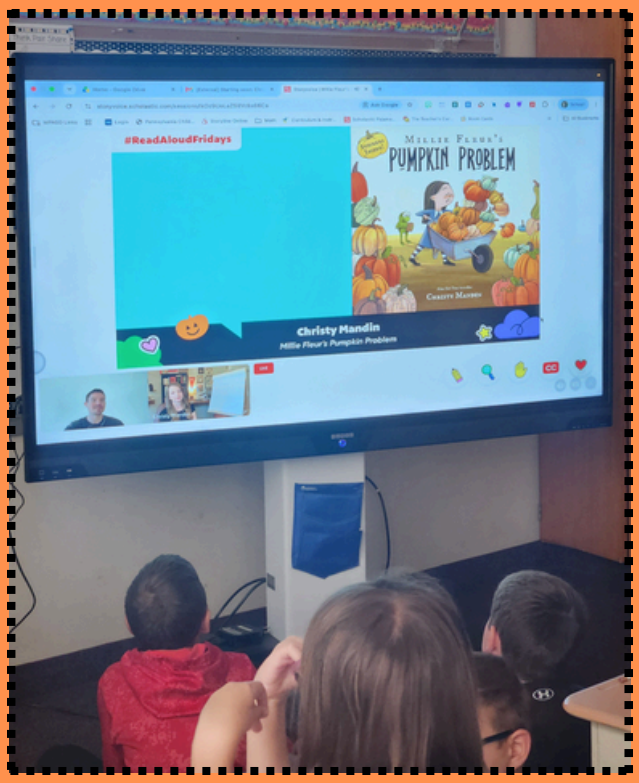

Prefer to purchase tickets in person? Public ticket sales will also be held in the Mt. Pleasant Area High School (MPAHS) Rotunda on the following dates:

Saturday, November 14, 2026 | 10:00 AM–12:00 PM
Monday, November 23, 2026 | 5:00–8:00 PM

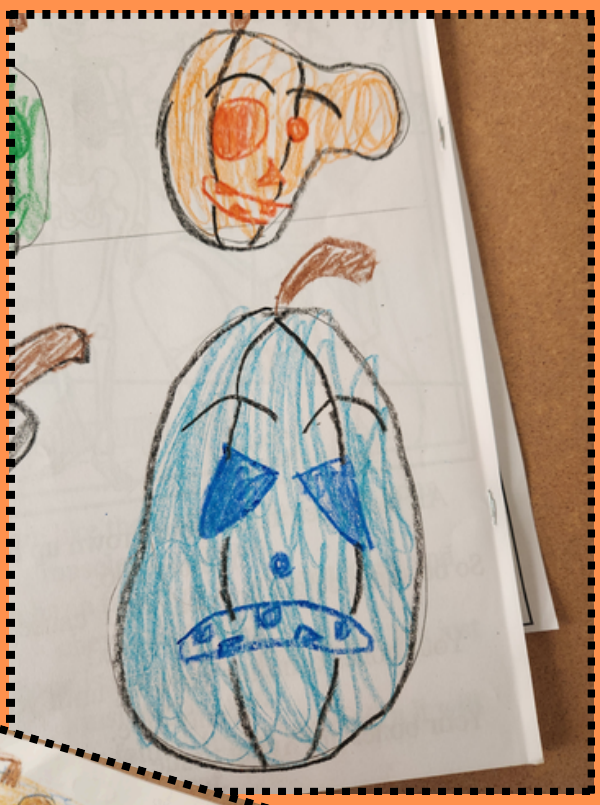

Make MPA Student Theatre's THE NUTCRACKER part of your holiday season! Bring your family and friends and celebrate the magic of live theatre while supporting the incredible talents of our student performers.

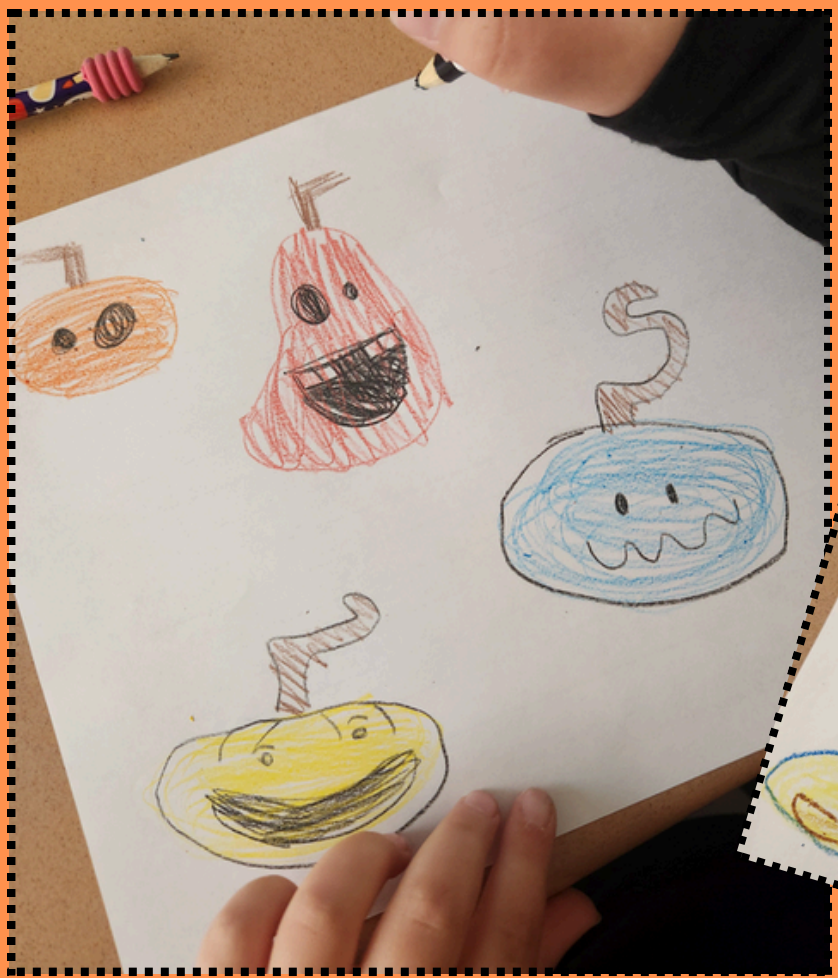

We can't wait to share this holiday magic with you!

On Oct. 23rd. Mrs. Fox's third grade class joined the Scholastic Storyvoice live author event. The students listened to author Christy Mandin read her book Millie Fleur's Pumpkin Problem. At the conclusion of the book, the author led a directed drawing in which the students drew pumpkins.

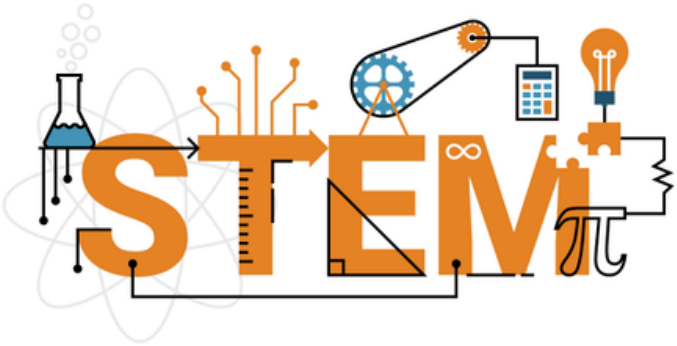

Thank you to WATT Fuel Cell in Mt. Pleasant for donating 50 hands-on STEM kits to inspire our students in grades 5–6. These activity kits encourage creativity, problem-solving, and a love of learning. We appreciate your investment in our students.

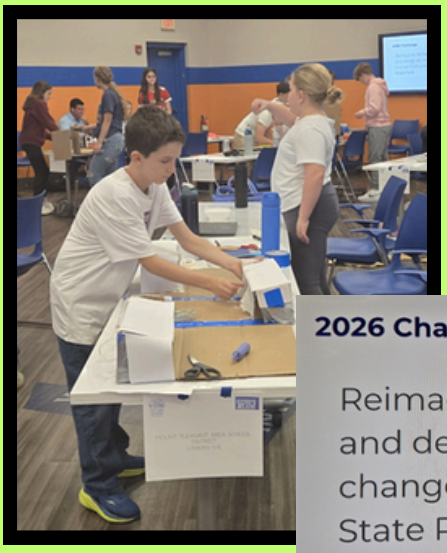

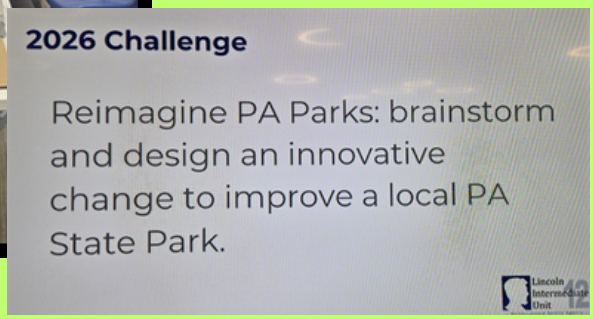

The 6th grade students from Ramsay Elementary represented the Mount Pleasant Area School District at the Keystone STEM Challenge held at the Westmoreland Intermediate Unit today. Attached are some pictures from the event. Other schools that attended were Franklin Regional, Ligonier Valley, Derry, and Greensburgh Salem. The challenge for the day was : Reimagine PA Parks: Brainstorm and design an innovative change to improve a local PA State Park. Our sixth grade groups consisted of Allie Hodgkiss, Seth Simons, Emma Anderson, and Mario Mussori. Their design was created to filter and purify water from rivers and lakes in PA State Parks to make water safe for animals and people. We were impressed with their teamwork, collaboration, hard work and innovative thinking to solve a real world problem. Although they did not place in the top 3 spots we were very proud of their work.

We hope you'll join us for this fun, hands on event!

Mrs. Altieri's 2nd grade class recently dressed as doctors, and "operated" on Frankenstein. By solving math riddles, each group was able to successfully put him back together!

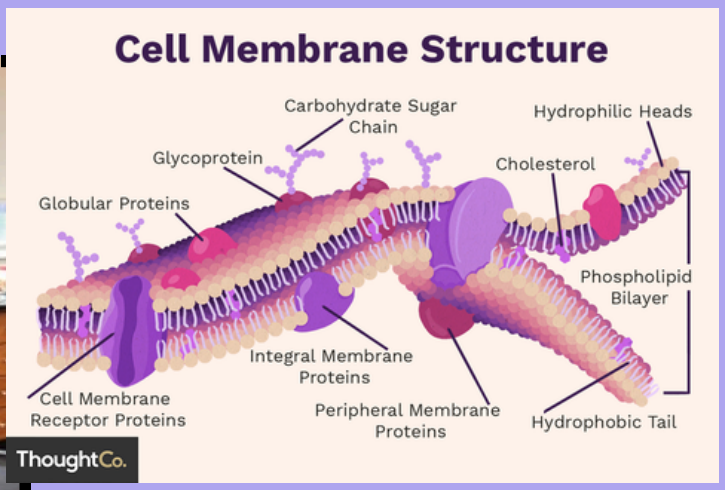

We’re celebrating Red Ribbon Week! ❤️❤️ Our school is showing up, standing strong, and making healthy choices! At MPA Jr-Sr HS, we’re saying NO to drugs and YES to a healthy, happy, drug-free future!

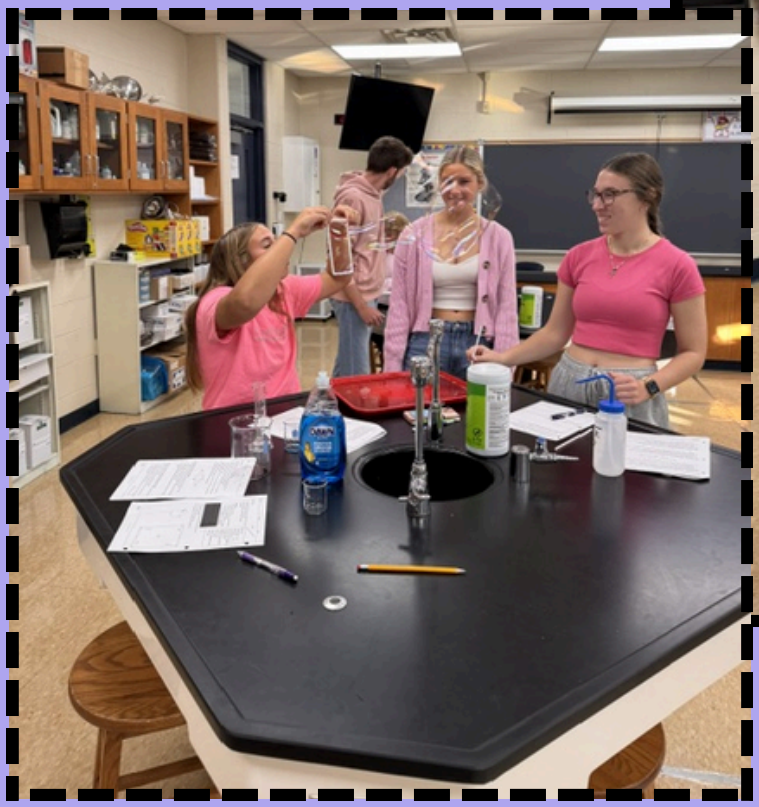

Just another day in AP Bio... making bubbles and calling it science! Our students are exploring cell membrane structure and function one bubble at a time. Who knew biology could be this much fun?

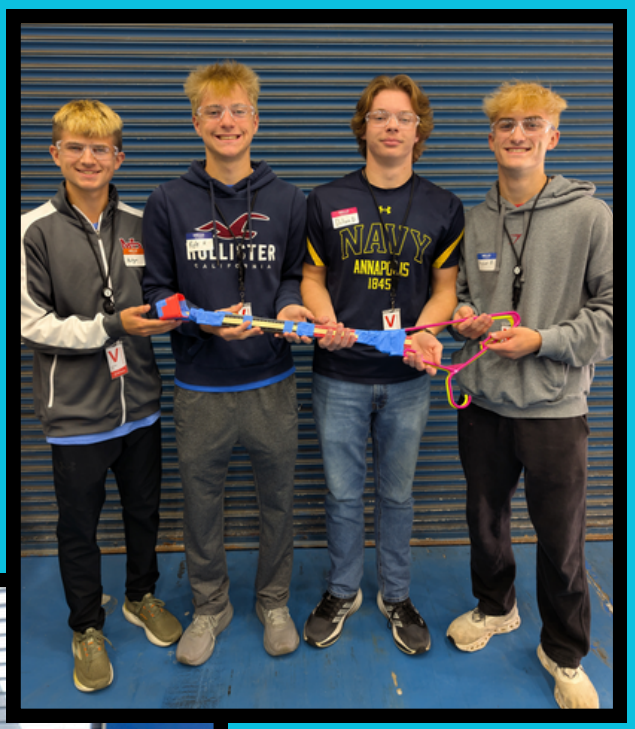

Celebrating over 40 years of the MP Rotary Club's annual Vocations Day! This year, 20 students connected with numerous local businesses to explore career pathways and future opportunities. Thank you to the Rotary Club and our community partners for investing in our students' futures! #Community Partnerships #CareerReadiness

Westinghouse Waltz Mill Site

Students learned about various engineering fields and jobs at Westinghouse, competed in a robotics challenge, learned what PPE is needed for safety, and designed an equipment retriever for inside a nuclear reactor.

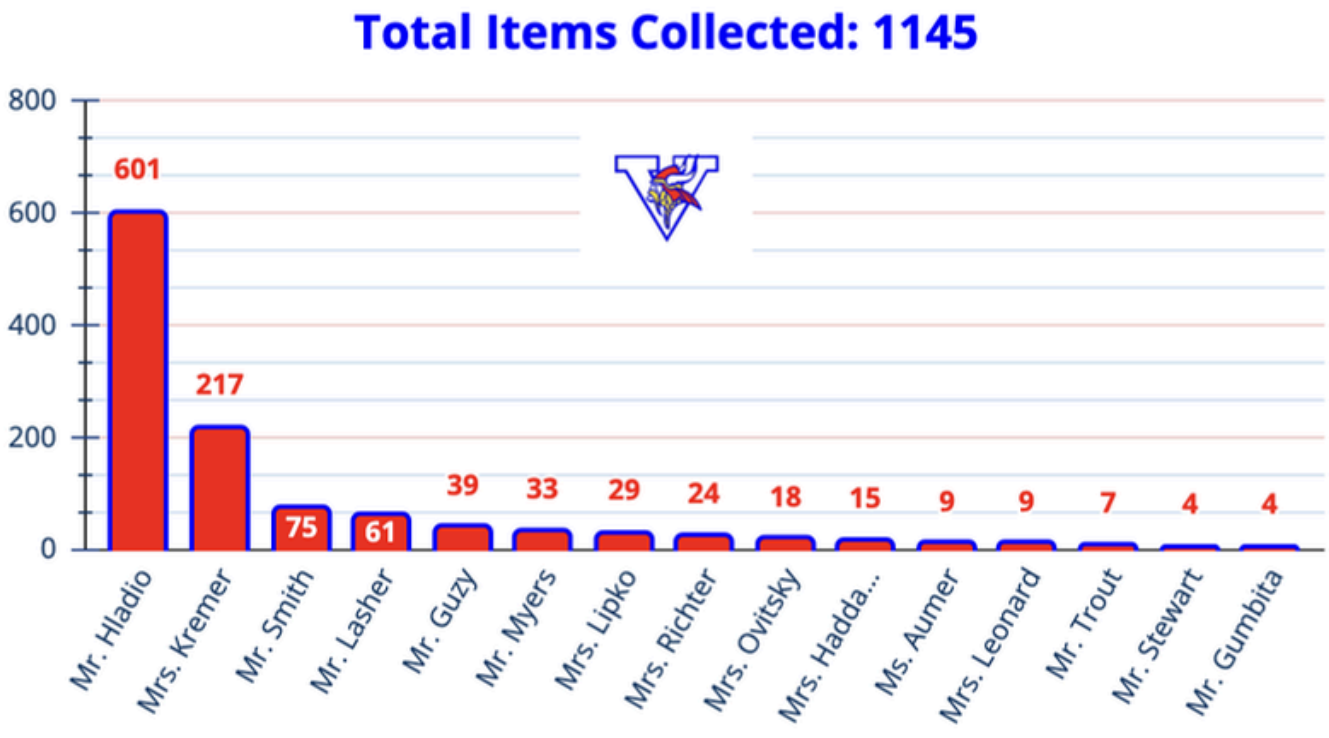

The response to our food drive has been absolutely overwhelming! The Sr. High Viking Nation came together in a way I could never have expected. Thank you for helping make such a meaningful impact for the Westmoreland County Food Bank!
The pieing will take place during activity period on Friday, October 30, in the Senior High Gym. A huge thank you to everyone who donated, encouraged others to participate, and helped make this community outreach such a success. Way to go, Vikings!

The first picture shows the Students of the Month for October. These students were awarded the Viking Pride chain for demonstrating the most responsibility in their grades or classrooms during the month. Congratulations!

Donegal participated in activities for Red Ribbon Week. Each student signed a pledge to be drug-free!
