Mount Pleasant Area School District

July 31, 2026

Dear Parents and Guardians,

Greetings from the Mount Pleasant Area School District as we look forward to what promises to be a tremendous 2026-2027 school year! We welcome the Class of 2039 with our incoming Kindergarteners as they begin their journey as proud members of Viking Nation. ***The first day of classes for students will be Monday, August 24, 2026.***

Our team is once again producing several 10-15 minute videos as an introduction from each of our buildings, departments, and district partners that will be released for everyone's viewing on August 7, 2026 with a link shared through our messaging system. Each video will provide helpful information about what to expect for the 2026-2027 school year. ***Welcome Back Nights are scheduled for Wednesday, August 19th from 4:00-7:30 for grades 7-12 and Thursday, August 20th from 4:00-7:30 for students in grades K-6.*** Please be certain to contact your child's school if you need to update any addresses, phone numbers, email addresses or any other contact information. ***Don't forget to download the Mount Pleasant Area SD app from the iOS Store or Android Play Store and enable Notifications to keep up with district news and alerts.***

DMJ Transportation is finishing their data entry and review of bus runs. Bus stops, routes and times will be available for viewing in each child's Home Access Center account beginning on **Friday, August 14th**. We encourage all families to continue referencing their account as the first day of school draws nearer just in case any changes may have occurred. The district will continue providing the bus tracking app called Stop Finder to all families this year. Information on downloading the app is at www.mpasd.net under the Departments tab and within the Transportation section.

Additional information specific to each building will be forthcoming to assist everyone with their individual schools. Thank you for your continued efforts with your children and support of the Mount Pleasant Area School District. We look forward to serving your family and providing the best educational experience possible throughout the 2026-2027 school year.

Respectfully,

Timothy M. Gabauer
Superintendent of Schools
