Let's show our Lady Vikings some love and support as they begin their playoff journey!

Our district is proud to partner with local law enforcement agencies and their K-9 units to help maintain a safe learning environment for our students and staff.

Officers and their K-9 partners conducted a routine visit to our secondary building as part of our ongoing efforts to promote school safety.

We held our annual Hispanic Heritage Month "Crave Day" event at the Jr/Sr High School. We worked with Mrs. Snyder and the Spanish Club again to make this event even better for our students.

Natalie from Westmoreland Cleanways and Recycling came to visit the 4th grade to present to them information about aquatic animals. Students learned the environmental and financial consequences of aquatic debris and discussed practical solutions to protect local and global waterways. Furthermore, they participated in a hands-on activity demonstrating the challenge aquatic animals have finding food in polluted waterways.

THIS WEEK'S FALL SPORTS SHOWCASE

Attention Vikings!!!

Your Student Council Vikings are taking on Southmoreland High School in a food drive competition to see which school can collect the most items for the Westmoreland Food Bank!

The competition runs from Monday, October 19, through Friday, October 30, ending at our away varsity football game against Southmoreland. Let's show them what it means to be a Viking and help support a great cause! But that's not all! Our Student Council and participating teachers have come up with an incentive of our own to make things even more interesting. A group of spirited teachers and administrators has volunteered to risk getting pied in the face if they finish in the top five participating teachers based on donations!

Here's how you can get involved:
Check out the list below to see which teachers are participating and where their donation collections are located. These are the confirmed teachers. A few others may be added shortly.

For every 3 items you donate, you will earn 1 entry for a chance to pie one of the winning teachers!
Be sure to sign your name on the entry sheet when you drop off your donations so your entries can be counted. The winning teachers will be announced, and the pieing will take place during activity period on Friday, October 30. Only students who have donated to the food drive will be permitted to attend the event.

Let's fill those collection boxes, support the Westmoreland Food Bank, and show Southmoreland that Vikings know how to come together for a great cause!

A huge thank-you to our amazing teachers who have volunteered to participate and make this competition even more fun!

Make MPA Student Theatre's THE NUTCRACKER part of your holiday season! Bring your family and friends and celebrate the magic of live theatre while supporting the incredible talents of our student performers.

We can't wait to share this holiday magic with you!

Thank you to all the families who joined the Title I Parent Advisory Council meeting! We shared important information and ideas to support our students.

💙 A special thanks to YEA for providing childcare! We'd love to welcome more parents to future meetings—your voice matters!

MP students took STEM learning to new heights at the Kennametal STEM Rocket Launch event! Students explored science, technology, engineering, and math in action while experiencing the excitement of rocketry.

Way to reach for the stars, MP!
