Public Address

The Board may permit any individual or group to address the Board concerning any subject that lies within its jurisdiction, except as noted below, during a portion(s) of the Board's regular or special meetings so designated on the agenda for such purpose.

- (1) The Board of Education does not respond to specific questions during the course of public address, although a topic may be formally added to a Board meeting agenda at a later time. The Superintendent of Schools may respond or clarify a specific question or issue at the meeting or subsequent to the meeting, or the Board Chairman may respond on behalf of the Board of Education.
- (2) All speakers must identify themselves by name and address.
- (3) Three (3) minutes may be allotted to each speaker and a maximum of thirty (30) minutes to each subject matter. The Board may modify these limitations at the beginning of a meeting if the number of persons wishing to speak makes it advisable to do so.
- (4) A Board member shall be appointed by the Chairperson prior to the meeting to act as timekeeper for the meeting, if deemed necessary by the Chairperson.
- (5) No boisterous conduct shall be permitted at any Board meeting. Persistence in boisterous conduct shall be grounds for summary termination, by the Chairperson, of that person's privilege of address.
- (6) Speakers are required to refrain from presentations that discuss specific employees of the Board of Education, regardless of whether or not the employee is identified in the presentation by name or by another reference that tends to identify an individual. Members of the public are encouraged to submit commendations, comments, charges, or complaints concerning specific employees to an appropriate administrator and/or to the Board of Education under provisions of Board of Education policy.
