School & Community Items:

PICTURES NEEDED As always, if you have any pictures that you want to share with the yearbook staff, please email them to aveleba@pawneecityschool.net OR text them to Anne's cell phone (402-335-0447). The staff can't be everywhere and see everything, so if you have some good pics we would love to use them.

FREE SPORTS ADMISSION FOR PC SCHOOL STUDENTS PCPS students will continue to receive FREE ADMISSION to home sporting events (this does NOT include tournaments or playoffs). We would like to see as many students and families as possible show up to our games to cheer on our Pawnee City Indians. Students who attend games are attending as spectators and must be supervised by parents/guardians. Thank you for your support.

PC HOME SPORTS LIVE BROADCASTS PC Sports & Activities will be broadcast on Hudl at https://fan.hudl.com and then Search Pawnee City High School. To access Hudl, click the Hudl TV icon on the school website homepage located on the top right side of the screen.

FREE VIRTUAL TUTORING: Nebraska SMART is a free virtual tutoring program for K-12 students. Teacher education candidates from Chadron State, PSC, and WSC remotely tutor students in Educational Service Units 1, 4 and 13 through an online tutoring platform. This program is made possible by a NDE grant awarded to the Nebraska State College System to launch a rural tutoring program. NE SMART's official launch date was February 5, 2024. Tutoring hours are 3:30-6:30 PM, Monday through Friday. The Nebraska SMART Video can be viewed for more information. Parents who wish to gain access to tutoring must register their child(ren) by visiting www.nscs.edu/NebraskaSMART. Parents must first create an account and register their child(ren). Once parents have created their account and added their child(ren), the student (or parent on their behalf) can schedule a tutoring appointment. Students can also join on-demand tutoring to be connected with the next available Tutor. The Parent Guide provides steps for parents to register their child(ren), schedule a session, request on-demand tutoring, and more. Students should provide homework for which they wish to receive help or topics that they would like to cover. When connected to a Tutor, students (or parents on their behalf) can share files with their Tutor. It is recommended that students (or parents on their behalf) have saved their homework to their computer prior to connecting to a Tutor. The NE SMART tutoring platform can be accessed via a laptop, desktop, or Chromebook. Please note that smartphones and some tablets are not currently supported by this platform.
