Dear Eagle Families,

We hope your summer was filled with fun, laughter, and great memories! We are thrilled to welcome our Eagles back to the nest and can't wait to kick off an exciting year of learning, growth, and success.

At Prince Edward Elementary School, we know amazing things happen when families and schools work together. Thank you for your continued partnership and support. Together, let's make this our best year yet!

Important Dates

- Open House - Monday, August 10
- First Day of School - Wednesday, August 12

What's New?

The new entrance to the building and car drop-off loop will be ready for use at the beginning of school! Heads up- there will be two lanes approaching the new entrance. One lane will be for drop-off and the other for parking and/or exiting. More information to follow as we inch closer to the start of the new school year.

Also, we are excited to announce that our school division is transitioning to a new communication platform called Connect. As we begin this transition, teachers may continue using communication tools such as Remind and ClassDojo while families become familiar with the platform.
