SAILS PROGRAM SUPPLY LIST 2026-2027

With a focus on functional skills and shared materials, rather than individual school supplies, we ask families to contribute to our classroom community supplies that all students and staff use throughout the day.

Daily Supplies:

- Paper towels
- Kleenex
- Disinfectant spray
- Disinfectant wipes (lysol/clorox)
- Dish soap
- Hand soap (liquid)
- Hand sanitizer
- Headphones

Other frequently used supplies:

- Construction Paper
- Colored Cardstock Paper
- Ziplock bags
  - sandwich, quart, gallon sizes
- Baby wipes
- plastic utensils
- paper plates/bowls
- Sugar free water flavor packets

Snack Donations: (optional, but appreciated)

In our classroom, we use a consistent set of snack options so students can practice requesting and making choices. Keeping snacks the same for everyone helps create predictability and reduces the likelihood of frustration or dysregulation, since all students have equal access to the same items.

- Goldfish crackers
- Cheez-Its
- Rice Krispie treats
- Fruit snacks
- Applesauce pouches

Notes for Families

Supplies are shared among all students.

You may send individual snacks for specific dietary needs, please give Ms. Harper advanced notice.

If your child is not yet potty trained, families are responsible for providing personal toileting supplies (pull-ups/diapers and wipes) as well as any creams or lotions your child may need; Classroom Staff will do our best to notify you when supplies are running low.

Donations are always appreciated, but never required.
