DINO DISCOVERY CAMP

ILLINOIS VALLEY YMCA
SEPTEMBER 14–17

Get ready for a prehistoric adventure! Join us for a week of dinosaur-themed fun where little explorers and their favorite grown-up will discover the world of dinosaurs together. Each day brings a new hands-on adventure as campers create their own archaeologist vest, dig for dinosaur bones, enjoy interactive story time, sing silly dinosaur songs, and make exciting prehistoric crafts.

This camp is designed for children ages 2–4 (ages are flexible) and requires a parent or guardian to attend alongside their child. It's the perfect opportunity to learn, create, and make memories together!
