BUSY BEES

& BUTTERFLIES CAMP

ILLINOIS VALLEY YMCA
OCTOBER 5–8

Come see what all the BUZZ is about at the Illinois Valley YMCA! Little explorers and their favorite grown-up will spend the week discovering buzzing bees, beautiful butterflies, and the amazing creatures found right in our own backyard. Through hands-on activities, stories, crafts, and sensory play, campers will learn about insects, flowers, gardens, and the important jobs these tiny creatures do. Together, children and their grown-ups will create nature-inspired crafts, explore colors and textures, and celebrate the beauty of the outdoors. This camp is the perfect mix of learning, creativity, and adventure!

This camp is designed for children ages 2–4 (ages are flexible) and requires a parent or guardian to attend alongside each child.
