October 29, 2025

Dear Parents/Guardians:

On Friday, October 24 Mrs. Vogel, Spanish Teacher, resigned her position in Groton. She did so for personal reasons. I have been looking for a replacement for the past couple of weeks, but so far to no avail. I will search until the end of this week and if I do not find anyone by this time I will be contacting Cayuga-Onondaga BOCES to use an asynchronous (not in real time) program to meet the needs and academic requirements of our students. While this is not an ideal solution, it will be the best we can offer without a live teacher.

The teacher shortage in New York State has been a problem for the last several years. I have several people helping with this endeavor such as Mrs. Twitchell who has been a member of the small community of language teachers for a long time. We are exploring all options and will continue to do so. If you have any questions regarding this situation, please do not hesitate to contact me.

Sincerely,

Brian D. Kavanagh
Principal
