## Welcome To Eastlake High School

We welcome you to Eastlake High School for today's athletic competition. A reminder that student athletes and their safety is the top priority. Eastlake High School is proud to host games and competitions which will be guided by the University Interscholastic League (UIL). Socorro ISD Employee Passes, District 1-6A Athletic Passes, and Texas High School Coaches Association Passes will be honored for admission into all contest.

The contest will be conducted according to the rules and regulations of both the Socorro ISD and the UIL. Regardless of the outcome of the contest being played all the student athletes have proven their willingness to work and sacrifice to achieve athletic excellence. As a spectator one should consider the times and effort of both teams and coaching staffs.

Cheer on these young athletes, applaud them, but do not through any of your actions cause them to doubt the value of athletes. By the spectators' actions this may cause the athletes to doubt the value of athletics. By the conduct of the spectators, all these young men and women to feel pride in their communities and school. While the actions of the sportsmanship of all fans may play only a small part in the outcome of the game, it will play a greater role in continuing to encourage competitive athletics.

We thank you in advance for visiting Eastlake HS in advance. We will do everything possible to assure that your visit to our campus is a GREAT ONE.
