

FEDERAL IMPACT AID SURVEY

SURVEY DATE SEPTEMBER 16, 2026

Skyward platform

ARE YOU:

- A parent or guardian who is active military?
- A parent or guardian who works as a federal employee?

PLEASE COMPLETE THE SURVEY

We kindly ask for your support in completing this year's Federal Impact Aid Survey for students enrolled in Socorro ISD. The information collected helps the district apply for federal funding that offsets local tax revenue losses resulting from federal activities in our community. These funds directly support educational programs, services, and opportunities that benefit our students.

To participate, please log in to your Skyward account and complete the Impact Aid Survey. If you can't access your account, you may request a paper form from your school's front office.
