KOSTA'S KORNER

It's hard to believe we're already heading into the holiday season! November is a wonderful time to gather with friends, learn something new, and enjoy some of the special programs we have planned at the Senior Centers.

We're excited to welcome the Fulton Chamber Players on November 11 for another afternoon of wonderful live music. Then, on November 18, Dr. Paul Beck returns with what should be another fascinating history program, this time exploring the Vikings of North America. And don't forget to join us on November 19 when our friends from Harwood Place stop by for a fun cooking demonstration.

As the holiday season approaches, the Wauwatosa Senior Centers will once again be supporting Jefferson and Eisenhower Elementary Schools through our annual Gift Card Drive. We are collecting $20 and $25 gift cards from several local stores and supermarkets to help families in our community during the holidays. Please see the flyer on page 10 for more details, or stop by either of our Senior Center locations to pick up a flyer. Thank you in advance for your generosity and for helping us support our local schools and families!

As Thanksgiving approaches, I'm especially thankful for all of you who make our Senior Centers such welcoming and enjoyable places to be. The friendships, laughter, conversations, and connections are what make our community so special.
Have a wonderful November and a very Happy Thanksgiving!
See you around the Centers!

MEDICARE OPEN ENROLLMENT

BACKGROUND

Every year you get the opportunity to review your Medicare health and prescription drug coverage.

Even if you are happy with your coverage, it makes sense to review and compare options because coverage, and your needs, might change from year to year.

WHEN IS IT?

The open enrollment period runs from October 15 through December 7. Any changes you make will go into effect in January 2027.

BE AWARE

Medicare will never contact you out of the blue to sell you a plan or ask for your Medicare number!

WHAT TO LOOK FOR

Before making changes, make sure to take these steps:

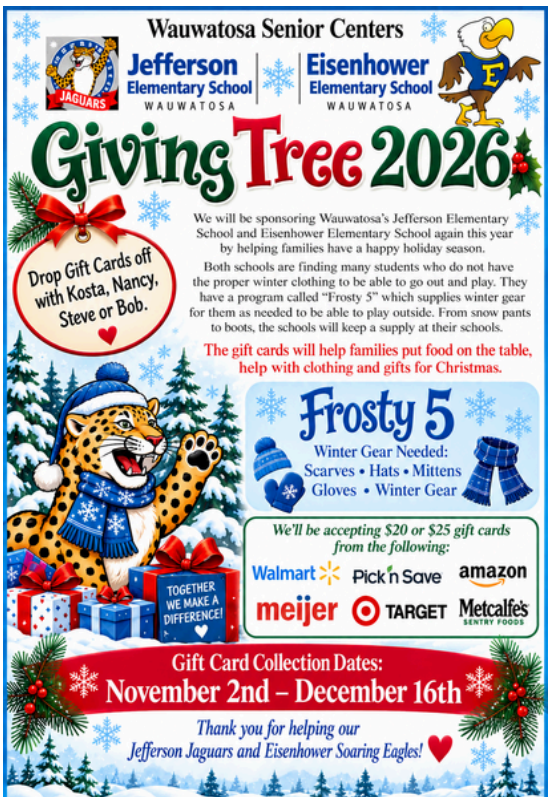

1) Review your annual notice of change that your current insurance provider sends you.

2) Think about what has changed with you - started new medications? Seeing different doctors? Your needs may change and your Medicare coverage should change with them.

3) Compare your options. Use Medicare's online Plan Finder tool or contact a Benefits Specialist at the Milwaukee County Aging and Disability Resource Center for assistance. 414-289-6874.
