2026-2027 SCHOOL YEAR CALENDAR

The Walpole Public School District is enriched by the cultural and religious diversity of its students, faculty, staff, and community. The Walpole Public School Committee publishes this list to inform our community of days in which students and staff may be participating in observances with their families. It does not include all religious holidays observed by every faith. State and Federal law require schools to make reasonable accommodations to the religious needs of students and employees.
