4 Important Information

- All current 8th grade students must complete and return an application.
- Applications are to be submitted through the Aeries Parent Portal on the district website, printed copies are available at middle schools and the District Office
- For students from outside the AUSD, applications are to be turned in at the AUSD District Office
- Admission to all High School programs is by random lottery
- AUSD Academy and CTE Pathway Application will become live for families on: Monday October 19, 2026
- The deadline for submitting applications is: Friday, December 04, 2026 at 4:00 p.m.
- The lottery is scheduled to be held in January 2027
- The lottery results and your student's placement will be mailed to the home address listed on the application in February 2027
- If your student's lottery draw places them in their second or third choice, you will be placed on the waiting list(s) for your higher choices
- Check out the AUSD web page for more information https://www.antiochschools.net/page/career-pathways

Non-discrimination Statement - The Antioch Unified School District (AUSD) is committed to ensuring equal, fair, and meaningful access to employment and education services. AUSD prohibits discrimination, intimidation, harassment, and bullying in any employment practice, education program, or educational activity on the basis of actual or perceived age, ancestry, color, disability, ethnicity, gender, gender identity or expression, genetic information, immigration status, marital, family or parental status, medical condition, national origin, political affiliation, pregnancy and related conditions, race, religion, retaliation, sex (including sexual harassment), sexual orientation, Vietnam Era Veterans' status, or association with a person or group with one or more of these actual or perceived characteristics or any other basis prohibited by California state and federal non-discrimination laws respectively. Not all bases of discrimination will apply to both educational services and employment. Inquiries regarding nondiscrimination and civil rights should be directed to the District's Title IX Coordinator: Christine Ibarra, Associate Superintendent, Educational Services 510 G Street Antioch, CA 94509 925-779-7500 or by email at: christineibarra@antiochschools.net

Where great things happen everyday!
Antioch Unified School District

You're Going To High School!

Mapping Your Plan, Building Your Future!

A Family & Student Guide to Choosing the High School that is Right for You!

Where great things happen everyday!
Antioch Unified School District

1 Choose a Program &

A School You Can Get To!

Things to consider are how much travel time it takes from your residence to your student's selected school, cost of public transportation, and your family's commute pattern.

The Antioch School District does not provide transportation to or from school.
It is each family's responsibility to ensure their students arrive at school on time and can get home each afternoon.

Please note that driving times across Antioch may be as long as 30 minutes at school start and end times and that public transportation may take more than an hour each way at a cost of as much as $4.00 each day.

2 I think I might want to be a...

The following questions are helpful to consider and discuss as families & students make decisions about which high school & program best fits their goals, needs, and plans.

· What interests you? · What do you like to do? · What do you want to be? ·
· Are you creative? · Are you a people person? · Are you a manager? ·
· Do you like to design, fix, grow, or make things? · Do you like to keep a budget? ·
· Do you like to develop plans? · Do you like to keep records of keep track of things? ·
· Do you like to help others? · Do you find satisfaction in providing service? ·
· What kind of education and training do you want after high school? ·

Set Your Goal, Map Your Plan

3 Choose a Program that Fits Your Plan

Each high school offers students a comprehensive program of study preparing them for College, Career, and Life. Among the required courses for graduation are many of those needed for admission to college. Among the programs offered are Career Pathways which provide students the opportunity to focus their learning around their interests and Career Technical Education (CTE) courses linked to training and jobs in our area.

As your family prepares for the move from middle school to high school, we encourage you to discuss future career interests and education with your student. Your family is best equipped to decide which school and program best fits your student's interests, educational plans, and career goals, as well as daily logistics for ensuring they are able to fully access the programs and services offered.
