Strive for 95 Attendance Initiative

Deer Valley High School is excited to announce the launch of the "Strive for 95" attendance initiative, aimed at encouraging and celebrating students who maintain a 95% attendance rate.

This program is designed to recognize and reward students for their dedication to attending school consistently, fostering a positive and supportive environment for academic success.

Students who achieve a 95% attendance rate will enjoy a variety of exclusive benefits, including:

- **Pop-Parties**: Celebrate your commitment to school attendance with special pop-parties designed just for you!
- **Free Admission to Events**: Gain complimentary access to a range of school events as a reward for your dedication.
- **Raffle Prizes**: Each month, students maintaining their attendance rate will be entered into a raffle with the chance to win exciting prizes.
- **Recognition at Graduation:** Students with over 95 percent graduation rate throughout Senior Year will be recognized with a unique cord to wear as they walk the stage.

Beginning Monday, December 1st, students who consistently maintain a 95% attendance rate each month will be entered into a school-wide raffle. This fun and engaging activity offers students the opportunity to win fantastic prizes while reinforcing the importance of regular attendance.

We recognize that maintaining a high attendance rate is a collaborative effort. As caregivers, your support is crucial in ensuring that students attend school daily. We encourage you to promote the importance of attendance and work together with us to support the students of Deer Valley High School.

By working together, we can help every student reach their full potential. Let's all do our part to support Deer Valley students and make the "Strive for 95" initiative a success!

If you have any questions regarding the funding and access for this proposal, please contact me directly at 925-779-7570
