Dear Parents and Guardians,

The Ohio Department of Education and Workforce has launched its annual Parent Survey, and we need your valuable feedback!

Who should complete this survey? While we share updates with our entire community, this specific survey is **only for parents or guardians of children receiving special education services**.

Even if you completed a similar survey recently, please note that Ohio has started a new six-year cycle, and schools were randomly selected to participate again. Your input is critical for this new cycle.

Key Information:

- **Time Commitment:** The survey is brief and should only take about **10 minutes** to complete.
- **Deadline:** The survey will remain open until **Friday, May 29, 2026**.
- **Access & Languages:** You can access the survey directly using the link or QR code provided in the attached notice.

Please check the attached document to find the direct survey link, QR code, and translated versions.

Thank you so much for your time and for partnering with us to support your child's education!

Sincerely,

Ms. Amanda Lafontaine
Interim Special Education Director
Woodmore Local Schools

Dear Parent or Guardian,

The Ohio Department of Education and Workforce (ODEW) would like to invite you to participate in a short, 25 question survey about your involvement in your student's education. Research suggests that parental involvement is a key predictor of positive educational outcomes. You may be eligible to participate if your child has an IEP and receives special education services. The purpose of collecting this information is to improve services for students with disabilities across Ohio. If you are eligible to participate and you enroll in the study, you will be entered in a drawing for several $50 Amazon gift cards. Your chance of winning a gift card is approximately 2.0%. Please click on this link **or** use the QR (Quick Response) code (see below) to find out more about the survey and if you are eligible.

Sincerely,

David Julian, Ph.D.
Special Education Family Survey Director
(Collecting surveys on behalf of the Ohio Department of Education and Workforce)
