

Single Sign-On technology allowing you to access everything you need with just one login!

Dear Students and Staff,

Your technology team has spent a lot of time researching different single sign on applications. We're pleased to share that North Mason has adopted ClassLink, a single sign-on platform that will allow you to use one username and password to access everything you need.

Here is how to get started:

1. Go to this website: <https://launchpad.classlink.com/nmsd>
2. There are two different ways to login. When you're on the NMSD network (at school) or when not on the network (from home).
 1. When signing on while at school, leave Username and Password field blank and select "**Sign in with ADFS**"

North Mason

The image shows a screenshot of a login interface. At the top, there are two input fields: "Username" and "Password", both of which are currently empty. Below these is a blue "Sign In" button. At the bottom is a green button with the text "Sign In With ADFS" and a small ADFS icon to its left. A green arrow points from the left towards the "Sign In With ADFS" button. At the very bottom of the interface, there is a small link: "Help, I forgot my password".

2. You will be redirected to our ADFS site, this is where you will sign in using your Email address and Password.

North Mason Schools District

Sign in with your organizational account

username@northmasonschools.org
.....
Sign in

3. When signing in outside of school (such as at home) you will type in your network username and password and click “**Sign In**”

Sign In With ADFS

[Help, I forgot my password](#)

Once you have logged in, you will see a number of applications already available to you. And we will continue to add applications throughout the school year.

Here's how to learn more:

Learn about navigating ClassLink via the company's Support website:

<http://docs.classlink.com/docs/1-logging-in>

Download ClassLink training materials and reference guides:

<http://docs.classlink.com/docs/trainingmaterial>

You can download ClassLink to your mobile device simply by searching for ClassLink in your app store and using the same information above (Step 3) to login. Code = **nmsd**

If you have questions, you can contact your school support team or email ClassLink directly: support@classlink.com.

Thank You!
North Mason Technology Department
