Joshua L. Smith, Principal
Jennifer Lyon, School Counselor

Dear Families and Guardians,

From October 27th through 31st, we'll be participating in Red Ribbon Week, a nationwide initiative to promote healthy, drug-free lifestyles. At Groveton Elementary, our focus is on making this week a positive and age-appropriate experience for our students. We'll be encouraging healthy choices, positive friendships, and respect for themselves and others.

Please note that we do not hold high-level discussions or disclosures about drugs at this age. Our activities are designed to keep things light and empowering, fostering safe conversations without diving into sensitive topics.

We encourage you to talk with your children at home, and if you have any questions or concerns about how we're approaching Red Ribbon Week, feel free to reach out.

Red Ribbon Week 2025

Believe In Yourself , Be Drug Free
