- Gaming Devices

Student Phone/Device Policy:

The school will store student's electronic device in a safe place from the beginning of the day to the end of the day.

Need to get a message to your student?

Call (620) 598-2250 to leave a message for them at the office.

Students need to contact home?

Students can ask to go to the front office to call home.

Security

Ensuring students remain safe and families receive accurate information through official school communication channels.

Thank you for supporting this policy and partnering with us to prioritize student success, safety, and learning.
