

Parents –

The annual Trinity–St. X football game is one of the premier high school sporting events in the country. We are grateful to partner with the University of Louisville to host this tradition at L&N Federal Credit Union Stadium and look forward to another outstanding evening.

Tailgating is traditionally an important part of game day and should be an enjoyable experience for all. We ask every family to remember that this is a **high school athletic event**, not a college or professional sporting event. Please use **good judgment**, **supervise your children at all times**, and **refrain from bringing or consuming alcohol** during pregame tailgating.

In recent years, unsupervised children in the parking lots have created unsafe conditions for both pedestrians and drivers. Children should never be permitted to roam the parking lots or use them as a playground.

Similar to last year, and to help create a safer environment, the parking lots will open at 5:00 p.m. Stadium gates will open at 6:30 p.m., with kickoff at 8:00 p.m.

Thank you for helping us provide a safe, family-friendly atmosphere that reflects the values of both schools.
