TRINITY HIGH SCHOOL FOUNDATION
2024-25 | ANNUAL REPORT

PRESIDENT'S NOTE

Dear Friends of Trinity,

This mantra defined the Class of 2025. Under the leadership of Principal Dr. Dan Zoeller H'07 and the dedicated guidance of their teachers, counselor, and support staff, the Class of 2025 graduated with unprecedented achievements.

This diverse group of learners earned more than \$42 million in merit scholarships, and when combined with the last several graduating classes, that number rises to more than \$300 million in merit scholarships! The Class of 2025 took close to 800 AP exams while featuring perfect ACT scorers, a record number of Governor's Scholars and a record number of students recognized by the National Merit Corporation and the College Board. Members of the Class of 2025 were offered admittance to a record 186 colleges and universities.

Acceptances were offered by such schools as Baylor University, Boston College, Carnegie Mellon University, Dartmouth College, Duke University, Pepperdine University, Purdue University, Rose-Hulman Institute of Technology, University College-London, University of California (Berkeley), University of Glasgow, University of Notre Dame, University of Southern California, Villanova University, Wake Forest University, and Washington University in St. Louis.

The Class of 2025 also features graduates who have a definite plan for life after graduation that does not

"Trinity is a Catholic, college-preparatory high school, forming men of faith and men of character."

include college. These students have a plan that makes perfect sense for them and should lead to great fulfillment.

Beyond academics, these seniors have made a profound impact. They completed thousands of hours of community service, led numerous charitable drives and nearly all attended the Senior Retreat. Their leadership shone in extracurriculars, from Quick Recall state championships to KUNA, KYA, Speech and Debate, and Governor's Cup. In athletics, they've secured 7 team state championships, four team state runners-up and 6 individual or relay state titles this year alone.

May they always carry the Truth found within these halls and the Wisdom that echoes clear.

Your financial support through the Trinity Annual Fund is crucial in ensuring future students have the same opportunities. With the growing need for tuition

assistance, your gift to the 2025-26 campaign, using the enclosed envelope or by scanning the QR code directly, impacts these young men.

Thank you,

A handwritten signature in black ink that reads "James Torra".

ANNUAL REPORT DEDICATION

Honoring Mary Mason H'09: A Legacy of Innovation and Education at Trinity

From the very first computer lab atop Old Trinity Hall to teaching a diverse array of IT courses, Mary Mason H'09 has been an integral part of Trinity's technological journey from its inception. Transitioning directly from student teaching in the fall of 1981 to joining Trinity in January 1982, Mary's profound impact on students was primarily felt in the classroom. There wasn't a computer class she couldn't teach, and her students often credit her early instruction for their successful careers in IT and advanced studies. Her kindness and patient teaching style were admired by all. This year's annual report is dedicated to Mary for her exemplary service. We extend our warmest wishes to her and her husband, John '75, for many happy years ahead.

ABOUT THE TRINITY HIGH SCHOOL FOUNDATION

The Trinity High School Foundation is a non-profit organization located in Flaget Hall (the former faculty house).

The Foundation is an independent, non-profit organization incorporated in the Commonwealth of Kentucky. Chartered in 1983, its sole purpose is to support the mission of Trinity High School by promoting the welfare and future development of Trinity's educational goals by managing assets and maintaining donor records for the benefit of Trinity High School.

The Trinity High School Foundation, the official repository for gifts to the school, exists for the benefit of Trinity High School. To accomplish its mission, the Foundation provides those services normally associated with a school-related foundation, including but not limited to volunteer leadership, fund solicitation, gift acceptance and acknowledgement, and asset management services.

OPENING DOORS TO ACCESSIBILITY

Support the Trinity High School Foundation

Simply put, to make a difference. To impact a life. To invest in a young man who will benefit from a Trinity education. **Why give to Trinity?** Because your gift helps provide a priceless academic foundation and experience that forms men of faith and men of character.

TRINITY ANNUAL FUND

The Trinity Annual Fund subsidizes all tuition-assistance programs. It is the Trinity High School Foundation's cornerstone fundraising program and is designed to assist families with making the best available educational experience more accessible. All unrestricted gifts, memorial/honorary gifts and restricted scholarships are part of the Trinity Annual Fund.

Growth of the Trinity Annual Fund is critical. We need your help to ensure Trinity remains a viable option for all who want to enjoy the educational experience we have to offer.

All this is made possible through the incredible support and generosity of alumni, parents, faculty, staff and friends of Trinity. That's how the small school in the East End got its start in 1953 and is no different today. None of what Trinity has achieved would be possible without the charitable contributions of so many who came before us and those with us now.

It's an annual effort that begins July 1 and ends June 30, with several options available for making gifts.

- A one-time annual contribution
- An annual commitment with quarterly or monthly contributions
- A multi-year commitment with annual, quarterly or monthly contributions

Contributions can be made using cash, check, credit card, Apple Pay, Google Pay, PayPal, electronic fund transfer (EFT), corporate matching gifts and/or stock.

Giving is Easy

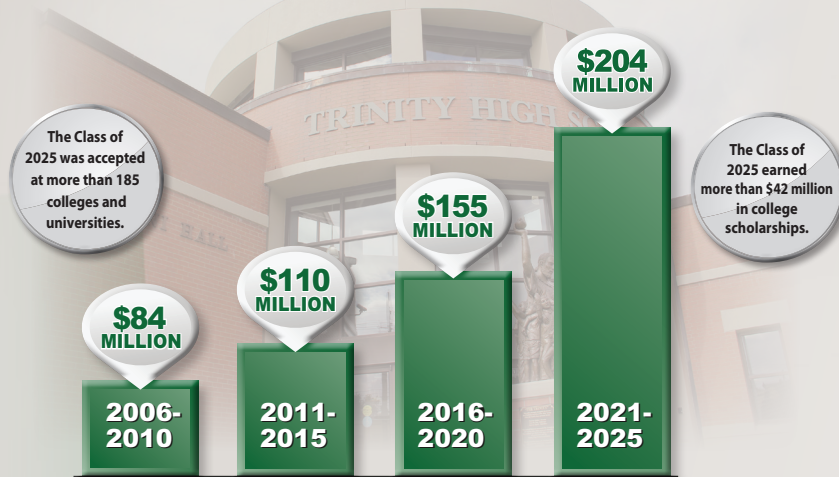

- Visit trinityrocks.com, click the "Make A Gift" button and complete the information
- Mail your gift in a Trinity Annual Fund envelope provided in this mailer and each edition of *The Leader*
- Call in your gift to (502) 736-2156
- Bring your gift to campus and ask for John King Jr. '08

Making Trinity **accessible** to the most diverse student body of any high school in the area, with the broadest range of strengths and weaknesses, has been in our mission since day one.

ENDOWMENT

Overview

The need: \$40 million by 2030

The reason: To provide accessibility for families with a demonstrated need. Accessibility. It's something facing Catholic education institutions across the country, and Trinity is no exception. That's why the growth of the endowment for tuition assistance is critical. We need you to help us ensure that Trinity remains a viable option for all who want to enjoy the educational experience Trinity has to offer. The Trinity High School Foundation Board has established a goal of \$40 million by 2030. Like those before us, we need the support of the Trinity Family to make those dreams a reality for the young men who want to become part of this special place.

Endowed Scholarships

Scholarships at Trinity are seen as the dedication of contributions made by individuals, families, alumni and others to ensure that young men have an opportunity to enjoy the Trinity educational experience. There are three kinds of scholarships that can be developed at Trinity: alumni class, memorial, or honor. Gifts can be directed toward a scholarship while it's being developed and even after it's started awarding an annual distribution.

Trinity's annual 24-hour online day of giving will take place on Tuesday, December 2, which is also a National Day of Giving. #ROCKSGive has engaged numerous students, alumni, parents, grandparents and friends, raising funds for tuition assistance while sustaining

a fun, fast-paced conversation on social media. #ROCKSGive benefits the Trinity Annual Fund, and 100% of all gifts go to need-based tuition assistance, which helps many young men have the Trinity experience.
