2026-2027 Transportation Information

As of July 22, 2026, parents of students who are eligible for transportation can now view their child's bus information through the **Stopfinder Parent App**.

Important: Completing school registration alone does **not** confirm bus ridership. Eligible families must also confirm whether their child will be riding the bus for the 2026–2027 school year.

Within a few days of registering for school, eligible families will receive an email from **Transfinder** inviting them to confirm whether their child will ride the bus during the 2026–2027 school year. Confirming ridership helps our Transportation Department finalize routes and provide the best possible service for students.

New This Year: Z-Pass Cards for All Bus Riders (PK–12)

All students who ride the bus will receive a **Z-Pass card**. This safety feature helps verify that students are boarding the correct bus and allows parents to receive notifications when their child boards and exits the bus.

Z-Pass cards will be distributed as follows:

- **Elementary and Intermediate students:** At Meet-the-Teacher. Students who are unable to attend will receive their Z-Pass from their campus once school starts.
- **Secondary students:** At Prep Days or from their bus driver if they are unable to attend Prep Days.
- Click here to access the Meet the Teacher/Prep Days Schedule for 2026-2027.
